**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

Edgar Filing: KEY ENERGY SERVICES INC - Form 8-K

The Board of Directors of Key Energy Services, Inc. (the Company ) amended the bylaws of the Company on November 2, 2007. The amendment exempts from the restrictions of the Maryland Control Share Acquisition Act any acquisition by any person of shares of stock of the Company that would, if aggregated with all other shares of stock of the Company owned by that person or in respect of which that person is entitled to exercise or direct the exercise of voting power, except solely by virtue of a revocable proxy, entitle that person, directly or indirectly, to exercise or direct the exercise of not more than 15% of the voting power of shares of stock of the Company in the election of directors generally. This amendment increases the ownership threshold for triggering these restrictions, which would limit the voting rights of a beneficial owner, from 10% of the voting power. A copy of the Amendment to the Second Amended and Restated By-laws of Key Energy Services, Inc. is attached to this Current Report on Form 8-K as an exhibit and is hereby incorporated by reference.
