Item 1.01. Entry into a Material Definitive Agreement.

On July 24, 2015, Lime Energy Co. (the Company) entered into a Loan and Security Agreement (the Loan Agreement) with Heritage Bank of Commerce (the Bank), whereby the Bank agreed to make available to the Company a secured credit facility (the Credit Facility) consisting of a \$6.0 million revolving line of credit which the Company may draw upon from time to time, subject to the calculation and limitation of a borrowing base, for working capital and other general corporate purposes.

The line of credit, which matures on July 24, 2017, bears variable interest at the prime rate plus 1.00% and is collateralized by certain assets of the Company and its subsidiaries including their respective accounts receivable, certain deposit and investment accounts, and intellectual property. As additional incentive to the Bank to enter into the Credit Facility and make available to the Company funds thereunder, the Company has issued to the Bank a warrant to purchase shares of the Company s common stock up to \$60,000 in the aggregate.

The Loan Agreement requires the Company to comply with a number of conditions precedent that must be satisfied prior to any borrowing. In addition, the Company will be required to remain compliant with certain customary representations and warranties and a number of affirmative and negative covenants. The occurrence of an event of default under the Loan Agreement may cause amounts outstanding during the event of default to accrue interest at a rate of 3.00% above the interest rate that would otherwise be applicable.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.
