Item 1.01 Entry into a Definitive Material Agreement.

On February 9, 2009, NeuroMetrix, Inc. (the Company) announced that it had reached a resolution with the United States Department of Justice (DOJ) and the Office of Inspector General (OIG) of the United States Department of Health and Human Services regarding the previously-disclosed investigation into certain of the Company's past sales and marketing practices relating to its NC-stat System. The Company has been cooperating with the investigation since it began in 2006.

As part of the resolution, the Company has entered into a Deferred Prosecution Agreement (the Deferred Prosecution Agreement), dated February 5, 2009, with the DOJ related to the Company's operation of marketing referral programs. Pursuant to the Deferred Prosecution Agreement, the Company has agreed to a \$1.2 million payment, and the DOJ has agreed not to prosecute the Company in return for compliance with the terms of the three-year Deferred Prosecution Agreement.

In addition, the Company has entered into a civil Settlement Agreement (the Settlement Agreement), dated February 9, 2009, with the DOJ and OIG. The Settlement Agreement involves the referral programs and allegations that, where physicians performed a nerve conduction study using the NC-stat System and did not obtain an F-wave measurement, in limited circumstances, the Company caused physicians to seek reimbursement using the slightly higher valued 95903 CPT code payable for nerve conduction studies where an F-wave measurement is obtained, rather than the 95900 CPT code. While the Company does not admit to the allegations with respect to the F-wave coding issue, the Company has agreed to pay \$2.5 million to settle this dispute and enter into a five-year Corporate Integrity Agreement with OIG. The Company remains fully eligible to participate in all federal health care programs.

The foregoing description of the Deferred Prosecution Agreement and the Settlement Agreement is not complete and is qualified in its entirety by reference to such agreements, which are attached hereto as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference.
