When-issued or delayed delivery security

All or a portion of the security has been segregated for when-issued or delayed delivery securities.

Security is valued at fair value as determined in good faith under procedures established by the Board of Trustees.

p All or a portion of this security is on loan.

144A Security that may be sold to qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended. This security has been determined to be liquid under guidelines established by the Board of Trustees.

Security which has defaulted on payment of interest and/or principal. The Fund has stopped accruing interest on this security.

Security initially issued in zero coupon form which converts to coupon form at a specified rate and date. An effective interest rate is applied to recognize interest income daily for the bond. This rate is based on total expected interest to be earned over the life of the bond which consists of the aggregate coupon-interest payments and discount at acquisition. The rate shown is the stated rate at the current period end.

ø Evergreen Investment Management Company, LLC is the investment advisor to the Fund and the money market Fund.

pp Represents investment of cash collateral received from securities on loan.
