  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 1.01 Entry into a Material Definitive Agreement.**

On April 3, 2013, Avery Dennison Corporation, a Delaware corporation (the Company), entered into an underwriting agreement with Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities LLC, as representatives of the several underwriters named therein, with respect to a registered public offering of \$250,000,000 aggregate principal amount of the Company's 3.35% Senior Notes due 2023 (the Notes). The closing of the sale of the Notes occurred on April 8, 2013. The net proceeds from the Offering, after deducting the underwriting discount and estimated offering expenses, were approximately \$247,470,000 and are being used to repay a portion of the indebtedness outstanding under the Company's commercial paper program.

The offering of the Notes was registered under an effective Registration Statement on Form S-3 (Registration No. 333-169954). The Notes are being issued pursuant to an indenture, dated as of November 20, 2007, as supplemented by a supplemental indenture, dated as of April 8, 2013 (as supplemented, the Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as Trustee. The Notes will bear interest at a rate of 3.35% per year, payable semiannually in arrears in cash on April 15 and October 15 of each year, beginning on October 15, 2013. The Notes will mature on April 15, 2023. The Company may redeem some or all of the Notes at any time, at a price equal to the greater of (a) 100% of the principal amount of the Notes to be redeemed and (b) a make-whole amount as described in the Indenture, plus in either case accrued and unpaid interest to, but not including, the redemption date; provided, however, that if the Company redeems any Notes on or after January 15, 2023, the redemption price for the Notes will be equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but not including, the redemption date. If a change of control triggering event as described in the Indenture occurs, the Company will be required to offer to repurchase the Notes at a price equal to 101% of the principal amount plus accrued and unpaid interest to, but not including, the repurchase date.

The Notes will be the Company's unsecured and unsubordinated obligations. The Notes will rank equally in right of payment with all of the Company's other existing and future unsecured and unsubordinated indebtedness and other liabilities; senior in right of payment to all of the Company's existing and future subordinated indebtedness, if any, to the extent of the value of the assets securing such indebtedness; and structurally subordinated to all existing and future indebtedness and other liabilities of the Company's subsidiaries. A copy of the Indenture is attached hereto, and is hereby filed. The descriptions of the Indenture and the Notes in this report are summaries and are qualified in their entirety by the terms of the Indenture and Notes, respectively.

Attached hereto as exhibits are the agreements and opinions relating to the offering. The exhibits are expressly incorporated herein and into the Registration Statement on Form S-3, and any related amendments thereto, filed by the Company on October 15, 2010.
