**RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

**NOTE:** On April 3, 2018, Evolving Systems, Inc. issued a press release announcing its fourth quarter and year-end results for the period ended December 31, 2017. Following the release, the Company discovered an error in the table titled: Reconciliation of GAAP to Non-GAAP financial measures. The Company inadvertently reported Non-GAAP diluted net income per share of \$0.11 when the correct Non-GAAP diluted net income per share should have read \$0.01. Further, in the Consolidated Statements of Income for the three months ended December 31, 2016, the Company reflected cash dividends having been declared; that line should have read \$0.00 as the Company did not pay any dividends for the three-month period ended December 31, 2016. There is no impact to the Company's Consolidated Statements of Income or other financial statements. Please refer to the full text of the corrected press release furnished herewith as Exhibit 99.1 on this Form 8-K. The Company has posted the corrected press release on its website.
