Item 4. Purpose of Transaction

On March 31, 2016, Azure Midstream Partners, LP, a Delaware limited partnership (the Partnership), Marlin Midstream, LLC and Marlin Logistics, LLC, entered into a settlement agreement (the Settlement Agreement) with Associated Energy Services, LP, NuDevco Midstream Development, LLC (NuDevco) and Marlin IDR Holdings, LLC relating to the termination of the Partnership's minimum volume commitment contracts with AES in exchange for all of the limited partner interests in the Partnership owned by NuDevco.

Principal terms of the Settlement Agreement included that NuDevco surrenders to the Partnership 8,724,545 subordinated units, 1,939,265 common units and 10 IDR Units of the Partnership held by NuDevco or its subsidiary. Upon the return of the Partnership's 1,935,265 common units representing limited partner interests owned by NuDevco, the Partnership's outstanding common units were reduced to 11,124,953 units. This increased AME's ownership to 5.78% of the outstanding common units.

AME beneficially owns 643,172 of the Partnership's common units representing limited partner interests. These units consist of 255,319 common units received as consideration for contributing Azure ETG, LLC to the Partnership in August 2015, effective as of July 1, 2015. Additionally, in February 2015, AME acquired an option to acquire 20% of the Partnership's common and subordinated units held by NuDevco as of February 27, 2015 as part of the contribution of the Legacy gathering system and assets and related transactions. The above amount of the Partnership's common units beneficially owned by AME reflects 387,853 common units subject to such option. After giving effect to the Settlement Agreement, the units subject to such option are not outstanding. They are held by the Partnership as treasury units subject to such option, which expires February 27, 2017.

Item 5. Interest in Securities of the Issuer

See Item 2 and Exhibit 99.1, which are incorporated herein by reference. In computing outstanding units of the registered class, the Reporting Persons have relied upon information attained from the Partnership, after giving effect to the Settlement Agreement, and pursuant to Rule 13d-3(d)(1) have counted 387,853 common units held in treasury by the Partnership subject to AME's option as being outstanding.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

As described above in Item 4, 387,853 common units shown herein as being beneficially owned by the Reporting Persons are not outstanding. They are held by the Partnership as treasury units subject to an option in favor of AME. The option was originally granted by NuDevco. It has an exercise price of approximately \$18.00 per common unit and it expires on February 27, 2017.

AME is a wholly-owned, member-managed Delaware limited liability company. As such, Azure Midstream Holdings, LLC, its sole member, controls AME.
