## Edgar Filing: GLOBAL PARTNERS LP - Form 8-K

On July 9, 2007, Global Companies LLC ( Global ), a wholly owned subsidiary of Global Partners LP (the Partnership ), entered into a Terminals Sale and Purchase Agreement (the Terminals Purchase Agreement ) with ExxonMobil Oil Corporation ( ExxonMobil ) pursuant to which Global agreed to acquire two refined products terminals located in Glenwood Landing and Inwood, New York from ExxonMobil (the Terminals Acquisition ). The Terminals Acquisition was originally expected to close in the third quarter of 2007. On August 20, 2007, ExxonMobil and Global amended the Terminals Purchase Agreement to extend the closing date to the fourth quarter of 2007 to accommodate the orderly transition of certain permits.

On October 4, 2005, the Global Partners LP Long-Term Incentive Plan (the LTIP ) became effective for employees, consultants and directors of our general partner, Global GP LLC (the General Partner ) and employees and consultants of affiliates of the Partnership who perform services for the Partnership Group. On August 14, 2007, the Compensation Committee of the Board of Directors of the General Partner made the initial grant of awards of phantom units and associated distribution equivalent rights ( DERs ) under the LTIP to certain employees and directors. The phantom units granted will cliff vest and become payable on a one-for-one basis in common units of the Partnership (or cash equivalent) upon (i) the achievement of the Performance Goal (as defined below) for the Restricted Period (as defined below), and (ii) in most cases, the continued employment of the recipient. The DERs that were granted in tandem with the phantom units will vest and become payable in cash simultaneously with the vesting of the phantom units. Any phantom units and associated DERs that have not vested as of the end of the cliff vesting period will be forfeited. Notwithstanding the foregoing, upon a change of control of the General Partner, all outstanding phantom units and associated DERs that have been granted and are not then vested automatically will become fully vested without regard to the achievement of the Performance Goal.

The performance goal for January 1, 2007 through December 31, 2009 (the Restricted Period ) has two components: (a) quarterly distributions to the holders of limited partner units of the Partnership cannot decrease at any time during the Restricted Period; and (b) cumulative distributable cash flow over the Restricted Period must equal or exceed the cumulative amount necessary to have achieved a 1.15 coverage over pro forma average annual distribution increases of 7% per limited partner unit of the Partnership (determined on a fully diluted basis, and giving effect to distributions to the General Partner, including incentive distributions) ((a) and (b), collectively, the Performance Goal ).

Copies of the forms of LTIP Grant Agreements adopted by the Compensation Committee of the Board of Directors are filed as Exhibits 10.1, 10.2 and 10.3 to this Form 8-K and are incorporated herein by reference.

### **Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On August 14, 2007 the Compensation Committee of the Board of Directors awarded phantom units and associated DERs under the LTIP to each of Eric Slifka, Thomas J. Hollister, Edward J. Faneuil and Charles A. Rudinsky (collectively, the Named Executive Officers ) pursuant to the forms of LTIP Grant Agreements attached hereto as Exhibits 10.1 (for Messrs. Slifka, Hollister and Faneuil) and 10.3 (for Mr. Rudinsky). The phantom units granted will vest and become payable on a one-for-one basis in common units of the Partnership (or cash equivalent) upon (i) the achievement of the Performance Goal during the Restricted Period, and (ii) the continued employment of the recipient, except in the case of death, disability, termination by the General Partner without cause or constructive termination (each of the foregoing terms as defined in the recipient's respective employment agreement with the General Partner or the applicable grant agreement, as the case may be). The DERs that were granted in tandem with the phantom units will vest and become payable in cash simultaneously with the vesting of the phantom units. Any phantom units and associated DERs that have not vested as of the end of the cliff vesting period will be forfeited. Upon a change of control of the General Partner, all outstanding phantom units and associated DERs that have been granted and are not then vested automatically will become fully vested without regard to the achievement of the Performance Goal.

The number of phantom units awarded to each Named Executive Officer is as follows:
