**Vale proposes US\$ 4.2 billion for 2014 minimum dividend**

Rio de Janeiro, January 30, 2014 Vale S.A. (Vale) announces that its Executive Board has approved and will submit to the Board of Directors a proposal for the distribution of a minimum dividend of US\$ 4.2 billion in 2014, equivalent to US\$ 0.814999890 per share for both common and preferred shares outstanding, to be distributed in two installments, on April 30 and October 31, 2014.

The Board of Directors will evaluate the proposal submitted by the senior management in the meetings scheduled for April 14 and October 16, 2014.

If the proposal is approved by our Board of Directors, the payment of each installment will be made in Brazilian reais, calculated on the basis of the Brazilian real/US dollar exchange rate (Ptax option 5) published by the Central Bank of Brazil on the business day prior to the Board of Directors meeting that approves the dividend proposal.

The proposed minimum dividend is consistent with Vale's financial policy, which aims to provide a strong support to the exploitation of profitable growth opportunities alongside the preservation of a sound balance sheet.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future and not on historical facts, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may
