**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On August 1, 2013, Laredo Petroleum, Inc. ( *Laredo* ), a wholly owned subsidiary of Laredo Petroleum Holdings, Inc., together with two of its subsidiaries, Laredo Petroleum Texas, LLC ( *Laredo Texas* ) and Laredo Gas Services, LLC ( *Laredo Gas Services* ) and together with Laredo and Laredo Texas, *Sellers* ), completed the sale (the *Sale* ) of Sellers' interests in oil and gas properties located in the Anadarko Basin in the State of Oklahoma and the State of Texas, and various other related interests, rights, wells, leasehold interests, records, fixtures, equipment, associated gas gathering assets and other assets. The Sale was pursuant to the previously announced Purchase and Sale Agreement, dated as of May 20, 2013 (the *Agreement* ), by and between Sellers and certain affiliates of EnerVest, Ltd. ( *EnerVest* ) and was effective April 1, 2013, for a purchase price of \$438 million. The purchase price (including deposits) consisted of approximately \$400 million from EnerVest and approximately \$38 million from third parties in connection with the exercises of such third parties' preferential rights associated with certain of the assets. After estimated transaction costs, the net proceeds were approximately \$434 million, which are subject to adjustments to reflect an economic effective date of April 1, 2013 (currently estimated as a reduction of approximately \$5 million in net proceeds, although this number is subject to change). The net proceeds were used to pay off Laredo's revolving credit facility and for working capital purposes.

A copy of the Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K. The foregoing description of the Agreement and the transactions contemplated therein does not purport to be complete and is qualified in its entirety by reference to such exhibit. There are representations and warranties contained in the Agreement, which were made by the parties to each other as of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating their terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to stockholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Based upon the foregoing reasons, investors should not rely on the representations and warranties as statements of factual information.
