1                      Announcement dated November 16, 2007 in respect of the connected transaction for purchase of Guizhou Assets

**FORWARD-LOOKING STATEMENTS**

The announcement in relation to the connected transaction for purchase of Guizhou Assets, constituting Exhibit 1 to this Form 6-K, contains forward-looking statements that are, by their nature, subject to significant risks and uncertainties. Such forward-looking statements include, without limitation, the Company's operating strategy and future plan; its capital expenditure plan; its future business condition and financial results; its abilities to upgrade and expand networks and increase network efficiency; its ability to improve existing services and offer new services; its ability to realize the advantages of CDMA technology and develop new technology applications; its ability to leverage its position as an integrated telecommunications operator and expand into new businesses and new markets; future growth of market demand for the Company's services; and future regulatory and other developments in the PRC telecommunications industry.

Such forward-looking statements reflect the current views of the Company with respect to future events. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors that may be beyond the Company's control, including, without limitation, any changes in the regulatory policies of the Ministry of Information Industry, the State-owned Assets Supervision and Administration Commission and other relevant government authorities of the PRC; any decisions by the PRC government in relation to the technology standards and licenses of third generation mobile telecommunication; any changes in the effects of competition on the demand and price of the Company's telecommunications services; any changes in telecommunications and related technologies and applications based on such technologies; and any changes in political, economic, legal and social conditions in the PRC including the PRC government's policies with respect to economic growth, foreign exchange, foreign investment and entry by foreign companies into the PRC telecommunications market. Please also see the "Risk Factors" section of the Company's latest Annual Report on Form 20-F, as filed with the Securities and Exchange Commission.
