Item 7.01 Regulation FD Disclosure

On March 15, 2016, HC2 Holdings, Inc. (the “Company”) issued a press release announcing the Company’s financial results for the three months and full year ended December 31, 2015. A copy of the press release is attached as Exhibit 99.1 to this current report and incorporated by reference herein. The Company utilized certain non-GAAP financial measures in the press release that are detailed in the document attached as Exhibit 99.1 to this current report and incorporated by reference herein.

This information shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”), except as shall be expressly set forth by specific reference in such a filing.

Cautionary Statement Regarding Forward-Looking Statements

**Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995:** This release contains, and certain oral statements made by our representatives from time to time may contain, forward-looking statements. Generally, forward-looking statements include information describing actions, events, results, strategies and expectations and are generally identifiable by use of the words “believes,” “expects,” “intends,” “anticipates,” “plans,” “seeks,” “estimates,” “projects,” “will,” “could,” “might,” or “continues” or similar expressions. Such statements are based on the beliefs and assumptions of HC2’s management and the management of HC2’s subsidiaries. The Company believes these judgments are reasonable, but you should understand that these statements are not guarantees of performance or results, and the Company’s actual results could differ materially from those expressed or implied in the forward-looking statements due to a variety of important factors, both positive and negative, that may be revised or supplemented in subsequent reports on Forms 10-K, 10-Q and 8-K. Such important factors include, without limitation, unanticipated issues related to the restatement of our financial statements; the fact that we have identified material weaknesses in our internal control over financial reporting, and any inability to remediate future material weaknesses; capital market conditions; the ability of HC2’s subsidiaries to generate sufficient net income and cash flows to make upstream cash distributions; volatility in the trading price of HC2 common stock; the ability of HC2 and its subsidiaries to identify any suitable future acquisition opportunities; our ability to realize efficiencies, cost savings, income and margin improvements, growth, economies of scale and other anticipated benefits of strategic transactions; difficulties related to the integration of financial reporting of acquired or target businesses; difficulties completing pending and future acquisitions and dispositions; effects of litigation, indemnification claims, and other contingent liabilities; changes in regulations and tax laws; and risks that may affect the performance of the operating subsidiaries of HC2. These risks and other important factors discussed under the caption “Risk Factors” in our most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission (“SEC”), and our other reports filed with the SEC could cause actual results to differ materially from those indicated by the forward-looking statements made in this press release. You should not place undue reliance on forward-looking statements. All forward-looking statements attributable to HC2 or persons acting on its behalf are expressly qualified in their entirety by the foregoing cautionary statements. All such statements speak only as of the date made, and HC2 undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
