Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 27, 2009, the Board of Directors (the **Board**) of AECOM Technology Corporation (the **Company**) adopted the Amended and Restated Bylaws of the Company (the **Bylaws**). The Bylaws amendments were intended to make improvements to corporate governance and to update several provisions related to recent developments in Delaware corporate law. The amendments included the following items:

- Articles II and III of the Bylaws were amended to update the procedures for shareholder nominations for director and shareholder proposals to provide, among other things, that (i) the advance notice provisions apply to all stockholder proposals and director nominations and (ii) stockholders must disclose fully all ownership interests, including derivatives, hedges, and other economic and voting interests.
- Article V was amended to provide that the right to indemnification or to advancement of expenses to directors and officers granted under the Bylaws cannot be eliminated or impaired by an amendment to the Bylaws after the occurrence of the act or omission that gives rise to the proceeding for which indemnification or advancement of expenses is sought.
- Article VI, Section 6.5 was amended to allow the Board the flexibility to set one record date for notice of a stockholder meeting and the option to set a second record date for voting that is closer to the date of the meeting than the record date for notice of the meeting in accordance with a recent change in Delaware law.

The Board also made certain other technical and conforming amendments to the Bylaws, including the deletion of Section 6.10, which contained provisions regarding the transfer of securities which by their terms are no longer applicable subsequent to the Company's initial public offering in May 2007.

The Bylaws are attached hereto as Exhibit 3.1 and are incorporated herein by reference. The foregoing description of the Bylaws is qualified in its entirety by reference to such Exhibit.
