Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Reflects withholding of shares by the issuer to offset the tax liability resulting from the vesting on March 31, 2019 with respect to 14,214 time-based restricted stock units previously reported. Because the vesting date occurred on a market holiday, the number of shares withheld is based upon the closing price of the issuer's common stock on March 29, 2019, the most recent prior market day.
- (2) Each performance-based restricted stock unit ("PRSU") represents a contingent right to receive one share of the Company's common stock. The applicable performance goal will be satisfied if the Company's common stock achieves a per share market price of \$5.00 or greater for any period of 30 consecutive trading days prior to June 30, 2021 (the "2018 performance goal"). The PRSUs generally vest in three equal installments on March 31 of each of 2019, 2020 and 2021, respectively, provided that the 2018 performance goal has been met by such date (and, if not, through the date the 2018 performance goal is subsequently achieved), and are subject to continued employment through the vesting date. If the Company has not achieved the performance goal by June 30, 2021, all unvested PRSUs will be forfeited.
- (3) Amount shown also reflects sale of 2,518 shares of common stock by the reporting person, which occurred prior to becoming subject to Section 16 reporting obligations.

Remarks:

Effective June 29, 2018, the Company changed its legal name from "Global Power Equipment Group Inc." to "Williams Indust

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
