Item 7.01 Regulation FD Disclosure.

On May 14, 2013, DISH Network Corporation ("DISH Network") issued a press release announcing the intention of its subsidiary, DISH DBS Corporation ("DISH DBS"), to offer, subject to market and other conditions, approximately \$2.5 billion aggregate principal amount of its senior notes. The notes will only be offered and sold to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the "Securities Act") and in offshore transactions in accordance with Regulation S under the Securities Act. The net proceeds of the offering will be placed into escrow. The net proceeds from the sale of the notes in this offering will be released from escrow to make a cash distribution to DISH Network to finance a portion of the cash consideration for DISH Network's proposed merger with Sprint Nextel Corporation ("Sprint"). If the proposed merger with Sprint does not occur on or prior to the escrow end date, or if DISH DBS elects at any time on or prior to the escrow end date, DISH DBS will redeem all of the notes. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

In connection with the marketing of the notes by DISH DBS, DISH DBS made the following statement: "DISH Network has had multiple meetings and communications with the advisors to the Special Committee of the Board of Directors of Sprint, as well as with senior members of Sprint's management team. DISH Network has provided information and documentation in response to all of their questions and is unaware of any items that remain outstanding."

Certain statements incorporated by reference in this Current Report on Form 8-K may be forward-looking statements, which may involve a number of risks and uncertainties that could cause actual events or results to differ materially from those described. Neither DISH Network nor DISH DBS undertakes any obligation to update forward-looking statements.
