The Schedule 13D filed with the Securities and Exchange Commission on May 25, 2012 (the "Initial 13D"), by the Reporting Person with respect to the shares of Common Stock, \$0.01 par value ("Common Stock"), of Intermecc, Inc. ("Intermecc" or the "Company"), is hereby amended to furnish the additional information set forth herein. Except as indicated herein, the information set forth in the Initial 13D remains unchanged. All capitalized terms contained herein but not otherwise defined shall have the meanings ascribed to such terms in the Initial 13D.

Item 4. Purpose of Transaction.

Item 4 of the Initial 13D is hereby amended by adding the following, which supplements the language found in Item 4 of the Initial 13D:

CRM commends the Company's recently announced restructuring program, which should begin to improve the cost structure and competitiveness of Intermecc. However, CRM views these actions as only initial steps toward improving shareholder value, which taken alone will fall short of what is necessary. CRM continues to urge management to expeditiously retain an investment banking firm in order to assist in evaluating strategic alternatives, including a sale of the Company. As noted in our initial filing, it is our continuing view that a sale would be in the best interest of all constituents involved; not only long-term shareholders, but also for employees and customers who would benefit from the Company being part of a larger, more diverse organization. We note that another significant long-term shareholder has published similar opinions as our own and we encourage all shareholders to express their views directly to the Company's management and to its board of directors. We would further encourage the Company to publicly respond to these recommendations in due course.

Item 5. Interest in Securities of the Issuer.

Item 5 of the Initial 13D is hereby amended by replacing it in its entirety with the following:

(a) The aggregate percentage of the outstanding Common Stock of the Company reported owned is based upon 59,987,118 shares of Common Stock of the Company outstanding, as reported in the Company's quarterly report on Form 10-Q filed on May 16, 2012.

As investment manager for the Advisory Clients CRM may be deemed to beneficially own the aggregate 10,706,294 shares held by the Advisory Clients. Such shares represent approximately 17.85% of the outstanding Common Stock of the Company.

(b) By virtue of CRM's position as investment manager for the Advisory Clients, CRM may be deemed to possess the sole power to vote 10,236,047 shares of Common Stock held by the Advisory Clients and sole power to dispose of 10,706,294 shares of Common Stock held by the Advisory Clients. Pursuant to Rule 13d-4 promulgated under the Exchange Act, the filing of this Statement on Schedule 13D shall not be construed as an admission by CRM that it is, for purposes of Section 13(d) or 13(g) of the Exchange Act, the beneficial owner of any of the shares of Common Stock held by the Advisory Clients.

(c) The following table sets forth all transactions with respect to shares of the Company's Common Stock effected by CRM on behalf of its Advisory Clients since the filing of the Initial 13D. All such transactions were purchases of shares of the Company's Common Stock effected in the open market:
