**Signature of Reporting Person Date

Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Each Performance Vested Restricted Stock Unit ("PV RSU") represents the right to receive one share of common stock or its cash equivalent. The PV RSU will vest based on the achievement by the employee and/or ORBCOMM Inc. (the "Company") of certain performance targets for fiscal year 2018.
- (2)

Edgar Filing: Le Brun Christian - Form 4

Each Time Vested Restricted Stock Unit ("TV RSU") represents the right to receive one share of common stock or its cash equivalent on the vesting date, January 1, 2019.

The 2018 Performance Unit Award ("PUA") represents the right to receive up to 45% of the reporting person's 2018 base salary, in cash, common stock or a combination of both, as determined by the Committee. The 2018 PUA is allocated in 3 equal amounts (15% of 2018 base salary) to each of 2018, 2019 and 2020 and will vest and be payable only if the stock price reaches specified price targets as of 12/31 of each year and the reporting person is employed by the Company as of the vesting and payment dates. No portion of the 2018 PUA will vest if the threshold stock price is not reached for that year. If the stock price is above the threshold level for that year, the amount of the 2018 PUA that vests and is payable will increase up to the maximum portion of the 2018 PUA allocated to that year. The market price of the Company's common stock as of 12/31 of each year will be based on average daily closing prices of the common stock for the 20 trading days immediately prior to 12/31.

(3)

Each Time Vested Stock Appreciation Right ("TV SAR") represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the TV SAR (December 17, 2014) to the date of exercise of the TV SAR. The TV SAR awards vested on January 1, 2016. The TV SAR awards expire on December 17, 2024 and have an exercise price of \$6.60 per share, the closing price of the common stock on the grant date.

(4)

Each TV SAR represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the TV SAR (December 12, 2013) to the date of exercise of the TV SAR. The TV SAR awards vested on January 1, 2015. The TV SAR awards expire on December 12, 2023 and have an exercise price of \$5.92 per share, the closing price of the common stock on the grant date.

(5)

Each TV SAR represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the TV SAR (March 3, 2010) to the date of exercise of the TV SAR. 25,000 of the TV SAR awards vested on each of December 31, 2010, December 31, 2011, and December 31, 2012. The TV SAR awards expire on March 3, 2020 and have an exercise price of \$2.46 per share, the closing price of the common stock on the grant date.

(6)

Each Performance Vested Stock Appreciation Right ("PV SAR") represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the PV SAR (March 3, 2010) to the date of exercise of the PV SAR. In March 2011, 18,250 of the 25,000 PV SAR awards originally granted vested based on the achievement by the employee and/or the Company of certain performance targets for fiscal year 2010 and 6,750 PV SARs lapsed unvested. The PV SARs expire on March 3, 2020 and have an exercise price of \$2.46 per share, the closing price of the common stock on the grant date. The prior amounts reported for this grant of PV SARs inadvertently understated the number of PV SARs that vested by 750 PV SARs.

(7)

Each PV SAR represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the PV SAR (March 2, 2011) to the date of exercise of the PV SAR. In March 2012, 17,500 of the 25,000 PV SAR awards originally granted vested based on the achievement by the employee and/or the Company of certain performance targets for fiscal year 2011 and 7,500 PV SARs lapsed unvested. The PV SARs expire on March 2, 2021 and have an exercise price of \$3.65 per share, the closing price of the common stock on the grant date. As described in footnote 9, the prior amounts reported for this grant of PV SARs inadvertently included 25,000 PV SARs from the March 2012 PV SAR grant (both vested and unvested), which are now separately disclosed.

(8)

Each PV SAR represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the PV SAR (March 7, 2012) to the date of exercise of the PV SAR. In March 2013, 16,406 of the 25,000 PV SAR awards originally granted vested based on the achievement by the employee and/or the Company of certain performance targets for fiscal year 2012 and 8,594 PV SARs lapsed unvested. The PV SARs expire on March 7, 2022 and have an exercise price of \$3.42 per share, the closing price of the common stock on the grant date. The 25,000 PV SARs originally granted were inadvertently previously reported as part of the March 2011 PV SAR awards described in footnote 8 and the prior amounts reported did not reflect the number of PV SARs that lapsed unvested.

(9)

Each TV SAR represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the TV SAR (October 26, 2011) to the date of exercise of the TV SAR. The TV SAR awards vested on December 31, 2011. The TV SAR awards expire on October 26, 2021 and have an exercise price of \$2.74 per share, the closing price of the common stock on the grant date.

(10)

Each TV SAR represents the right to receive a payment measured by the increase in the fair market value of one share of common stock from the date of grant of the TV SAR (October 24, 2012) to the date of exercise of the TV SAR. The TV SAR awards vested on January 1, 2014. The TV SAR awards expire on October 24, 2022 and have an exercise price of \$3.53 per share, the closing price of the common stock on the grant date.

(11)

Each PV RSU represents the right to receive one share of common stock or its cash equivalent. The PV RSU will vest based on the achievement by the employee and/or the Company of certain performance targets for fiscal year 2017.

(12)

Each TV RSU represents the right to receive one share of common stock or its cash equivalent on the vesting date, January 1, 2018.

(13)

The 2015 PUA represents the right to receive up to 45% of the reporting person's 2015 base salary, in cash, common stock, or a combination of both, as determined by the Committee. The 2015 PUA was allocated in 3 equal amounts (15% of 2015 base salary) to

(14)

Edgar Filing: Le Brun Christian - Form 4

each of 2015, 2016, and 2017 and vests and is payable only if the stock price reaches specified price targets as of 12/31 of each year and the reporting person is employed by the Company as of the vesting and payment dates. No portion of the 2015 PUA will vest if the threshold stock price is not reached for that year. If the stock price is above the threshold level for that year, the amount of the 2015 PUA that vests and is payable will increase up to the maximum portion of the 2015 PUA allocated to that year. The market price of the Company's common stock as of 12/31 of each year is based on average daily closing prices of the common stock for the 20 trading days immediately prior to 12/31.

- (15) The 2016 PUA represents the right to receive up to 45% of the reporting person's 2016 base salary, in cash, common stock, or a combination of both, as determined by the Committee. The 2016 PUA was allocated in 3 equal amounts (15% of 2016 base salary) to each of 2016, 2017, and 2018 and vests and is payable only if the stock price reaches specified price targets as of 12/31 of each year and the reporting person is employed by the Company as of the vesting and payment dates. No portion of the 2016 PUA will vest if the threshold stock price is not reached for that year. If the stock price is above the threshold level for that year, the amount of the 2016 PUA that vests and is payable will increase up to the maximum portion of the 2016 PUA allocated to that year. The market price of the Company's common stock as of 12/31 of each year is based on average daily closing prices of the common stock for the 20 trading days immediately prior to 12/31.

- (16) The 2017 PUA represents the right to receive up to 45% of the reporting person's 2017 base salary, in cash, common stock or a combination of both, as determined by the Committee. The 2017 PUA was allocated in 3 equal amounts (15% of 2017 base salary) to each of 2017, 2018 and 2019 and vests and is payable only if the stock price reaches specified price targets as of 12/31 of each year and the reporting person is employed by the Company as of the vesting and payment dates. No portion of the 2017 PUA will vest if the threshold stock price is not reached for that year. If the stock price is above the threshold level for that year, the amount of the 2017 PUA that vests and is payable will increase up to the maximum portion of the 2017 PUA allocated to that year. The market price of the Company's common stock as of 12/31 of each year will be based on average daily closing prices of the common stock for the 20 trading days immediately prior to 12/31.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
