**Item 8.01 Other Events**

On June 14, 2005, Public Company Management Corporation (the "Registrant") announced via press release that they have signed a strategic alliance agreement with WILink, plc (LSE: WLK), a leading provider of global investor relations and online communication services. The alliance will provide clients of WILink's PrecisionIR investor communication suite with access to PUBC's vast library of white papers on crucial topics for public and aspiring public companies, as well as PUBC's corporate governance and compliance services for public companies. PUBC will have access to a number of PrecisionIR's services for investor communication and analysis of investor response.

PrecisionIR has more than 3,700 corporate clients in 14 countries and maintains a global investor network, which creates visibility for companies in leading financial media. The PrecisionIR suite of investor communication services for public companies includes VRoadshow, Vcall webcasting, the Annual Reports Service, IR Web site hosting, integrated target databases, contact management and e-mail communication tools. PUBC specializes in educating owners of private companies about the benefits of the public markets with tools such as white papers and its newsletter, SME Capital Markets News. PUBC also aids private companies in the process of becoming public companies and provides consulting services to help small public companies maintain compliance.

Both companies said they expect to have the additions of their respective services available through cross-marketing relationships, available on the othe's Web sites, by mid-July.
