Emerging growth company o		
If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. O		

Item 8.01 Other Information.

On November 22, 2017, Duke Energy Progress, LLC (DEP) and the Public Staff - North Carolina Utilities Commission (the Public Staff) filed an Agreement and Stipulation of Partial Settlement (the Stipulation) with the North Carolina Utilities Commission (the NCUC) resolving certain issues in the rate case which DEP filed on June 1, 2017, with the NCUC. The items addressed in detail in the Stipulation are consistent with those included in the Preliminary Notice of Partial Settlement filed with the NCUC on November 20, 2017, and disclosed in the Form 8-K filed by DEP on the same date.

The Stipulation includes, among other things, a return on equity of 9.9% based upon a capital structure of 52% equity and 48% debt. As a result of certain adjustments to be made to rate base for the Mayo Zero Liquid Discharge and Sutton combustion turbine projects, Duke Energy will take an estimated pre-tax impairment charge of approximately \$25 million in the fourth quarter of 2017 which will be treated as a special item and excluded from adjusted diluted earnings per share. An overview providing detail on the terms of the Stipulation is attached to this Form 8-K as Exhibit 99.1.

The parties have not reached a compromise on coal ash basin deferred costs to be recovered and amortization period, and ongoing coal ash costs to be included in rates, as well as deferred storm costs to be recovered and amortization period.

An evidentiary hearing on the Stipulation and other issues in the case will commence on November 27, 2017. The Stipulation will be subject to the review and approval by the NCUC. DEP has requested that rates go into effect on February 1, 2018.

Item 9.01. Financial Statements and Exhibits.

- (d) Exhibits.
- 99.1 Duke Energy Progress Summary of 2017 Rate Case Filing in North Carolina
