All of the above fees and expenses will be paid by the Registrant. Other than the Securities and Exchange Commission filing fee, all fees and expenses are estimated.

Item 14. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law permits the indemnification of officers and directors of our company under certain conditions and subject to certain limitations. Section 145 also provides that a corporation has the power to purchase and maintain insurance on behalf of its officers and directors against liability asserted against such person and incurred by him or her in such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability under the provisions of Section 145.

In accordance with the provisions of Section 145 of the Delaware General Corporation Law, our bylaws permit us to indemnify to the fullest extent permitted under Delaware law any director or officer of our company. The bylaws further provide for the advancement of expenses as described in Section 145(e) of the Delaware General Corporation Law; for other rights and remedies as described in Section 145(f) of the Delaware General Corporation Law; for the continuation of indemnification of a person who has ceased to be a director or officer; for the extension of the benefits of indemnification to the heirs, executors and administrators of the director or officer; and, upon resolution passed by the Board of Directors, for the purchase and maintenance of insurance as described in Section 145(g).

Furthermore, through Indemnity Agreements with various directors and officers, we have, subject to certain conditions and limitations, agreed to indemnify and hold harmless an officer or director if he or she is or was a party, or is threatened to be made a party, to any Action by reason of his or her status as, or the fact that he or she is or was or has agreed to become, a director or officer of our company, and/or is or was serving or has agreed to serve as a director or officer of an Affiliate (as defined in the Indemnity Agreements), and/or as to acts performed in the course of his or her duty to our company and/or to an Affiliate, against Liabilities and reasonable Expenses (as defined in the Indemnity Agreements) incurred by or on behalf of the officer or director in connection with any Action (as defined in the Indemnity Agreements), including, without limitation, in connection with the investigation, defense, settlement or appeal of any Action. Also through Indemnity Agreements, we have agreed to pay to the officer or director, in advance of the final disposition or conclusion of any Action, the officer or director's reasonable expenses incurred by or on behalf of the officer or director in connection with such Action, provided that certain conditions are satisfied. Finally, through Indemnity Agreements, we have agreed that we may purchase and maintain insurance on behalf of an officer or director against any liability and/or expense asserted against him or her and/or incurred by or on behalf of him or her in such capacity as an officer or director of our company and/or of an Affiliate, or arising out of his or her status as such, whether or not our company would have the power to indemnify him or her against such liability or advance of expenses under the provisions of the Indemnity Agreement or under the Statute as it may then be in effect.

Item 15. Recent Sales of Unregistered Securities.

In the past three years, we have sold unregistered securities in the eight transactions described below, all of which were private placements. Each transaction was exempt from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) of the Securities Act and, with respect to paragraphs #1 through #4 and paragraphs #7 through #8 below, under Rule 506 promulgated thereunder, as such sales and issuances did not involve any public offering, were made without general solicitation or advertising, and each purchaser was an accredited investor with access to all relevant information necessary to evaluate the investment and represented to us that the securities were being acquired for investment.

(1) In March 2004, we sold approximately \$9.9 million of 6% Senior Convertible Notes Due 2007 to 27 accredited investors. These notes were convertible at any time into our common stock at a price of \$3.00 per share. Investors in this private placement also received warrants to purchase an aggregate amount of up to approximately 1.2 million shares of common stock, exercisable at \$3.00 per share for varying periods but no later than 100 days following the effectiveness of the registration statement covering the resale of shares issuable upon exercise of the warrants.

(2) On July 29, 2004, we completed a private exchange offer for the notes that were originally issued by us on March 1, 2004. Under the terms of the exchange offer, \$5.46 million in aggregate principal amount of the prior were exchanged for an aggregate of (i) \$2.73 million of 10% Senior Secured Notes Due 2005 (the July 2005 Notes) and (ii) \$2.73 million of 6% Senior Secured Notes Due July 2007 (the July 2007 Notes). The July 2005 Notes had a maturity date of July 29, 2005, and a conversion price of \$2.00 per share. The July 2007 Notes have a maturity date of July 29, 2007, and a conversion price of \$1.00 per share.

(3) On June 13, 2005, we completed a private placement of 10% Convertible Unsecured Notes Due 2006 (the June 2006 Notes) in the aggregate principal amount of \$3.25 million, together with warrants to purchase up to an aggregate of 893,750 shares of our common stock, to 8 accredited investors. These notes were to become due on the earlier of June 13, 2006 or the consummation of a follow-on equity or debt offering or restructuring transaction pursuant to which we received gross proceeds of at least \$4.0 million. As part of this private placement, we issued warrants to the purchasers of the June 2006 Notes giving them the right to purchase up to an aggregate of 812,500 shares of our common stock. In addition, warrants to purchase 81,250 shares of our common stock were issued to the placement agent in the transaction. The warrants have an original exercise price of \$2.00 per share and will expire on June 13, 2010.

(4) On August 9, 2005, we completed a private placement of \$9.9 million in principal amount of new 7% Senior Secured Convertible Notes Due August 2007 (the August 2007 Notes) to 26 accredited investors. As a part of the private placement, we also issued warrants to the purchasers of the August 2007 Notes and the placement agent in the transaction giving them the right to purchase up to an aggregate of approximately 2.9 million shares of our common stock. The warrants have an original exercise price equal to \$2.00 per share, and will expire on August 2, 2010.

(5) On March 17, 2006, we issued a \$1.0 million subordinated promissory note (the Atlantic Notes) to Atlantic Realty Group, a company controlled by Jack Chitayat (a former director of our company). In connection with this note, we issued to Atlantic Realty a warrant to purchase an aggregate of up to 125,000 shares of our common stock at an exercise price of \$2.00 per share.

(6) On March 22, 2006, we issued 1.7 million shares to Innometal Co., Ltd., a South Korean company, pursuant to a settlement agreement amendment at an effective acquisition price of \$2.01 per share. The shares were issued pursuant to a prior obligation of our company to issue such shares.

(7) On May 17, 2006, September 21, 2006 and December 1, 2006, we completed a private placement of 8% Unsecured Subordinated Notes for an aggregate principal amount of \$4.6 million. The notes are due on the earlier of

August 17, 2007 or the consummation of a follow-on equity or debt offering pursuant to which we receive gross proceeds of at least \$6.0 million to be used for working capital purposes and repayment of debt, but excluding financings for the purpose of purchasing capital assets. As part of this private placement, we issued warrants to the purchasers of the notes giving them the right to purchase up to an aggregate of 890,990 shares of our common

II-2

stock. In addition, warrants to purchase 82,074 shares of our common stock were issued to the placement agent in the transaction. The warrants have an original exercise price of \$2.58 per share and will expire on May 17, 2011.

(8) On January 3, 2007, we completed a private placement of Convertible Subordinated Notes due January 2010 for aggregate cash in the amount of \$12.9 million and in payment of a total of \$3.4 million in principal and accrued but unpaid interest under the August 2007 Notes and New Bridge Notes. The notes are due on January 3, 2010. As a part of the private placement, we issued warrants to the purchasers of the notes giving them the right to purchase up to an aggregate of 5,257,921 shares of our common stock at an exercise price of \$1.93 per share. In connection with the private placement, we also issued to the placement agent for the transaction warrants to purchase an aggregate of 248,710 shares of our common stock at an original exercise price of \$1.55 per share. All of the warrants (including the warrants granted to the placement agent in the transaction) are immediately exercisable and will expire in January 2012.

In February 2007, we entered into conversion agreements with the holders our August 2007 Notes holding \$0.4 million of principal providing for the conversion of such notes at a reduced conversion price of \$1.25 per share and issued 320,000 shares of our common stock. Also in January and February 2007, we repaid in full the remaining outstanding \$1.8 million in principal and accrued interest on the Atlantic Notes and New Bridge Notes. As a result of the transactions in January and February 2007, \$7.2 million of the August 2007 Notes and \$3.0 million of the New Bridge Notes remain outstanding as the filing of this prospectus.

Item 16. Exhibits and Financial Statement Schedules.

- (a) Exhibits. See Exhibit Index.
- (b) Financial Statement Schedules. Not Applicable.

Item 17. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
 - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
- (i) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized in the City of Lake Forest, State of California, on July 16, 2007.
