CHEMUNG FINANCIAL CORPORATION
PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
MAY 12, 2016
INFORMATION REGARDING THE ANNUAL MEETING

Time and Place of the Meeting

This Proxy Statement is provided in connection with the solicitation of proxies by the Board of Directors (the “Board”) for use at the Annual Meeting of Shareholders (the “Annual Meeting”) of Chemung Financial Corporation (“Chemung Financial” or “the Corporation”) to be held on Thursday, May 12, 2016 at 2:00 p.m., at the Holiday Inn Elmira – Riverview, 760 East Water Street, Elmira, New York.

This Proxy Statement and the accompanying Proxy and Notice of Annual Meeting of Shareholders are being mailed to shareholders on or about March 31, 2016. In the Proxy Statement, the “Bank” refers to Chemung Canal Trust Company, a subsidiary bank of Chemung Financial.

Shareholders Entitled to Vote

The record date for the Annual Meeting is March 14, 2016. Only shareholders of record at the close of business on that date are entitled to notice of and to vote at the Annual Meeting. On the record date there were 4,691,564 shares of common stock of the Corporation outstanding and entitled to vote. Each share of common stock of the Corporation is entitled to one vote on each matter that properly comes before the meeting.

Quorum

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if shareholders holding at least a majority of the outstanding shares are present at the Annual Meeting in person or represented by proxy. In other words, the holders of 2,345,783 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of the majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

Proxies and Voting Procedures

Shares represented by properly executed proxies will be voted as directed. If a proxy does not specify how it is to be voted, it will be voted as the Board recommends – that is, “FOR” the election of the four director nominees for a three-year term and one director nominee for a two-year term as named in the Proxy Statement; “FOR” the approval of the advisory vote on the compensation of the Named Executive Officers (“NEOs”), which we refer to as the “Say-On-Pay” vote; and “FOR” the ratification of Crowe Horwath as our independent registered public accounting firm. A special rule for shares held in the name of a broker is described below. The Board knows of no other business to be brought before the Annual Meeting, but if any other matters are properly presented at the Annual Meeting for consideration, the persons named as proxies will have discretion to vote on those matters according to their best judgment.

We offer three alternative ways to vote your shares:

To Vote by Internet – If you hold Chemung Financial shares in your own name and not through a broker, bank or other agent, you can vote your shares electronically via the Internet at www.voteproxy.com by following the on-screen instructions. You should have your Proxy Card available when you access the web page. If you vote via the Internet, you do not need to return your Proxy Card.

To Vote by Telephone – If you wish to vote by telephone, call toll-free 1-800-776-9437 and follow the instructions. Have your Proxy Card available when you call.

To Vote by Mail – To vote by mail, please sign, date and mail your Proxy Card in the envelope provided as soon as possible.

The deadline for the telephone and Internet voting is 11:59 p.m. Eastern Daylight Time on May 11, 2016.

Changing Your Vote

A shareholder may revoke a proxy vote at any time before it is voted by: (1) delivering written notice of revocation bearing a later date than the proxy to the Secretary of the Company; (2) submitting a later-dated proxy by mail, telephone or via the Internet; or (3) by voting in person at the Annual Meeting. Attendance at the Annual Meeting will not by itself constitute a revocation of a proxy. To revoke your proxy, you must complete and submit a ballot at the Annual Meeting or submit a later-dated proxy.

Required Vote

There are no cumulative voting rights. Nominees for director will be elected by a plurality of votes cast at the Annual Meeting by holders of common stock of the Corporation present in person, or represented by proxy and entitled to vote on such election, meaning that the nominees for each directorship who receive the most votes will be elected. Only shares voted in favor of a nominee will be counted toward the achievement of a plurality. The advisory vote on the compensation of the NEOs (Say-On-Pay) (Proposal 2) and, the ratification of the appointment of Crowe Horwath LLP as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal 3) require the affirmative vote of a majority of the votes cast at the meeting. Abstentions will not count in the determination of the approval of any of the proposals.

The Say-On-Pay vote (Proposal 2) is non-binding. The Say-On-Pay vote is being provided as required by Rule 14a-21(a) of the Securities Exchange Act (the "Exchange Act".) The next advisory vote on Say-On-Pay will occur at the 2017 Annual Meeting of the Shareholders.

Beneficial Owner: Shares Registered in the Name of Broker or Other Agent

If your shares are registered in the name of your broker, bank or other agent, you should receive a Proxy Card and voting instructions from your holder of record that must be followed in order for the record holder to vote the shares in accordance with your instructions. You should complete and mail the Proxy Card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other agent. If you hold shares through a brokerage firm, bank or other agent and wish to vote in person at the Annual Meeting, you must obtain a "legal" proxy from your broker, bank or other agent.

If you choose not to provide instructions to your broker, bank or other agent, or do not obtain a "legal" proxy to vote at the Annual Meeting, your shares are referred to as "uninstructed shares." Whether your broker, bank or other agent has the discretion to vote these shares on your behalf depends on the ballot item. The following table summarizes the votes required for passage of each proposal and the effect of abstentions and uninstructed shares held by brokers.

Brokers may not vote uninstructed shares on your behalf in director elections. For your vote to be counted, you must submit your voting instruction to your broker.

Solicitation of Proxies

The cost of soliciting proxies will be paid by the Corporation. In addition to solicitations by mail, some of the directors, officers or employees of the Bank may conduct solicitations in person or by telephone or other appropriate means without remuneration. The Corporation may also request nominees, brokerage houses, custodians and fiduciaries to forward soliciting material to beneficial owners of stock and will reimburse such intermediaries for their reasonable expenses in forwarding proxy materials.

PROPOSAL 1:

ELECTION OF DIRECTORS

The Board is divided into three classes of directors, as equal in number as possible, with one class to be elected each year for a term of three years. The Board is not aware that any nominee named in this Proxy Statement will be unable or unwilling to serve as a director.

Shareholders will be entitled to elect four directors for a three-year term expiring at the 2019 Annual Meeting of Shareholders and one director for a two-year term expiring at the 2018 Annual Meeting of Shareholders or until their respective successors have been duly elected and qualified. Unless authority to vote for the nominees is withheld, the shares represented by the enclosed Proxy Card, if properly executed and returned, will be voted "FOR" the election of the nominees. Board Organization and Operation

Chemung Financial is managed under the direction of its Board. All members of the Board also serve on the Board of the Bank. The Board establishes policies and strategies and regularly monitors the effectiveness of management in carrying out these policies and strategies. Members of the Board are kept informed of the Corporation's business activities through discussions with key members of the management team, by reviewing materials provided to the Board and by participating in meetings of the Board and its committees. The Board consists of fourteen members. The Company separates the roles of CEO and Chairman of the Board, which provides the appropriate balance between strategy development and independent oversight of management. The CEO is familiar with the Corporation's business and industry and is responsible for identifying strategic priorities and leading the discussion and execution of strategy. The Chairman of the Board presides at all executive sessions of the Board, facilitating teamwork and communication between management and the Board, while providing guidance to the CEO. Mr. David J. Dalrymple served as Chairman of the Board in 2015.

The Company's Governance Guidelines require that the Board consist of a majority of independent directors. Based upon a review of the responses of the directors to questions regarding affiliations, compensation history, employment, and relationships with family members and others, the Board determined that all directors except for Mr. Bentley meet the independence requirements of applicable laws and rules and NASDAQ listing requirements as determined by the Nominating and Governance Committee. A copy of the Corporate Governance Guidelines can be viewed on the Bank's website at:

<https://www.sn1.com/IRWebLinkX/corporateprofile.aspx?iid=100690>.

During 2015, the Board of the Corporation held twelve meetings. The Board of the Bank also held twelve meetings in 2015. Each director attended at least 75% of the total Board meetings and meetings of the Board committees on which he or she served.

Board Committees

The committees of the Corporation's Board are the Executive, Audit and Risk Management, Compensation and Personnel, and Nominating Committee.

Executive Committee: This committee serves in a dual capacity as the Executive Committee for the Corporation and the Bank. The Executive Committee may, during the interval between Board meetings, exercise all of the authority of the Board, except those powers that are expressly reserved to the Board under law or the Corporation's bylaws. In 2015, members of the Executive Committee included Messrs. D. Dalrymple (Chair), Bentley, R. Dalrymple, Swan and Ms. Drinkwater. There was one meeting of the Executive Committee in 2015.

Audit and Risk Management Committee: The responsibilities of the Audit and Risk Management Committee (the "Audit Committee") include the appointment of independent auditors, the pre-approval of all audit and non-audit services performed by the Corporation's independent auditors, the review of the adequacy of internal accounting and disclosure controls of the Corporation and the oversight of risk management. All Audit Committee members are independent as defined by applicable laws and regulations. In 2015, members of the Audit Committee included Messrs. Becker (Chair), Eggers, Potter, Sneeringer and Tranter. Mr. Becker served as the Audit Committee's "financial expert." The Audit Committee determined that Mr. Becker met all required qualifications within the meaning of pertinent regulations. There were five meetings of the Audit Committee in 2015. See the Audit Committee Report on page 31.

A copy of the Audit and Risk Management Committee Charter can be viewed on the Bank's website at:

<https://www.snl.com/IRWebLinkX/corporateprofile.aspx?iid=100690>

Compensation and Personnel Committee: The primary responsibilities of the Compensation and Personnel Committee (the "Compensation Committee") are to exercise authority, in its sole discretion, to retain and terminate, or obtain the advice of, any adviser to be used to assist it in the performance of its duties, but only after taking into consideration factors relevant to the adviser's independence from management as specified in NASDAQ Listing Rule 5605(d)(3), or any successor provision thereto; discharge the Board's duties relating to the compensation of the executive officers, including recommending to the Board the compensation of the CEO; review the Bank's compensation policies and programs affecting other employees; review management's proposals for the election and promotion of officers and make recommendations to the Board; monitor compensation trends; and, select a peer group of companies against which to compare the Bank's compensation for the CEO, executive officers and chief auditor. The Compensation Committee met five times in 2015. The members of the Compensation Committee meet the independence requirements of applicable laws and rules as determined by the Board. In 2015, members of the Compensation Committee included Messrs. Lounsberry (Chair), D. Dalrymple, R. Dalrymple, Eggers, Sneeringer and Swan.

A copy of the Compensation and Personnel Committee Charter can be viewed on the Bank's website at:

<https://www.sn1.com/IRWebLinkX/corporateprofile.aspx?iid=100690>.

Nominating and Governance Committee: The Nominating and Governance Committee consists of Messrs. Eggers (Chair), D. Dalrymple, R. Dalrymple, Lounsberry, Potter, Tyrrell and Ms. Drinkwater. The Nominating and Governance Committee met three times in 2015. The members of the Nominating and Governance Committee meet the independence requirements of applicable laws and rules as determined by the Board. In general, the Nominating and Governance Committee oversees the Corporation's corporate governance matters on behalf of the Board and is responsible for the identification and recommendation of individuals qualified to become members of the Board. The Nominating and Governance Committee's functions include: (i) identifying, evaluating and recommending qualified director nominees; (ii) considering shareholder nominees for election to the Board; (iii) reviewing the Nominating and Governance Committee structure and making recommendations to the Board for committee membership; (iv) recommending corporate governance guidelines to the Board; and (v) overseeing a self-evaluation process for the Board and its committees.

The Nominating and Governance Committee reviews annually with the Board the composition of the Board as a whole and considers whether the Board reflects an appropriate balance of knowledge, experience, skills, expertise and diversity. Among other factors, the Committee looks for director nominees who know the communities and industries that the Corporation serves. The Committee utilizes the following process when identifying and evaluating the individuals that it recommends to the Board as director nominees:

The Committee reviews the qualifications of each candidate who has been properly recommended or nominated by the shareholders, as well as those candidates who have been identified by management, individual members of the Board or, if the Committee determines, a search firm.

The Committee evaluates the performance and qualifications of individual members of the Board eligible for re-election at the annual meeting of shareholders.

The Committee considers the suitability of each candidate, including the current members of the Board, in light of the current needs of the Board. In evaluating the suitability of the candidates, the Committee considers many factors including character, judgment, independence, business expertise, experience, other commitments, and such other factors as the Committee determines are pertinent. Diversity of experience, skills, gender, race, ethnicity and age are factors, among others, considered in this process.

After such review and consideration, the Nominating and Governance Committee recommends that the Board select the slate of director nominees.

Shareholder recommendations for nominees to the Board must be directed in writing to the Corporate Secretary, One Chemung Canal Plaza, Elmira, New York 14901, and must include: (i) the name and address of the shareholder proposing a nominee for consideration; (ii) the number of shares owned by the notifying shareholder and the date the shares were acquired; (iii) any material interest of the notifying shareholder in the nomination and a statement in support of the nominee with references; (iv) the name, age, address and contact information for each proposed nominee; (v) the principal occupation or employment of each proposed nominee; (vi) the number of shares of the Corporation's common stock that are owned by the nominee as of a record date; (vii) detailed information about any relationship or understanding between the proposing shareholder and the nominee; (viii) detailed information of any relationship between the nominee and the Corporation within the last three years; and, (ix) other information regarding the nominee as would be required to be included in the Proxy Statement pursuant to Regulation 14A of the Exchange Act.

Chemung Financial's bylaws establish an advance notice procedure with regard to certain matters, including shareholder proposals and director nominations, which are properly brought before an annual meeting of shareholders. To be timely, a shareholder's notice must be delivered to or mailed and received at the Company's principal executive offices not less than 120 calendar days prior to the date Proxy Statements were mailed to shareholders in connection with the previous year's annual meeting of shareholders. In the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's Proxy Statement, notice by the shareholder to be timely must be so received a reasonable time before the solicitation is made.

Compensation of Directors

The Compensation Committee periodically reviews the compensation of the Board and makes recommendations to the full Board with respect to the type and amounts of compensation payable to the directors for service on the Boards of Chemung Financial and the Bank and the respective Board committees.

Each non-employee director of the Corporation receives an annual retainer of \$5,500. Each non-employee director receives a fee of \$400 for each meeting of the Board and its committees attended and the chair of each committee receives \$500 for each committee meeting attended. The Chairman of the Board receives an additional annual retainer of \$2,750. One fee is paid for attendance at meetings that serve both the Corporation and the Bank. Mr. Bentley receives no cash compensation for his services as a director.

The Directors' Deferred Fee Plan allows non-employee directors of each of Chemung Financial and the Bank to elect to defer receipt of fees payable to the director for service as a member of the Board of Directors of each Chemung Financial and the Bank. At the election of a director, the deferred fees are converted into units and allocated to a unit value account, which appreciates or depreciates, as would an actual share of common stock of the Corporation. A director's unit value account is credited with declared dividends pursuant to a formula described in the Plan. The units are paid to the director in the form of common stock of the Corporation. The common stock of the Corporation payable under the Directors' Deferred Fee Plan is paid to the director, either at a specified age or time elected by the director, at the termination of the director's service with Chemung Financial and/or the Bank, or upon the occurrence of a change in control as defined in the Directors' Deferred Fee Plan. The number of shares of common stock of the Corporation payable to a director with a unit value account under the Plan represents at all times a general unfunded obligation of the Bank, and each director participating in the Directors' Deferred Fee Plan will be a general creditor of the Bank with respect to the value of his or her unit value account.

Pursuant to the provisions of the Chemung Financial Corporation Directors' Compensation Plan, additional compensation is paid to each non-employee director in shares of the Corporation's common stock in an amount equal to the total amount of cash fees earned by each director during the year, valued as of December 31, and paid in January. For his service as a director on the respective Boards of the Corporation and the Bank, Mr. Bentley is paid a director's fee in shares of common stock of the Corporation in an amount equal in value to the average cash compensation awarded to non-employee directors who served as directors for twelve (12) months in the previous year.

⁽¹⁾ The total number of shares awarded are determined by dividing the total amount of the annual retainer and fees by the grant price of the shares, as described in footnote (2) below. Any fractional shares are rounded up to the next whole share.

⁽²⁾ These amounts are based on the grant price of the shares, which is determined as the average of the closing prices of a share of the Corporation's common stock as quoted on the NASDAQ Stock Market for each of the prior thirty trading days ending on December 31, 2015. Pursuant to this formula, the rounded, per share market value is equal to \$27.47.

⁽³⁾ Mr. Storch retired as a director on May 7, 2015.

Communicating with the Board

Shareholders may communicate in writing with the Board or with individual directors by contacting the Corporation's Corporate Secretary at Chemung Financial Corporation, One Chemung Canal Plaza, Elmira, New York 14901. The Corporate Secretary will relay the question or message to the specific director identified by the shareholder or, if no specific director is requested, to the CEO.

Directors Attendance at Annual Meetings

The Corporation does not have a formal policy regarding attendance by a member of the Board at the Corporation's annual meeting. The Corporation will continue to encourage such attendance. In 2015, twelve directors attended the Annual Meeting of Shareholders.

The Board's Role in Risk Oversight

The Board has charged the Audit Committee with the oversight of risk management including cybersecurity risk. In 2009, the Board created the position of Chief Risk Officer (the "CRO") reporting to the CEO and the Audit Committee. The CRO is responsible for developing and maintaining a comprehensive process for identifying, assessing, monitoring, and reporting key risks to the organization. The CRO ensures that risk limits are appropriate for the nature and complexity of the Bank's business activities and are consistent with the risk parameters established by the Board. The CRO makes regular reports to the Board and Audit Committee regarding the status of risk management.

As it relates to the risks inherent in the Corporation's incentive compensation plans, Audit Committee meetings are held to determine if the Corporation's incentive compensation plans encourage excessive risk-taking. At the present time, the Audit Committee and the Board do not believe these plans create risks that are reasonably likely to have a material adverse effect on the Corporation due to the existence of internal controls and the fact that the incentive payments comprise a moderate portion of employees' total compensation. See the "Compensation Discussion and Analysis" section for more information about the Corporation's incentive compensation plans.

**PROPOSAL 2:
APPROVAL, ON A NON-BINDING ADVISORY BASIS, OF THE COMPENSATION
OF THE NAMED EXECUTIVE OFFICERS**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) added Section 14A to the Exchange Act, which requires the Corporation to provide our shareholders an opportunity to vote to approve, on a non-binding advisory basis, the compensation of our NEOs (Say-On-Pay), as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission (“SEC”). As described in greater detail under the heading “Compensation Discussion and Analysis”, the Corporation seeks to align the interests of our NEOs with the interests of the shareholders.

This vote is advisory, which means that the vote on executive compensation is not binding on the Corporation, our Board or the Compensation Committee of the Board. The vote on the resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of the Corporation’s NEOs, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. At the 2015 annual meeting, shareholders voted to approve the compensation program of the Corporation’s NEOs for the fiscal year ended December 31, 2014, including 2014 bonuses that were paid in 2015. The Corporation asks that shareholders again vote to approve the Corporation’s compensation program for its NEOs as described in this Proxy Statement.

The compensation of the Corporation’s NEOs is disclosed in the Compensation Discussion and Analysis, the summary compensation table and the other related tables and narrative disclosures contained elsewhere in this Proxy Statement. As discussed in those disclosures, the Board believes that our executive compensation philosophy, policies, and procedures provide a strong link between each NEOs’ compensation and our short and long-term performance. The objective of our executive compensation program is to provide compensation which is competitive based on our performance and aligned with the long-term interest of our shareholders.

The Corporation asks shareholders to indicate their support of our NEOs’ compensation as described in this Proxy Statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

“RESOLVED, that the Company’s shareholders approve, on a non-binding advisory basis, the compensation of the Company’s NEOs, as disclosed in the Corporation’s Proxy Statement for the 2016 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and narrative discussion, and other related tables and disclosure.”

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE, ON A NON-BINDING ADVISORY BASIS, “FOR”
THE APPROVAL OF THE COMPENSATION OF OUR NEOs, AS DISCLOSED IN THIS PROXY STATEMENT**

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Committee

The Compensation Committee, currently consisting of Directors Lounsberry (Chair), D. Dalrymple, R. Dalrymple, Eggers, Sneeringer and Swan, met five times in 2015. The members of the Committee meet the independence requirements of applicable laws and rules as determined by the Board.

Compensation Philosophy and Objectives

As discussed previously, the Compensation Committee reviews and administers the Corporation's compensation policies and practices for the NEOs. The NEOs named in the Summary Compensation Table are: Ronald M. Bentley, CEO; and Karl F. Krebs, Executive Vice President, Chief Financial Officer and Treasurer. The other NEOs are: Bank executive officers Richard G. Carr, Karen R. Makowski, Melinda A. Sartori and Anders M. Tomson. Any reference to NEOs in this Proxy Statement is to the individuals listed in the preceding sentence.

The Corporation's compensation philosophy is designed to attract, motivate and retain highly qualified financial services' professionals capable of maximizing business performance for the benefit of shareholders. The Compensation Committee believes in a simple, straightforward approach to executive compensation and, therefore, has limited the number and types of plans used to compensate NEOs, as discussed below in the Elements of Compensation subsection.

The Bank's compensation plans are designed to reward NEOs for satisfying both Bank and individual performance goals. In 2015, compensation components of NEO compensation consisted of: 1) base salary; 2) short and long term performance-based incentives; and 3) retirement and other benefits. The Compensation Committee reviews quantitative and qualitative/subjective measures before applying its judgment to determine appropriate compensation for its NEOs. As a result, incentive plan pay is not tied directly to any specific set of metrics. As such, the Compensation Committee has not established rigid formulas for the allocation between cash and non-cash components, the allocation of short-term and long-term equity incentive compensation, or the percentage by which other NEOs' compensation opportunity should be in relation to the CEO's compensation. In 2015, the relationship between the NEOs' total compensation (base salary plus cash and stock-based incentive compensation) and the Corporation's financial results demonstrates the alignment the Corporation has established between pay and business performance. At the annual meeting of shareholders in 2015, shareholders approved NEO compensation as in effect in fiscal year ended December 31, 2014. The Compensation Committee considered the shareholders' positive vote in determining NEO compensation in 2015.

Setting Executive Compensation

The Compensation and Personnel Committee engaged McLagan to conduct an Executive Compensation Review in 2015. After receiving the Report of Findings from McLagan, the Bank's peer group for compensation of the executive officers and the peer group for financial benchmarking are now one in the same as reflected below.

The Compensation Committee analyzes and uses compensation data provided by a peer group comprised of banks in the Northeast, New York and Pennsylvania with assets between \$1.0 - \$3.6 billion (plus Tompkins Financial Corporation due to location). The Compensation Committee believes that the total compensation paid to the NEOs in 2015 approximates the average total compensation for similar positions at the peer banks. The following is the peer group used in 2015: ACNB Corp., AmeriServ Financial Inc., Arrow Financial Corp., Bar Harbor Bankshares, Bridge Bancorp Inc., Bryn Mawr Bank Corp., Camden National Corp., Citizens & Northern Corp., Civista Bcshs Inc., CNB Financial Corp., Codorus Valley Bancorp Inc., Enterprise Bancorp Inc., Farmers National Banc Corp., Financial Institutions Inc., First Bancorp Inc., First of Long Island Corp., Franklin Financial Services, Merchants Bancshares Inc., Orrstown Financial Services, Peoples Bancorp Inc., Suffolk Bancorp, Tompkins Financial Corp., Uninvest Corporation of Pennsylvania, Washington Trust Bancorp. The Company does not target any specific element of compensation to compare to amounts paid by the peer group with respect to that element. Rather, the Company uses the peer bank data to inform it of the pay levels and practices of the Bank's peers as they most closely represent the labor market in which the Bank competes for key talent. Informed by this data, the Compensation Committee's goal is to provide a competitive level of total compensation targeted at the average level of comparably-sized financial institutions. In 2015, the total compensation for the NEOs approximates the average of the peer group.

Elements of Compensation

In 2015, the Company's mix of base salary and incentive compensation places the average variable pay received by NEOs, other than the CEO, at approximately 37% of the NEOs' base salary. The CEO's incentive pay, comprised of cash and unrestricted stock, represented approximately 66% of his base pay. Awards under the incentive plans are based on the Compensation Committee's independent business judgment after evaluating the performance of each executive officer against pre-established Bank and individual goals. The Compensation Committee regularly reviews these elements of compensation in order to ensure that, as a whole, they conform to the Corporation's philosophy and objectives.

Base Salary: Base salary paid to executives is reviewed against market on an annual basis. Base salary levels reflect the Compensation Committee's perceived value of the position, both in the context of the market data for similar positions, as well as the individual fulfilling the duties of the position. Mr. Bentley reviews the base salaries of the

other NEOs with the Compensation Committee and a recommendation for approval is submitted to the full Board. The recommendations are based upon an evaluation process, which includes professional and leadership performance as well as the attainment of goals set forth in the Corporation's annual business plan.

The actual base salaries for 2015 are reported in the Summary Compensation Table on page 20. Similarly in December 2015, the Compensation Committee reviewed the NEOs' base salaries utilizing the same methodology (relevant market data and individual performance) and increased the base salaries as follows: Mr. Carr \$0; Mr. Krebs \$6,180; Mrs. Makowski \$5,681; Mrs. Sartori \$0; and, Mr. Tomson \$90,938 (when he became President & COO of the Bank). Mr. Carr and Mrs. Sartori retired on December 31, 2015.

The Compensation Committee conducts an annual performance review of the CEO. The CEO's performance objectives are defined consistent with, and in support of, the Bank's annual business plan. Performance is also measured against progress towards the attainment of the Bank's long-term strategic plan. These goals include, but are not limited to, metrics related to net income, return on equity, efficiency, asset quality, bank performance against a peer group and progress in achieving long-term strategic objectives. For purposes of comparing the relevant financial metrics, the peer group consists of publicly traded banks in the Northeast, New York and Pennsylvania with total assets between \$1.0 to 3.6 billion (plus Tompkins Financial Corp. due to location). In 2015 the following banks were included in the peer group: ACNB Corp., AmeriServ Financial Inc., Arrow Financial Corp., Bar Harbor Bankshares, Bridge Bancorp Inc., Bryn Mawr Bank Corp., Camden National Corp., Citizens & Northern Corp., Civista Bcshs Inc., CNB Financial Corp., Codorus Valley Bancorp Inc., Enterprise Bancorp Inc., Farmers National Banc Corp., Financial Institutions Inc., First Bancorp Inc., First of Long Island Corp., Franklin Financial Services, Merchants Bancshares Inc., Orrstown Financial Services, Peoples Bancorp Inc., Suffolk Bancorp, Tompkins Financial Corp., Uninvest Corporation of Pennsylvania, Washington Trust Bancorp.

In January 2016, the Compensation Committee determined that Mr. Bentley achieved his 2015 goals and he received a base salary increase of \$12,250. Based on a similar assessment of the CEO's performance in 2014, the Compensation Committee increased Mr. Bentley's base salary by \$12,750 in 2015. The total base salary earned by Mr. Bentley in 2015 is reported in the Summary Compensation Table on page 20.

Short and Long-Term Performance-Based Incentive Compensation: The Bank has created incentive compensation plans to motivate and reward senior officers (including the NEOs) for achieving predefined goals. The Compensation Committee and the Board do not subscribe to formula-driven incentive plans, but believe in maintaining discretion over the payment of incentive compensation. This discretion permits the Compensation Committee to make compensation decisions in the best interests of the Corporation and shareholders when events beyond the control of management positively or negatively influence financial results. In such circumstances, the Compensation Committee may reduce or increase incentive payments but in no event may the payments be materially greater than the levels described below. Each executive officer's incentive award opportunity is not limited to a specified percentage of the incentive pool.

The Compensation Committee and the Board do not believe these incentive plans are reasonably likely to have a material adverse effect on the Corporation. These plans are believed to be of low risk as they provide for payments that comprise a moderate percentage of total compensation and, therefore, do not encourage excessive risk taking. Furthermore, the Corporation has decided to limit equity incentive awards to restricted stock grants, thereby reducing any motivation to take unnecessary or excessive risk to increase the Corporation's stock price, as may be the case with stock options. Additionally, restricted stock awards are not tied to formulas that could focus NEOs on only short-term results. Finally, these programs generally conform to sound incentive compensation policies as prescribed by the Federal Reserve Board.

The Compensation Committee employs cash and restricted stock awards to recognize significant efforts or individual contributions of senior officers, including the NEOs. In determining these awards, many factors are considered including, but not limited to, the Corporation's net earnings vs. original plan, the financial results delivered by the senior officer's division against goal, service quality results vs. goal, individual success in implementing business plan initiatives, and other contributions made by the senior officer to the Bank's success. The senior officers eligible for an award, the criteria used to determine individual awards, and actual awards are reviewed with the Compensation Committee. There is no expectation that these awards will be paid each year. In 2014, the Corporation established a cash bonus pool representing 30% of the aggregate base salaries of participants and a restricted stock pool representing 20% of the aggregate base salaries of participants. In 2015, the cash awards were \$350,000 and the value of the restricted stock awards were \$210,000, for a total of \$560,000 representing approximately 22% of the aggregate base salaries of plan participants. As previously stated, these two components of incentive compensation for NEOs

(other than the CEO and the President & COO) represent approximately 37% of the NEO's base salary.

The following paragraphs provide a further description of these plans.

Chemung Financial Corporation Amended and Restated Restricted Stock Plan (the “Restricted Stock Plan”): In 2010, the Board approved a Restricted Stock Plan for officers of the Bank, excluding the CEO. The Board may make discretionary grants of restricted shares of the Corporation’s common stock to officers selected to participate in the Plan. The Board believes that these awards: 1) align the interests of the Bank’s executives and senior managers with the interests of the Bank and its shareholders; 2) ensure that the Corporation’s compensation practices are competitive and comparable with its peers; and 3) promote retention of select management level employees. The awards are based on the performance, responsibility and contributions of the NEOs and other senior officers. Mr. Bentley recommends the number of shares to be awarded to senior officers, including the NEOs, which is subject to the approval of the Compensation Committee and the Board. The awards may not exceed 15,000 shares per year in the aggregate. Fifteen senior officers including Mrs. Makowski and Mr. Krebs were awarded restricted stock in 2015. These shares vest over a five-year period, lapse with termination of employment, with or without cause, and vest immediately in case of death, disability or a change of control.

Chemung Financial Corporation Incentive Compensation Plan (the “Incentive Compensation Plan”): The Incentive Compensation Plan provides for the grant of unrestricted stock and/or cash awards to select officers and key employees designated annually in the sole discretion of the Board as a reward for attainment of annual and long-term performance goals. The maximum number of shares that can be awarded as unrestricted stock is ten thousand (10,000) per calendar year. The maximum cash bonus is \$300,000 per calendar year. In 2016, the Compensation Committee recommended, and the Board approved, granting an Incentive Plan award of \$290,000 to the CEO and \$120,000 to the President and COO. The awards were based on Messrs. Bentley’s and Tomson’s 2015 performance measured against their pre-determined individual and Bank goals and other qualitative information considered by the Compensation Committee and the Board. The awards were paid in January 2016: Mr. Bentley received \$120,000 in cash and \$150,421 in the Corporation’s common stock, which amounted to 5,476 shares and Mr. Tomson received \$60,000 in cash and \$60,000 in the Corporation’s common stock, which amounted to 2,185 shares. Messrs. Bentley and Tomson were the only executives approved by the Board to participate in the Plan in 2015.

Retirement and Other Benefits: The Bank provides retirement benefits through a combination of the Chemung Canal Trust Company Pension Plan (the “Pension Plan”) and the Chemung Canal Trust Company 401(k) Profit Sharing, Savings and Investment Plan (the “401(k) Plan”). The Bank instituted a “soft freeze” of the Pension Plan after June 30, 2010. Employees hired after June 30, 2010 are not eligible to participate. All NEOs, except Mrs. Makowski and Messrs. Krebs and Tomson, participate in the Pension Plan. The Pension Plan is funded solely through Bank contributions and the benefits are determined based upon years of service and a calculation of final average compensation, which is further described on page 27.

The Bank’s 401(k) Plan allows employees to contribute up to 70% of base pay on a pre-tax basis up to the statutory limits. Because Mrs. Makowski and Messrs. Krebs and Tomson do not participate in the Pension Plan, they receive a 4% non-discretionary contribution to the 401(k) Plan subject to limitations imposed by the Internal Revenue Code of 1986, as amended (the “Code”), and applicable regulations. Company contributions to the 401(k) Plan for employees hired prior to July 30, 2010 are discretionary in accordance with the business plan approved by the Board each year.

In June 2012, the Compensation Committee adopted a Defined Contribution Supplemental Executive Retirement Plan (the “Defined Contribution SERP”) to attract and retain high-quality talent. The Defined Contribution SERP is intended to provide a retirement benefit comparable to that received by other executive officers participating in the Bank’s Pension Plan. Because Mrs. Makowski and Messrs. Krebs and Tomson do not participate in the Pension Plan, they are credited with an annual Company contribution in an amount equal to 20% of their base salary until the earlier of: (i) their termination of employment for any reason; or (ii) the discontinuation of their participation in the Defined Contribution SERP. The Bank may discontinue future contributions to any participant at any time. Benefits are

payable upon retirement, disability, death or a change in control. The annual Bank contribution is credited as of the last day of the applicable plan year, provided that the participant is actively employed on that date. Based on a review of CEO compensation and retirement plan data of peer banks, the Board has approved Mr. Bentley's participation in the Defined Contribution SERP. The Corporation also maintains the Chemung Canal Trust Company Executive Supplemental Pension Plan (the "Pension Plan SERP"), described more fully on page 27 and 28, to provide eligible executives pension benefits that are not payable under the Pension Plan because of limitations imposed by the Code.

The NEOs are eligible for the same benefits available to all other employees of the Bank including life and health insurance, vacations, holidays, and personal and sick leave.

The Bank maintains the Chemung Canal Trust Company Deferred Compensation Plan (the “Deferred Compensation Plan”) that allows the NEOs, and other senior officers that the Compensation Committee may approve annually, to defer amounts up to all of their compensation to a future date. Although all of the NEOs are eligible to participate, Messrs. Carr and Krebs and Madams Makowski and Sartori are the only NEOs who participate in this plan. The Deferred Compensation Plan is described more fully on page 27.

The NEOs are granted perquisites, which the Compensation Committee believes are modest, reasonable and similar to those provided to executive officers at peer financial institutions, and are designed to assist the executives in carrying out their duties. Club memberships are provided to the NEOs to enable them to interact and foster relationships with clients and local business people. Mr. Bentley has the use of a Bank-owned vehicle for business purposes. His personal use of the vehicle is subject to tax. Madams Makowski and Sartori and Messrs. Carr and Krebs each received a car allowance during 2015 which is taxed as additional compensation in accordance with IRS regulations. For the first six months of 2015, Mr. Tomson received payment for mileage and for the last six months of the year, the Bank paid Mr. Tomson’s car payment, car maintenance and gas expense.

The Bank entered into a Severance Agreement and a Change of Control Agreement with Mr. Bentley upon his joining the Company in 2006. Under the Severance Agreement, if Mr. Bentley’s employment is terminated without cause or for good reason by him, he would receive his base salary for one year and would remain covered under the Company’s employee benefit programs for one year. Under the Change of Control Agreement, Mr. Bentley would receive a range of different payments depending on the circumstances, which are further described on page 29.

The Bank has entered into Change in Control Agreements with Messrs. Carr, Krebs and Tomson and Madams Sartori and Makowski. The purpose of the agreements is to retain and secure key employees and encourage their continued attention and dedication to their assigned duties. In the event of his/her termination following a change in control, Messrs. Carr and Krebs and Madams Makowski and Sartori would receive a severance benefit equal to 2.0 times his/her highest annual compensation, including salary and bonuses, paid by the Bank to the Executive for any of the two calendar years ending with the year in which Executive’s employment terminated. Under Mr. Tomson’s Change in Control Agreement, he would receive a severance benefit equal to 2.99 times his highest annual compensation, including salary and bonuses, paid by the Bank to Mr. Tomson for any of the two calendar years ending with the year in which Mr. Tomson’s employment terminated. Under the terms of the Restricted Stock Plan, if there is a change in control, all stock awards would automatically vest and all restrictions would lapse.

TAX AND ACCOUNTING MATTERS

Section 162(m). Section 162(m) of the Code generally disallows a tax deduction to the Corporation for compensation in excess of one million dollars paid to the Company’s CEO, and to the next four highest paid officers of the Corporation, unless the compensation qualifies as “performance-based compensation” or falls under certain other specified exceptions under Section 162(m). Generally, to qualify as performance-based compensation, the plan or arrangement must contain specific performance criteria, specific limits on awards and amounts and must have shareholder approval.

Section 409A. Section 409A of the Code generally provides that unless certain requirements are met, amounts deferred under a nonqualified deferred compensation plan are currently includible in an employee's gross income to the extent not subject to a substantial risk of forfeiture. Section 409A applies to most forms of deferred compensation, including but not limited to, nonqualified deferred compensation plans or arrangements, certain equity based performance awards, and severance plans or individual severance arrangements contained within employment agreements. Generally, under Section 409A, any severance arrangement not in compliance with Section 409A covering a NEO pursuant to an employment or change in control agreement which is effective upon termination of employment and any deferrals under a nonqualified deferred compensation plan that do not comply with Section 409A may subject the NEO to: (i) current income inclusion of the relevant amounts; (ii) interest at the IRS underpayment rate; and (iii) an additional 20% excise tax. The Corporation believes it is operating in compliance with the statutory and regulatory provisions currently in effect.

Sections 4999 and 280G. Section 4999 of the Code imposes a 20% excise tax on certain “excess parachute payments” made to “disqualified individuals.” Under Section 280G of the Code, such excess parachute payments are also nondeductible to the Company. If payments that are contingent on a change of control to a disqualified individual (which terms include the NEOs) exceed 2.99 times the individual’s “base amount,” they constitute “excess parachute payments” to the extent they exceed one times the individual’s base amount.

Pursuant to the change in control agreement with Mr. Bentley, the Company will make an indemnification payment to him in the event an excise tax is imposed on “excessive parachute payments” paid to him pursuant to his change in control agreement. Neither the Company nor the Bank is permitted to claim a federal income tax deduction for the portion of the change in control payment that constitutes an “excess parachute payment” or the indemnification payment.

Accounting Considerations. The Audit Committee is informed of the financial statement implications of the components of the compensation program for NEOs.

Deferred Compensation Plan

The Deferred Compensation Plan is a nonqualified plan that allows a select group of management, including the NEOs, to defer all of their annual compensation, to a future date. Eligible employees are generally highly compensated employees and are designated by the Board from time to time. Deferred amounts are an unfunded liability of the Bank. The Plan requires deferral elections be made before the beginning of the calendar year during which the participant will perform the services to which the compensation relates. Participants in the Plan are required to elect a form of distribution, either lump sum payment or annual installments not to exceed ten years, and a time of distribution, either a specified age or a specified date. The terms and conditions for the deferral of compensation are subject to the provisions of 409A of the Code. As noted on page 17, only Messrs. Carr and Krebs and Madams Makowski and Sartori participate in this Plan.

Pension Benefits

Tax Qualified Pension Plan: Messrs. Bentley and Carr and Mrs. Sartori are participants in the Pension Plan, a non-contributory defined benefit pension plan. The Pension Plan is a “qualified plan” under the Code and therefore must be funded. Contributions are deposited to the Plan and held in trust. The Pension Plan assets may only be used to pay retirement benefits and eligible plan expenses. As of December 31, 2015, Messrs. Bentley and Carr and Mrs. Sartori had reached age 55 and had completed five years of service to be eligible for early retirement.

Under the Pension Plan, pension benefits are based upon final average annual compensation where the annual compensation is total base earnings paid plus 401(k) salary deferrals. Bonuses, overtime, commissions and dividends are excluded. The normal retirement benefit equals 1.2% of final average compensation (highest consecutive five years of annual compensation in the prior ten years) times years of service (up to a maximum of 25 years), plus 1% of average monthly compensation for each additional year of service (up to a maximum of 35 years), plus .65% of average monthly compensation in excess of covered compensation for each year of credited service up to 35 years. Covered compensation is the average of the social security taxable wage bases in effect for the 35 year period prior to normal social security retirement age. Compensation for purposes of determining benefits under the Pension Plan is reviewed annually.

Normal retirement age under the Plan is 65. Participants may commence their retirement benefit prior to the age of 65 if they have at least five years of credited service and have attained age 55. The retirement benefit payable before age 65 is reduced to recognize the greater number of years during which the participant will receive the retirement benefit. The reduction is 6 2/3% for each year between age 60 and 65 that the benefit commences prior to the age of 65. The reduction prior to age 60, if the benefit commences between age 55 and 60, is 5.33% per year.

Nonqualified Pension Plan SERP: As described above, the Code places limitations on compensation amounts that may be included under the Pension Plan. The Pension Plan SERP is provided to executives in order to produce total retirement benefits, as a percentage of compensation that is comparable to employees whose compensation is not restricted by the annual compensation limit. Pension amounts based upon the Pension Plan formula, which exceed the applicable limitations, will be paid under the Pension Plan SERP. Currently, Mr. Bentley is the only active participant.

The Pension Plan SERP is a “nonqualified plan” under the Code. Contributions to the Plan are not held in trust; therefore, they may be subject to the claims of creditors in the event of bankruptcy or insolvency. When payments come due under the Plan, cash is distributed from general assets.

Nonqualified Defined Contribution SERP: The Defined Contribution SERP is provided to certain executives to motivate and retain key management employees by providing a nonqualified retirement benefit that is payable at retirement, disability, death and certain other events. The Defined Contribution SERP will deliver a retirement benefit

comparable to that received by other executive officers participating in the Bank's Defined Benefit Plan. Currently, Messrs. Bentley, Krebs, Tomson and Mrs. Makowski are the only active participants.

The Pension Plan SERP is intended to be an unfunded plan maintained primarily for the purpose of providing deferred compensation benefits for a select group of management or highly compensated employees.

Pension Benefits Table

The table below sets forth the accumulated benefits to which the executives would be entitled had they terminated employment on December 31, 2015 and elected to commence their benefit at the earliest age at which they would receive an unreduced benefit, payable as a monthly benefit for as long as the executive lived. The expected benefit payments are discounted using interest and mortality assumptions to produce the present value of the accumulated benefit as of December 31, 2015. The assumed interest rate is 4.39% and the mortality assumptions are based upon the RP2014 Mortality Table projected with mortality improvement scale MP2015, to the expected year of benefit commencement.

Name	Plan Name	Number of Years Credited Service	Present Value of Accumulated Benefit (\$)
Ronald M. Bentley	Chemung Canal Trust Company Pension Plan	10	\$509,245
	Chemung Canal Trust Company Executive Supplemental Pension Plan	10	\$363,618
Richard G. Carr	Chemung Canal Trust Company Pension Plan	18	\$525,240
Melinda A. Sartori	Chemung Canal Trust Company Pension Plan	21	\$544,066

The aggregate increase in the actuarial present value of accumulated benefits under both the Chemung Canal Trust Company Pension Plan and the Chemung Canal Trust Company Executive Supplemental Pension Plan are set forth in the Summary Compensation Table. The table below shows the breakdown of the increase in the actuarial present value of accumulated benefits for each Plan.

Name	Plan Name	Increase in the Actuarial Present Value of the Pension Benefit as of 12/31/15
Ronald M. Bentley	Chemung Canal Trust Company Pension Plan	\$54,934
	Chemung Canal Trust Company Executive Supplemental Pension Plan	\$50,477
	Chemung Canal Trust Company Pension Plan	\$70,726
Richard G. Carr	Chemung Canal Trust Company Executive Supplemental Pension Plan	-
	Chemung Canal Trust Company Pension Plan	\$29,603
Melinda Sartori	Chemung Canal Trust Company Executive Supplemental Pension Plan	-

Mr. Carr and Mrs. Sartori retired from the Company on December 31, 2015.

Defined Contribution SERP

As previously discussed on page 27, the Bank maintains a Defined Contribution SERP to provide additional retirement income to select, key employees that cannot be provided through the qualified Pension Plan because of the “soft freeze” in effect after July 30, 2012. Additionally, Mr. Bentley participates in the SERP in order to provide retirement benefits to him comparable to other peer group chief executive officers. The annual contributions are approved by the Board. The Plan was first adopted in June of 2012. The following Table sets forth the Bank contributions for 2015 on behalf of the NEOs.

Name	Registrant Contribution	Aggregate Balance
Ronald M. Bentley	\$91,482	\$346,856
Karl F. Krebs	\$41,980	\$89,532
Karen R. Makowski	\$39,620	\$150,156
Anders M. Tomson	\$57,309	\$193,832

Potential Payments upon Termination of Employment or Change in Control

The following paragraphs summarize the estimated amounts payable to each of the NEOs under an employment agreement or change in control agreement assuming employment was terminated December 31, 2015.

Mr. Bentley is covered under a Severance Agreement and a Change of Control Agreement. Under the Severance Agreement, if terminated involuntarily without cause, or for good reason by him, he would receive one year’s salary equal to \$450,000 and employee benefits for one year equal to \$884,308.

Under the Change of Control Agreement, Mr. Bentley would receive a number of payments and benefits under different circumstances: 1) Within two years following a change of control if there is (a) involuntary termination without cause or by him for good reason, or (b) there is a termination by him for any reason within one year of the change of control, he would receive cash severance equal to 2.99 times the highest annual compensation paid to him, based upon the prior two years, in the amount of \$1,667,673, the present value of employee retirement plan benefits in the amount of \$1,801,590 and a potential tax gross-up of excise tax; and 2) if he voluntarily terminates his employment more than one year after a change of control, his payments would total \$2,035,490 comprised of cash severance of \$570,000 and the present value of employee and retirement plan benefits of \$1,465,490.

Under the Bank’s executive supplemental disability benefit program Mr. Bentley, if terminated due to disability, would receive benefits that would continue until the earlier of recovery, death or age 67 with a present value of \$964,994.

The Corporation has entered into a new Change of Control Agreement with Mr. Tomson, President & Chief Operating Officer. Following a change in control, if Mr. Tomson’s employment is terminated within twelve months or if he resigns for any reason, the agreement provides for a payment of 2.99 times Mr. Tomson’s highest annual compensation (including only salary and bonus) paid by the Bank to the executive for any of the two calendar years ending with the year in which Mr. Tomson’s employment ended. Payments would be made in equal monthly installments for twenty-four (24) months following his effective date of termination. The amount of severance pay that Mr. Tomson would be entitled to, pursuant to the Change in Control Agreement, if termination had occurred on December 31, 2015 would be \$1,259,567. The Corporation has entered into Change of Control Agreements with executive officers Krebs and Makowski. Following a change in control, if the executive’s employment is terminated within twelve months or if the executive resigns for any reason, the agreements provide for payments of two (2) times the executive’s highest annual compensation (including only salary and bonus) paid by the Bank to the executive for any of the two calendar years ending with the year in which the executive’s employment ended. Payments would be made in equal monthly installments for twenty-four (24) months following the effective date of the termination. The amount of severance pay that each of the executive officers would be entitled to, pursuant to the Change in Control Agreements, if termination

had occurred on December 31, 2015 is as follows: Mr. Krebs \$650,391 and Mrs. Makowski \$710,938.

RELATED MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act of 1934 requires directors and certain officers of Chemung Financial and persons who beneficially own more than ten percent of the outstanding shares of the Corporation's common stock to file reports of beneficial ownership and changes of beneficial ownership of shares of common stock of the Company with the SEC. SEC regulations require such persons to furnish the Corporation with copies of all Section 16(a) reports they file. Based solely upon review of the copies of such reports furnished to the Corporation and its representatives and certain representations that no other reports were required, all persons subject to the SEC reporting requirements filed the required reports on a timely basis except Robert H. Dalrymple who purchased shares of the Corporation's common stock on May 12, 2015 and reported it on May 14, 2015.

Certain Transactions with Related Parties

A number of the Corporation's directors, members of executive management and their associates are customers of the Bank. Any extensions of credit made to them are made in the ordinary course of business, are made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable loans with persons not related to the Corporation and do not involve more than normal risk of collectability or present other unfavorable features to the Bank.

The law firm of Sayles & Evans, of which Ms. Drinkwater is a partner, provided legal services to the Corporation in 2015. The amount paid to this entity was less than the established reporting thresholds. In accordance with applicable law, the Bank's policy requires that a review of related party transactions over \$120,000 be conducted for potential conflict of interest and all such transactions be approved by the Board.

Code of Ethics

The Board of Directors has adopted a Code of Ethics for Senior Financial Officers, which applies to Chemung Financial's chief executive officer, the chief auditor and other senior officers performing accounting, auditing, financial management or similar functions. This Code of Ethics supplements a Code of Business Conduct and Ethics, which governs all employees, officers and directors. Both codes can be viewed on the Bank's website at:

<https://www.sn1.com/IRWebLinkX/corporateprofile.aspx?iid=100690>.

AUDIT AND RISK MANAGEMENT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, the Chemung Financial Corporation's Audit and Risk Management Committee (the "Committee") assists the Board in fulfilling its oversight responsibilities for the integrity of the Corporation's financial statements, systems of internal accounting and financial controls, compliance with legal and regulatory requirements, and the independent auditor's qualifications, independence and performance, as well as the performance of its internal audit function. The members of the Committee meet the independence requirements of applicable laws and rules as determined by the Board. Five meetings of the Committee were held during 2015. The charter was approved in February 2016 and can be viewed on the Bank's website at:

<https://www.snl.com/IRWebLinkX/corporateprofile.aspx?iid=100690>.

On March 8, 2016, the Committee appointed the independent registered public accounting firm, Crowe Horwath LLP, as the Corporation's independent auditors for the fiscal year ending December 31, 2016.

The Committee has reviewed and discussed with management and with Crowe Horwath, the Corporation's audited consolidated financial statements for the year ended December 31, 2015. The Committee has received from Crowe Horwath the written disclosures and the letter required by Independence Standards Board No. 1, Independence Discussions with Audit Committees, relating to auditor independence. The Committee also discussed the quality and adequacy of the Corporation's internal controls with management and the independent auditors. In addition, the Committee also reviewed with Crowe Horwath their audit plans, audit scope and identification of audit risks.

The Committee discussed and reviewed with Crowe Horwath all communications required by Statement on Auditing Standards No. 61, Communications with Audit Committees, and has discussed and reviewed the results of their examination of the financial statements.

Based upon the above-mentioned reviews and discussions with management and Crowe Horwath, the Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Chemung Financial Corporation's Annual Report on Form 10-K for the year ended December 31, 2015 to be filed with the Securities and Exchange Commission.

The Audit Committee:

G. Thomas Tranter Jr.

Audit Committee Pre-Approval Policies and Procedures

The Committee pre-approves the audit and permissible non-audit services provided by the independent auditors. These services may include audit services, non-audit services, audit-related services, tax services and other services. Crowe Horwath and management periodically report to the Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Committee may also pre-approve additional services on a case-by-case basis. In the period between meetings of the Audit Committee, the Committee Chair or a delegated sub-committee is authorized to pre-approve such services provided that such pre-approval is ratified by the Committee at its next regularly scheduled meeting.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Crowe Horwath LLP as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2016. Although shareholder approval of the appointment of Crowe Horwath is not required, the Board believes that it is important to give shareholders an opportunity to ratify this selection. If it is not ratified, the Audit Committee will consider the shareholders' views in future selections of the Corporation's independent auditors.

A representative of Crowe Horwath is expected to be present at the Annual Meeting and available to respond to appropriate questions from shareholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF CROWE HORWATH LLP AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.
