On February 26, 2013, the Compensation Committee (the *Committee*) of the Board of Directors (the *Board*) of Halcón Resources Corporation (*Halcón* or the *Company*) approved a cash bonus payment for 2012 performance and long-term equity incentive awards under the Company's 2012 Long-Term Incentive Plan (as amended, the *Plan*) for Floyd C. Wilson, the Company's Chief Executive Officer, as well as an increase in Mr. Wilson's base salary for 2013. On February 27, 2013, the Board approved cash bonus payments for 2012 performance and long-term equity incentive awards under the Plan for the Company's President and other executive officers of the Company, as well as increases in base salaries for 2013. The bonus payments, long-term equity incentive awards under the Plan and base salary adjustments were made after consultation with the Company's independent compensation consultant, and after taking into account the compensation practices of the Company's compensation peer group, the Company's compensation philosophy and the individual and collective achievements of the executives during 2012. The table below sets forth the approved amounts of annual cash bonus for 2012 performance, long-term equity incentive awards and the base salary for 2013 for the Company's principal executive and financial officers, Messrs. Wilson and Mize, respectively, and the other officers listed below.

Each stock option award was issued with an exercise price of \$7.10 per share, which was the closing market price for a share of the Company's common stock on February 28, 2013. Each option award is subject to forfeiture in the event that the stockholders of the Company do not approve a proposal to increase the number of shares of common stock of the Company reserved under the Plan at the next annual meeting of stockholders.

The Compensation Committee also established long-term incentive compensation targets for each of the above executives, equal to the following percentages of base salary for each executive: Mr. Wilson, 650%; Mr. Herod, 550%; Mr. Mize, 500%; Mr. Elkouri, 400% and Mr. Rinando, 275%.

Amendment of 2012 Long-Term Incentive Plan

Also on February 27, 2013, the Board approved amendments to the Plan the primary purpose of which are to facilitate shifting administration of the Plan to a third party service provider by conforming the provisions of the Plan relating to the exercise and settlement of equity awards to the practices of the

third party administrator. As amended, the Plan is entitled the Halcón Resources Corporation First Amended and Restated 2012 Long-Term Incentive Plan . A copy of the amended Plan is attached hereto as Exhibit 10.01 and incorporated herein by reference.

Subject to stockholder approval in accordance with the rules of the New York Stock Exchange, the Board also approved an amendment to the Plan to increase the number of shares of common stock reserved thereunder from 11.5 million to 41.5 million.

Compensation of Outside Directors

On February 27, 2013, the Board approved equity awards to certain non-employee directors and changes in non-employee director compensation recommended by the Committee. The Committee made the recommendations that were approved by the Board after consultation with the Company's independent compensation consultant and after taking into account the compensation practices of the Company's compensation peer group. The compensation changes are effective immediately and consist of: annual retainer paid to non-employee directors of \$60,000; an annual fee paid to the Board's lead director of \$50,000; annual fees paid to the chairman of each of the Compensation, Audit, Reserves and Nominating and Corporate Governance committees in the amount of \$15,000, \$25,000, \$12,500 and \$12,500, respectively. Additionally, each non-employee director will receive an annual award of restricted stock having a value of \$160,000 immediately following the annual stockholders meeting.
