Pursuant to outstanding restricted stock unit award agreements, additional restricted stock units ("RSUs") are credited to each non-employee director's account on common stock dividend payment dates. The number of RSUs credited is equal to (a) the product of (1) (i) the number of the RSUs in each director's account on the associated dividend record date and (ii) the per share dividend, divided by (b) the closing price on the dividend payment date. On April 17, 2017, HealthSouth paid a dividend on its common stock of \$0.24 per share. The transaction reported on this Form 4 is an award of RSUs associated with that dividend payment.

This number represents the purchase of (a) 540 shares of common stock of HealthSouth Corporation (the "Company") pursuant to an election by the reporting person to participate in the Directors Deferred Stock Investment Plan of the Company (the "Plan") and (b) 229 shares associated with cash dividends on shares of the Company's common stock held under the Plan. The Plan is a non-qualified deferral plan adopted and approved by the Board of Directors, effective November 1, 2007, allowing non-employee directors to make elections (2) during 2016 to defer fixed percentages of their directors fees for 2017. The amount each participant defers under the Plan is deducted, on a quarterly basis, from the directors fees the participant would otherwise have received in cash. The deferred fees fund the purchase of the Company's common stock by the Plan administrator in the market for the account of each participating director, and under the terms of the Plan, such stock is entitled to cash dividends that are reinvested by the Plan administrator in the Company's common stock. On April 17, 2017, the Company paid a dividend on common stock of \$0.24 per share.
