Item 1.01. Entry into a Material Definitive Agreement.

On May 28, 2014, RLI Corp. (the Company) entered into a Credit Agreement (the Credit Agreement) with JPMorgan Chase Bank, National Association, as Agent, J.P. Morgan Securities LLC, as Lead Arranger and Sole Bookrunner, and the lenders that may from time to time become parties thereto, as Lenders.

The Credit Agreement provides for an unsecured four-year \$40 million revolving credit facility (the Credit Facility). The Credit Facility includes an accordion feature that allows the Company, under certain circumstances, to increase the size of the Credit Facility up to \$65 million.

At the Company's election, an advance may be made under the Credit Facility either: (1) for a specific one, two, three, or six-month term (Eurodollar Advance), or (2) on an overnight basis using an overnight floating rate (Floating Rate Advance).

A Eurodollar Advance will bear interest at a rate per annum equal to the Adjusted LIBO Rate for the applicable interest period (the sum of (a) the LIBO Rate for such period multiplied by the Statutory Reserve Rate, plus (b) the applicable margin, which ranges from 1.125% to 1.375%, depending on the Company's debt ratings). A Floating Rate Advance will bear interest at a rate per annum equal to the Alternative Base Rate (the highest of (x) the prime lending rate of the Agent, (y) the Federal Funds Rate plus 0.5%, and (z) the Adjusted LIBO Rate for a one-month interest period, plus 1%, less the applicable margin), plus the applicable margin (which ranges from 0.125% to 0.375%, depending on the Company's debt ratings).

Commitment fees on the average daily unused portion of the Credit Facility are payable at rates per annum ranging from 0.15% to 0.225%, depending on the Company's debt ratings. The Credit Facility may be used for working capital and other general corporate purposes. The Credit Facility termination date is May 28, 2018.

The Credit Agreement contains certain affirmative and negative covenants, including those relating to, among other things, dividends, mergers, asset sales, investments and acquisitions, liens, reinsurance, transactions with affiliates, and other matters customarily restricted in such agreements. In addition, the Credit Agreement requires that the Company maintain: (a) a ratio of consolidated indebtedness to consolidated total capitalization of not more than 0.30 to 1.00, and (b) Risk-Based Capital requirements at primary insurance subsidiaries of at least 450%.

In the ordinary course of their respective businesses, the Agent and other parties to the Credit Agreement and their respective affiliates have engaged, and may in the future engage, in commercial banking, investment banking, financial advisory or other services with the Company and its affiliates for which they have in the past and/or may in the future receive customary compensation and expense reimbursement.

The foregoing description of the Credit Facility does not purport to be complete and is qualified in its entirety by reference to the Credit Agreement, which is attached hereto as Exhibit 10.1.
