Cautionary Note Regarding Forward-Looking Statements

This Current Report contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, each as amended, including, in particular, statements about future operations and cash flow, and whether or the magnitude and manner in which we pay any future dividends or make share repurchases. These statements identify prospective information and include words such as expects, plans, anticipates, believes, estimates, predicts, projects and similar expressions. These forward-looking statements are based on information available to the Company as of the date of this Current Report. Current expectations, forecasts and assumptions involve a number of risks, uncertainties, and other factors that could cause actual results to differ materially from those anticipated by these forward-looking statements. Such risks, uncertainties, and other factors may be beyond the Company's control. In particular, the uncertainty in global economic conditions continues to pose a risk to the Company's operating and financial performance as consumers and businesses may defer purchases in response to tighter credit and negative financial news. Such risks and uncertainties also include, but are not limited to, the impact of the variable demand and the adverse pricing environment for disk drives, particularly in view of current business and economic conditions; dependence on the Company's ability to successfully qualify, manufacture and sell its disk drive products in increasing volumes on a cost-effective basis and with acceptable quality, particularly the new disk drive products with lower cost structures; the impact of competitive product announcements and possible excess industry supply with respect to particular disk drive products; the Company's ability to achieve projected cost savings in connection with restructuring plans; the risk that we will incur significant incremental costs in connection with our recently executed transaction with Samsung Electronics Co., Ltd. ("Samsung") or that we will not

achieve the benefits expected from such transaction; and significant disruption to the industry supply chain due to the severe flooding throughout parts of Thailand. Information concerning risks, uncertainties and other factors that could cause results to differ materially from those projected in the forward-looking statements is contained in the Company's Annual Report on Form 10-K and Form 10-K/A as filed with the U.S. Securities and Exchange Commission on August 17, 2011 and August 24, 2011 respectively, and Quarterly Report on Form 10-Q as filed with the U.S. Securities and Exchange Commission on October 27, 2011, which statements are incorporated into this Current Report by reference. These forward-looking statements should not be relied upon as representing the Company's views as of any subsequent date and the Company undertakes no obligation to update forward-looking statements to reflect events or circumstances after the date they were made.
