Explanatory Note to this Amendment No. 1

This Amendment No. 1 on Form 10-K/A (the *Amendment*) amends the Annual Report on Form 10-K (the *Original Annual Report*) for the year ended December 31, 2007, which was originally filed with the Securities and Exchange Commission (the *SEC*) on March 17, 2008. We are filing this Amendment in response to a comment letter received from the SEC in connection with its review of our Original Annual Report and our Definitive Proxy Statement filed on March 25, 2008 (the *Comment Letter*). We have modified Part II Item 9A, *Controls and Procedures*, in this Amendment in response to the Comment Letter to include a statement that based on their evaluation our chief executive officer and chief financial officer have concluded that, as of December 31, 2007, our disclosure controls and procedures are effective. In addition, we are also including Exhibits 31.1 and 31.2 required by the filing of the Amendment.

Except as described above, no attempt has been made in this Amendment to modify or update other disclosures presented in the Original Annual Report. This Amendment does not reflect events occurring after the filing of the Original Annual Report or modify or update those disclosures, including the exhibits to the Original Annual Report affected by subsequent events. Accordingly, this Amendment should be read in conjunction with our filings with the SEC subsequent to the filing of the Original Annual Report, including any amendments to those filings.

ITEM 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our chief executive officer and chief financial officer, evaluated the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act) as of the end of the period covered by this Annual Report. Based on such evaluation, our chief executive officer and chief financial officer have concluded that, as of December 31, 2007, the company's disclosure controls and procedures are effective.

Management's Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined in Securities Exchange Act Rules 13a-15(f) and 15d-15(f). Our internal control system is designed to provide reasonable assurance regarding the preparation and fair presentation of financial statements for external purposes in accordance with U.S. generally accepted accounting principles. All internal control systems, no matter how well designed, have inherent limitations and can provide only reasonable assurance that the objectives of the internal control system are met.

Under the supervision and with the participation of management, including our chief executive officer and chief financial officer, we conducted an evaluation of the effectiveness of our internal control over financial reporting as of December 31, 2007 using the criteria for effective internal control over financial reporting as described in Internal Control - Integrated Framework, issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this assessment, management concluded that, as of December 31, 2007, our internal control over financial reporting was effective and that the material weakness in our internal control over financial reporting related to our financial reporting process identified in our Annual Report on Form 10-K for the year ended December 31, 2006 has been remediated.

Our independent registered public accounting firm, Ernst & Young, LLP, has issued an audit report on our internal control over financial reporting. Their audit report included elsewhere in this Annual Report on Form 10-K.

Remediation of Prior Year Material Weakness

As previously disclosed in our Annual Report on Form 10-K for the year ended December 31, 2006 and our quarterly reports on Form 10-Q for the quarters ended September 30, 2007, June 30, 2007 and March 31, 2007, our management concluded that our internal control over financial reporting, relating to our financial statement close process, was not effective as of December 31, 2006. Controls pertaining to the timely review of reconciliations and account balances performed during the preparation of financial statements were not effective, impacting a number of accounts including lease receivables, prepaid and other current assets, inventories, accrued liabilities, product revenue and share-based compensation. The largest error was interest income associated with leases, resulting in a revision of quarterly financial data for 2006. The adjustments associated with these errors were recorded in the consolidated financial statements for the year ended December 31, 2006.

Edgar Filing: OMNICELL, Inc - Form 10-K/A

During fiscal 2007, we implemented the following remediation actions designed to address this material weakness: (a) added additional reconciliations and recalculations of lease receivable data; (b) continued to strengthen personnel through training of existing staff and hiring additional qualified personnel; (c) defined roles and responsibilities throughout the accounting/finance organization; and (d) improved processes and procedures to ensure timely reconciliations of all major balance sheet items.

We believe these actions have strengthened our internal control over financial reporting and addressed the material weakness identified above. Based on our testing of these enhanced procedures, management determined that, as of December 31, 2007, we have remediated the material weakness in internal control over financial reporting as disclosed in the Annual Report on Form 10-K for December 31, 2006.

Changes in Internal Control over Financial Reporting

Other than as described above, there were no changes made to our internal control during the fourth quarter of 2007 that have materially affected, or are reasonably likely to materially affect our internal control over financial reporting.
