Securities Purchase Agreement

On January 23, 2018, the Reporting Person entered into a Securities Purchase Agreement (the "Purchase Agreement") with the Issuer, pursuant to which the Reporting Person purchased from the Issuer in a private placement under the Securities Act of 1933, as amended, for an aggregate purchase price of \$20 million, (i) 4,665,594 shares of Common Stock, at a purchase price of \$4.2867 per share, and (ii) a warrant to acquire up to 1,500,000 shares of Common Stock on the terms and subject to the conditions set forth in a Warrant (the "Warrant").

The Purchase Agreement provides that for so long as the Reporting Person's Ownership Threshold (as such term is defined in the Purchase Agreement) is met, the Reporting Person shall be entitled to nominate one individual (the "Reporting Person Designee") to the Issuer's board of directors (the "Board"). Additionally, subject to applicable law and the listing standards of the Nasdaq Capital Market (or other United States national securities exchange that the Common Stock is listed upon, if any), the Issuer will offer the Reporting Person Designee an opportunity to, at the Reporting Person's option, either sit on each regular committee of the Board or attend (but not vote) at the meetings of such committee as an observer. If the Reporting Person Designee fails to satisfy the applicable qualifications under law or stock exchange listing standard to sit on any committee of the Board, then the Board shall offer the Reporting Person Designee the opportunity to attend (but not vote) at the meetings of such committee as an observer. The Issuer must use its commercially reasonable efforts to increase the size of the Board and appoint the Reporting Person Designee as soon as reasonably practicable following January 23, 2018 and no later than April 30, 2018.

The Purchase Agreement also provides that the Reporting Person must cause all of its Common Stock entitled to vote at any meeting of the Issuer's shareholders to be present at such meeting and to vote all such shares in favor of any nominee or director nominated by the Issuer's Nominating and Corporate Governance Committee and against the removal of any director nominated by the Issuer's Nominating and Corporate Governance Committee.

The terms of the Purchase Agreement provide that the Reporting Person will have a co-investment right in certain future issuances of equity and/or debt securities of the Issuer, subject to the Ownership Threshold being met, with respect to a Subsequent TCP-ASC Investment (as such term is defined in the Purchase Agreement), equal to ten percent (10%) of the Subsequent TCP-ASC Investment, with such co-investment right being capped at a maximum of \$40 million of aggregate investments.

Warrant

Concurrently with the entry into the Purchase Agreement, the Reporting Person and the Issuer executed and delivered the Warrant to acquire up to a total of 1,500,000 shares of Common Stock of the Issuer at an initial exercise price equal to \$6.00 per share, at any time during the period commencing on January 23, 2018 and terminating at 5:00 p.m., New York time, January 23, 2028.

Amended and Restated Registration Rights Agreement

Concurrently with the entry into the Purchase Agreement, the Issuer, the Reporting Person and TCP-ASC ACHI Series LLLP (TCP-ASC) entered into an Amended and Restated Registration Rights Agreement (the Amended Registration Rights Agreement), to add the Reporting Person as a party and to provide the Reporting Person with certain registration rights. Under the terms of the Registration Rights Agreement, the Reporting Person is entitled to (i) one demand registration at any time following January 23, 2021

and (ii) beginning on January 23 2019, unlimited piggyback registration rights subject to certain limitations as it relates to primary issuances; provided that prior to January 23, 2021, the Reporting Person will only be permitted to include in any piggyback registration the number of registrable securities with respect to which the Reporting Person is granted an early release from its transfer restrictions under the Purchase Agreement as described above.

The description and summary of the Purchase Agreement, the Warrant and the Amended Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of the Purchase Agreement, the Warrant and the Amended Registration Rights Agreement, which are included as Exhibits to this Statement and are incorporated herein by reference.
