NATCO GROUP INC Form 425 June 02, 2009

> Filed by Cameron International Corporation Commission File No. of Subject Company: 1-13844 Pursuant to Rule 425 under the Securities Act of 1933, as amended Subject Company: NATCO Group, Inc. Commission File No. of Subject Company: 001-15603

Disclaimers

Forward-Looking Statements

Information set forth in this document contains forward-looking statements, which involve a number of risks and uncertainties. Cameron

International Corporation ("Cameron") and NATCO Group Inc. ("NATCO") caution readers that any forward-looking information is not a guarantee

of future performance and that actual results could differ materially from those contained in the forward-looking information. Such forward-looking

statements include, but are not limited to, statements about the benefits of the business combination transaction involving Cameron and NATCO,

including future financial and operating results, the new company's plans, objectives, expectations and intentions and other statements that are

not historical facts.

The following additional factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: the

ability to satisfy the closing conditions of the transaction, including obtaining regulatory approvals for the transaction and the approval of the

merger agreement by the NATCO stockholders; the risk that the businesses will not be integrated successfully; the risk that the cost savings and

any other synergies from the transaction may not be fully realized or may take longer to realize than expected; disruption from the transaction

making it more difficult to maintain relationships with customers, employees or suppliers; the impact of other acquisitions that Cameron or NATCO

have made or may make before the transaction; competition and its effect on pricing; and exploration and development spending by E&P

operators. Additional factors that may affect future results are contained in Cameron's and NATCO's filings with the Securities and Exchange

Commission ("SEC"), which are available at the SEC's web site http://www.sec.gov. Cameron and NATCO disclaim any obligation to update and

revise statements contained in these materials based on new information or otherwise.

Additional Information and Where to Find It

In connection with the proposed merger, Cameron will file with the Securities and Exchange Commission (the "SEC") a
Registration Statement on

Form S-4 and NATCO will file a proxy statement, which will be mailed to NATCO's stockholders. INVESTORS AND SECURITY HOLDERS ARE

URGED TO CAREFULLY READ THE S-4 AND PROXY STATEMENT REGARDING THE PROPOSED MERGER WHEN THEY BECOME

AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. You may obtain a free copy of the S-4 and proxy statement (when

available) and other related documents filed by Cameron and NATCO with the SEC at the SEC's website at www.sec.gov. The S-4 and proxy

statement (when it is available) and the other documents may also be obtained for free by accessing Cameron's website at www.c-a-m.com under

the heading "Investor Relations" and then under the heading "SEC Filings" or by accessing NATCO's website at www.natcogroup.com under the

tab "Investor Relations" and then under the heading "SEC Filings".

Participants in the Solicitation

NATCO and its directors, executive officers and certain other members of management and employees may be soliciting proxies from its

stockholders in favor of the merger. Information regarding the persons who may, under the rules of the SEC, be considered participants in the

solicitation of the stockholders in connection with the proposed merger will be set forth in NATCO's proxy statement when it is filed with the SEC.

You can find information about NATCO's executive officers and directors in their definitive proxy statement filed with the SEC on March 23, 2009.

You can obtain free copies of these documents from NATCO using the contact information above.

Strategic Rationale
v Enhances role as a leading provider of separation and processing technologies
and solutions

o Complementary engineered products and technologies

o Provides Cameron with Standard & Traditional product line

o Leverages proprietary gas separation technologies

v Potential for significant synergies (\$30 to \$40 million)

o Public company costs and other administrative costs

o Improved facility utilization through insourcing products that other Cameron

businesses, particularly Petreco, currently outsource

o Supply chain efficiencies

o Select office/facility consolidation

v Creates new growth opportunities

o Leverage Cameron's larger international footprint

o Combine R&D efforts on new product development

o Improves Cameron's capabilities for subsea processing of deepwater production

o Potential for cross-selling of Cameron's broader product line (valves, compressors, wellheads, etc.)
