Item 1.01. Entry into a Material Definitive Agreement.

Underwriting Agreement - Public Offering of Convertible Senior Notes

On January 13, 2017, Two Harbors Investment Corp. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with PRCM Advisers LLC and Credit Suisse Securities (USA) LLC (the Underwriter) to issue and sell to the Underwriter \$250,000,000 aggregate principal amount of its 6.25% Convertible Senior Notes due 2022 (the Notes) in a public offering pursuant to a Registration Statement on Form S-3ASR (Registration No. 333-204216) (the Registration Statement) and a related prospectus, as supplemented by a preliminary prospectus supplement, filed with the Securities and Exchange Commission (the SEC) on January 12, 2017 and a final prospectus supplement filed with the SEC on January 13, 2017 pursuant to Rule 424(b) under the Securities Act of 1933, as amended (the Securities Act). Pursuant to the Underwriting Agreement, the Company granted the Underwriter an option to purchase up to an additional \$37,500,000 principal amount of Notes to cover over-allotments, if any.

The Company made certain customary representations, warranties and covenants concerning the Company and the Registration Statement in the Underwriting Agreement and also agreed to indemnify the Underwriter against certain liabilities, including liabilities under the Securities Act.

A copy of the Underwriting Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference. The description of the terms of the Underwriting Agreement in this Item 1.01 is qualified in its entirety by reference to Exhibit 1.1.

Indenture

The Notes were issued pursuant to an indenture, dated as of January 19, 2017, between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Base Indenture), as supplemented by a supplemental indenture, dated as of January 19, 2017 (the Supplemental Indenture) and, together with the Base Indenture, the Indenture).

The Notes bear interest at a rate of 6.25% per year on the principal amount and will accrue from the date of issuance or from the most recent date to which interest has been paid or duly provided for, and will be payable semiannually in arrears on January 15th and July 15th of each year, beginning on July 15, 2017. The Notes will mature on January 15, 2022 unless repurchased or converted in accordance with their terms prior to such date.

Holders may convert their Notes into shares of the Company's common stock, \$0.01 par value per share, at any time prior to the close of business on the second scheduled trading day immediately preceding the maturity date.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form 8-K

The conversion rate will initially equal 100.00 shares of common stock per \$1,000 principal amount of Notes (equivalent to a conversion price of \$10.00 per share of common stock). The conversion rate will be subject to adjustment upon the occurrence of certain events, but will not be adjusted for any accrued and unpaid interest. In addition, following the occurrence of a make-whole fundamental change, the Company will, in certain circumstances, increase the conversion rate for a holder that converts its Notes in connection with such make-whole fundamental change.

Subject to certain exceptions, the Company's charter restricts ownership of more than 9.8% by value or number of shares, whichever is more restrictive, of its outstanding shares of common stock, or of its outstanding capital stock, in order to protect its status as a REIT for U.S. federal income tax purposes. Notwithstanding any other provision of the Notes, no holder of Notes will be entitled to receive the Company's common stock following conversion of such Notes to the extent that receipt of such common stock would cause such holder (after application of certain constructive ownership rules) to exceed the ownership limit contained in its charter.

The Company may not redeem the Notes prior to maturity. No sinking fund will be provided for the Notes.

Upon the occurrence of a fundamental change, as defined in the Indenture, holders may require the Company to purchase the Notes in whole or in part for cash at a fundamental change purchase price equal to 100% of the principal amount of the Notes to be purchased, plus accrued and unpaid interest, if any, to, but excluding, the fundamental change purchase date.

The Notes will be the Company's senior unsecured obligations and will rank senior in right of payment to any future indebtedness that is expressly subordinated in right of payment to the Notes, equal in right of payment to the Company's existing and future unsecured indebtedness that is not so subordinated, effectively junior to any future secured indebtedness to the extent of the value of the assets securing such indebtedness and structurally junior to all existing and future indebtedness (including trade payables) and any preferred equity of the Company's subsidiaries as well as to any of the Company's existing or future indebtedness that may be guaranteed by any of the Company's subsidiaries (to the extent of any such guarantee).

If there is an event of default under the Notes, the principal amount of the Notes, plus accrued and unpaid interest, may be declared immediately due and payable. Each of the following is an event of default with respect to the Notes:

- default in any payment of interest on any note when due and payable, and the default continues for a period of thirty (30) days;
- default in the payment of principal of any note (including the fundamental change purchase price) when due and payable on the maturity date, upon required repurchase, upon declaration of acceleration or otherwise;
- failure by the Company to comply with its obligation to convert the Notes into shares of the Company's common stock in accordance with the indenture upon exercise of a holder's conversion right, which failure continues for three (3) business days;
- failure by the Company to comply with its obligations with obligations related to a merger, consolidation or sale;
- failure by the Company to provide timely notice in connection with a fundamental change;
- failure by the Company for sixty (60) days after written notice from the trustee or the holders of at least 25% in principal amount of the Notes then outstanding has been received by the Company to comply with any of the Company's agreements contained in the Notes or the indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere specifically provided for or which does not apply to the Notes), which

notice shall state that it is a Notice of Default under the indenture;

- failure by the Company to pay beyond any applicable grace period, or resulting in the acceleration of, indebtedness of the Company or any of its subsidiaries where the aggregate principal amount with respect to which the default has occurred is greater than \$25,000,000 (or its foreign currency equivalent at the time); or
- certain events of bankruptcy, insolvency, or reorganization of the Company or any significant subsidiary (as defined in Article 1, Rule 1-02 of Regulation S-X) of the Company. If an event of default other than an event of default arising under this clause occurs and is continuing, the trustee by notice to the Company, or the holders of at least 25% in principal amount of then outstanding Notes by notice to the Company and the trustee, may, and the trustee at the request of such holders shall, declare 100% of the principal of, and accrued and unpaid interest, if any, on, all then outstanding Notes to be due and payable. In addition, upon an event of default arising under this clause above with respect to the Company, 100% of the principal of and accrued and unpaid interest on the Notes will automatically become due and payable. Upon any such acceleration, the principal of and accrued and unpaid interest, if any, on the Notes will be due and payable immediately.

The summary of each of the Base Indenture, the Supplemental Indenture and the Notes is qualified in its entirety by reference to the text of the Base Indenture, the Supplemental Indenture and the form of Note. The Base Indenture, the Supplemental Indenture and the form of Note are included as Exhibits 4.1, 4.2 and 4.3, respectively, hereto and are incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
