Item 1.01. Entry into a Material Definitive Agreement

Agreement and Plan of Merger

On February 22, 2016, Newport Corporation (the Company) entered into an Agreement and Plan of Merger with MKS Instruments, Inc., a Massachusetts corporation (MKS), and its newly formed, wholly owned subsidiary, PSI Equipment, Inc., a Nevada corporation (Merger Sub), providing for, subject to the terms and conditions of the Merger Agreement, the acquisition of the Company by MKS at a price of \$23.00 per share in cash, without interest and subject to deduction for any required withholding tax (the Merger Consideration), through the merger of Merger Sub into the Company (the Merger), with the Company surviving the Merger as a wholly owned subsidiary of MKS.

At the effective time of the Merger (the Effective Time):

- each share of the Company s common stock, par value \$0.1167 (each, a Share) issued and outstanding immediately prior to the Effective Time (other than Shares held in the treasury of the Company or owned, directly or indirectly, by MKS, Merger Sub or any wholly owned subsidiary of the Company, MKS or Merger Sub immediately prior to the Effective Time (all of which will be cancelled)) will be converted into the right to receive the Merger Consideration;
- each restricted stock unit (each, an RSU) granted under any stock option or equity compensation plan, arrangement or agreement of the Company (Company Equity Plans) that is outstanding immediately prior to the Effective Time of the Merger and as to which Shares have not been fully distributed in connection with the closing of the Merger will be assumed by MKS and continue to be subject to the same terms and conditions (including vesting schedule) as in effect for such RSU immediately prior to the Effective Time, except that such RSU will become an award for a number of shares of MKS common stock (rounded down to the nearest whole share) equal to the number of Shares subject to such RSU immediately prior to the Effective Time, multiplied by a fraction (the Equity Award Exchange Ratio), the numerator of which will be the Merger Consideration and the denominator of which will be the volume weighed average price per share of MKS common stock on the Nasdaq Global Select Market over the five consecutive trading days ending on the second complete trading day preceding the closing date for the Merger; and
- each stock appreciation right (each, a SAR) granted under any Company Equity Plan, whether vested or unvested, that is outstanding immediately prior to the Effective Time will be assumed by MKS and continue to be subject to the same terms and conditions (including vesting schedule) as in effect for such SAR immediately prior to the Effective Time, except that such SAR will become an award for a number of shares of MKS common stock (rounded down to the nearest whole share) equal to the number of Shares subject to such SAR, multiplied by the Equity Award Exchange Ratio and have a per share base value (rounded up to the nearest whole cent) equal to the per share base value for such SAR immediately prior to the Effective Time, divided by the Equity Award Exchange Ratio.

Any performance condition applicable to RSUs and SARs will be deemed fully satisfied under the terms of the applicable award agreement.

The Merger Agreement contains customary representations and warranties from both the Company and MKS. It also contains customary covenants, including covenants providing for each of the parties to use its reasonable best efforts to cause the Merger to be consummated, and covenants requiring the Company (i) subject to certain exceptions, to carry on its business in the ordinary course of business consistent with past practice during the period between the execution of the Merger Agreement and the Effective Time and (ii) not to initiate, solicit, knowingly facilitate or knowingly encourage any inquiries, proposals or offers relating to alternate transactions or, subject to certain exceptions, to engage in any discussions or negotiations with respect thereto.

Completion of the Merger is subject to customary closing conditions, including (i) approval of the Merger by the Company's stockholders, (ii) the absence of injunctions or other legal restraints prohibiting the Merger, (iii) expiration or early termination of any regulatory waiting periods and receipt of required regulatory approvals, (iv) the accuracy of the Company's and MKS's representations and warranties, (v) compliance by the Company and MKS with their respective covenants, (vi) the absence of a material adverse effect on the Company and (vii) the absence of any action by a governmental entity challenging the Merger. MKS's obligations under the Merger Agreement are not subject to any financing condition.

Under the Merger Agreement, MKS is entitled to receive a termination fee of \$32,600,000 if the Merger Agreement is terminated by the Company to accept an alternative acquisition proposal and in certain other circumstances.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company, MKS, Merger Sub or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties by the Company, on the one hand, and the MKS and Merger Sub on the other hand, made solely for the benefit of the other. The assertions embodied in those representations and warranties are subject to qualifications and limitations agreed to by the respective parties in negotiating the terms of the Merger Agreement, including information in confidential disclosure letters delivered by each party in connection with the signing of the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for the purpose of allocating risk between the Company, on the one hand, and MKS and Merger Sub, on the other hand, rather than establishing matters as facts. Accordingly, the representations and warranties in the Merger Agreement should not be relied on by any persons as characterizations of the actual state of facts about the Company or MKS at the time they were made or otherwise. In addition, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's or MKS's public disclosures.

Stockholder Agreements

In connection with the Merger Agreement, each of the Company's directors and executive officers executed a Stockholder Agreement with MKS (collectively, the Stockholder Agreements). Each Stockholder Agreement (i) requires the applicable stockholder to vote such stockholder's Shares in favor of (and to grant a proxy to MKS to vote in favor of) adoption and approval of the Merger Agreement and to vote against the approval or adoption of any alternative acquisition proposal and (ii) prohibits the applicable stockholder from transferring such stockholder's Shares, each subject to the exceptions described in the Stockholder Agreement. The Stockholder Agreements will terminate upon the Effective Time or the earlier termination of the Merger Agreement.

The foregoing description of the Stockholder Agreements does not purport to be complete and is qualified in its entirety by reference to the form of Stockholder Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On February 22, 2016, the Board of Directors of the Company adopted a Certificate of Amendment (the Bylaw Amendment) to the Company's Amended and Restated Bylaws, as previously amended on December 17, 2014 and August 18, 2015 (the Amended and Restated Bylaws). The Bylaw Amendment, among other things, designates the Business Court in the Eighth Judicial District Court of Clark County, Nevada as the sole and exclusive forum for any stockholder to bring (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty, (iii) any action asserting a claim arising pursuant to Chapters 78 and 92A of the NRS or (iv) any action asserting a claim governed by the internal affairs doctrine, in each case as described in further detail in the Bylaw Amendment.

The foregoing description of the Bylaw Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Bylaw Amendment. A copy of the Amended and Restated Bylaws, as amended, is filed as Exhibit 3.1 hereto and is incorporated herein by reference.
