(1) This Registration Statement shall also cover any additional shares of the Registrant's common stock that become issuable by reason of any stock dividend, stock split, recapitalization or any other similar transaction effected without the Registrant's receipt of consideration which results in an increase in the number of outstanding shares of the Registrant's common stock.

(2) Estimated solely for the purpose of calculating the registration fee under Rules 457(c) and 457(h) of the Securities Act of 1933, as amended, on the basis of the average of the high and low sales prices per share of the Registrant's common stock on February 24, 2017, as reported on The Nasdaq Capital Market.

Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

The Certificate of Incorporation of the Registrant limits the liability of its directors to the Registrant and its stockholders for monetary damages for breach of the directors' fiduciary duty. This provision is intended to afford the Registrant's directors the benefit of the Delaware General Corporation Law (the Delaware Law), which provides that directors of a corporation will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except for liability for (i) any breach of their duty of loyalty to the corporation or its stockholders, (ii) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware Law, or (iv) any transaction from which the director derives an improper personal benefit.

The Certificate of Incorporation and Bylaws of the Registrant require indemnification of the Registrant's directors and officers to the maximum extent permitted by Delaware Law. Section 145 of the Delaware Law authorizes indemnification by a Delaware corporation when a person is made a party to any proceeding by reason of the fact that such person is or was a director, officer, employee or agent of the corporation or was serving as a director, officer, employee or agent of another enterprise, at the request of the corporation, and if such person acted in good faith and in a manner reasonably believed by him or her to be in, or not opposed to, the best interests of the corporation. With respect to any criminal proceeding, such person must have had no reasonable cause to believe that his or her conduct was unlawful. If it is determined that the conduct of such person meets these standards, he or she may be indemnified for expenses incurred and amounts paid in such proceeding (including attorneys' fees) if actually and reasonably incurred by him or her in connection therewith. If such a proceeding is brought by or on behalf of the Registrant, such person may be indemnified against expenses actually and reasonably incurred if he or she acted in good faith and in a manner reasonably believed by him or her to be in, or not opposed to, the best interests of the Registrant. Where such person is adjudged to be liable to the Registrant, he or she is not entitled to indemnification unless and to the extent that the court allows such indemnification to such person for such expenses as the court deems proper. Where such person is successful in any such proceeding, he or she is entitled to be indemnified against expenses actually and reasonably incurred by him or her. In all other cases, indemnification is made by the Registrant upon determination by it that indemnification of such person is proper because such person has met the applicable standard of conduct.

The Registrant has also entered into contractual arrangements with its directors and officers pursuant to which such persons may be entitled to indemnity from the Registrant against certain liabilities arising from the discharge of their duties in such capacities.

The Registrant maintains an insurance policy for the benefit of its officers and directors, which may cover certain liabilities of such individuals to the Registrant and its stockholders.

Item 7. Exemption from Registration Claimed

Not Applicable.

Item 9. Undertakings

The Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act);
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, paragraphs (1)(i) and (1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
