Item 1.01 Entry into a Material Definitive Agreement.

On April 10, 2013, AAR CORP. (AAR) and substantially all its subsidiaries (the Guarantors) entered into a Purchase Agreement (the Purchase Agreement) with Merrill Lynch, Pierce, Fenner and Smith Incorporated, Wells Fargo Securities, LLC and RBS Securities Inc. (the Initial Purchasers) to sell \$150,000,000 in aggregate principal amount of AAR s 7.25% senior unsecured notes due 2022 (the New Notes) in a private placement. The New Notes represent additional notes under an indenture pursuant to which AAR previously issued \$175,000,000 in aggregate principal amount of AAR s 7.25% Senior Notes due 2022 (the Existing Notes). The New Notes and the Existing Notes will be treated as a single class for all purposes under the indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase, except that the New Notes will initially be subject to transfer restrictions and will benefit from a registration rights agreement.

The Purchase Agreement contains customary representations, warranties and agreements by AAR and the Guarantors and indemnification provisions whereby AAR and the Guarantors, on one hand, and the Initial Purchasers, on the other, have agreed to indemnify each other against certain liabilities. The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 1.01.

The New Notes were priced at 107.500% of the principal amount thereof, for a yield to maturity of 6.128%. The net proceeds to AAR from the sale of the New Notes are expected to be approximately \$157.5 million after deducting the initial purchasers discounts and estimated offering expenses. AAR intends to use the net proceeds of the offering to repay a portion of the borrowings under its unsecured revolving credit agreement and to pay related fees and expenses.

The sale of the New Notes is expected to close on April 15, 2013. In connection with the closing of the sale of the New Notes, AAR, the Initial Purchasers and the Guarantors will enter into a registration rights agreement relating to the New Notes and the related guarantees.

The New Notes and the related guarantees are being offered and sold to the several Initial Purchasers pursuant to an exemption from the registration requirements under the Securities Act of 1933, as amended (the Securities Act). The Initial Purchasers are offering the New Notes and the related guarantees only to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to persons outside the United States pursuant to Regulation S.
