^{*}The percentage indicated in the column 'percentage economic participation' corresponds to the economic participation of the members who compose each entity of the Company, which was not changed as a result of the split mentioned above. According to the Company's Bylaws and for all purposes of the Lei das S.A. will be considered this percentage and not the percentage corresponding to participation in the share capital, as requested in this form. The percentage indicated in the share participation column corresponds to the percentage of the number of shares of the members who compose each entity of the Company, after the split of the common shares approved in the Extraordinary General Meeting of the Company, occurred on March 23, 2015.

** Information related to securities and derivatives hold by Controlling Shareholders that also hold administrative position are consolidated at the Controlling Shareholders' table.

*** change in ownership is due to the fact that new shares issued by the Company were issued to beneficiaries of the Company's Stock Option Plan. The approval of the capital increase regarding this exercise of options will be approved during the next Company's Board of Directors Meeting.
