**Item 7.01. Regulation FD Disclosure.**

On May 19, 2014, AmerisourceBergen Corporation (the Company) issued a news release announcing that it priced \$600 million aggregate principal amount of the Company's 1.150% Senior Notes due May 15, 2017 (the 2017 Notes) and \$500 million aggregate principal amount of the Company's 3.400% Senior Notes due May 15, 2024 (the 2024 Notes) and together with the 2017 Notes, the Notes) in an underwritten registered public offering. The news release is being furnished with this Current Report as Exhibit 99.1 and is incorporated herein by reference.

**Item 8.01. Other Events.**

On May 19, 2014, the Company entered into an Underwriting Agreement (the Underwriting Agreement), by and among the Company and J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, and Mitsubishi UFJ Securities (USA), Inc., on behalf of themselves and as representatives of the several underwriters named therein (the Underwriters). The Underwriting Agreement provides for the issuance and sale by the Company, and the purchase by the Underwriters, of the 2017 Notes and the 2024 Notes. The Notes will be senior unsecured obligations of the Company. The Underwriting Agreement contains representations, warranties, conditions and covenants of the parties thereto and provides for indemnification by each of the Company and the Underwriters against certain liabilities and contribution provisions in respect of those liabilities. The Company expects to consummate the sale of the Notes to the Underwriters, which is subject to the closing conditions specified in the Underwriting Agreement, on May 22, 2014.

The offer and sale of the Notes have been registered under the Securities Act of 1933, as amended, pursuant to the Company's shelf registration statement on Form S-3 (Registration Statement No. 333-185163) (the Shelf Registration Statement), filed with the Securities and Exchange Commission on November 27, 2012.

If the sale of the Notes is consummated pursuant to the terms set forth in the Underwriting Agreement, the Company estimates that it will receive net proceeds of approximately \$1.092 billion (after deducting underwriting discounts and offering expenses) from the sale of the Notes. The Company intends to use a portion of the net proceeds to redeem all of its 5<sup>7</sup>/<sub>8</sub>% Senior Notes due on September 15, 2015 and to use the remaining amount for general corporate purposes, including repurchases of shares of its common stock under its share repurchase programs. On May 19, 2014, the Company announced that its board of directors authorized a special \$650 million share repurchase program. Other general purposes may include, among other things, funding for working capital, capital expenditures, repayment of other indebtedness, investments in the Company's subsidiaries, business acquisitions and the repurchase, redemption or retirement of the Company's other securities. Pending use of the net proceeds from the sale of the Notes, the Company intends to invest such proceeds in institutional money market funds, U.S. government securities, certificates of deposit or other short-term interests-bearing securities.

Certain of the underwriters and their affiliates have in the past provided, and may in the future provide, investment banking, commercial banking, derivative transactions and financial advisory services to the Company and its affiliates in the ordinary course of business for which they have received and may continue to receive customary fees and commissions. Specifically, affiliates of

Certain of the other underwriters or their affiliates also serve as lenders, purchasers or agents under these facilities.
