Item 1.01 **Entry into a Material Definitive Agreement.**

On May 15, 2014, Abbott Investments Luxembourg S.à r.l., (the Purchaser), a wholly-owned subsidiary of Abbott Laboratories (Abbott), entered into an agreement (the Transaction Agreement) with Positron Limited (the Stockholder). Under the terms of the Transaction Agreement, the Purchaser has agreed to offer to buy all of the outstanding ordinary shares of CFR Pharmaceuticals S.A., (the Company). Following the completion of the tender offers to be made in Chile, the U.S., and, potentially, elsewhere, the Purchaser will buy from the Stockholder a 100% ownership interest in a holding company owning indirectly approximately 73% of the Company's outstanding shares, for the same aggregate price that would have been payable if those shares had been tendered directly in the tender offers. Upon completion of the transactions contemplated by the Transaction Agreement, Abbott will indirectly own the shares of the Company that are owned indirectly by the holding company plus the shares purchased through the tender offers. The price payable pursuant to the Transaction Agreement values the equity of the Company at \$2.9 billion. The total transaction value, giving effect to the Company's net debt, is approximately \$3.3 billion.

Consummation of the transactions provided for in the Transaction Agreement is subject to customary conditions.

The Transaction Agreement includes customary representations, warranties, and covenants by the parties.

Item 7.01 **Regulation FD Disclosure.**

On May 16, 2014, Abbott issued a press release announcing the execution of the Transaction Agreement. The press release is attached as Exhibit 99.1.
