Item 8.01 Other Events

On January 20, 2014, Cameron International Corporation (the “Company”) entered into a definitive agreement to sell its Reciprocating Compression business, a division of the PCS segment, to General Electric for cash consideration of approximately \$550 million, subject to closing adjustments. In the first quarter of 2014, the Reciprocating Compression business was classified as a discontinued operation. Effective June 1, 2014, the Company closed on the sale of its Reciprocating Compression business. As a result, the Company has recast the following information from its Annual Report on Form 10-K for the year ended December 31, 2013 (the “Previously Filed Annual Report”) to reflect the Reciprocating Compression business as a discontinued operation for all periods presented:

- Part II, Item 6, Selected Financial Data
- Part II, Item 7, Management’s Discussion and Analysis of Financial Condition and Results of Operations
- Part II, Item 8, Financial Statements and Supplementary Data

As this Current Report on Form 8-K is being filed only for the purpose described above, and only affects the items described above, the other information in the Previously Filed Annual Report remains unchanged. No attempt has been made in the Current Report on Form 8-K to modify or update disclosures in the Previously Filed Annual Report, except as described above. This Current Report on Form 8-K does not reflect events occurring after the filing of the Previously Filed Annual Report or modify or update any related disclosures other than the closing date for sale of the Reciprocating Compression business. Information in the Previously Filed Annual Report not affected by this Current Report on Form 8-K is unchanged and reflects the disclosures made at the time of the filing of the Company’s original 2013 Form 10-K with the Securities and Exchange Commission on February 26, 2014. Accordingly, this Current Report on Form 8-K should be read in conjunction with the Previously Filed Annual Report and the Company’s filings made with the Securities and Exchange Commission subsequent to the filing of the Previously Filed Annual Report. In addition, on April 28, 2014, the Company filed a separate Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2014, reflecting the results of operations and assets and liabilities of the Reciprocating Compression business as a discontinued operation as of and for the three months ended March 31, 2014.
