PROXY STATEMENT
2018 ANNUAL MEETING OF STOCKHOLDERS
May 22, 2018

The Board of Directors (the “Board”) of GNC Holdings, Inc., a Delaware corporation (the “Company,” “we,” “us,” or “our”), prepared this document to solicit your proxy to vote upon certain matters at our 2018 annual meeting of stockholders (the “Annual Meeting”).

These proxy materials contain information regarding the Annual Meeting, to be held on Tuesday, May 22, 2018, beginning at 8:00 a.m. Eastern Time at the Omni William Penn Hotel, 530 William Penn Place, Pittsburgh, Pennsylvania 15219, and at any adjournment or postponement thereof. As permitted by the rules adopted by the Securities and Exchange Commission (the “SEC”), rather than mailing a full paper set of these proxy materials, we are mailing to many of our stockholders only a notice of Internet availability of proxy materials (the “Notice”) containing instructions on how to access and review these proxy materials and submit their respective proxy votes online. If you receive the Notice and would like to receive a paper copy of these proxy materials, you should follow the instructions for requesting such materials located at www.proxyvote.com.

QUESTIONS ABOUT THE ANNUAL MEETING AND THESE PROXY MATERIALS

It is anticipated that we will begin mailing this proxy statement, the proxy card, our Annual Report to Stockholders for the year ended December 31, 2017 (the “Annual Report”) and the Notice, and that these proxy materials will first be made available online to our stockholders, on or about April 10, 2018. The information regarding stock ownership and other matters in this proxy statement is as of March 26, 2018 (the “Record Date”), unless otherwise indicated.

What may I vote on?

You may vote on the following proposals:

- the election of eight directors to serve until our 2019 annual meeting of stockholders (the “2019 Annual Meeting”) and their respective successors have been duly elected and qualified, or their earlier resignation or removal (Proposal 1);
- the approval, by non-binding vote, on an advisory basis of the compensation paid to our Named Executive Officers in 2017, as disclosed in these proxy materials (commonly known as a “say-on-pay” proposal) (Proposal 2);
- the approval of the adoption of the 2018 Stock and Incentive Plan (Proposal 3); and
- the ratification of the appointment of PricewaterhouseCoopers LLP (“PwC”) as independent auditors for our 2018 fiscal year (Proposal 4).

Table of Contents

THE BOARD RECOMMENDS A VOTE (1) FOR THE ELECTION OF EACH OF OUR DIRECTORS (PROPOSAL 1), (2) FOR THE APPROVAL, BY NON-BINDING VOTE ON AN ADVISORY BASIS, OF THE COMPENSATION PAID TO OUR NAMED EXECUTIVE OFFICERS IN 2017 (“SAY-ON-PAY”) (PROPOSAL 2), (3) FOR THE APPROVAL OF THE 2018 STOCK AND INCENTIVE PLAN (PROPOSAL 3), AND (4) FOR THE RATIFICATION OF THE APPOINTMENT OF PWC AS INDEPENDENT AUDITORS (PROPOSAL 4).

Who may vote?

Stockholders of record of our Class A common stock, par value \$0.001 per share (“Common Stock”), at the close of business on the Record Date are entitled to receive the Notice and these proxy materials and to vote their respective shares at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter that is properly brought before the Annual Meeting. As of the Record Date, there were 83,661,965 shares of Common Stock issued and outstanding.

How do I vote?

We encourage you to vote your shares via the Internet. How you vote will depend on how you hold your shares of Common Stock.

Stockholders of Record

If your Common Stock is registered directly in your name with our transfer agent, American Stock, Transfer & Trust Company, LLC, you are considered a stockholder of record with respect to those shares, and a full paper set of these proxy materials is being sent directly to you. As a stockholder of record, you have the right to vote by proxy.

You may vote by proxy in any of the following three ways:

Internet. Go to www.proxyvote.com to use the Internet to transmit your voting instructions and for electronic delivery of information. Have your proxy card in hand when you access the website.

Phone. Call 1-800-690-6903 using any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call.

Mail. Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided, or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Voting by any of these methods will not affect your right to attend the Annual Meeting and vote in person. However, for those who will not be voting in person at the Annual Meeting, your final voting instructions must be received by no later than 11:59 p.m. Eastern Time on May 21, 2018.

Beneficial Owners

Most of our stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own names. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote. Your broker, bank or nominee has enclosed a voting instruction form for you to use in directing the broker, bank or

Table of Contents

nominee on how to vote your shares. If you hold your shares through a New York Stock Exchange (“NYSE”) member brokerage firm, that member brokerage firm has the discretion to vote shares it holds on your behalf with respect to Proposal 4 (the ratification of PwC as independent auditors for our 2018 fiscal year), but not with respect to Proposal 1 (the election of directors), Proposal 2 (the “say-on-pay” proposal) or Proposal 3 (the approval of the 2018 Stock and Incentive Plan) as more fully described under “What is a broker ‘non-vote’?” below.

Can I change my vote?

Yes. If you are the stockholder of record, you may revoke your proxy before it is exercised by doing any of the following:

- voting again over the Internet or by telephone prior to 11:59 p.m., Eastern Time on May 21, 2018;
- timely sending a letter to us stating that your proxy is revoked;
 - signing a new proxy and timely sending it to us; or
- attending the Annual Meeting and voting by ballot.

Beneficial owners should contact their broker, bank or nominee for instructions on changing their votes.

How many votes must be present to hold the Annual Meeting?

A “quorum” is necessary to hold the Annual Meeting. A quorum is a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting. They may be present at the Annual Meeting or represented by proxy. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum.

How many votes are needed to approve the proposals?

At the Annual Meeting, a “FOR” vote by a majority of votes cast is required for each of the proposals described in this proxy statement: Proposal 1 (the election of directors), Proposal 2 (the “say-on-pay” proposal), Proposal 3 (the approval of the 2018 Stock and Incentive Plan) and Proposal 4 (the ratification of PwC as independent auditors for our 2018 fiscal year).

For Proposals 1, 2 and 4, a “FOR” vote by a “majority of votes cast” means that the number of shares voted “FOR” exceeds the number of shares voted “AGAINST.” For Proposal 3, a “FOR” vote by a “majority of votes cast” means that the number of shares voted “FOR” exceeds the number of shares voted “AGAINST,” plus abstentions.

What is an abstention?

An abstention is a properly signed proxy card that is marked “ABSTAIN.” In the case of Proposals 1, 2 and 4, abstentions do not constitute votes “FOR” or votes “AGAINST” and, therefore, will have no effect on the outcome of any of those proposals. However, under NYSE rules abstentions will have the effect of a vote “AGAINST” Proposal 3.

What is a broker “non-vote”?

A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received timely instructions from the beneficial owner. Under current applicable rules,

Table of Contents

Proposal 4 (the ratification of PwC as independent auditors for our 2018 fiscal year) is a “discretionary” item upon which NYSE member brokerage firms that hold shares as nominee may vote on behalf of the beneficial owners if such beneficial owners have not furnished voting instructions by the tenth day before the Annual Meeting.

However, NYSE member brokerage firms that hold shares as a nominee may not vote on behalf of the beneficial owners on Proposal 1 (the election of directors), Proposal 2 (the “say-on-pay” proposal) or Proposal 3 (the approval of the 2018 Stock and Incentive Plan) unless you provide voting instructions. Therefore, if a NYSE member brokerage firm holds your Common Stock as a nominee, please instruct your broker how to vote your Common Stock on each of these proposals. This will ensure that your shares are counted with respect to each of these proposals. Broker “non-votes” do not constitute votes “FOR” or votes “AGAINST” and therefore will have no effect on the outcome of any of the proposals.

Will any other matters be acted on at the Annual Meeting?

If any other matters are properly presented at the Annual Meeting or any adjournment or postponement thereof, the persons named in the proxy will have discretion to vote on those matters. As of December 12, 2017, the date by which any proposal for consideration at the Annual Meeting submitted by a stockholder must have been received by us to be presented at the Annual Meeting, and as of the date of these proxy materials, we did not know of any other matters to be presented at the Annual Meeting.

Who pays for this proxy solicitation?

We will pay the expenses of soliciting proxies. In addition to solicitation by mail, proxies may be solicited in person or by telephone or other means by our directors or associates for no additional compensation. We will reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by them in mailing these proxy materials to the beneficial owners of Common Stock held of record by such persons.

Whom should I call with other questions?

If you have additional questions about these proxy materials or the Annual Meeting, please contact: GNC Holdings, Inc., 300 Sixth Avenue, Pittsburgh, Pennsylvania, 15222, Attention: Kevin G. Nowe; Telephone: (412) 288-4600.

ELECTION OF DIRECTORS
(PROPOSAL 1)

The Board proposes that each of the eight director nominees described below (the “Nominees”), who currently are members of our Board, be re-elected for a one-year term expiring at our 2019 Annual Meeting and to serve until the due election and qualification of his or her successor, or until his or her earlier resignation or removal.

All of the Nominees have indicated their willingness to serve if elected. If, at the time of the meeting, any Nominee is unable or unwilling to serve, shares represented by properly executed proxies will be voted at the discretion of the persons named therein for such other nominee as the Board may designate, or the Board may elect to decrease the size of the Board.

Set forth below is information concerning each Nominee, and the key experience, qualifications and skills he or she brings to the Board.

Jeffrey P. Berger, 68, became one of our directors in March 2011. Mr. Berger currently is a private investor. From 2008 until April 2013, Mr. Berger served as a consultant to H. J. Heinz Company, a leading producer and marketer of healthy and convenient foods (“Heinz”). From 2007 to 2008, Mr. Berger was the Chairman of Global Foodservice of Heinz. Alan D. Feldman, 66, became one of our directors in June 2013. Mr. Feldman most recently served as Chairman, President and Chief Executive Officer of Midas, Inc., a provider of retail automotive services, from May 2006 until its merger with TBC Corporation in May 2012 and as its President and Chief Executive Officer from January 2003 until May 2006. From 1994 through 2002, Mr. Feldman held senior management posts at McDonald’s Corporation and, prior to that, with the Pizza Hut and Frito-Lay units of PepsiCo, Inc. Mr. Feldman also serves as Chair of the University of Illinois Foundation. Mr. Feldman’s recognized leadership skills and years of broad-based experience in independent, franchised retail operations, brand management and customer relations led to the conclusion that he should serve as a director on the Board.

Michael F. Hines, 62, became one of our directors in November 2009. He served as Chairman of our Board from August 2014 to September 2017, and prior to that, served as our Lead Independent Director since July 2012. Mr. Hines was the Executive Vice President and Chief Financial Officer of Dick’s Sporting Goods, Inc., a sporting goods retailer, from 1995 to March 2007. From 1990 to 1995, he held management positions with Staples, Inc., most recently as Vice President, Finance. He also serves on the board of directors of Dunkin’ Brands Group, Inc., the parent company of Dunkin’ Donuts and Baskin-Robbins, for which he chairs the audit committee and is a member of the nominating and corporate governance committee. Mr. Hines’s experience as a financial executive and certified public accountant, coupled with his extensive knowledge of financial reporting rules and regulations, evaluating financial results and generally overseeing the financial reporting process of large retailers, led to the conclusion that he should serve as a director on the Board.

Amy B. Lane, 65, became one of our directors in June 2011. Ms. Lane was a Managing Director and Group Leader of the Global Retailing Investment Banking Group at Merrill Lynch & Co., Inc., an investment bank, from 1997 until her retirement in 2002. and accounting, capital structure, acquisitions and divestitures in the retail industry as well as management, leadership and strategy, which led to the conclusion that she should serve as a director on the Board.

Philip E. Mallott, 60, became one of our directors in July 2012. Mr. Mallott retired as Vice President, Finance and Chief Financial Officer of Intimate Brands, Inc., a clothing retailer and former subsidiary of Limited Brands, Inc., and is currently a director of Big Lots, for which he served as non-executive chair until May 2017 and currently serves as the chair of the audit committee. He most recently provided retail stock research as an independent consultant to Westminster Research Associates LLC and, prior to that, as an analyst for Coker & Palmer, Inc. Mr. Mallott previously served as a director of Tween Brands, Inc. from 2000 to 2009. Mr. Mallott's experience as a certified public accountant, his service on the boards of other public companies and charitable organizations, and his experience in leadership roles with other retailers led to the conclusion that he should serve as a director on the Board.

Richard J. Wallace, 66, became one of our directors in July 2010. Mr. Wallace served as a Senior Vice President for Research and Development at GlaxoSmithKline, a global pharmaceutical company ("GSK"), from 2004 until his retirement in 2008. Prior to that, he served in various executive capacities for GSK and its predecessor companies and their subsidiaries from 1992 to 2004. Mr. Wallace is also a director of ImmunoGen, Inc., for which he serves as a member of the audit and nominating and governance committees, and served as a director of Clinical Data Inc. from September 2007 to April 2011. Mr. Wallace's years of experience at several large pharmaceutical and consumer products companies and his significant corporate governance experience through his service on the boards of directors of other companies led to the conclusion that he should serve as a director on the Board.

OTHER BOARD INFORMATION

Board Composition

The Board is currently composed of Robert F. Moran, Kenneth A. Martindale, Jeffrey P. Berger, Alan D. Feldman, Michael F. Hines, Amy B. Lane, Philip E. Mallott, and Richard J. Wallace.

The Board has adopted Corporate Governance Guidelines, which are available on the Corporate Governance page of the Investor Relations section of our website located at www.gnc.com and will be provided to any stockholder free of charge upon request. The Corporate Governance Guidelines provide that in the event the Chairperson of the Board is not an independent director, the Lead Independent Director of the Board is to serve as the chairperson of any meetings of the Board in executive session. Mr. Moran, an independent director, currently serves as Non Executive Chairman of the Board.

Board Meetings in 2017

The Board held 12 meetings during our fiscal year ended December 31, 2017.

Director Attendance

During our fiscal year ended December 31, 2017, each of our incumbent directors attended at least 75% of the total number of meetings of the Board and committees on which he or she served during the period in which he or she served. We encourage, but do not require, our directors to attend our annual meetings of stockholders. All of our current directors who were serving on the Board at the time of our 2017 Annual Meeting attended the meeting.

Director Independence

Our Common Stock is listed for trading on the NYSE under the symbol “GNC”. The Board, upon the findings of the Nominating Committee, has determined that each of Ms. Lane and Messrs. Moran, Berger, Feldman, Hines, Mallott, and Wallace is “independent” within the meaning of Rule 303A.02 of the NYSE Listed Company Manual, and no family relationships exist among such Nominees and any of our executive officers.

Leadership Structure

The Board has adopted guidelines that provide the Board with the discretion and flexibility to decide if the roles of the Chief Executive Officer and Chairperson of the Board are to be separate or combined. Currently, the roles are separate, with Mr. Martindale serving as Chief Executive Officer and Mr. Moran, an independent director, serving as Non Executive Chairman of the Board. The Board has determined that this is currently the appropriate leadership structure due to the fact that the separation of these positions allows for better independence and accountability.

Risk Oversight

The Board plays an active role in overseeing management of our risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Audit Committee and the Finance Committee each have responsibilities related to the oversight and management of financial risks. The Compensation and Organizational Development Committee of the Board (the “Compensation Committee”) is responsible for overseeing the management of risks relating to

Table of Contents

our executive compensation policies and arrangements. The Nominating and Corporate Governance Committee of the Board (the “Nominating Committee”) is responsible for managing risks relating to our director compensation policies and arrangements, the independence of the Board and other corporate governance matters. While each of the Committees is responsible for evaluating certain risks and overseeing the management of such risks, the Board as a whole is regularly informed of the conclusions of such evaluations through reports of the Committees. The risk oversight function does not impact the structure of the Board.

Board Committees

Each of the following Committees is a standing committee of the Board. The Board has adopted written charters for the Audit Committee, the Compensation Committee, the Finance Committee and the Nominating Committee, each of which is available on the Corporate Governance page of the Investor Relations section of our website located at www.gnc.com and will be provided to any stockholder free of charge upon request. Further, each member of the Audit Committee, the Compensation Committee, the Finance Committee and the Nominating Committee has been determined by the Board to be independent under the NYSE’s current listed company standards.

Audit Committee

The Audit Committee, which is established in accordance with Section 3(a)(58)(A) of the Exchange Act, held nine meetings during our fiscal year ended December 31, 2017 and currently consists of Jeffrey P. Berger, Michael F. Hines, and Philip E. Mallott, who acts as its chair. The Board has determined that each of Messrs. Berger, Hines and Mallott qualifies as an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K and has the attributes set forth in such section. The Committee consists entirely of directors who meet the independence requirements of the listing standards of the NYSE and Rule 10A-3 under the Exchange Act.

The principal duties and responsibilities of the Audit Committee are to:

- approve, review, and monitor our financial reporting process and internal control system;
- appoint and replace our independent registered public accounting firm from time to time, determine its compensation and other terms of engagement and oversee its work;
- oversee our audit and financial statements and related disclosures;
- oversee the performance of our internal audit function; and
- oversee our compliance with legal, ethical and regulatory matters.

The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties. It also has the authority to retain counsel and advisors to fulfill its responsibilities and duties.

Compensation and Organizational Development Committee

The Compensation Committee, which held six meetings during our fiscal year ended December 31, 2017, currently consists of Amy B. Lane, Philip E. Mallott, and Richard J. Wallace, who acts as its chair.

The principal duties and responsibilities of the Compensation Committee are to:

- oversee the development and implementation of our executive compensation policies and objectives;

- review and recommend to the Board for approval the frequency with which the Company will conduct stockholder advisory votes on executive compensation, taking into account the results of the most recent stockholder advisory vote;

Nominating and Corporate Governance Committee

The Nominating Committee, which held four meetings during our fiscal year ended December 31, 2017, currently consists of Jeffrey P. Berger, Richard J. Wallace and Alan D. Feldman, who acts as its chair.

The principal duties and responsibilities of the Nominating Committee are as follows:

- to establish criteria for board and committee membership and recommend to the Board proposed nominees for election to the Board and for membership on committees of the Board;
- to oversee the evaluation of the Board and its committees;
- to make recommendations to the Board regarding board governance matters and practices; and
- to determine the structure and oversee the development and implementation of the Company's compensation policies, objectives and administrative practices and all other matters relating to the compensation of the Company's non-employee directors.

Director Qualifications; Nominating Committee Process. The Nominating Committee's policy is to identify potential director nominees from any properly submitted nominations, including any properly submitted nominations from our stockholders, and subsequently evaluate each potential nominee. Stockholders may nominate director candidates for consideration by the Nominating Committee as set forth below.

In accordance with the Company's amended and restated by-laws, to be timely for consideration by the Nominating Committee, notice of a proposed nomination must be delivered to or mailed and received at the Company's principal executive offices not earlier than the opening of business on the 120th day nor later than the close of business on the 90th day prior to the one year anniversary of the date of the preceding year's annual meeting of its stockholders; provided, however, that if the date of the annual meeting is more than 30 days prior to or delayed by more than 70 days after the anniversary of the preceding year's annual meeting, the nomination must be received not earlier than the opening of business on the 120th day prior to the date of such annual meeting nor later than the later of the close of business on the (i) 90th day prior to the date of such annual meeting or (ii) 10th day following the day on which public announcement of such meeting date is first made.

In addition to information regarding the nominating stockholder as set forth in the Company's amended and restated by-laws, in accordance with the Company's corporate governance guidelines, such stockholder's notice must set forth as to each individual whom the stockholder proposes to nominate for election or reelection as a director:

- the name, age, business address and residence address of such individual;
- the class, series and number of any shares of stock of the Company that are beneficially owned by such individual;
- the date such shares were acquired and the investment intent of such acquisition;
- whether such stockholder believes any such individual is, or is not, "independent" as set forth in the requirements established by the NYSE or any other exchange or automated quotation service on which the Company's securities are listed, and information regarding such individual that is sufficient, in the discretion of the Board or any committee thereof or any authorized officer of the Company, to make either such determination; and
- all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the rules and regulations promulgated thereunder.

Table of Contents

Any such submission must be accompanied by the written consent of the individual whom the stockholder proposes to nominate to being named in the proxy statement as a nominee and to serving as a director if elected.

The Nominating Committee may, but is not required to, consider nominations not properly submitted in accordance with the Company's Corporate Governance Guidelines, and the Committee may request further information and documentation from any proposed nominee or from any stockholder proposing a nominee. All nominees properly submitted to the Company (or which the Nominating Committee otherwise elects to consider) will be evaluated and considered by members of the Nominating Committee using the same criteria as nominees identified by the Nominating Committee itself.

In evaluating the suitability of individual candidates (both new candidates and current Board members), in recommending candidates for election, and in approving (and, in the case of vacancies, appointing) such candidates, the Nominating Committee considers, in addition to such other factors as it shall deem relevant, the desirability of selecting directors who:

- are of high character and possess fundamental qualities of intelligence, honesty, good judgment, integrity, fairness and responsibility;
- have the ability to make independent analytical inquiries and possess a general understanding of marketing, finance, and other elements relevant to the success of a publicly traded company;
- are accomplished in their respective fields, with superior credentials and recognition;
- understand our business on a technical level and have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of our Company;
- are able to work with the other members of the Board and contribute to our success;
- can represent the long-term interests of our stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

In addition to the considerations set forth above, the Nominating Committee considers a candidate's background and accomplishments and candidates are reviewed in the context of the current composition of the Board and the evolving needs of our businesses. The Nominating Committee conducts the appropriate and necessary inquiries (as determined by the Nominating Committee) with respect to the backgrounds and qualifications of any potential nominees, without regard to whether a potential nominee has been recommended by our stockholders, and, upon consideration of all relevant factors and circumstances, recommends to the Board for its approval the slate of director nominees to be nominated for election at our annual meeting of stockholders. The Nominating Committee considers potential nominees without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The Nominating Committee has not adopted a formal policy with respect to diversity.

Narrative to the Director Compensation Table. In July 2013, based in part on recommendations of Hay Group, a predecessor of Korn Ferry Hay Group, we adopted a director compensation policy (the “Director Compensation Policy”) pursuant to which each non-employee director is entitled to receive an annual cash retainer for his or her service as a member of our Board, as well as additional cash retainers for his or her service as a member and/or Chairperson of one of the various Committees of the Board and an annual equity award. The Board believes that payments of retainer fees provide an appropriate balance of incentives for active participation and ease of administration, while the grant of annual equity awards aligns the long-term financial interests of our directors and our stockholders. Specifically, each of our directors currently is entitled to (i) an annual cash retainer for his or her Board service of \$80,000, (ii) an incremental annual cash retainer of \$17,500, \$15,000, \$12,500 or \$12,500 for service as Chairperson of the Audit Committee, Compensation Committee, Finance Committee or Nominating Committee, respectively, (iii) an incremental annual cash retainer of \$12,500 to the extent he or she otherwise serves as a member of the Audit Committee, or \$10,000 to the extent he or she otherwise serves as a member of the Compensation Committee, Finance Committee and/or Nominating Committee, and (iv) \$110,000 in annual equity awards. For information regarding Compensation Committee Interlocks and Insider Participation, see Other Board Information above. In addition to compensation paid for general membership on the Board and its various committees, the Chairman of the Board is entitled to receive an annual, incremental cash retainer. During 2017, the annual cash retainer for the Chairman of the Board was \$100,000 until October 2017, at which time it was increased to \$110,000.

Table of Contents

The annual cash retainers paid to our non-employee directors under the Director Compensation Policy are generally paid in four equal quarterly installments every March, June, September and December.

We also maintain a deferred compensation plan under which our non-employee directors may elect to defer all or a portion of their cash fees or restricted stock retainers until the earliest of separation from the Board, death, a specified future date or a change in control of the Company. Annual stock retainers are deferred in the form of RSUs with identical vesting schedules to the shares of restricted stock. No deferral elections were made for the 2017 grants.

Director Stock Ownership Guidelines. We believe that, to align the interests of our non-employee directors with our stockholders, our directors should hold a financial stake in the Company. The Board adopted a policy in December 2011 requiring each of our non-employee directors to own stock in the Company equal to a minimum of five times such director's annual cash retainer for service on the Board (the "Director Stock Ownership Guidelines"). Any newly elected directors have five years from the date of their election to comply with the Director Stock Ownership Guidelines, and should retain at least 50% of all after-tax shares owned by or underlying equity awards granted to them (other than those granted on or prior to December 11, 2012) until the ownership thresholds are met. The Nominating Committee will evaluate whether exceptions should be made for any director on whom this requirement would impose a financial hardship or for other appropriate reasons as determined by the Nominating Committee. For the purposes of the Director Stock Ownership Guidelines, stock includes (i) directly held shares of our Common Stock, (ii) shares of unvested restricted stock and unvested RSUs (other than unvested shares of performance-vested restricted stock or unvested performance-vested restricted stock units) and (iii) vested shares of Common Stock allocated to the account of a non-employee director who was formerly an employee of the Company under any plan qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended.

ADVISORY VOTE ON EXECUTIVE COMPENSATION
(PROPOSAL 2)

In accordance with Section 14A of the Exchange Act, we are providing our stockholders the opportunity to cast a non-binding advisory vote to approve the 2017 compensation of our Named Executive Officers (defined below) as described in the Compensation Discussion and Analysis section of this proxy statement, the compensation tables that follow and narrative discussions set forth in these proxy materials. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our Named Executive Officers. Our Board recommended, and the stockholders approved at our 2017 annual meeting of stockholders, that such advisory vote would be conducted on an annual basis.

As described in the Compensation Discussion and Analysis section of this proxy statement, the primary objectives of our executive compensation program are to (i) align cash and stock-based rewards with individual performance that creates stockholder value, (ii) attract and retain high performing employees, (iii) build an ownership mentality among our key employees and (iv) provide cost effective cash and stock-based rewards that are competitive with other organizations and fair to our stockholders and employees. The foregoing objectives are applicable to the compensation of our Named Executive Officers.

We believe that our executive compensation program achieves these objectives by emphasizing long-term stock-based incentive awards and performance-based compensation, is appropriate in light of our overall compensation philosophy and objectives, and will play an essential role in our future success.

Therefore, the Board recommends a vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the Company’s Named Executive Officers for fiscal year ended December 31, 2017, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

As an advisory vote, this proposal is not binding upon us. Notwithstanding the advisory nature of this vote, the Compensation Committee values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our Named Executive Officers. Currently, we expect to hold an advisory vote on the compensation paid to the Company’s Named Executive Officers each year and expect that the next such vote will occur at our 2019 Annual Meeting.

The affirmative vote of the holders of a majority of the votes cast by our stockholders in person or represented by proxy and entitled to vote is required to approve this Proposal 2.

Recommendation

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS FOR THE COMPANY’S FISCAL YEAR ENDED DECEMBER 31, 2017, AS DISCLOSED IN THESE PROXY MATERIALS.

Executive Summary

Our business remains profitable, and we have continued to address the ongoing and significant challenges to our strategy and our business during 2017. Following extensive consumer research and market/competitive analysis we developed and launched the One New GNC in December 2016 and we have now marked four consecutive quarters of growth in the number of sale transactions. Customers responded to our simplified pricing model, enhanced loyalty programs and product innovation during 2017, as indicated by positive comparable same store transactions of 11.6% in 2017 for company-owned stores and GNC.com. Also, we achieved same store sales growth of 0.2% in 2017 for domestic company-owned stores and GNC.com.

In September 2017, the Board of Directors appointed Kenneth A. Martindale to be our Chief Executive Officer. In addition to addressing traffic trends in our retail stores, our management team is seeking other substantial opportunities to drive profitable growth, including expansion of our business internationally, increased brand penetration, leveraging our strength in product innovation and delivering a compelling omnichannel experience. As our key efforts take time to produce results, the Company's operational results in 2017 were challenged, impacting our year-over-year share price, down from approximately \$11 per share at the beginning of 2017 to less than \$4 per share by the end of the year.

In light of this transforming and challenging business environment, the Compensation Committee made the following pay determinations in 2017 for our Named Executive Officers:

Our Named Executive Officers did not receive routine salary increases in 2017, with the exceptions of benchmarking adjustments for Ms. Tolivar and Messrs. Moran and Hennion.

No annual cash incentive compensation payments were made to our Named Executive Officers for 2017, with the exception of discretionary incentive bonus payments made to Mr. Moran for his performance as Interim Chief Executive Officer through September 11, 2017.

Performance share units for the performance period ending in 2017 were forfeited.

Mr. Martindale received long-term equity awards as an inducement in connection with the commencement of his employment in 2017 and make-whole awards as replacement equity for awards forfeited by Mr. Martindale from his prior employer. Other Named Executive Officers received a mix of stock options, performance-vested restricted stock units ("PSUs") and time-vested restricted stock units ("RSUs") in 2017.

Our executive compensation program has been structured to generate and reward superior company performance by establishing compensation packages under which variable, or incentive, compensation is weighted more heavily than base salary. We have established compensation programs to motivate our executives to focus on both our short-term and long-term performance by providing a mix of short-term and long-term incentive compensation in the form of annual cash incentive compensation and long-term equity-based incentive compensation. We believe that our approach allocates more compensation toward non-cash equity compensation on average, and aligns the incentives of our executives with the interests of our stockholders.

Annual Cash Incentive Compensation. For 2017, we approved an annual cash incentive compensation program for our executives based upon certain performance metrics. Also, Mr. Martindale became eligible to earn a bonus under the terms of his employment agreement. The applicable performance metrics for the following Named Executive Officers were earnings before interest and tax ("EBIT") and retail and web sales comparables, and, for certain Named Executive Officers, if the retail and web sales

metric was achieved, then gross margin return on inventory (“GMROI”) was also an applicable performance metric. GMROI is defined as gross profit excluding sublease revenue and warehousing, distribution and occupancy costs divided by the average of inventory at the beginning and ending of the period excluding obsolescence and shrinkage reserves. The applicable performance metrics, and their weighting for the following Named Executive Officers were as follows:

Name	Retail and Web			GMROI
	EBIT	Sales	Comparables	
Kenneth A. Martindale	50%	50	%	-
Tricia K. Tolivar	50%	50	%	-
Timothy A. Mantel	40%	40	%	20 %
Guru Ramanathan	50%	50	%	-
Gene E. Burt	40%	40	%	20 %
Michael D. Dzura	50%	50	%	-
Jeffrey R. Hennion	50%	50	%	-

We believed that these criteria would incentivize our Named Executive Officers to focus on multiple performance drivers throughout our business. The Company’s performance for 2017 resulted in no payment of bonuses to the Named Executive Officers listed above under the annual cash incentive compensation program or, in the case of Mr. Martindale, under his employment agreement. In addition to the above Named Executive Officers, Mr. Moran was eligible for and received incentive bonus payments as determined by and at the discretion of the Board. For more information, see “ – Elements of Compensation – Annual Cash Incentive Compensation” below.

Long-term Incentive Compensation. We maintain a long-term incentive program that principally utilizes “full-value” awards, such as restricted stock awards (“RSAs”), RSUs and PSUs, in combination with stock options. Our program aligns with the market trend in favor of grants of PSUs and RSUs and a reduced reliance on stock options. We believe that our long-term incentive program cultivates an ownership mentality among our executives that serves to focus management on achieving our strategic and financial objectives, thereby more closely aligning the interests of our executives with the long-term interests of our stockholders.

In February 2017, our executives, including certain Named Executive Officers, specifically Ms. Tolivar, Dr. Ramanathan, and Messrs. Moran, Mantel, Burt, and Hennion, received long-term incentive grants for 2017. The long-term incentive award grants in February 2017 to these Named Executive Officers were received in the form of PSUs, RSUs, and stock options. The specific proportions of total awards granted in the forms of PSUs, RSUs and stock options are provided in detail below and ranged from 37%-40% for PSUs, 27%-30% for RSUs and 30%-36% for stock options, except for Mr. Moran who received all of his award in the form of stock options.

In connection with Mr. Martindale’s appointment as our Chief Executive Officer on September 11, 2017, he received make-whole and inducement grants including 519,126 stock options and 519,556 RSAs. For more information about Mr. Martindale’s grants, see “Appointment of Mr. Martindale as Chief Executive Officer and Related Grants” below.

Other 2017 Compensation Highlights

At our 2017 annual meeting, our stockholders approved, on a non-binding, advisory basis, the “say-on-pay” proposal with respect to our 2016 executive compensation program by more than 95% of the shares voted. We considered the results of this vote, the Company’s business results and our share price performance in determining our 2017 executive compensation program.

In February 2018, the Compensation Committee reviewed our executive compensation program with management from a risk perspective and determined that there are no risks created by our compensation policies and practices that are reasonably likely to have a material adverse effect on the Company. In reaching this conclusion, the Compensation Committee considered various factors, including the balance between annual and long-term compensation and between fixed and variable compensation, the use of multiple types of long-term incentive awards, the use of multiple performance criteria (including both short-term and long-term criteria) for payment of incentive compensation, the use of performance measures that are intended to increase stockholder value if goals are achieved, and various compensation policies and practices that mitigate excessive risk (including substantial stock ownership requirements for key executives, the clawback feature of the Company’s equity awards, the Compensation Committee’s negative discretion to reduce the amount of incentive awards, and the prohibition on hedging or pledging of Company stock by executives).

Compensation Policies and Objectives

The primary objectives of our executive compensation program, and the accordant Committee responsibilities, are to:

- review and approve the Company’s compensation philosophy, policies and objectives;
- align cash and stock-based awards with individual and corporate performance that creates stockholder value;
- build an ownership mentality among our key employees;
- attract and retain high performing employees;
- review and determine the compensation for the Company’s executive officers, including the Named Executive Officers;
- review and approve annually the corporate goals and objectives applicable to the compensation of the Company’s executive officers, including the Named Executive Officers;
- review the potential risk to the Company from its compensation policies and program;
- develop succession plans and implement development initiatives for the Company’s senior management; and
- provide cost effective cash and stock-based rewards that are competitive with other organizations and fair to our stockholders and employees.

Table of Contents

To facilitate the objectives, the Company provides base salary and related benefit plans, annual cash incentive compensation and long-term incentive compensation. The objectives apply to the compensation of the Named Executive Officers and to the elements of their respective executive compensation packages as follows:

Base Salary. The objective in determining base salaries for the Named Executive Officers is to set base salaries at levels that are (i) sufficient to attract and retain high performing, qualified employees and (ii) considered fair to our stockholders and employees. The Compensation Committee seeks to set base salaries at levels that are competitive with a peer group of companies and benchmarks salaries at the median of the peer group. In addition, base salaries are influenced by the complexity and level of the applicable position.

Our Named Executive Officers did not receive routine salary increases in 2017, with exceptions for benchmarking adjustments. There were benchmarking increases to the salaries of Ms. Tolivar, and Mr. Moran and Mr. Hennion.

Annual Cash Incentive Compensation. We use annual cash incentive compensation to incentivize the Named Executive Officers to contribute to our growth and financial performance and to provide rewards based on achievement of predetermined goals that are intended to drive increases in stockholder value. As additional cash compensation that is contingent on our financial performance, annual cash incentive compensation augments the base salary component while being tied to our financial performance.

The Company's performance in 2017 resulted in no payment of bonuses to the Named Executive Officers except for discretionary incentive bonus payments made to Mr. Moran for his service as our Interim Chief Executive Officer.

Long-term Incentive Compensation. We believe that stock-based awards are important in building an ownership mentality among our executives and aligning the long-term financial interests of our executives with those of our stockholders. Time- and performance-vested awards provide incentives to drive performance, and have long-term horizons because value to our executives is dependent on continued employment, the achievement of pre-established performance goals (in the case of PSUs) and, ultimately, increases in the market value of our common stock.

Our 2017 equity awards consisted of a significant portion of PSUs as noted above, and stock options, which we believe focuses attention on building stockholder value.

Benefits and Perquisites. The Named Executive Officers are entitled to participate in, and to receive benefits under, the benefit plans, arrangements and policies available to our employees or executives generally. Other than the perquisites provided to Mr. Moran during his tenure as Interim Chief Executive Officer of the Company, certain relocation benefits provided to Messrs. Martindale, Burt and Mantel, and certain other minimal perquisite amounts identified in the Summary Compensation Table, the Company does not provide perquisites or make payment of perquisite allowances to any of its executives.

Executive Compensation Process

Role of the Compensation Committee

The Compensation Committee oversees the development and implementation of our executive compensation policies and objectives, determines the structure of our executive compensation packages generally, determines the actual compensation paid to each of our senior executives and evaluates the performance of our Chief Executive Officer. In addition, the Compensation Committee has the authority

Table of Contents

to (i) review our incentive compensation plans, recommend changes to such plans to the Board and exercise all the authority of the Board with respect to the administration of such plans, and (ii) retain, terminate and set the terms of our and the Compensation Committee's relationship with any consultants and other outside advisors who assist the Compensation Committee in carrying out its duties.

Role of Management

The Compensation Committee considers the recommendations of management, principally our Chief Executive Officer or Interim Chief Executive Officer, as applicable, when determining the structure of our executive compensation packages generally and the actual compensation paid to each of our senior executives. The Compensation Committee does not delegate any of its functions to others in setting compensation, no Named Executive Officer is a member of the Compensation Committee and our Chief Executive Officer or Interim Chief Executive Officer, as applicable, does not provide recommendations with respect to his own compensation.

Role of Outside Advisors

The Compensation Committee has retained Korn Ferry Hay Group as an independent consultant to provide information, advice and recommendations regarding our executive compensation policies and design. In 2017, Korn Ferry Hay Group was engaged to review and provide information, advice and recommendations regarding our executive compensation program generally, as well as the individual compensation packages of each of our senior executives, including the Named Executive Officers. Korn Ferry Hay Group was directed to benchmark executive salaries and other short-term and long-term compensation, including the mix of performance-based compensation. As discussed below under "–Use of Peer Group Data," at the direction of the Compensation Committee, Korn Ferry Hay Group worked with our Interim Chief Executive Officer and our Human Resources personnel to compare our executive compensation packages to those of a group of comparable companies.

Korn Ferry Hay Group provides advice and recommendations to the Compensation Committee and reports to the Compensation Committee. Prior to its original engagement in 2011, Korn Ferry Hay Group, except for executive search services performed by Korn Ferry prior to its acquisition of Hay Group and as set forth below, had not previously worked with the Company in any capacity, nor has it served us in any capacity, other than as a consultant to the Compensation Committee. The Compensation Committee has reviewed and considered information provided to it by Korn Ferry Hay Group, the Compensation Committee members and our executive officers, and based on its review and the factors described in the NYSE listing standards and such other factors as it deemed relevant, the Compensation Committee has concluded that Korn Ferry Hay Group is independent, that the advice it receives from Korn Ferry Hay Group is objective and that Korn Ferry Hay Group's work has not raised any conflict of interest. In December 2015, Korn Ferry acquired Hay Group, which became a wholly owned subsidiary of Korn Ferry. The Company has engaged Korn Ferry Hay Group to provide executive search services in the past and may do so from time to time in the future.

Use of Peer Group Data

The Compensation Committee seeks to determine how our compensation programs compare to other publicly traded companies similar to us. The Compensation Committee seeks to set compensation for the Named Executive Officers at levels that are competitive with similar companies in our industry but consistent with our growth strategy and with an emphasis on variable compensation, rather than fixed compensation.

Table of Contents

With the assistance of Korn Ferry Hay Group, the Compensation Committee updated its peer group in September 2016 in order to appropriately reflect companies with revenue sizes, sectors and business models similar to our own, as well as those with which we compete for talent. The updated peer group (the “2017 Peer Group”), which was used for comparative purposes in setting the levels of the 2017 long-term equity awards and cash compensation levels for our Named Executive Officers (other than Mr. Moran and Mr. Martindale, whose 2017 compensation levels were determined in connection with their respective appointments), was comprised of the following 18 companies:

American Eagle Outfitters, Inc.	Lululemon Athletica, Inc.	The Finish Line, Inc.
Cabela’s, Inc.	Mead Johnson Nutrition Co.	Ulta Beauty, Inc.
Dick’s Sporting Goods, Inc.	Panera Bread Co.	Village Super Market
Deckers Outdoor Corporation	Pier 1 Imports, Inc.	Vitamin Shoppe, Inc.
Hain Celestial Group, Inc.	Sally Beauty Holdings, Inc.	Weight Watchers International, Inc.
Herbalife Ltd.	Sprouts Farmers Markets, Inc.	Williams Sonoma, Inc.

Based upon consultation with Korn Ferry Hay Group in July 2017, the Compensation Committee further updated the peer group by removing Cabela’s, Inc., Dick’s Sporting Goods, Inc., Lululemon Athletica, Inc., and Panera Bread Co. from the 2017 Peer Group, and adding Big 5 Sporting Goods Corp. and Nu Skin Enterprises, Inc. (the updated peer group, the “2018 Peer Group”).

In February 2018, we used the 2018 Peer Group for comparative purposes in setting our most recent long-term equity awards and 2018 cash compensation levels for our executives, including the Named Executive Officers, other than Mr. Martindale, for whom 2018 compensation levels, including long-term equity awards, were determined under his employment agreement.

Annual Cash Incentive Compensation

Annual cash incentive compensation is documented in an annual plan that is adopted by the Compensation Committee under the Company’s stock and incentive plan prior to or during the first quarter of the applicable year. The annual performance bonus for each Named Executive Officer has a threshold, target and maximum bonus amount expressed as a percentage of his or her annual base salary, which percentage is determined by the respective position and level of responsibility of such Named Executive Officer.

The annual cash incentive plan for 2017 performance (the “2017 Incentive Plan”) was adopted by the Compensation Committee in February 2017 and provided the following threshold, target and maximum bonus amounts, expressed as a percentage of base salary:

Table of Contents

Level	2017 Incentive Plan			
	Threshold Amount	Target Amount	Maximum Amount	
Chief Financial Officer	20 %	60 %	120 %	
Executive Vice President	20 %	60 %	120 %	
Senior Vice President	15 %	45 %	90 %	

Mr. Moran's annual cash incentive compensation was not established under the 2017 Incentive Plan and the incentive bonus payments that he received were determined by and at the discretion of the Board. Mr. Martindale's annual cash incentive compensation was not established under the 2017 Incentive Plan, as he was appointed as Chief Executive Officer in September 2017, and, in connection with his appointment and employment agreement, the threshold, target, and maximum amounts were set at 50%, 150% and 300%, respectively. In connection with his appointment to Chief Executive Officer, Mr. Martindale was entitled to an annual bonus opportunity of at least 150% of base salary, pro-rated with respect to the 2017 calendar year, which could be earned based on the Compensation Committee's evaluation of performance objectives established for the applicable year, which were the same incentives established under the 2017 Incentive Plan.

The targets under the 2017 Incentive Plan for Ms. Tolivar, Dr. Ramanathan and Messrs. Hennion and Dzura, which were based on our achievement of (i) a predetermined level of EBIT, which is calculated at the end of the year including certain specified adjustments disclosed in our quarterly earnings reports and (ii) year-over-year comparables for retail and web sales. With respect to these Named Executive Officers, the targets were based on our achievement of the EBIT level and retail and web sales comparables targets set forth in the table below. They were entitled to receive 50% of the target bonus amount if we achieved EBIT equal to or exceeding the target and 50% if we achieved retail and web sales comparables equal to or exceeding the target.

The following thresholds and related goals were established (i) for Ms. Tolivar, Dr. Ramanathan, and Messrs. Hennion and Dzura under the 2017 Incentive Plan and (ii) for Mr. Martindale in connection with his appointment and employment agreement:

Performance Measure	Threshold	Target	Maximum	Relative Weight
EBIT (1)	\$216,000,000	\$240,000,000	\$264,000,000	50%
Retail and Web Sales Comparables	1.50%	4.40%	6.40%	50%

As this performance measure is a non-GAAP financial metric, please see Annex A for a presentation of the (1)reconciliation between EBIT, as adjusted, and our GAAP financial metric based on the Company's audited financial statements.

Table of Contents

The objectives under the 2017 Incentive Plan for Messrs. Mantel and Burt were based on our achievement of (i) a predetermined level of EBIT, which is calculated at the end of the year including certain specified adjustments disclosed in our quarterly earnings reports, (ii) year-over-year comparables for retail and web sales and (iii) GMROI. With respect to these Named Executive Officers, the targets were based on our achievement of the EBIT level, retail and web sales comparables targets, and GMROI set forth in the table below. They were entitled to receive 40% of the target bonus amount if we achieved EBIT equal to or exceeding the target, 40% if we achieved retail and web sales comparables equal to or exceeding the target and, if the retail and web sales metric was achieved, then 20% if we also achieved GMROI equal to or exceeding the target.

The thresholds and related goals for Messrs. Mantel and Burt under the 2017 Incentive Plan were as follows:

Performance Measure	Threshold	Target	Maximum	Relative Weight
EBIT	\$216,000,000	\$240,000,000	\$264,000,000	40%
Retail and Web Sales Comparables	1.50%	4.40%	6.40%	40%
GMROI (1)	2.18	2.23	2.30	20%

(1) If the threshold for Retail and Web Sales was achieved, then Messrs. Mantel and Burt would have been eligible for the threshold and goal related to GMROI.

Results of the 2017 Incentive Plan. The Company's performance for 2017 resulted in no awards of bonuses during the fiscal year to the Named Executive Officers for whom threshold, target and maximum levels were established under the terms of the 2017 Incentive Plan or, in the case of Mr. Martindale, his appointment and employment agreement. The threshold levels were not met for the EBIT, Retail and Web Sales Comparables or GMROI metrics. Specifically, our results achieved for purposes of the 2017 Incentive Plan and the bonus eligibility under Mr. Martindale's employment agreement were as follows:

Performance Measure	Achieved Results
EBIT	\$206,423,000
Retail and Web Sales Comparables	0.2%
GMROI	2.12

Based on these results, under the terms of the 2017 Incentive Plan or Mr. Martindale's employment agreement, as applicable, our Named Executive Officers did not receive cash incentive compensation payments for 2017.

As indicated above, Mr. Moran was not subject to the 2017 Incentive Plan and, for his performance as Interim Chief Executive Officer, received two discretionary incentive bonus payments of \$498,000 and \$110,967 for the periods of February 2017 through July 2017 and August 2017 through September 11, 2017, respectively, in recognition of his leadership.

Long-term Incentive Compensation

2017 Annual Long-Term Incentive Awards. Substantially all of our employees, and the employees of our direct and indirect subsidiaries and other affiliates, including the Named Executive Officers, are eligible for consideration of awards of stock options, restricted stock, RSUs (including PSUs) and other stock-based awards under the terms of the 2015 Stock and Incentive Plan (the “2015 Stock Plan”), which was adopted in 2015. The Compensation Committee is responsible for administering, selecting the individuals who are eligible to participate in and determining the types and amounts of stock-based awards granted under the 2015 Stock Plan. The Compensation Committee has discretion to delegate all or a portion of its authority under the 2015 Stock Plan. In 2007, we adopted the GNC Acquisition Holdings Inc. 2007 Stock Incentive Plan (the “2007 Stock Plan”) and in 2011, we adopted the GNC Holdings, Inc. 2011 Stock and Incentive Plan (the “2011 Stock Plan”), under which plans awards are outstanding. Following the adoption of the 2015 Stock Plan, we have not granted and will not grant any additional awards under the 2007 Stock Plan or the 2011 Stock Plan.

Stock options granted under the various plans generally are subject to vesting in annual installments and have terms of seven to ten years. The Compensation Committee determines the size of stock-based awards for each Named Executive Officer in accordance with the Named Executive Officer’s position versus the market benchmark, performance and level of position. Options and other stock-based awards under the 2011 Stock Plan and the 2015 Stock Plan are subject to clawback by the Company if the participant engages in any “detrimental activity” during the participant’s service or for one year after the participant’s service ends, which is generally defined to include disclosing confidential information about the Company, engaging in activities that result (or would result if known) in the termination of the participant’s service for cause, soliciting the Company’s employees on behalf of a competing employer, or materially breaching any agreement between the participant and the Company.

The Compensation Committee generally considers grants of long-term incentive compensation awards on an annual basis, except for certain new hires. The Compensation Committee grants equity-based awards to our executives on both an annual and as-desired basis. We do not have any program, plan or practice to time annual or ad hoc grants of equity-based awards in coordination with the release of material non-public information or otherwise.

In February 2017, we granted long-term incentive awards to certain Named Executive Officers, Mr. Moran, Ms. Tolivar, Dr. Ramanathan, and Messrs. Mantel, Burt, and Hennion, under the 2015 Stock Plan. Base award values for these long-term incentive grants were determined based in part on the results of Korn Ferry Hay Group’s analysis of the compensation packages of top executives at companies in the 2017 Peer Group, and were intended to be competitive compared to long-term incentive awards granted to executives with comparable titles and responsibilities within the 2017 Peer Group. The long-term incentive award grant values to these Named Executive Officers were in the following proportions:

Name	Stock		Time-Vested		PSUs
	Options	RSUs	RSUs	PSUs	
Tricia K. Tolivar	35 %	28 %	37 %		
Timothy A. Mantel	30 %	30 %	40 %		
Guru Ramanathan	30 %	30 %	40 %		
Gene E. Burt	36 %	27 %	37 %		
Robert F. Moran	100 %	-	-

Table of Contents

Mr. Dzura did not receive an award in 2017.

In addition to the long-term incentive compensation awards granted to Ms. Tolivar in February 2017, she also received 150,000 RSUs as a retention award in May 2017. For more information, see “ – Elements of Compensation – Long-Term Incentive Compensation” below. Mr. Burt’s 2017 grant values vary slightly from the program due to contractual terms that were agreed upon in connection with the commencement of his employment with the Company.

In all cases the stock options vest in annual installments over four years from the grant date, the RSUs vest in annual installments over three years from the grant date and the PSUs can be earned based on the achievement of the performance criteria over the period commencing on January 1, 2017 and ending on December 31, 2019 (the “Performance Period”) and subject to the grantees continuous employment with the Company during the Performance Period.

For the February 2017 awards, the portions of the total award value attributable to the RSUs and PSUs were determined by multiplying the number of RSUs and PSUs in the award by \$7.99, which was the closing price per share of our common stock on February 22, 2017, the date of grant. For the February 2017 awards, the performance metric for grants of the PSUs is relative total shareholder return (“TSR”). The total number of PSUs that will be earned by a grantee is based upon the Company’s TSR relative to the TSR of other companies reported on the S&P Retail Select Industry Index (the “Index”) for the Performance Period. At the conclusion of the Performance Period, the Compensation Committee will determine whether and the extent to which the performance criteria have been achieved for the purpose of determining the percentage of the target amount of PSUs that have vested for the Performance Period. Any PSUs that have not vested as of the end of the Performance Period, based upon the Compensation Committee’s determination, will be forfeited. The Compensation Committee may, in its sole discretion, reduce the amount to less than the amount that is determined to be vested in accordance with the agreements providing for the PSUs.

The Company’s TSR is measured, using a 31-day average stock price, as a percentile ranking in comparison with the TSR of the Index for the Performance Period. The PSU starting stock price is based upon the average adjusted closing stock price for the month preceding the start of the Performance Period (i.e., beginning on December 1, 2016 and ending on December 31, 2016). If the Company’s TSR for the Performance Period is less than the 30th percentile TSR of the Index for the Performance Period, no PSUs will be earned by the grantee on December 31, 2019. If the Company’s TSR for the Performance Period is achieved between the 30th and 40th percentile TSR of the Index for the Performance Period, then 35% of the total PSUs awarded may be earned by the grantee on December 31, 2019 at the 30th percentile achievement, with an additional amount earned based on interpolation in relation to the cumulative performance condition. If the Company’s TSR for the Performance Period is achieved between the 40th and 50th percentile TSR of the Index for the Performance Period, then 75% of the total PSUs awarded may be earned by the grantee on December 31, 2019 at the 40th percentile achievement, with an additional amount earned based on interpolation in relation to the cumulative performance condition. If the Company’s TSR for the Performance Period is achieved between the 50th and 75th percentile TSR of the Index for the Performance Period, then 100% of the total PSUs awarded may be earned by the grantee on December 31, 2019 at the 50th percentile achievement, with an additional amount earned based on interpolation in relation to the cumulative performance condition. If the Company’s TSR for the Performance Period is achieved at or above the 75th percentile TSR of the Index for the Performance Period, then 200% of the total PSUs awarded may be earned by the grantee on December 31, 2019.

Table of Contents

In the event that the Company's TSR for the Performance Period is at or above the 30th percentile TSR of the Index for the Performance Period but is a negative amount, then the maximum number of awarded PSUs that may be earned for the Performance Period is limited to 100% of the total number of PSUs awarded. In all events the grantee must remain continuously employed through December 31, 2019 in order to earn the PSUs.

RSUs granted to Ms. Tolivar. Ms. Tolivar was granted a special retention award of 150,000 RSUs in May 2017 with a total award value of \$1,020,000. These RSUs vest beginning on the second anniversary of the date of grant based upon the following vesting schedule: 20% in May 2019, 30% in May 2020 and 50% in May 2021.

Appointment of Mr. Martindale as Chief Executive Officer and Related Grants. Effective on September 11, 2017, the Company appointed Mr. Martindale as the Chief Executive Officer. In setting Mr. Martindale's base compensation and making the inducement grants described below, the Company took into account a number of factors, including: a review of data for the chief executive officer position in the industry; the competitive marketplace; the Company's current position in the market; and Mr. Martindale's previous employment at a significantly larger US retail company (in terms of revenue, scope, and employees), overall prior experience, and his then current compensation package which reflected his leadership role at Rite Aid. At the time of his appointment, it was evident that a continued repositioning and turnaround of the Company's current marketplace position was required. For this reason, the Company made grants to induce Mr. Martindale to join the Company and to make him whole on the value of awards he would be forfeiting, described below. Such grant amounts were larger than the Company typically considers as a recurring equity grant for our Chief Executive Officer. Prior to approving the terms of Mr. Martindale's compensation, the Compensation Committee had discussions with Korn Ferry Hay Group and reviewed the proposed terms with the independent directors. The Compensation Committee believes that these inducement grants, including the make-whole awards, align Mr. Martindale's long-term interests with the interests of the Company's stockholders and provide appropriate incentives to work toward achieving operational growth and stock price appreciation, as a significant portion of Mr. Martindale's compensation is tied to the performance of the Company. In connection with his appointment as Chief Executive Officer, on September 11, 2017, Mr. Martindale received make-whole and inducement grants of (i) restricted stock in the amount of \$600,000, which is fully vested with transfer restrictions that lapse on the earliest to occur of a change in control of the Company, the third anniversary of the date of grant or Mr. Martindale's death, disability or other separation from service for any reason; (ii) restricted stock in the amount of \$950,000, which became fully vested on the last trading day of December 2017 and was subject to acceleration to the extent necessary to cover any applicable income and payroll tax withholding resulting from the recognition of ordinary income pursuant to a Section 83(b) election; (iii) restricted stock in the amount of \$1,200,000, which are unvested restricted shares scheduled to vest in three equal installments on each of the first three anniversaries of the date of grant subject to acceleration to the extent necessary to cover any applicable Section 83(b) tax liability; (iv) time-vested restricted stock in the amount of \$1,900,000, which are unvested restricted shares scheduled to vest in three equal installments on each of the first three anniversaries of the date of grant; and (v) stock options in the amount of \$1,900,000, which are scheduled to vest in three equal installments on each of the first three anniversaries of the date of grant. The structure and base value for the initial long-term incentive grant to Mr. Martindale was determined in connection with his appointment as Chief Executive Officer, and the first three make-whole awards of restricted stock, comprised of the \$600,000, \$950,000 and \$1,200,000 amounts, were awarded as replacement equity for awards forfeited by Mr. Martindale from his prior employer. As inducement awards, Mr. Martindale's stock and option awards were not granted pursuant to the 2015 Stock Incentive Plan. Mr. Martindale did not receive any additional equity grants in 2017, although he participated in the regular 2018 equity grant process, and received a mix of awards similar to those as were granted to other Named Executive Officers in February 2018.

Table of Contents

For 2018, our Named Executive Officers will receive base salary, an annual bonus opportunity and long-term incentive compensation consisting of time- and performance-based awards. Performance-based awards are based upon an internal financial metric.

Summary of 2017 Named Executive Officer Awards. The total award values for the 2017 awards for our Named Executive Officers, together with the corresponding number of (a) stock options, (b) RSUs or RSAs and (c) target PSUs awarded to each of our Named Executive Officers, is set forth below:

Name	Total Award Value (\$)	Number of Stock Options (#)	Number of RSUs or RSAs (#)(1)	Target Number of PSUs (#)
Kenneth A. Martindale (2)	6,550,027	519,126	519,556	—
Tricia K. Tolivar	1,960,288	100,000	182,802	43,736
Timothy A. Mantel	710,438	64,770	26,670	35,560
Guru Ramanathan	291,448	26,571	10,941	14,588
Gene E. Burt	319,011	35,000	10,941	14,588
Robert F. Moran	2,807,998	753,773	—	—
Michael D. Dzura	—	—	—	—
Jeffrey R. Hennion	710,438	64,770	26,670	35,560

(1) Mr. Martindale received only RSAs, all other individuals received RSUs.

(2) Of Mr. Martindale's total award value, \$2,750,000 represents make-whole awards, which were awarded as replacement equity for awards forfeited by Mr. Martindale from his prior employer.

As described earlier, the performance metric for the PSU component of these long-term incentive awards is TSR. The Compensation Committee established threshold, intermediate, target and maximum levels of achievement with respect to TSR. Performance is measured as of the end of the three-year Performance Period on December 31, 2019. At the threshold level of performance, 35% of the PSUs vest; at the intermediate level, 75% of the PSUs vest; at the target level, 100% of the PSUs vest; and at or above the maximum level, 200% of the PSUs vest, provided, in each case, that the executive has remained employed until the end of the Performance Period. The applicable portion of the PSUs is forfeited if performance is below the threshold level.

The threshold, target and maximum levels of TSR performance for the February 2017 PSU grants are as follows:

Metric	Threshold (35% payout)	Intermediate (75% payout)	Target (100% payout)	Maximum (200% payout)
Total Shareholder Return (1)	30 th Percentile	40 th Percentile	50 th Percentile	75 th Percentile

(1) The Company's TSR is measured, using a 31-day average stock price, as a percentile ranking in comparison with the Index TSR for the Performance Period.

Performance and related payments are interpolated between the various performance goals.

Benefits and Perquisites

The Company does not have a practice of providing perquisites or make payment of perquisite allowances to any of its executives, other than the perquisites provided to Mr. Moran during his tenure as Interim Chief Executive Officer, for whom the Company provided reasonable use of the Company's corporate aircraft for purposes of commuting to and from Pittsburgh, Pennsylvania to conduct Company business and temporary housing benefits, certain relocation benefits provided to Messrs. Martindale, Burt and Mantel, and certain other minimal perquisite amounts each as identified in the Summary Compensation Table.

Non-qualified Deferred Compensation Plan

We maintain the GNC Live Well® Later Non-Qualified Deferred Compensation Plan for the benefit of a select group of our highly compensated employees. Under this plan, certain eligible employees may elect to defer a portion of their future compensation under the deferred compensation plan by electing such deferral prior to the beginning of the calendar year during which the deferral amount would be earned. Mr. Martindale, Ms. Tolivar and Messrs. Burt and Hennion made contributions to the deferred compensation plan in 2017. For 2017, a dollar-for-dollar match with respect to the first three percent of a participant's compensation deferred under the non-qualified deferred compensation plan was provided. For more information regarding the deferred compensation plan, please see "2017 Non-Qualified Deferred Compensation Table" below.

Executive Severance Pay Policy

The Company maintains an Executive Severance Pay Policy (the "Executive Severance Policy") for executive officers who are involuntarily terminated from employment and otherwise meet the requirements for benefits. Upon an involuntary termination other than for Cause, as defined in the Executive Severance Policy, eligible executives are entitled to receive cash severance benefits of six months of base salary, in the case of Vice Presidents, or one year base salary, in the case of positions senior to Vice President. The severance is increased to one year and two years for such positions, respectively, in the case of a termination of employment without Cause, or resignation for Good Reason, as defined in the Executive Severance Policy, occurring within 24 months following a Change in Control of Company, also as defined in the Executive Severance Policy. Payments and benefits under the Executive Severance Policy are contingent upon the executive's execution and non-revocation of a release of claims against the Company and compliance with covenants set forth in the Executive Severance Policy, which include confidentiality, non-competition and non-solicitation of the Company's employees. In addition, if such executive obtains subsequent employment that is considered comparable to his or her previous employment with the Company, then the amount remaining to be paid to such executive, under the Executive Severance Policy, is offset by the annual gross base salary payable to such executive pursuant to such subsequent employment.

Dr. Ramanathan Employment Agreement

In February 2012, we entered into an amended and restated employment agreement with Dr. Ramanathan for an initial two-year term ending in February 2014, with automatic annual one-year renewals thereafter unless either party provided at least 30 days' advance notice of non-renewal. In early 2018, the Company and Dr. Ramanathan mutually agreed to not renew his employment agreement and that he would remain employed on an at-will basis; accordingly, his employment agreement expired in February 2018.

Table of Contents

The employment agreement provided that any incentive compensation payable to Dr. Ramanathan will be subject to the clawback policies adopted or implemented by us, including in respect of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and any rules promulgated thereunder. Please see “Potential Payments Upon Termination or Change in Control” below for more information regarding such employment agreement and termination and payments made in connection with a change in control.

Mr. Martindale Employment Agreement

In connection with his appointment as Chief Executive Officer, we entered into a three-year employment agreement with Mr. Martindale in September 2017.

The employment agreement provides that any incentive compensation payable to Mr. Martindale will be subject to the clawback policies adopted or implemented by us, including in respect of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and any rules promulgated thereunder. Please see “Potential Payments Upon Termination or Change in Control” below for more information regarding such employment agreement and termination and payments made in connection with a change in control.

Ms. Tolivar and Messrs. Mantel and Burt currently do not have employment agreements with the Company, and Messrs. Moran, Dzura and Hennion did not have employment agreements with the Company.

Mr. Moran’s Cessation as Interim Chief Executive Officer

Mr. Moran ceased to serve as Interim Chief Executive Officer and was elected as Non-Executive Chairman of the Board in September 2017. In connection with his ceasing to serve as Interim Chief Executive Officer, Mr. Moran’s equity awards will continue to vest based upon his service as a non-employee director.

Separation and Consulting Arrangement with Messrs. Dzura and Hennion

Mr. Dzura Separation Agreement. In connection with Mr. Dzura’s resignation, he received severance equal to his annual base salary of \$510,000 payable in installments over the one-year period following his resignation. In addition, the Company provided Mr. Dzura with a portion of his health benefits for March 2017, after which the Company provided a COBRA reimbursement for the severance period, which items totaled \$12,572. Mr. Dzura was also entitled to certain outplacement services through 2017, which resulted in an expense to the Company of \$5,500.

Mr. Hennion Consulting Agreement. In connection with Mr. Hennion’s resignation, he agreed to provide us with consulting services for a period not to exceed one year, unless extended, for an amount not to exceed his annual base salary of \$510,000. In addition, the Company provided Mr. Hennion with a COBRA reimbursement of \$18,743, and Mr. Hennion remained eligible for a pro-rata bonus for 2017 contingent upon the Company’s performance, which was not earned.

Impact of Accounting and Tax Considerations

As a general matter, the Compensation Committee reviews and considers the various tax and accounting implications of the compensation vehicles we utilize.

Prior to the enactment of the Tax Cuts and Jobs Act, Section 162(m) of the Internal Revenue Code generally disallowed public companies a tax deduction for compensation in excess of \$1,000,000 paid to their chief executive officer and their three other most highly compensated executive officers (excluding the chief financial officer) unless certain performance and other requirements are met. As part of the Tax

Table of Contents

Cuts and Jobs Act, the exemption from the deduction limitation for performance-based compensation provided by Section 162(m) has been repealed. This change will be effective for taxable years beginning after December 31, 2017. As a result, compensation paid to certain executive officers which exceeds \$1,000,000 will not be deductible unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017.

For 2017, the Compensation Committee factored in the potential loss of deductibility during the pay setting approval process. Our intent generally is to design and administer executive compensation programs in a manner that will preserve deductibility of compensation paid to our executives, and, prior to the enactment of the Tax Cuts and Jobs Act, we believed that a substantial portion of our current executive compensation program (including the annual incentive program and the long-term incentive awards that may be granted under the 2015 Stock Plan) would satisfy the requirements for exemption from the \$1,000,000 deduction limitation. However, certain awards, such as the inducement awards granted to our Chief Executive Officer in connection with his appointment were not granted under a stockholder-approved plan as required for a deduction under Section 162(m). Also, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, including the uncertain scope of the transition relief for the exemption from the deduction limitation for performance based compensation provided by Section 162(m), there can be no assurance that any amounts paid under such compensation programs, even prior to the effectiveness of the legislative changes, will be deductible under Section 162(m), including, without limitation, in special circumstances related to other hirings and separations.

Additionally, we reserve the right to design programs and to structure other compensation arrangements that recognize a full range of performance criteria important to our success or that contain different terms, even where the compensation paid under such programs may not be deductible. The Compensation Committee will, in the exercise of its business judgment, continue to monitor our executive compensation program as part of its primary objective of ensuring that compensation paid to our executives is reasonable, performance-based and consistent with our goals and the goals of our stockholders.

Executive Stock Ownership Guidelines

We believe that, to align the long-term financial interests of our executive officers with those of our stockholders, our executives should hold a financial stake in the Company. The Board adopted a policy in December 2011 (revised most recently in February 2015) requiring our Chief Executive Officer and other executive officers to own stock in the Company (our “Executive Stock Ownership Guidelines”). Specifically, our Executive Stock Ownership Guidelines specify that our (i) Chief Executive Officer should own Company stock with an aggregate value at least equal to six times his or her annual base salary, (ii) Executive Vice Presidents should own Company stock with an aggregate value at least equal to two times their base salaries and (iii) Senior Executive Officers subject to the Executive Stock Ownership Guidelines should own Company stock with an aggregate value at least equal to their annual base salaries. The Executive Stock Ownership Guidelines provide that our newly appointed executive officers have five years from the date of their appointment to comply with the Executive Stock Ownership Guidelines, and should retain at least 50% of all after-tax shares owned by or underlying equity awards granted to them after December 11, 2012 until the ownership thresholds are met. The Compensation Committee will evaluate whether exceptions should be made for any executive officer on whom this requirement would impose a financial hardship or for other appropriate reasons as determined by the Compensation Committee. For the purposes of the Executive Stock Ownership Guidelines, Company stock includes (i) directly held shares of our common stock, (ii) shares of unvested restricted stock or RSUs (other than unvested shares of performance-vested restricted stock or unvested PSUs) and

Table of Contents

(iii) vested shares of our common stock held in any plan qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended.

Policy on Hedging and Pledging of Company Stock

We have a policy applicable to our directors and all of our employees, including our Named Executive Officers, that prohibits such persons from (i) within six months after purchasing any Company securities, selling any Company securities of the same class, (ii) selling the Company's securities short, (iii) buying or selling puts or calls or other derivative securities on the Company's securities, (iv) holding Company securities in a margin account or pledging Company securities as collateral for a loan or (v) entering into hedging or monetization transactions or similar arrangements with respect to Company securities.

NAMED EXECUTIVE OFFICER COMPENSATION

Summary Compensation Table

The following table sets forth information concerning the compensation we paid to the Named Executive Officers for services rendered in all capacities as employees to us during our last three fiscal years. In accordance with SEC rules, the compensation described in this table does not include the value of medical or group life insurance received by the Named Executive Officers that is available generally to all of our salaried employees. Only 2017 compensation is presented for Mr. Martindale, because 2017 was his first year as an employee of the Company. Only 2017 and 2016 compensation is presented for Mr. Moran and Mr. Mantel, because neither was employed with the Company during 2015. A “Change in Pension Value and Nonqualified Deferred Compensation Earnings” column is not presented because none of our Named Executive Officers participate in a pension plan or receive above-market or preferential earnings on nonqualified deferred compensation.

For 2017, reflects (i) two discretionary incentive bonus payments of \$498,000 and \$110,967 for the periods of February 2017 through July 2017 and August 2017 through September 11, 2017, respectively, paid to Mr. Moran for his performance as Interim Chief Executive Officer, which were not subject to the 2017 Incentive Plan, and (ii) (1) a \$75,000 sign-on bonus paid to Mr. Burt in February 2017 in order to incentivize him to accept his position with the Company. For 2016, reflects a \$450,000 bonus paid in February 2017, based on the Compensation Committee's assessment of Mr. Moran's extraordinary efforts, contributions and leadership. For 2015, reflects signing bonuses paid to Ms. Tolivar and Mr. Dzura.

For 2017, reflects the aggregate grant date fair value of the RSUs and PSUs granted to Ms. Tolivar, Dr. Ramanathan and Messrs. Mantel, Burt and Hennion in February 2017, which have been computed in accordance with FASB ASC Topic 718. Additionally, this reflects RSUs granted to Ms. Tolivar in May 2017 and includes (2) RSAs granted to Mr. Martindale in September 2017, each of which has been computed in accordance with FASB ASC Topic 718. For 2016, reflects the aggregate grant date fair value of the PSUs and the RSUs included as part of

incentive awards granted to Ms. Tolivar, Dr. Ramanathan, and Messrs. Dzura and Hennion in February 2016 and the RSUs to Mr. Moran in connection with his appointment as Interim Chief Executive Officer, which has been computed in accordance with FASB ASC Topic 718. For 2015, reflects (i) the aggregate grant date fair value of time-vested restricted stock and the RSUs granted, which have been computed in accordance with FASB ASC Topic 718 and (ii) the aggregate grant date fair value of PSAs granted to Messrs. Dzura and Hennion and Dr. Ramanathan in February 2015 and included as part of incentive awards granted to Ms. Tolivar in March 2015. The grant date values for the PSAs and the PSUs have been determined assuming 100% of target performance is achieved. If maximum share payouts were achieved for the PSUs, the aggregate grant date fair value for these units would be twice the amount disclosed in each year in the table related to the PSAs and the PSUs. If we assume the maximum 200% of target performance would be achieved, the grant date values of (a) the PSUs granted to Ms. Tolivar, Dr. Ramanathan and Messrs. Mantel, Burt and Hennion in 2017 would be \$702,400, \$234,283, \$571,094, \$234,283, and \$571,094, respectively, (b) the PSUs granted to Ms. Tolivar, Dr. Ramanathan, Mr. Dzura and Mr. Hennion in 2016 would be \$1,004,541, \$301,321, \$703,151, \$853,846, respectively, and (c) the PSAs granted to Ms. Tolivar, Dr. Ramanathan, Mr. Dzura and Mr. Hennion in 2015 would be \$750,000, \$350,000, \$500,000 and \$600,000, respectively. For the assumptions underlying the calculation of the aggregate grant date fair value, see Note 14, "Stock-Based Compensation," to our audited consolidated financial statements included in the Annual Report. The amounts shown in the table may not correspond to the actual value that may be realized by such persons with respect to these awards.

Reflects the aggregate grant date fair value of options granted during each fiscal year, which has been computed in accordance with FASB ASC Topic 718. For the assumptions underlying the calculation of the aggregate grant date (3) fair value, see Note 14, "Stock-Based Compensation," to our audited consolidated financial statements included in the Annual Report. The amounts may not correspond to the actual value that may be realized by such persons with respect to these awards.

(4) Reflects the non-discretionary component of cash incentive compensation.

(5) The components of "All Other Compensation" for our fiscal year ended December 31, 2017 are set forth in the following table:

Named Executive Officer	Perquisites (\$ (a))	Imputed Value for Life Insurance Premiums (\$)	Company Contributions to Deferred Compensation Plan (\$ (b))	Severance (\$ (c))	Consulting Fees (\$ (d))	Total (\$)

For Messrs. Martindale, Mantel and Burt, this column includes \$100,000, \$4,491 and \$22,425, respectively, of relocation expenses. For Messrs. Mantel and Burt, this amount reflects the actual cost incurred by such NEOs in relocating. For Mr. Martindale, this amount reflects a contractually agreed relocation amount. For the individuals other than Messrs. Martindale, Mantel, Burt and Moran, the column only includes taxable parking benefits. For Messrs. Mantel and Burt, this column also includes \$180 and \$380 in taxable parking benefits, respectively. For Mr. Moran, this column reflects: (i) \$279,663 of incremental cost to the Company associated with personal use of corporate aircraft, (ii) \$88,379 in temporary corporate housing and parking in Pittsburgh, and (iii) \$40,131 of gross-up amounts reimbursed for the payment of taxes. The amounts disclosed represent aggregate incremental (a) costs, including the incremental cost of Mr. Moran's personal use of a corporate aircraft calculated in the following manner. Personal use of corporate aircraft is calculated by using an incremental cost method that multiplies the hours flown on a personal flight by the hourly direct operating charge for the aircraft used. In addition, incremental costs for landing fees, crew hotels and meals, on-board catering and taxes for personal flights are also included. Since the Company aircraft is used primarily for business travel, this calculation methodology excludes the fixed costs which do not change based on usage, such as pilots' salaries, the lease costs of Company aircraft, and the costs of maintenance. During 2017, Messrs. Martindale and Moran were each provided with access to a parking space to use at our corporate headquarters in Pittsburgh, which was provided as a perquisite at no incremental cost to the Company.

Reflects matching contributions by the Company with respect to compensation deferred by each executive pursuant (b) to the Company's Non-Qualified Deferred Compensation Plan. For more information, see the "2017 Non-Qualified Deferred Compensation Table" below.

(c) For Mr. Dzura, reflects severance equal to \$402,115 representing base salary, \$9,429 representing the COBRA continuation coverage paid during 2017, and \$5,500 representing outplacement services through 2017.

(d) For Mr. Hennion, reflects consulting fees of \$286,413 and \$9,300 representing the COBRA continuation coverage paid during 2017 in connection with the consulting services provided by Mr. Hennion.

Mr. Moran ceased to serve as Interim Chief Executive Officer and was elected as Non-Executive Chairman of the (6) Board in September 2017. Fees received for his service as an outside Director beginning in September 2017 are not reflected in the table above but are disclosed under the "Director Compensation" section above.

(7) Upon their separation from service, Messrs. Dzura's and Hennion's equity awards were treated in accordance with the terms of the underlying plans and award agreements, pursuant to which unvested awards were forfeited.

2017 Grants of Plan Based Awards Table

The following table sets forth information concerning awards under the 2015 Stock Plan and the 2017 Incentive Plan granted to each of the Named Executive Officers during our fiscal year ended December 31, 2017 and, for Mr. Martindale, equity awards granted in September 2017 as make-whole and inducement awards in connection with the commencement of his employment, which were not issued under any stockholder approved plan. 2017 Non-Qualified Deferred Compensation Table

We maintain the GNC Live Well® Later Non-Qualified Deferred Compensation Plan for the benefit of a select group of our highly compensated executives. Under this plan, certain eligible employees may elect to defer a portion of their future salary and bonus compensation up to a maximum of 80% of salary and 100% of bonus, or such other specified limit established by the Company, until a specified future year, or until retirement. We may in our discretion elect to make a matching contribution to the plan for a calendar year, based on amounts deferred by participants for that year. Participants may select the investment fund or funds in which such deferred amounts are deemed to be invested for the purpose of crediting deferrals with earnings, and investment gains and losses. The Company's contributions to the Non-Qualified Deferred Compensation Plan become fully vested after three years from the start of the year of deferral. Participants receive vested distributions on elected scheduled withdrawal dates or upon separation from service.

Mr. Martindale, Ms. Tolivar, and Messrs. Burt and Hennion each elected to make contributions to the deferred compensation plan in 2017. The following table identifies, for each Named Executive Officer, his or her contributions, our contributions, the aggregate earnings and withdrawals in 2017 and the aggregate balance as of December 31, 2017:

Potential Payments Upon Termination or a Change in Control

The termination and change in control arrangements for the Named Executive Officers (other than Mr. Martindale and Dr. Ramanathan who had employment agreements with the Company during 2017) are generally governed by Company policy. As such, these arrangements generally are uniform and not highly negotiated. The Compensation Committee does not generally consider the amounts payable in connection with termination and change in control events when establishing the compensation of the Named Executive Officers. The Compensation Committee, together with the Board, established the termination and change of control arrangements described herein to address and conform to our: overall compensation objectives in attracting and retaining the caliber of executives that are integral to our growth; market competitiveness; maintaining management continuity, particularly through periods of uncertainty related to change in control events; providing our key personnel with the assurance of equitable treatment following a change in control and other events; and ensuring that our management is held to high standards of integrity and performance.

In general, such policies and arrangements are evidenced by the Company's Executive Severance Policy, as described in the Compensation Discussion and Analysis section of this proxy statement. Under the Executive Severance Policy, a "Change in Control" occurs if or upon: (i) any person or entity becomes the beneficial owner of securities representing thirty percent (30%) or more of the combined voting power of the Company's then outstanding securities; (ii) the majority of the Board is no longer made up of continuing directors as described in the Executive Severance Policy; (iii) the consummation of certain mergers or consolidations of the Company; or (iv) stockholder approval of certain plans of complete liquidation or dissolution or the consummation of agreements for the sale or disposition of all or substantially all of the Company's assets.

The following is a summary of the termination and change of control provisions in the employment agreements for each of Mr. Martindale and Dr. Ramanathan and the policies and arrangements otherwise applicable to the Named Executive Officers as of December 31, 2017. Dr. Ramanathan continues to be employed by the Company, although his employment agreement with the Company expired as of February 2018.

Mr. Martindale

Mr. Martindale's employment agreement provides for certain benefits upon termination of employment. Upon Mr. Martindale's death or disability, he (or his estate) is entitled to any unpaid salary, accrued but unpaid vacation, accrued and vested welfare and retirement benefits and all reimbursable business expenses through the date of termination ("accrued obligations"), any unpaid annual bonus for the year prior to the year of termination, and a prorated annual bonus for the year of termination, based on the actual period of employment and actual level of achievement of the performance objectives for the year of termination. Also, in such cases, Mr. Martindale's time-vesting equity awards would immediately vest; and any performance-vesting awards would become vested at a prorated actual amount, based on the actual period of employment and actual level of achievement of the performance objectives.

Upon termination of employment by us without cause, including a non-renewal of the employment term, or voluntarily by Mr. Martindale for good reason, subject to the execution of a written release, he is also entitled to:

• two years' base salary;

• two times the average actual bonus paid in respect of each of the two fiscal years immediately preceding the date of termination, or in the case of a termination within 24 months of a Change in Control, two times the target bonus;

Table of Contents

any unpaid annual bonus for the year prior to the year of termination, and a prorated annual bonus for the year of termination, based on the actual period of employment and actual level of achievement of the performance objectives for the year of termination; and
reimbursement for any portion of the monthly cost of COBRA coverage that exceeds the amount of monthly health insurance premium (with respect to Mr. Martindale's coverage and any eligible dependent coverage) payable by Mr. Martindale immediately prior to such termination, such reimbursements to continue for up to 18 months.

Also, in such cases, Mr. Martindale's "sign-on" equity awards would immediately vest; any time-vesting equity awards (other than sign-on awards) that would have vested within 24 months following the date of termination shall immediately vest; and any performance-vesting awards shall become vested at a prorated actual amount, based on the actual period of employment and actual level of achievement of the performance objectives. The total amount payable may be subject to reduction to the extent Mr. Martindale would be subject to an excise tax as an excess parachute amount.

For purposes of Mr. Martindale's employment agreement, "cause" generally means his:

- failure to comply with any material obligation imposed by his employment agreement;
- being convicted (including a plea of nolo contendere) to a misdemeanor that causes substantial economic harm to us, or a felony;
- intentional theft or embezzlement or fraud in connection with the performance of his duties;
- engaging in any activity that gives rise to a material conflict of interest with us;
- intentional misappropriation of any of our material business opportunities;
- willful or reckless material failure to comply with, observe or carry out our rules, regulations, policies or codes of ethics or conduct;
- substance abuse or illegal use of drugs that impairs his performance or causes or is likely to cause substantial harm to us; or
- intentional or reckless engagement in conduct that he knows or should know is materially injurious to us.

For purposes of Mr. Martindale's employment agreement, "good reason" generally means, without Mr. Martindale's prior written consent and unless we timely cure the good reason:

- our material failure to comply with material obligations under his employment agreement;
- a reduction by us of his titles, positions, status or authority or a material reduction by us of his responsibilities and duties other than due to a temporary period of incapacity;
- our removal of him from the position of Chief Executive Officer, or failure to elect (or nominate) him to, or removal other than for cause, from the Company or the General Nutrition Centers, Inc. boards of directors; or
- a material reduction in his base salary or target bonus.

For purposes of Mr. Martindale's employment agreement, "change in control" is as defined in the Company's 2015 Stock and Incentive Plan, which is generally the same as the definition provided in the Executive Severance Policy.

Table of Contents

Dr. Ramanathan

Dr. Ramanathan's employment agreement was effective during 2017. Dr. Ramanathan continues to be employed by the Company, although his employment agreement expired as of February 2018. During 2017, his employment agreement provided for certain benefits upon termination of employment. Upon Dr. Ramanathan's death or disability, he (or his estate) would have been entitled to his then-current base salary for the remainder of the employment period, and, subject to the discretion of the Board or the Compensation Committee, a pro rata share of his current year annual bonus, based on actual employment, provided bonus targets are met. The employment period was the two-year period from the initial effective date of the employment agreement and for one-year periods thereafter. Upon termination of employment by us without cause or voluntarily by Dr. Ramanathan for good reason, subject to the execution of a written release, he was also entitled to:

• salary continuation generally for one year or two years if the termination occurred upon or within six months following a change in control;

• subject to the discretion of the Board or the Compensation Committee, a pro rata share of the annual bonus based on actual employment and achievement of performance objectives; and

• reimbursement for any portion of the monthly cost of COBRA coverage that exceeded the amount of monthly health insurance premium (with respect to Dr. Ramanathan's coverage and any eligible dependent coverage) payable by Dr. Ramanathan immediately prior to such termination, such reimbursements to continue through the expiration of the agreement term or the severance period, if earlier.

For purposes of Dr. Ramanathan's employment agreement, "cause" generally meant his:

• failure to comply with any material obligation imposed by his employment agreement;

- being indicted for any felony or any misdemeanor that caused or was likely to cause harm or embarrassment to us, in the reasonable judgment of the Board;

• theft, embezzlement or fraud in connection with the performance of his duties;

• engaging in any activity that gave rise to a material conflict of interest with us;

• misappropriation of any of our material business opportunities;

• any failure to comply with, observe or carry out our or the Board's rules, regulations, policies or codes of ethics or conduct;

• substance abuse or illegal use of drugs that, in the reasonable judgment of the Board, impaired his performance or caused or was likely to cause harm or embarrassment to us; or

• engagement in conduct that he knew or should have known was injurious to us.

For purposes of Dr. Ramanathan's employment agreement, "good reason" generally means, without Dr. Ramanathan's prior written consent and unless we timely cured the good reason:

• our failure to comply with material obligations under his employment agreement; or

• a material reduction in his base salary.

For purposes of Dr. Ramanathan's employment agreement, "change in control" generally meant:

• an acquisition representing 50% or more of either our Common Stock or the combined voting power of our securities entitled to vote generally in the election of the Board; or

• the approval by our stockholders of (i) a complete liquidation or dissolution of the Company or (ii) the sale or other disposition (other than a merger or consolidation) of all or substantially all of our or our subsidiaries' assets.

Table of Contents

Under all circumstances, Dr. Ramanathan's unvested equity awards would have been forfeited as of the date of his termination unless otherwise provided in the award agreement. The employment agreement with Dr. Ramanathan provided that if any payment or benefit was subject to or result in the imposition of the excise tax imposed by Code Section 4999, then the amount of such payment or payments would have been reduced to the highest amount that may be paid by us without subjecting such payment to the excise tax.

Tabular Presentation. The following table quantifies the estimated payments and benefits that the Named Executive Officers would have received if their employment had terminated on December 31, 2017 under the circumstances shown or if we had undergone a change in control on such date. The tables exclude (i) compensation amounts accrued through December 31, 2017 that would be paid in the normal course of continued employment, such as accrued but unpaid salary and bonus, and (ii) vested account balances under our 401(k) plan that are generally available to all of our salaried employees.

Where applicable, the information in the table uses a fair market value per share of \$3.69 for our Common Stock, which is equal to the closing price of our Common Stock on December 29, 2017.

- (2) For Mr. Martindale, termination by the Company without cause includes termination by nonrenewal of his employment agreement.

Amounts shown assume that each Named Executive Officer received payment only from the applicable agreement or plan. Amounts have been calculated in accordance with the terms of the applicable agreements or plan. For terminations by the Company without cause, amounts will be paid in installments over a period not exceeding two (3) years following termination. For terminations in connection with a change of control, amounts will be paid in a lump sum upon termination. We have assumed that none of the payments or benefits provided to any Named Executive Officer would have been subject to or resulted in the imposition of the excise tax imposed by Code Section 4999. Accordingly, no reductions in such payments and benefits have been applied in the table above.

- For Mr. Martindale, payment includes an eighteen month COBRA payment in the following circumstances: Resignation for Good Reason, Termination by Company Without Cause, and Termination Without Cause or for Good Reason Following a Change of Control. For Dr. Ramanathan, payment includes a two month COBRA (4) payment less the cost of the premium payments in the following circumstances: Resignation for Good Reason and Termination by Company Without Cause and an eighteen month COBRA payment in the case of a Termination Without Cause or for Good Reason Following a Change of Control.

The value of Additional Stock Award Vesting represents the value at December 29, 2017 of all shares of restricted stock, restricted stock units (along with any dividend equivalents accrued on the restricted stock units), and earned (5) PSUs (along with dividend equivalents on the PSUs) that on that date were subject to service-based restrictions, which restrictions lapse on or after certain terminations of employment, including following a change in control, to the extent such restrictions would not lapse on retirement alone.

The 2007 Stock Plan, the 2011 Stock Plan and the 2015 Stock Plan provide that, in the event of a change in control, unvested stock-based awards generally may be fully vested, cancelled for fair value or substituted for awards that substantially preserve the applicable terms of such stock-based awards, and with respect to the 2015 Stock Plan may provide for a limited time period for awards to be exercised. We have assumed for purposes of the above tables that upon a change in control, equity-based awards would not be accelerated, and instead would be substituted for awards that substantially preserve the applicable terms of the stock-based awards.

We have not included Messrs. Moran, Dzura or Hennion in the table above because none of these Named Executive Officers were employed by us on December 31, 2017, and the amounts paid or payable in 2017 to Messrs. Moran, Dzura and Hennion in connection with their separation from employment with the Company are included in the Summary Compensation Table and the 2017 Option Exercises and Stock Vested Table and the related discussion above, including the Compensation Discussion and Analysis section of this proxy statement. For additional detail, see “Compensation Discussion and Analysis – Mr. Moran's Cessation as Interim Chief Executive Officer and Separation and Consulting Arrangement with Messrs. Dzura and Hennion.”

Pay-Ratio Disclosure

For 2017, the median of the annual total compensation for all our employees, within the United States and Canada, other than Mr. Martindale, was \$16,901. Since we had more than one non-concurrent Chief Executive Officers serving during 2017, we chose to annualize the compensation paid to Mr. Martindale, as he was serving as Chief Executive Officer on the date used for determining the median employee.

Table of Contents

Mr. Martindale's annualized Annual Total Compensation for 2017 was \$7,654,277 (see Paragraph 3 below for additional detail). The ratio of the Annual Total Compensation of our Chief Executive Officer to the median of the annual total compensation of the other employees included in this calculation is 453 to 1, which is a reasonable estimate calculated consistent with applicable rules.

In order to (1) identify the total number of the Company's employees, (2) determine the annual total compensation of our median employee, and (3) determine the Annual Total Compensation of our Chief Executive Officer, we did the following:

1. We selected November 1, 2017 as the date we would use to identify our median employee. As of that date, the Company's employee population consisted of approximately 15,986 individuals with 14,889 employees located within the United States and 1,097 employees located in jurisdictions outside of the United States, of which 86, 36, and 975 were located in Ireland, China, and Canada, respectively. We excluded the employees in Ireland and China for this calculation. The total number of employees of the Company utilized for the purposes of the pay-ratio calculation was 15,864.

2. To determine the median of the annual total compensation of all of these employees, excluding Mr. Martindale, we used the amount of wages, salary, bonuses, and other taxable compensation from the payroll records for 2017, for United States Employees, as reported on Form W-2, and for Canadian employees, as reported on Form T4. We identified our median employee using this compensation measure, which was consistently applied to all our employees included in the calculation.

a. In order to most accurately reflect the pay-ratio, the Company annualized the compensation of approximately 1,123 full-time employees and 3,989 part-time employees who were hired in 2017 and employed on November 1, 2017. In order to convert the total annual compensation of the employees located in Canada, who are paid in Canadian dollars, to U.S. dollars, we used the conversion rate of 0.79534 as of December 31, 2017 provided by xe.com.

b. Next, we ranked the compensation for the applicable employees from highest to lowest. The median employee was a part-time sales associate located in the United States with taxable compensation of \$16,901 for 2017 (the "Median Employee").

c. With respect to our Median Employee, we added together all of the elements of such employee's compensation for 2017 consistent with Item 402(c)(2)(x), resulting in annual total compensation of \$16,901. The Median Employee was not paid, and did not otherwise earn or receive any of the compensation elements that are reported in the "Stock Awards", "Option Awards", "Changes in Pension Value and Nonqualified Deferred Compensation Earnings", and "Other Compensation" columns of the Summary Compensation Table.

Table of Contents

In calculating the “Annual Total Compensation” of Mr. Martindale, we annualized his salary and all other recurring compensation, each as presented in the Summary Compensation Table. We did not annualize the equity awards, which were either make-whole awards or annual grants, in calculating Mr. Martindale’s Annual Total Compensation.

Additional Information. The required ratio was affected by Mr. Martindale’s sign-on make-whole awards, which represent grants intended to make him whole from the equity awards that he forfeited from his prior employer. In addition, the required ratio was affected by the larger number, approximately 9,742 as of November 1, 2017, of part-time associates whose total compensation is limited to amounts paid for part-time work.

APPROVAL OF THE ADOPTION OF THE GNC HOLDINGS, INC.
2018 STOCK AND INCENTIVE PLAN
(PROPOSAL 3)

The Company's 2015 Stock and Incentive Plan (the "2015 Plan") was originally established under the name GNC Holding, Inc. 2011 Stock and Incentive Plan and most recently adopted by the Company's Board of Directors, and approved by the Company's stockholders on May 21, 2015. The 2015 Plan was renamed the 2018 Stock and Incentive Plan (the "2018 Plan") and amended to reflect current best practices and subsequently adopted by the Board of Directors, upon recommendation by the Compensation Committee, on March 30, 2018, subject to stockholder approval.

The principal features of the 2018 Plan are summarized below. The summary is qualified in its entirety by the full text of the 2018 Plan, which is set forth as Exhibit A to this Proxy Statement. The principal amendment was to increase by 8,720,000 the total number of shares of the Company's common stock reserved for issuance as awards under the 2015 Plan. To further align compensation with performance, the 2018 Plan also requires a minimum one-year vesting requirement for awards, prohibits the payment of dividends on unvested awards and adds individual employee and non employee director annual award limitations.

The Board of Directors recommends that stockholders vote "FOR" approval of the 2018 Stock and Incentive Plan, as amended. Such approval will ensure the Company's continuing ability to provide a flexible range of compensation awards, including awards based upon performance criteria, under the 2018 Plan. Unless otherwise specified thereon, proxies received in the accompanying form will be voted in favor of approval of the 2018 Plan.

General

Purpose of the Plan. The purpose of the 2018 Plan is to enhance the profitability and value of the Company for the benefit of its stockholders by enabling the Company to offer eligible employees, consultants and non-employee directors incentive awards to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and the Company's stockholders. Employees, consultants and non-employee directors of the Company or any affiliate, are eligible to receive awards under the 2018 Plan. The Committee (as described in "Administration," below) will select which employees, consultants and non-employee directors will be participants, the types of awards to be made to participants and the terms, conditions and limitations applicable to the awards. All non-employee directors are expected to be participants. It is currently expected that approximately 150 employees and seven non-employee directors will be eligible to participate in the 2018 Plan.

Shares Available for Grant. The maximum aggregate number of shares of the Company's common stock, \$.001 par value (the "Common Stock") for which awards may be granted under the 2018 Plan is limited to the sum of (i) the number of shares available under the 2015 Plan immediately prior to stockholder approval of the 2015 Plan (as of February 28, 2018, 1,602,543 shares were available subject to the counting, substitution and adjustment provisions of the 2015 Plan), which shares shall remain available for the grant of awards under the 2018 Plan and (ii) 8,720,000 shares, all subject to adjustment as provided in the 2018 Plan for stock splits, dividends and similar events. The 2018 Plan provides that the number of shares represented by "full value" awards, which are awards for which a participant is not required to pay the fair market value, as measured on the grant date, are counted at a 1.8:1 premium against the remaining shares available. Common Stock which is subject to any unexercised or undistributed portion of any terminated, expired, exchanged or forfeited award (or awards settled in cash in lieu of Common Stock) will become available for grant pursuant to new awards. However, shares delivered or withheld in satisfaction of the exercise price of an award or any tax

Table of Contents

withholding will not become available for grant pursuant to new awards. Stock options and stock appreciation rights to be settled in shares of Common Stock are counted in full against the number of shares available for award under the 2018 Plan regardless of the number of shares issued upon exercise of the stock option or appreciation right as the result of a net settlement. The Common Stock which may be issued pursuant to an award under the 2018 Plan may be treasury shares or authorized but unissued shares or Common Stock acquired, subsequently or in anticipation of the transaction, in the open market or otherwise to satisfy the requirements of the 2018 Plan, or any combination of such shares.

In order to determine the number of shares of the Common Stock to be authorized under the 2018 Plan, the Compensation Committee and the Board considered the needs of the Company for shares and the potential dilution that awarding the requested shares may have on our existing stockholders. The Compensation Committee consulted with an independent compensation advisor, Pay Governance, in this regard. The Compensation Committee recommended that the Board authorize an additional 8,720,000 shares for issuance under the 2018 Plan. Because Proposal 3 does not contemplate the amount or timing of specific equity awards in the future, and because our historical usage may not be indicative of future requirements as our stock price has decreased, it is not possible to calculate with certainty the number of years of equity awards that will be available or the amount of subsequent dilution that may ultimately result from such awards. Based on historical usage, the equity requested under this proposal may last for up to five years. The rationale and practices of the Compensation Committee with respect to equity awards is set forth in “Compensation Discussion and Analysis” above.

The Compensation Committee and the Board also considered the burn rate with respect to the Company’s equity awards. The burn rate is the total equity awards granted by the Company in a fiscal year (sum of stock options granted, time-based shares and units granted, and performance-based shares and units vested based on actual performance), divided by the total common stock outstanding at the beginning of the year. In fiscal 2015, 2016 and 2017, the Company made equity awards representing a total of 192,516 shares, 921,508 shares and 3,592,408 shares, respectively. In 2017, our burn rate includes the inducement awards granted in connection with the appointment of our new Chief Executive Officer. Using the ISS Proxy Advisor Services methodology for calculating burn rate, the Company’s three-year average (ISS adjusted) burn rate for equity grants made in fiscal 2015, 2016 and 2017 was 2.67%. The Compensation Committee and the Board were satisfied that the Company’s burn rate and share usage over the past three years was at an acceptable level and reflective of the fluctuations in the stock price.

An additional metric that the Compensation Committee and the Board used to measure the cumulative dilutive impact of the 2018 Plan is overhang. Overhang is defined as the sum of outstanding stock options and full value awards and the number of shares available for future grant, divided by the total number of outstanding shares. As of February 28, 2018, the Company had 4,899,346 shares subject to outstanding stock options and full value awards, plus 1,602,543 shares available for future issuance under the 2015 Plan and 800,941 shares subject to outstanding stock options and full-value awards under outstanding inducement awards. As of that date, the Company had 83,663,403 outstanding shares of the Common Stock, resulting in an overhang of 8.7%. The following table illustrates the dilutive impact of the 2018 Plan as of February 28, 2018. As illustrated in the table, the proposed request for 8,720,000 additional shares would increase the overhang by 10.4% of outstanding shares of Common Stock.

Common Shares Outstanding (CSO) as of February 28, 2018	83,663,403	-

(1) The weighted average exercise price of outstanding stock options is \$11.17 and the weighted average remaining term of outstanding stock options is 8.4 years.

(2) This number includes the 519,126 option and 281,815 full value inducement awards granted in connection with the commencement of our Chief Executive Officer's employment, which were not issued under any stockholder approved plan.

Awards. The 2018 Plan provides for the grant of incentive stock options ("ISOs"), as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and options which do not qualify as ISOs, known as nonqualified stock options ("NSOs," and, together with ISOs, "options"), but not in tandem. Options granted under the 2018 Plan may be accompanied by stock appreciation rights ("Tandem SARs"), and stock appreciation rights may be granted alone ("Stand Alone SARs," and, together with Tandem SARs, "SARs"). Performance shares, performance share units and performance-based cash awards (collectively, "Performance Awards") may also be granted under the 2018 Plan, which Performance Awards may be contingent on the performance of the Company, a subsidiary, affiliate, any division, operational unit, department, business segment or portion thereof or a participant, or any combination thereof. The 2018 Plan also provides for the granting of restricted stock, restricted stock units and other stock-based awards. All of the foregoing grants are sometimes referred to herein as "awards," and the recipient of any award or grant is sometimes referred to herein as a "grantee." The participants in the 2018 Plan will consist of those employees, consultants and non-employee directors of the Company and its affiliates who are designated as grantees by the Committee administering the 2018 Plan, as described below.

The minimum vesting schedule applicable to awards provides for vesting over a service period of no less than one year, with ratable vesting only permitted following the one year anniversary of grant, except in the case of a participant's death or disability and except that this limitation does not apply to awards granted for up to an aggregate of five percent of the maximum number of shares of Common Stock that may be issued under the 2018 Plan, which may be issued without minimum vesting requirements. No dividend equivalents may be paid with respect to options, SARs, or any purchase rights. For other awards that provide for or include a right to dividends or dividend equivalents, if dividends are declared during the period that the award is outstanding, such dividends (or dividend equivalents) may be accumulated subject to the vesting requirements applicable to the award, but may not be paid until the time the vesting requirements are satisfied.

The number of shares available under the 2018 Plan, any outstanding awards and individual per-employee share limits are automatically adjusted in the event of stock dividends and similar events. In the event the shares of Common Stock have been affected in such a way that an adjustment of outstanding awards is appropriate in order to prevent the dilution or enlargement of rights under the awards (including, without limitation, any extraordinary dividend or other distribution (whether in cash or in kind), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off,

Table of Contents

combination, repurchase, or share exchange, or other similar corporate transaction or event), the Committee will make appropriate equitable adjustments, which may include, without limitation, adjustments to any or all of the number and kind of shares of stock (or other securities) which may thereafter be issued in connection with such outstanding awards and adjustments to any exercise price specified in the outstanding awards and will also make appropriate equitable adjustments to the number and kind of shares of stock (or other securities) authorized by, or to be granted under, the 2018 Plan.

Awards are subject to forfeiture and recoupment pursuant to the Company's recoupment policy or if a 2018 Plan participant engages in misconduct or violation of any Company policy, and incentive-based compensation otherwise payable or paid to current or former executive officers is forfeited and/or repaid to the Company as may be required pursuant to applicable regulatory requirements.

No awards may be granted under the 2018 Plan, as amended, after March 29, 2028.

Administration

The 2018 Plan will be administered by the Compensation Committee (for purposes of Proposal 3, the "Committee"), consisting of not less than two members of the Board. Each member of the committee must be a "non-employee director" as defined in Rule 16b-3 under the Securities Exchange Act of 1934 (the "Exchange Act"), an independent director under the rules of any stock exchange on which the Common Stock may be listed and under any other applicable regulatory requirements and, to the extent required for purposes of compliance with transitional rules under Section 162(m) of the Code, an "outside director" as defined in Section 162(m) of the Code prior to its amendment effective on January 1, 2018. However the Board will administer the 2018 Plan and otherwise exercise the same authority as the Committee, with respect to grants to non-employee directors. As used herein with respect to awards granted to non-employee directors, the term Committee refers to the Board.

A majority of the members of the Committee will constitute a quorum. The vote of a majority of a quorum (or the unanimous written consent of the Committee members) will constitute action by the Committee. The Committee will periodically determine the participants in the 2018 Plan and the nature, amount, pricing, timing, and other terms of awards to be made to such individuals. The Committee has the power to interpret and administer the 2018 Plan. All questions of interpretation with respect to the 2018 Plan, the number of shares of Common Stock or other securities, stock options, stock appreciation rights, or units granted, and the terms of any agreements evidencing such awards will be determined by the Committee, and its determination will be final and conclusive upon all parties in interest. In the event of any conflict between an award agreement and the 2018 Plan, the terms of the 2018 Plan govern. The Committee may delegate to the officers or employees of the Company the authority to execute and deliver such instruments and documents, to do all such ministerial acts and things, and to take all such other ministerial steps deemed necessary, advisable or convenient for the effective administration of the 2018 Plan in accordance with its terms and purpose.

Stock Options

Options which may be granted by the Committee represent a right to purchase a specified number of shares of Common Stock at a specified price during such period of time as the Committee determines. The exercise price per share of Common Stock of any option will be no less than the fair market value per share of the Common Stock subject to the option on the date the option is granted. Fair market value, for purposes of the 2018 Plan, is the closing price per share of the Company's Common Stock on the New York Stock Exchange for the date as of which fair market value is to be determined. On March 26, 2018 the fair market value of a share of the Company's Common Stock was \$4.00. The maximum number of shares of Common Stock for which options, SARs and other purchase rights constituting

Table of Contents

appreciation awards under the 2018 Plan can be granted to any one employee under the 2018 Plan may not exceed 1,500,000 shares per fiscal year of the Company.

An option may be exercised, in whole or in part, by giving written notice of exercise to the Company, specifying the number of shares to be purchased. At the discretion of the Committee, the exercise price of the option may be paid in cash, by cash forwarded through a broker or other agent sponsored exercise or financing program, through a combination of the foregoing, or through such other means as the Committee determines are consistent with the 2018 Plan's purpose and applicable law, including the net withholding of shares to be issued upon exercise or by payment of the exercise price with previously owned shares.

For ISOs, the aggregate fair market value (determined on the date of grant) of the shares with respect to which ISOs are exercisable for the first time by an employee during any calendar year under all plans of the corporation employing such employee, any parent or subsidiary corporation of such corporation and any predecessor corporation of any such corporation will not exceed \$100,000.

Subject to the foregoing and the other provisions of the 2018 Plan, stock options granted under the 2018 Plan may be exercised at such times and in such amounts and be subject to such restrictions and other terms and conditions, if any, as determined in its discretion by the Committee.

Stock Appreciation Rights

A SAR is a right to receive, upon surrender of the right, an amount payable in cash and/or shares of Common Stock under such terms and conditions as the Committee determines. A SAR may be granted in tandem with part or all of (or in addition to, or completely independent of) an option or any other award under the 2018 Plan. A SAR issued in tandem with a stock option may only be granted at the time of grant of the related option. A SAR issued in tandem with an ISO is not exercisable unless the then fair market value of the Common Stock exceeds the exercise price of the ISO. The amount payable in cash and/or shares of Common Stock with respect to each SAR will be equal in value to a percentage (including up to a maximum of 100%) of the amount by which the fair market value per share of Common Stock on the exercise date exceeds the fair market value per share of Common Stock on the date of grant of the SAR. The applicable percentage will be established by the Committee. The exercise price of any SAR will be no less than the fair market value per share of the Common Stock subject to the SAR on the date the SAR is granted. The agreement evidencing the award may state whether the amount payable is to be paid wholly in cash, wholly in shares of Common Stock or partly in each. If the award agreement does not state the manner of payment, the Committee will determine the manner of payment at the time of payment. The amount payable in shares of Common Stock, if any, is determined with reference to the fair market value per share of Common Stock on the date of exercise. Tandem SARs are exercisable only to the extent that the options to which they relate are exercisable. Upon exercise of the Tandem SAR, and to the extent of such exercise, the participant's underlying option will automatically terminate. Similarly, upon the exercise of the tandem option, and to the extent of such exercise, the participant's related SAR will automatically terminate.

Repricing Prohibited

The 2018 Plan prohibits repricing of options, SARs or other purchase rights without further stockholder approval. Repricing includes the grant of a new option, SAR or purchase right in return for the cancellation, exchange or forfeiture of an award that has a higher grant price than the new award, the amendment of an outstanding award to reduce the grant price, the cancellation or repurchase of an option, SAR or purchase right at a time when the grant price is greater than the fair market value of the Common Stock or any action that would be treated, for accounting purposes, as a repricing and excepting

only share adjustments or substitutions under the anti-dilution and adjustment provisions of the 2018 Plan explained under “General,” above.

Other Terms of Options and SARs

No dividend equivalents may be paid or advanced in connection with any option, SAR or other purchase right. The term of any option, SAR or other purchase right may not exceed ten years from the date of grant.

Unless otherwise provided in a grantee’s award agreement, the following provisions of this paragraph will apply in the case of a grantee whose employment is terminated. If the employment of a grantee is terminated for reasons other than (i) voluntary termination after the occurrence of an event that would be grounds for a termination for cause, (ii) termination for cause, (iii) disability or (iv) death, all outstanding options, SARs and other appreciation awards held by the grantee immediately prior to termination of employment will be exercisable by the grantee (but only to the extent exercisable immediately prior to termination of employment) at any time prior to the expiration date of the option, SARs and other appreciation awards or within sixty days following the date of termination, whichever is the shorter period.

Following the death of a grantee during employment or termination due to disability, all outstanding options, SARs and other appreciation awards held by the grantee immediately prior to termination (but only to the extent exercisable immediately prior to the death of the grantee or termination due to disability) will be exercisable by the grantee or by the person entitled to do so under the Will of the grantee, at any time prior to the expiration date of the option, SAR or other appreciation award or within one year after the date of death of the grantee or termination due to disability, whichever is the shorter period.

Following the termination of a grantee’s employment for cause, or voluntary termination after an event that would constitute grounds for termination for cause, all outstanding options held by the grantee immediately prior to termination (whether or not exercisable) will be immediately forfeited.

Restricted Stock and Restricted Stock Units

Restricted stock is Common Stock that is issued to a participant and is subject to such terms, conditions and restrictions as the Committee deems appropriate, which may include, but are not limited to, restrictions upon the sale, assignment, transfer or other disposition of the restricted stock and the requirement of forfeiture of the restricted stock upon termination of employment or service under certain specified conditions, including the failure to achieve performance conditions. Restricted stock units are units representing shares of Common Stock that are issued to a participant and are subject to such terms and conditions as the Committee deems appropriate, which may include, but are not limited to, restrictions upon sale, assignment, transfer or other disposition of the restricted stock units and the requirement of forfeiture of the restricted stock units upon termination of employment or service under certain specified conditions, including the failure to achieve performance conditions. The Committee may provide for the lapse of any such term or condition or waive any term or condition based on such factors or criteria as the Committee may determine, provided that the Committee will not accelerate the vesting of, or waive the restrictions with respect to, restricted stock except in the case of death, disability, retirement, involuntary termination other than for cause, or change in control. Subject to such restrictions as the Committee may impose, the participant will have, with respect to awards of restricted stock, all of the rights of a stockholder of the Company, including the right to vote the restricted stock and the right to receive any dividends on such stock, provided that no dividends may be paid, and are conditioned upon, the vesting of the restricted stock dividend. With respect to awards of restricted stock

units, the participant will have no rights of stockholders until shares of Common Stock are issued in satisfaction thereof, but may have dividend equivalent rights, as determined by the Committee, except that no dividends equivalent rights may be paid until, and are conditioned upon, the vesting of the restricted stock unit award.

If the grantee of restricted stock or restricted stock units ceases to be an employee for any reason, any outstanding shares of restricted stock or restricted stock units held by the grantee will vest or be forfeited according to the terms of the award agreements.

Performance Shares, Performance Share Units and Performance-Based Cash Awards

Performance Shares, Performance Share Units, and Performance-Based Cash Awards may be granted under the 2018 Plan from time to time based on such terms and conditions as the Committee deems appropriate, consistent with the terms and purposes of the 2018 Plan. Performance Shares, Performance Share Units and Performance-Based Cash Awards are awards the payment or vesting of which is contingent upon the achievement of specified levels of performance under specified performance criteria during a performance period by the Company, an affiliate, subsidiary, division, other operational unit, business segment, administrative department of the Company or the participant individually.

The performance criteria to be used in determining whether a Performance Award has been earned, the level of achievement of such performance criteria necessary for the Performance Award to be earned in whole or in part, and the performance period over which such performance will be measured will be determined by the Committee at the time a Performance Award is granted. Such performance criteria will be one or more preestablished objective measures of performance during the performance period by the Company, an affiliate, a subsidiary or subsidiaries, division, business segment, any branch, department, business unit or other portion thereof or the participant individually. Performance goals may be based on the following performance criteria:

- enterprise value or value creation targets;
- after-tax or pre-tax profits, including without limitation as attributable to continuing and/or other operations of the Company;
- operational cash flow or economic value added;
- specified objectives with regard to limiting the level of increase in all or a portion of, the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, or other capital structure improvements, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee;
- earnings per share or earnings per share from continuing operations;
- sales (domestic and/or international), operating performance and revenues, net income, gross margin, operating income or earnings before income tax or other exclusions;
- return on capital employed, return on invested capital, gross margin return on inventory, or return on assets;
- total shareholder return, including after-tax or pre-tax return on stockholder equity;

Table of Contents

- the fair market value or book value of the shares of the Company's Common Stock;
 - the growth in the value of an investment in the Company's Common Stock assuming the reinvestment of dividends, dividend growth or market capitalization;
 - a transaction that results in the sale of stock or assets of the Company;
 - earnings before interest, taxes plus amortization and depreciation;
 - earnings before interest and taxes (EBIT);
 - reduction in expenses or cost savings;
 - strategic objectives including management development, new product development and introduction;
 - individual Participant goals and objectives, including management development, new product development and introduction; or
- any financial metric set forth in the 2018 Plan or in the Company's financial statements as a percentage of another financial metric.

The Committee may in its discretion also determine to use other objective performance measures as performance criteria for awards.

If a grantee ceases to be employed for any reason during the performance period of any Performance Award, any shares or amounts will vest or be forfeited according to the terms of the Performance Award agreement.

Other Stock Based Awards

The Committee is authorized to grant such other stock-based awards, either alone or in addition to other awards granted under the 2018 Plan to eligible participants.

The Committee shall determine the terms and conditions of other stock-based awards, subject to the same one-year minimum vesting requirements applicable to other awards. Any shares of common stock or securities delivered pursuant to a purchase right granted under the 2018 Plan shall be purchased for such consideration, paid for by such methods and in such forms, including, without limitation, cash, shares of common stock, or other property or any combination thereof, as the committee shall determine. However, for purchase rights the value of such consideration shall not be less than the fair market value of such shares of common stock or other securities represented by the purchase right on the date of grant. Dividends or dividend equivalents may be granted with respect to other stock-based awards except for purchase rights, provided that no dividends or dividend equivalents may be paid until, and are conditioned upon, the vesting of other stock-based awards.

Individual Limitations

The 2018 Plan provides that the maximum amount of awards that may be granted to a non-employee director in any calendar year in respect of the non-employee director's service as a member of the Board, including service as a member or chair of any committees of the Board, may not exceed \$500,000, with the value of any award based on the accounting grant date value of such award. For employees and consultants, the maximum number of shares of Restricted Stock or Performance

Table of Contents

Shares awarded or shares represented under any Restricted Stock Unit or Performance Share Unit during any calendar year is 800,000 shares per award type, subject to adjustment as provided in the 2018 Plan, and the maximum payment under any Performance Based Cash Award payable with respect to any calendar year is \$5,000,000.

Effect of Change in Control

Notwithstanding any other provision of the 2018 Plan to the contrary, and unless the award agreement otherwise provides, in the event the employment of a participant is terminated by the Company and its affiliates without “cause” within two years following the occurrence of a Change in Control of the Company (as defined in Section 2.7 of the 2018 Plan), (i) all options, stock appreciation rights and other appreciation awards which are then outstanding will become fully vested and exercisable and (ii) all restrictions with respect to shares of restricted stock and shares represented by restricted stock units or other stock-based awards which are then outstanding will lapse, and such shares will be fully vested and nonforfeitable. Notwithstanding any other provision of the 2018 Plan to the contrary, and unless the award agreement provides otherwise, if a Change in Control of the Company occurs prior to the end of the Performance Period, with respect to all Performance Awards which are then outstanding, all uncompleted Performance Periods will be deemed to have been completed, the target level of performance set forth with respect to each criteria under such Performance Awards will be deemed to have been attained and a pro rata portion (based on the ratio of (a) the number of full and partial months which have elapsed from the beginning of the Performance Period through the Change in Control to (b) the number of months originally contained in the Performance Period) of each such Performance Award will become payable to the participant, with the remainder of the Performance Award being converted into restricted stock (in the case of Performance Shares) or restricted stock units (in the case of other performance awards), subject to the forfeiture unless the participant continues to be actively employed by the Company through the end of the original Performance Period, but subject to an exception in the case of a termination of employment by the Company without “cause” and such other exceptions as may be provided by the Committee.

Non-Transferability

Awards are not transferable under the 2018 Plan. However, in the Committee’s discretion, an award agreement for an NSO and a Tandem SAR may expressly provide for specifically limited transferability to individual family members of the awardee, provided that transfers for value are not permitted and no transfer may be made to third-party financial institutions.

Possible Anti-Takeover Effect

The provisions of the 2018 Plan providing for the potential acceleration of the vesting of awards, or the lapse of restrictions or deemed achievement of performance criteria upon the occurrence of a Change in Control, may be considered as having an anti-takeover effect.

Amendment and Termination

The Board may at any time amend, suspend or terminate the 2018 Plan. The Committee may at any time alter or amend any or all award agreements under the 2018 Plan to the extent permitted by law. However, no such action by the Board or by the Committee may impair the rights of participants under outstanding awards without the consent of the participants affected thereby. Further, the Board may not amend the 2018 Plan without the approval of the Company’s stockholders to the extent such approval is required by law, agreement or the rules of any exchange upon which the Common Stock is listed.

Payment of Taxes

Award agreements will contain a provision requiring the withholding of applicable taxes required by law from all amounts paid to the participant in satisfaction of an award. In the case of an award paid in cash, the withholding obligation will be satisfied by withholding the applicable amount and paying the net amount in cash to the participant. In the case of awards paid in shares of Common Stock or other securities of the Company, (i) a participant may satisfy the withholding obligation by paying the amount of any taxes in cash, or (ii) with the approval of the Committee (or, in case of deduction, by the unilateral action of the Committee), shares of Common Stock or other securities may be deducted by the Company from the payment or delivered to the Company by the participant to satisfy the obligation in full or in part, as long as such withholding or delivery of shares of Common Stock or other securities does not violate any applicable laws, rules or regulations of federal, state or local authorities or Company policies. The number of shares or other securities to be deducted or delivered will be determined by reference to the fair market value of such shares or securities on the applicable date.

New Plan Benefits

The actual amount of awards to be received by or allocated to participants or groups under the 2018 Plan is not determinable in advance because the selection of participants who receive awards under the 2018 Plan, and the size and type of awards to such individuals and groups are generally determined by the Committee in its discretion. The Grants of Plan Based Awards Table, above, includes information with respect to prior year grants made to our Named Executive Officers under the 2015 Plan and under inducement awards not granted pursuant to the 2015 Plan. The grants provided to (i) all current executive officers as a group, (ii) all current directors who are not executive officers as a group, and (iii) all employees, including current officers who are not executive officers, as a group, during 2017 under the 2015 Plan, the predecessor plan to the 2018 Plan, and under inducement awards not granted pursuant to the 2015 Plan, are set forth in the following table:

	Dollar value (\$)	Number of units
Executive Group	9,458,633	1,584,098
Non-Executive Director Group	3,467,993	842,363

2015 Stock Plan	1,978,821	\$ 12.51	4,627,292 (2)(3)

Total (6)	2,605,167	\$ 11.79	4,627,292

(1) Effective May 21, 2015, our 2011 Stock Plan was amended and restated as the 2015 Stock Plan. The 2007 Stock Plan and the 2015 Stock Plan are the only equity compensation plans that we have adopted and each has been approved by our stockholders. As of February 28, 2018, for equity compensation plans approved by security holders, the number of securities to be issued upon the exercise of outstanding options, warrants and rights was 2,484,138, the weighted average exercise price was \$11.63, and the number of securities remaining available for future issuance was 1,602,543.

(2) Excludes 1,978,821 outstanding stock options as set forth in the first column, 96,969 shares of outstanding time vested restricted stock, zero shares of performance vesting restricted stock, 660,596 shares of outstanding time vesting restricted stock units and 367,150 of market vesting restricted stock units.

(3) Up to 11,500,000 shares of our Common Stock may be issued under the 2015 Stock Plan (subject to adjustment to reflect certain transactions and events specified in the 2015 Stock Plan for any award grant). If any award granted under the 2015 Stock Plan expires, terminates or is canceled without having been exercised in full, the number of shares underlying such unexercised award will again become available for issuance under the 2015 Stock Plan. The total number of shares of our Common Stock available for awards under the 2015 Stock Plan will be reduced by (i) the total number of stock options or stock appreciation rights exercised, regardless of whether any of the shares of our Common Stock underlying such awards are not actually issued to the participant as the result of a net settlement and (ii) any shares of our Common Stock used to pay any exercise price or tax withholding obligation. In addition, the number of shares of our Common Stock that are subject to restricted stock, performance shares or other stock-based awards that are not subject to the appreciation of the value of a share of our Common Stock (“Full Share Awards”) is limited by counting shares granted pursuant to such Full Share Awards against the aggregate share reserve as 1.8 shares for every share granted. If any stock option, stock appreciation right or other stock-based award that is not a Full Share Award is canceled, expires or terminates unexercised for any reason, the shares covered by such awards will again be available for issuance under the 2015 Stock Plan. If any shares of our Common Stock that are subject to Full Share Awards are forfeited for any reason, 1.8 shares of our Common Stock will again be available for issuance under the 2015 Stock Plan. As of February 28, 2018, the number of securities remaining available for future issuance under the 2015 Stock Plan was 1,602,543.

(4) The Company's non-shareholder approved plan is the inducement exception plan pursuant to NYSE rules for awards granted to Mr. Martindale on September 11, 2017 pursuant to his employment agreement (“Inducement Exception Awards”), under which no further grants may be made. The Inducement Exception Awards were made

pursuant to the inducement award exception under the NYSE rules to induce an executive officer to join the Company. These awards were granted to Mr. Martindale

pursuant to his employment agreement and were made in order to attract and retain an executive of his unique caliber and experience. Refer to Item 8, “Financial Statements and Supplementary Data,” Note 14, “Stock-Based Compensation” for details of the non-plan inducement awards.

(5) Excludes 519,126 stock options as set forth in the first column.

(6) As of February 28, 2018, there were a total of 3,003,264 outstanding stock options with a weighted average exercise price of \$11.17 and a weighted average remaining term of 8.4 years, reflecting 2,484,138 options outstanding under shareholder-approved plans plus 519,126 options outstanding under the inducement exception plan. As of February 28, 2018, there were a total of 2,697,023 full-value awards outstanding, reflecting 2,415,208 shares outstanding under shareholder-approved plans plus 281,815 shares outstanding under the inducement exception plan.

Federal Income Tax Consequences

The following is a brief summary of the principal Federal income tax consequences of the grant and exercise of awards under present law.

Incentive Stock Options. An optionee will not recognize any taxable income for Federal income tax purposes upon receipt of an ISO or, generally, at the time of exercise of an ISO. The exercise of an ISO generally will result in an increase in an optionee’s taxable income for alternative minimum tax purposes.

If an optionee exercises an ISO and does not dispose of the shares received in a subsequent “disqualifying disposition” (generally, a sale, gift or other transfer within two years after the date of grant of the ISO or within one year after the shares are transferred to the optionee), upon disposition of the shares any amount realized in excess of the optionee’s tax basis in the shares disposed of will be treated as a long-term capital gain, and any loss will be treated as a long-term capital loss. In the event of a “disqualifying disposition,” the difference between the fair market value of the shares received on the date of exercise and the option price (limited, in the case of a taxable sale or exchange, to the excess of the amount realized upon disposition over the optionee’s tax basis in the shares) will be treated as compensation received by the optionee in the year of disposition. Any additional gain will be taxable as a capital gain and any loss as a capital loss, which will be long-term or short-term depending on whether the shares were held for more than one year. Under regulations, special rules apply in determining the compensation income recognized upon a disqualifying disposition if the option price of the ISO is paid with shares of the Company’s Common Stock. If shares of the Company’s Common Stock received upon the prior exercise of an ISO are transferred to the Company in payment of the option price of an ISO within either of the periods referred to above, the transfer will be considered a “disqualifying disposition” of the shares transferred, but, under proposed regulations, only compensation income determined as stated above, and no capital gain or loss, will be recognized.

Neither the Company nor any of its subsidiaries will be entitled to a deduction with respect to shares received by an optionee upon exercise of an ISO and not disposed of in a “disqualifying disposition.” Except as described in “Other Tax Matters” below, if an amount is treated as compensation received by an optionee because of a “disqualifying disposition,” the Company or one of its subsidiaries generally will be entitled to a corresponding deduction in the same amount for compensation paid.

Nonqualified Stock Options. An optionee will not recognize any taxable income for Federal income tax purposes upon receipt of a NSO. Upon the exercise of a NSO the amount by which the fair market value of the shares received, determined as of the date of exercise, exceeds the option price will

Table of Contents

be treated as compensation received by the optionee in the year of exercise. If the option price of a NSO is paid in whole or in part with shares of the Company's Common Stock, no income, gain or loss will be recognized by the optionee on the receipt of shares equal in value on the date of exercise to the shares delivered in payment of the option price. The fair market value of the remainder of the shares received upon exercise of the NSO, determined as of the date of exercise, less the amount of cash, if any, paid upon exercise will be treated as compensation income received by the optionee on the date of exercise of the stock option.

Except as described in "Other Tax Matters" below, the Company or one of its subsidiaries generally will be entitled to a deduction for compensation paid in the same amount treated as compensation received by the optionee.

Stock Appreciation Rights. An awardee will not recognize any taxable income for Federal income tax purposes upon receipt of SARs. The value of any Common Stock or cash received in payment of SARs will be treated as compensation received by the awardee in the year in which the awardee receives the Common Stock or cash. Except as described in "Other Tax Matters" below, the Company generally will be entitled to a corresponding deduction in the same amount for compensation paid.

Restricted Stock. An awardee of restricted stock will not recognize any taxable income for Federal income tax purposes in the year of the award, provided the shares are subject to restrictions (that is, they are nontransferable and subject to a substantial risk of forfeiture). However, an awardee may elect under Section 83(b) of the Code to recognize compensation income in the year of the award in an amount equal to the fair market value of the shares on the date of the award, determined without regard to the restrictions. If the awardee does not make a Section 83(b) election, the fair market value of the shares on the date the restrictions lapse will be treated as compensation income to the awardee and will be taxable in the year the restrictions lapse. Except as described in "Other Tax Matters" below, the Company or one of its subsidiaries generally will be entitled to a deduction for compensation paid in the same amount treated as compensation income to the awardee.

Restricted Stock Units. An awardee who receives restricted stock units will not recognize any taxable income for federal income tax purposes upon receipt of the award. Any cash or shares of Common Stock received pursuant to the award will be treated as compensation income received by the awardee generally in the year in which the awardee receives such cash or shares of Common Stock. Except as described in "Other Tax Matters" below, the Company or one of its subsidiaries generally will be entitled to a deduction for compensation paid in the same amount treated as compensation income to the awardee.

Performance Awards. An awardee who receives performance shares, performance share units or a performance based cash award will not recognize any taxable income for federal income tax purposes upon receipt of the shares, units or award. The fair market value of the shares on the date the performance condition is determined to be achieved will be treated as compensation income to the awardee and will be taxable in the year the performance condition is achieved (if the awardee does not make a Section 83(b) election upon the receipt of the performance shares, in which case the awardee would recognize compensation income on the date of the award). Any cash received pursuant to a performance based cash award will be treated as compensation income received by the awardee generally in the year in which the awardee receives such cash. Except as described in "Other Tax Matters" below, the Company or one of its subsidiaries generally will be entitled to a deduction for compensation paid in the same amount treated as compensation income to the awardee.

Other Tax Matters. The exercise by an awardee of a stock option or stock appreciation right, the lapse of restrictions on restricted stock or restricted stock units or the achievement or fulfillment of

Table of Contents

performance shares, performance share units or performance based cash awards following the occurrence of a Change in Control, in certain circumstances, may result in (i) a 20% Federal excise tax (in addition to Federal income tax) to the awardee on certain payments of the Company's Common Stock or cash resulting from such exercise or deemed achievement or fulfillment of performance awards or, in the case of restricted stock or restricted stock units on all or a portion of the fair market value of the shares on the date the restrictions lapse and (ii) the loss of a compensation deduction which would otherwise be allowable to the Company or one of its subsidiaries as explained above. The Company and its subsidiaries may lose a compensation deduction, which would otherwise be allowable, for all or a part of compensation paid in the form of awards under the 2018 Plan, if, the employee is the Chief Executive Officer or Chief Financial Officer of the Company (or acts in such capacity) or is another "covered employee" as defined under the Code or was such an employee beginning in any year after 2017, if the total compensation paid to such employee exceeds \$1,000,000.

AUDIT COMMITTEE REPORT

The Board has determined that each member of the Audit Committee meets the SEC and the NYSE independence and financial literacy requirements. The Board has also determined that each of Messrs. Berger, Hines and Mallott qualifies as an “audit committee financial expert.”

The Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2017 with both management and the independent auditors. The Audit Committee discussed the auditors’ review of our quarterly financial information with the auditors prior to the release of such information and the filing of our quarterly reports with the SEC.

Further, the Audit Committee discussed with the independent auditors the matters required to be discussed by Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 1301 (Communications with Audit Committees), received the written disclosures and the letter from the independent auditors required by applicable requirements of the PCAOB regarding the independent accountant’s communications with the Audit Committee concerning independence and discussed with the auditors the auditors’ independence. The Audit Committee also discussed with the auditors financial management matters related to our internal control over financial reporting. Based on these discussions, the Audit Committee’s review of our audited financial statements for the year ended December 31, 2017 and the written disclosures received from the independent auditors, the Audit Committee recommended that the Board include the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

This audit committee report is not deemed filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and is not incorporated by reference into any filings that we may make with the SEC.

(a) The Committee may, in its sole discretion and to the extent permitted by applicable law and applicable exchange rules, designate employees of the Company and professional advisors to assist the Committee in the administration of the Plan and may grant authority to officers to execute agreements or other documents on behalf of the Committee.

(b) The Committee may, in its sole discretion, employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or the Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. The Committee, its members and any person designated pursuant to this Section 3.6 shall not be liable for any action or determination made in good faith with respect to the Plan. To the maximum extent permitted by applicable law, no officer of the Company or member or former member of the Committee or of the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under it.

3.7 Indemnification. To the maximum extent permitted by applicable law and the Certificate of Incorporation and By Laws of the Company and to the extent not covered by insurance directly insuring such person, each officer or employee of the Company or any Affiliate and member or former member of the Committee or the Board shall be indemnified and held harmless by the Company against any cost or expense (including reasonable fees of counsel reasonably acceptable to the Committee) or liability (including any sum paid in settlement of a claim with the approval of the Committee), and advanced amounts necessary to pay the foregoing at the earliest time and to the fullest

extent permitted, arising out of any act or omission to act in connection with the administration of the Plan, except to the extent arising out of such officer's, employee's, member's or former member's own fraud or bad faith. Such indemnification shall be in addition to any rights of indemnification the employees, officers, directors or members or former officers, directors or members may have under applicable law or under the Certificate of Incorporation or By Laws of the Company or any Affiliate. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to him or her under the Plan.

ARTICLE IV.

SHARE LIMITATIONS

4.1 Shares

(a) General Limitations. The aggregate number of shares of Common Stock that may be issued or used for reference purposes or with respect to which Awards may be granted under this Plan is the sum of (i) the number of shares of Common Stock available under the Plan immediately prior to shareholder approval of this Plan as amended, which shares shall remain available for grants of Awards, and (ii) 8,720,000 shares of Common Stock (subject to any increase or decrease pursuant to Section 4.2), which may be either authorized and unissued Common Stock or Common Stock held in or acquired for the treasury of the Company or both. Any shares of Common Stock that are subject to Restricted Stock, Restricted Stock Units, Performance Awards or Other Stock-Based Awards that are not Appreciation Awards shall be counted against this limit as 1.8 shares for every share granted. If any Option, Stock Appreciation Right or Other Stock-Based Award that is an Appreciation Award granted under this Plan expires, terminates or is canceled for any reason without having been exercised in full, the number of shares of Common Stock underlying any unexercised Award shall again be available for the purpose of Awards under this Plan. If any shares of Restricted Stock, Restricted Stock Units, Performance Awards or Other Stock-Based Awards that are not Appreciation Awards granted under this Plan to a Participant are forfeited for any reason, 1.8 shares of Common Stock shall again be available for the purposes of Awards under this Plan. If a Tandem Stock Appreciation Right or a Limited Stock Appreciation Right is granted in tandem with an Option, such grant shall only apply once against the maximum number of shares of Common Stock which may be issued under this Plan. The number of shares of Common Stock available for the purpose of Awards under this Plan shall be reduced by (i) the total number of Stock Options or Stock Appreciation Rights exercised, regardless of whether any of the shares of Common Stock underlying such Awards are not actually issued to the Participant as the result of a net settlement, and (ii) any shares of Common Stock used to pay any exercise price or tax withholding obligation with respect to any Award. In addition, the Company may not use the cash proceeds it receives from Stock Option exercises to repurchase shares of Common Stock on the open market for reuse under this Plan. Awards that may be settled solely in cash shall not be deemed to use any shares of Common Stock which may be issued under this Plan.

(b) Individual Participation Limitations. The individual limits on Awards that may be granted under the Plan set forth in this Section 4.1(b) shall be effective for all Awards granted following shareholder approval of the Plan, as amended:

(i) The maximum number of shares of Common Stock subject to Stock Options, Stock Appreciation Rights and other purchase rights constituting Appreciation Awards which may be granted under this Plan during any fiscal year of the Company to each Eligible Employee or Consultant shall not exceed 1,500,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2). If a Tandem Stock Appreciation Right is granted or a Limited Stock Appreciation Right is granted in

tandem with a Stock Option, it shall apply against the Eligible Employee's or Consultant's individual share limitations.

(ii) For Eligible Employees and Consultants, the maximum number of shares of Restricted Stock or Performance Shares awarded or shares represented under any Restricted Stock Unit or Performance Share Unit during any calendar year shall be 800,000 shares per award type, subject to adjustment as provided in the Plan. The maximum payment under any Performance Based Cash Award payable with respect to any calendar year to each Eligible Employee or Consultant shall be \$5,000,000.

(iii) No Non Employee Director may be granted in any calendar year Awards in respect of the Non-Employee Director's service as a member of the Board, including service as a member or chair of any committees of the Board, with a value in excess of \$500,000, with the value of any Award based on the accounting grant date value of such Award.

4.2 Changes.

(a) The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger or consolidation of the Company or any Affiliate, (iii) any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock, (iv) the dissolution or liquidation of the Company or any Affiliate, (v) any sale or transfer of all or part of the assets or business of the Company or any Affiliate, (vi) any Section 4.2 Event or (vii) any other corporate act or proceeding.

(b) In the event of any change in the capital structure or business of the Company by reason of any stock split, reverse stock split, stock dividend, combination or reclassification of shares, recapitalization, merger, consolidation, spin off, reorganization, partial or complete liquidation, issuance of rights or warrants to purchase any Common Stock or securities convertible into Common Stock, any sale or transfer of all or part of the Company's assets or business, or any other corporate transaction or event having an effect similar to any of the foregoing and effected without receipt of consideration by the Company (a "Section 4.2 Event") then the Committee shall make such adjustments consistent with such change in such manner as the Committee deems equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under this Plan, to (i) the aggregate number and kind of shares that thereafter may be issued under the Plan, (ii) the number and kind of shares or other property (including cash) to be issued upon exercise of an outstanding Award or under other Awards granted under the Plan and (iii) the purchase price thereof, and/or the individual Participant limits set forth or referenced in Section 4.1(b) (other than those based on cash limitations). Any such adjustment determined by the Committee in good faith shall be final, binding and conclusive on the Company and all Participants and their respective heirs, executors, administrators, successors and assigns. In connection with any Section 4.2 Event, the Committee may provide, in its sole discretion, for the cancellation of any outstanding Awards and payment in cash or other property in exchange therefor. Except as provided in this Section 4.2 or in the applicable Award agreement, a Participant shall have no rights by reason of any issuance by the Company of any class of securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend, any other increase or decrease in the number of shares of stock of any class, any sale or transfer of all or part of the Company's assets or business or any other change affecting the Company's capital structure or business.

(c) Fractional shares of Common Stock resulting from any adjustment in Awards pursuant to Section 4.2(a) or (b) shall be eliminated at the time of such adjustment by rounding down for any fractional shares. No fractional shares of Common Stock shall be issued under the Plan. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

4.3 Minimum Purchase Price. Notwithstanding any provision of the Plan to the contrary, if authorized but previously unissued shares of Common Stock are issued under the Plan, such shares shall not be issued for a consideration that is less than as permitted under applicable law.

ARTICLE V.

ELIGIBILITY AND GENERAL REQUIREMENTS FOR AWARDS

5.1 General Eligibility. All Eligible Employees, Non-Employee Directors and Consultants and prospective Eligible Employees, Consultants and Non-Employee Directors are eligible to be granted Awards. Eligibility for the grant of Awards and actual participation in this Plan shall be determined by the Committee in its sole discretion. Notwithstanding anything herein to the contrary, no Award under which a Participant may receive shares of Common Stock may be granted under this Plan to an Eligible Employee, Consultant or Non-Employee Director of any Affiliate if such shares of Common Stock do not constitute “service recipient stock” for purposes of Section 409A of the Code with respect to such Eligible Employee, Consultant or Non-Employee Director.

5.2 Incentive Stock Options. Notwithstanding anything herein to the contrary, only Eligible Employees of the Company, its Subsidiaries and its Parent (if any) are eligible to be granted Incentive Stock Options under the Plan. Eligibility for the grant of an Incentive Stock Option and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.3 General Requirement. The granting, vesting and exercise of Awards granted to a prospective Eligible Employee, Consultant or Non-Employee Director are conditioned upon such individual actually becoming an Eligible Employee, Consultant or Non-Employee Director, provided that no Award may be granted to a prospective Eligible Employee, Consultant or Non-Employee Director unless the Company determines that the Award will comply with applicable laws, including the securities laws of all relevant jurisdictions.

5.4 Minimum Vesting Period for Awards. Notwithstanding anything to the contrary herein, the minimum vesting schedule applicable to Awards shall provide for vesting over a service period of no less than one year, with ratable vesting only permitted following the one year anniversary of grant, except in the case of a participant’s death or Disability; and provided, however, that this limitation shall not apply to Awards granted for up to an aggregate of five percent of the maximum number of shares of Common Stock that may be issued under this Plan, which may be issued without minimum vesting requirements. The minimum vesting provisions may be satisfied by reference to the vesting or performance period of any such other compensation or incentive plan, program or arrangement the obligations of which are satisfied through the use of Awards under the Plan.

5.5 Treatment of Dividends and Dividend Equivalents on Unvested Awards. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that provides for or includes a right to dividends or dividend equivalents, if dividends are declared during the period that an equity Award is outstanding, such dividends (or dividend equivalents) shall either (i) not be paid or credited with respect to such Award or (ii) be accumulated but remain subject to vesting requirement(s) to the same extent as the applicable Award and shall only be paid at the time or times such vesting requirement(s) are satisfied.

ARTICLE VI.

STOCK OPTIONS

6.1 Stock Options. Stock Options may be granted alone or in addition to other Awards granted under the Plan. Each Stock Option granted under the Plan shall be one of two types: (a) an Incentive Stock Option; or (b) a Non-Qualified Stock Option.

6.2 Grants. The Committee shall, in its sole discretion, have the authority to grant to any Eligible Employee (subject to Section 5.2) Incentive Stock Options, Non-Qualified Stock Options or both types of Stock Options, but not in tandem. To the extent that any Stock Option does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option or the portion thereof that does not qualify, shall constitute a separate Non-Qualified Stock Option. The Committee shall, in its sole discretion, have the authority to grant any Consultant or Non-Employee Director one or more Non-Qualified Stock Options.

6.3 Terms of Stock Options. Stock Options granted under the Plan shall be subject to the following terms and conditions, and shall be in such form and contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee, in its sole discretion, shall deem desirable:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Stock Option shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Stock Option shall not be less than 100% (or, in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, 110%) of the Fair Market Value of the Common Stock at the time of grant.

(b) Stock Option Term. The term of each Stock Option shall be fixed by the Committee; provided, that (i) no Stock Option shall be exercisable more than 10 years after the date such Stock Option is granted; and (ii) the term of an Incentive Stock Option granted to a Ten Percent Stockholder shall not exceed five years.

(c) Exercisability. Subject to Section 5.4, Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. Subject to Section 5.4, if the Committee provides, in its discretion, that any Stock Option is exercisable subject to certain limitations (including, without limitation, that such Stock Option is exercisable only in installments or within certain time periods or upon the attainment of certain financial results or other criteria), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such Stock Option may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion. The Option terms shall provide that (i) in the event the Participant engages in Detrimental Activity prior to any exercise of the Stock Option, all Stock Options held by the Participant shall thereupon terminate and expire, (ii) as a condition of the exercise of a Stock Option, the Participant shall be required to certify (or shall be deemed to have certified) at the time of exercise in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of the Plan and that the Participant has not engaged in, and does not intend to engage in, any Detrimental Activity, and (iii) in the event the Participant engages in Detrimental Activity during the one-year period commencing on the later of the date the Stock Option is exercised or the date of the Participant's Termination, the Company shall be entitled to recover from the Participant at any time within one year after such date, and the Participant shall pay over to the Company, an amount equal to any gain realized as a result of the exercise (whether at the time of exercise or thereafter). In the event that a written employment

Table of Contents

agreement between the Company and a Participant provides for a vesting schedule that is more favorable than the vesting schedule provided in the form of Award agreement, the vesting schedule in such employment agreement shall govern, provided that such agreement is in effect on the date of grant and applicable to the specific Award.

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under subsection (c) above, to the extent vested, a Stock Option may be exercised in whole or in part at any time and from time to time during the Stock Option term by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be acquired. Such notice shall be accompanied by payment in full of the purchase price as follows: (i) in cash or by check, bank draft or money order payable to the order of the Company; (ii) solely to the extent permitted by applicable law, if the Common Stock is traded on a national securities exchange or quoted on a national quotation system sponsored by the National Association of Securities Dealers, through a procedure whereby the Participant delivers irrevocable instructions to a broker reasonably acceptable to the Committee to deliver promptly to the Company an amount equal to the purchase price, to the extent authorized by the Committee; or (iii) on such other terms and conditions as may be acceptable to the Committee (including, without limitation, the net withholding of shares of Common Stock through relinquishment of Stock Options or by payment in full or in part in the form of Common Stock owned by the Participant and for which the Participant has good title free and clear of any liens and encumbrances) based on the Fair Market Value of the Common Stock on the payment date as determined by the Committee, in its sole discretion. No shares of Common Stock shall be issued until payment therefor, as provided herein, has been made or provided for.

(e) Incentive Stock Option Limitations. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Eligible Employee during any calendar year under the Plan and/or any other stock option plan of the Company, any Subsidiary or any Parent exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options. In addition, if an Eligible Employee does not remain employed by the Company, any Subsidiary or any Parent at all times from the time an Incentive Stock Option is granted until three months prior to the date of exercise thereof (or such other period as required by applicable law), such Stock Option shall be treated as a Non-Qualified Stock Option. Should any provision of the Plan not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may, in its sole discretion, amend the Plan accordingly, without the necessity of obtaining the approval of the stockholders of the Company.

(f) Form, Modification, Extension and Renewal of Stock Options. Subject to the terms and conditions and within the limitations of the Plan, Stock Options shall be evidenced by such form of agreement or grant as is approved by the Committee, and the Committee may, in its sole discretion, alter or amend Award Agreements to the extent permitted by law, provided that (i) the rights of a Participant are not reduced or adversely affected without his or her consent and (ii) such action does not subject the Stock Options to Section 409A of the Code. Notwithstanding anything herein to the contrary, an Appreciation Award may not be modified to reduce the exercise price thereof nor may a new Option, Stock Appreciation Right or other purchase right at a lower price be substituted for a surrendered Option, Stock Appreciation Right or other purchase right or any repricing of such awards be accomplished through cancellation or repurchase (other than adjustments or substitutions in accordance with Section 4.2), unless such action is approved by the stockholders of the Company.

(g) Other Terms and Conditions. Stock Options may contain such other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall, in its sole discretion, deem appropriate.

(h) No Dividends. No dividend equivalents may be paid or advanced with respect to any Appreciation Award.

ARTICLE VII.

STOCK APPRECIATION RIGHTS

7.1 Tandem Stock Appreciation Rights. Stock Appreciation Rights may be granted in conjunction with all or part of any Stock Option (a “Reference Stock Option”) granted under this Plan (“Tandem Stock Appreciation Rights”). In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Reference Stock Option.

7.2 Terms and Conditions of Tandem Stock Appreciation Rights. Tandem Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee in its sole discretion, and the following:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Tandem Stock Appreciation Right shall be the exercise price of the Reference Stock Option as determined in accordance with Section 6.3(a).

(b) Term. A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of shares covered by the Reference Stock Option shall not be reduced until and then only to the extent the exercise or termination of the Reference Stock Option causes the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.

(c) Exercisability. Tandem Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Reference Stock Options to which they relate shall be exercisable in accordance with the provisions of Article VI and Section 12.2, and shall be subject to the provisions of Section 6.3(c) and, by reference, Section 5.4. Tandem Stock Appreciation Rights granted in connection with an Incentive Stock Option are not exercisable unless the then fair market value of the Common Stock exceeds the exercise price of the tandem Option.

(d) Method of Exercise. A Tandem Stock Appreciation Right may be exercised by the Participant by surrendering the applicable portion of the Reference Stock Option. Upon such exercise and surrender, the Participant shall be entitled to receive an amount determined in the manner prescribed in this Section 7.2. Stock Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the related Tandem Stock Appreciation Rights have been exercised.

(e) Payment. Upon the exercise of a Tandem Stock Appreciation Right, a Participant shall be entitled to receive up to, but no more than, a number of shares of Common Stock equal in value to the excess of the Fair Market Value of one share of Common Stock over the Option exercise price per share specified in the Reference Stock Option agreement,

Table of Contents

multiplied by the number of shares in respect of which the Tandem Stock Appreciation Right shall have been exercised.

(f) Deemed Exercise of Reference Stock Option. Upon the exercise of a Tandem Stock Appreciation Right, the Reference Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have been exercised for the purpose of the limitation set forth in Article IV of the Plan on the number of shares of Common Stock to be issued under the Plan.

(g) Transferability. Tandem Stock Appreciation Rights shall be Transferable only when and to the extent that the underlying Stock Option would be Transferable under Section 12.1 of the Plan.

7.3 Non-Tandem Stock Appreciation Rights. Non-Tandem Stock Appreciation Rights may also be granted without reference to any Reference Stock Options granted under the Plan.

7.4 Terms and Conditions of Non-Tandem Stock Appreciation Rights. Non-Tandem Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee in its sole discretion, and the following:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Non-Tandem Stock Appreciation Right shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Non-Tandem Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Common Stock at the time of grant.

(b) Term. The term of each Non-Tandem Stock Appreciation Right shall be fixed by the Committee; provided that no Non-Tandem Stock Appreciation Right shall be exercisable more than ten (10) years after the date the right is granted.

(c) Exercisability. Subject to Section 5.4, Non-Tandem Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. Subject to Section 5.4, the Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such right may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion. The Award terms shall provide that (i) in the event the Participant engages in Detrimental Activity prior to any exercise of the Non-Tandem Stock Appreciation Right, all Non-Tandem Stock Appreciation Rights held by the Participant shall thereupon terminate and expire, (ii) as a condition of the exercise of a Non-Tandem Stock Appreciation Right, the Participant shall be required to certify (or shall be deemed to have certified) at the time of exercise in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of this Plan and that the Participant has not engaged in, and does not intend to engage in, any Detrimental Activity, and (iii) in the event the Participant engages in Detrimental Activity during the one year period commencing on the later of the date the Non-Tandem Stock Appreciation Right is exercised or becomes vested, the Company shall be entitled to recover from the Participant at any time within one year after such exercise or vesting, and the Participant shall pay over to the Company, an amount equal to any gain realized as a result of the exercise (whether at the time of exercise or thereafter).

Table of Contents

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under subsection (c) above, Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time in accordance with the applicable Award agreement, by giving written notice of exercise to the Company specifying the number of Non-Tandem Stock Appreciation Rights to be exercised.

(e) Payment. Upon the exercise of a Non-Tandem Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than, a number of shares of Common Stock equal in value to the excess of the Fair Market Value of one share of Common Stock on the date the right is exercised over the Fair Market Value of one share of Common Stock on the date the right was awarded to the Participant.

(f) Non-Transferability. No Non-Tandem Stock Appreciation Rights shall be Transferable by the Participant otherwise than by Will or by the laws of descent and distribution, and all such rights shall be exercisable, during the Participant's lifetime, only by the Participant.

(g) Termination. Unless otherwise provided in an Award agreement, upon Termination, Non-Tandem Stock Appreciation Rights shall be exercised in accordance with the provisions of Section 12.2 of this Plan.

7.5 Limited Stock Appreciation Rights. The Committee may, in its sole discretion, grant Tandem and Non-Tandem Stock Appreciation Rights either as a general Stock Appreciation Right or as a limited stock appreciation right (a "Limited Stock Appreciation Right"). Limited Stock Appreciation Rights may be exercised only upon the occurrence of a Change in Control or such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter. Upon the exercise of Limited Stock Appreciation Rights, except as otherwise provided in an Award agreement, the Participant shall receive a number of shares of Common Stock equal to the amount (a) set forth in Section 7.2(e) with respect to Tandem Stock Appreciation Rights, or (b) set forth in Section 7.4(e) with respect to Non-Tandem Stock Appreciation Rights, as applicable.

ARTICLE VIII.

RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1 Awards of Restricted Stock and Restricted Stock Units. Restricted Stock and Restricted Stock Units may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall, in its sole discretion, determine the Eligible Employees, Consultants and Non-Employee Directors to whom, and the time or times within which, grants of Restricted Stock or Restricted Stock Units will be made, the number of shares or units to be awarded, the purchase price (if any) to be paid by the Participant (subject to Section 4.3), the time or times at which such Awards may be subject to forfeiture (if any), the vesting schedule (if any) and rights to acceleration thereof (subject to Section 5.4), and all other terms and conditions of the Awards.

Each Award of Restricted Stock and Restricted Stock Units shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one-year period after, any vesting of Restricted Stock or Restricted Stock Units, all unvested Restricted Stock and Restricted Stock Units shall be immediately forfeited to the Company and the Company shall be entitled to recover from the Participant an amount equal to the Fair Market Value at the time of vesting of any Restricted Stock and Restricted Stock Units that had vested in the period referred to above.

Table of Contents

The Committee may condition the grant or vesting of Restricted Stock and Restricted Stock Units upon the attainment of specified performance criteria (including, the Performance Goals specified in Exhibit A attached hereto) or such other factors as the Committee may determine, in its sole discretion.

8.2 Awards and Certificates. An Eligible Employee, Consultant and Non-Employee Director selected to receive Restricted Stock or Restricted Stock Units shall not have any rights with respect to such Award, unless and until such Participant has delivered a fully executed copy of the Award agreement evidencing the Award to the Company and has otherwise complied with the applicable terms and conditions of such Award. Further, such Award shall be subject to the following conditions:

(a) Purchase Price. The purchase price (if any) of Restricted Stock or Restricted Stock Units shall be determined by the Committee, but shall not be less than as permitted under applicable law.

(b) Acceptance. Awards of Restricted Stock or Restricted Stock Units must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the grant date, by executing an Award agreement and by paying whatever price (if any) the Committee has designated thereunder and all applicable withholding taxes due upon the granting and acceptance of the Award (if any) in accordance with the provisions of Section 16.4.

(c) Legend. Each Participant receiving Restricted Stock shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of Restricted Stock. Such certificate shall, in addition to such legends required by applicable securities laws, be registered in the name of such Participant, and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the GNC Holdings, Inc. (the “Company”) 2018 Stock and Incentive Plan (as the same may be amended or supplemented from time to time), and an Award agreement entered into between the registered owner and the Company dated _____. Copies of such Plan and Award agreement are on file at the principal office of the Company.”

(d) Custody. The Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any grant of Restricted Stock, the Participant shall have delivered a duly signed stock power, endorsed in blank, relating to the Common Stock covered by such Award.

8.3 Restrictions and Conditions. The shares of Restricted Stock and Restricted Stock Units awarded pursuant to this Plan shall be subject to the following restrictions and conditions:

(a) Restriction Period. (i) The Participant shall not be permitted to Transfer shares of Restricted Stock or Restricted Stock Units awarded under this Plan during the period or periods set by the Committee (the “Restriction Period”) commencing on the date of such Award, as set forth in the Restricted Stock or Restricted Stock Unit Award agreement and such agreement shall set forth a vesting schedule and any events which would accelerate vesting of the shares of Restricted Stock or Restricted Stock Units. Within these limits, based on service, attainment of performance criteria pursuant to Section 8.3(b) below and/or such other factors or criteria as the Committee may determine in its sole discretion, the Committee may condition the grant or provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock or Restricted Stock Unit and/or

Table of Contents

waive the deferral limitations for all or any part of any Restricted Stock or Restricted Stock Unit. Notwithstanding the foregoing, the restriction period applicable to Restricted Stock or Restricted Stock Unit shall be subject to Section 5.4; and the Committee may accelerate vesting of, or waive the restrictions with respect to, Restricted Stock or Restricted Stock Units in the case of death, Disability, retirement, involuntary termination other than for Cause, or Change in Control.

(b) Objective Performance Goals, Formulae or Standards. If the grant of shares of Restricted Stock or Restricted Stock Units or the lapse of restrictions is based on the attainment of performance criteria, the Committee shall, in its sole discretion, establish the objective performance criteria and the applicable vesting percentage of the Restricted Stock or Restricted Stock Units applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date while the outcome of the Performance Goals are substantially uncertain as otherwise determined by the Committee in its sole discretion. Such performance criteria may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. The Committee may in its discretion also determine to use other objective performance measures than those set forth in Exhibit A hereto for Restricted Stock or Restricted Stock Units.

(c) Rights as Stockholder. Except as provided in this subsection and subsection (a) above and as otherwise determined by the Committee, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company including, without limitation, the right to vote such shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares and the right to receive any dividends, provided, however, no dividends may be paid until, and are conditioned upon, the vesting of the Restricted Share Award. Holders of Restricted Stock Units shall not have the rights of stockholders until shares of Common Stock are issued in satisfaction thereof, but may have dividend equivalent rights, as determined by the Committee; provided, however, no dividends equivalent rights may be paid until, and are conditioned upon, the vesting of the Restricted Stock Unit Award.

(d) Termination. Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, subject to the applicable provisions of the Restricted Stock or Restricted Stock Unit Award agreement and this Plan, upon a Participant's Termination for any reason during the relevant Restriction Period, all Restricted Stock and Restricted Stock Units still subject to restriction will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

(e) Lapse of Restrictions. If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock or Restricted Stock Units subject to such Restriction Period, the certificates for such shares or units shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant except as otherwise required by applicable law. Notwithstanding the foregoing, actual certificates shall not be issued to the extent that book entry recordkeeping is used.

Common Stock or cash based upon the achievement, or level of achievement, of one or more performance goals established by the Committee at the time of grant. Performance Shares and Performance Share Units may be awarded either alone or in addition to other Awards granted under this Plan. The Committee shall, in its sole discretion, determine the Eligible Employees, Consultants and Non-Employee Directors, to whom, and the time or times at which, Performance Shares and Performance Share Units shall be awarded, the number of Performance Shares and Performance Share Units to be awarded to any person, the duration of the applicable Performance Period during which, and the conditions under which, receipt of the shares or cash will be deferred, and the other terms and conditions of the Award in addition to those set forth in Section 9.2.

Each Award of Performance Shares and Performance Share Units shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one year period after, any vesting of Performance Shares or Performance Share Units, all unvested Performance Shares and Performance Share Units shall be immediately forfeited to the Company and the Company shall be entitled to recover from the Participant an amount equal to any gain the Participant realized from any Performance Shares and Performance Share Units which had vested in the period referred to above.

Except as otherwise provided herein, the Committee shall condition the right to payment of any Performance Share or Performance Share Unit upon the attainment of specified objective performance criteria (including, the Performance Goals specified in Exhibit A attached hereto) established pursuant to Section 9.2(c) below and such other factors as the Committee may determine, in its sole discretion.

9.2 Terms and Conditions. Performance Shares and Performance Share Units awarded pursuant to this Article IX shall be subject to the following terms and conditions:

(a) Earning of Performance Award. At the expiration of the applicable Performance Period, and subject to Section 5.4, the Committee shall determine the extent to which the performance criteria established pursuant to Section 9.2(c) are achieved and the percentage of each Performance Share Award or Performance Share Unit that has been earned.

(b) Non-Transferability. Subject to the applicable provisions of the Award agreement and this Plan, Performance Shares and Performance Share Units may not be Transferred during the Performance Period.

(c) Objective Performance Goals, Formulae or Standards. The Committee shall, in its sole discretion, establish the objective performance criteria for the earning of Performance Shares and Performance Share Units based on a Performance Period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date while the outcome of the Performance Goals are substantially uncertain as otherwise determined by the Committee in its sole discretion. Such performance criteria may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. The Committee may in its discretion also determine to use other objective performance measures that those set forth in Exhibit A hereto for Performance Shares or Performance Share Units.

(d) Rights as Stockholder. Except as provided in this subsection and subsection (a) and (b) above, and as otherwise determined by the Committee, the Participant shall have, with respect to Performance Share Awards, all of the rights of a holder of shares of Common Stock of the Company including, without limitation, the right to vote such shares and, subject to and conditioned upon the full vesting of the shares, the right to tender such shares and the right to receive any dividends, provided, however, no dividends may be paid until, and are conditioned upon, the vesting of the Performance Share Award. Holders of Performance Share Units shall

not have the rights of stockholders until shares of Common Stock are issued in satisfaction thereof, but may have dividend equivalent rights, as determined by the Committee; provided, however, no dividends equivalent rights may be paid until, and are conditioned upon, the vesting of the Performance Share Unit.

(e) Payment. Following the Committee's determination in accordance with subsection (a) above, shares of Common Stock or, as determined by the Committee in its sole discretion, the cash equivalent of such shares shall be delivered to the Eligible Employee, Consultant or Non-Employee Director, or his legal representative, in an amount equal to such individual's earned Performance Shares or Performance Share Units, as applicable. Notwithstanding the foregoing, the Committee may, in its sole discretion, award an amount less than the earned Performance Share and/or subject the payment of all or part of any Performance Shares or Performance Share Units, as applicable, to additional vesting, forfeiture and deferral conditions as it deems appropriate.

(f) Termination. Subject to the applicable provisions of the Award agreement and this Plan, upon a Participant's Termination for any reason during the Performance Period for a given Award, the Performance Shares and Performance Share Units in question will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant.

ARTICLE X.

OTHER STOCK-BASED AWARDS

10.1 Other Awards. Other Stock-Based Awards may be granted either alone or in addition to or other Awards granted under the Plan to all eligible Participants pursuant to Article X. Each Other Stock-Based Award shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one-year period after the later of the date of any vesting of Other-Stock Based Award or the date of the Participant's Termination, any unvested portion of such Award shall be immediately forfeited to the Company and the Company shall be entitled to recover from the Participant an amount equal to any gain the Participant realized from any such Award that had vested in the period referred to above.

10.2 Committee. Subject to the provisions of the Plan, including Section 5.4, the Committee shall have authority to determine the Eligible Employees, Consultants and Non-Employee Directors to whom, and the time or times at which, Other Stock-Based Awards shall be made, the number of shares of Common Stock to be awarded pursuant to such Awards, and all other conditions of the Awards. The Committee may condition the grant or vesting of Other Stock-Based Awards upon the attainment of specified performance criteria (including, the Performance Goals specified in Exhibit A attached hereto) or such other factors as the Committee may determine, in its sole discretion. If the grant or vesting of an Other Stock-Based Award is based on the attainment of performance criteria, the Committee shall, in its sole discretion, establish the objective performance criteria and the applicable vesting percentage of the Other Stock-Based Award applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date while the outcome of the Performance Goals are substantially uncertain as otherwise determined by the Committee in its sole discretion. Such performance criteria may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. The Committee may in its discretion also determine to use other objective performance measures than those set forth in Exhibit A hereto for Other Stock-Based Awards.

10.3 Terms and Conditions. Other Stock-Based Awards made pursuant to this Article X shall be subject to the following terms and conditions:

Table of Contents

- (a) Non-Transferability. Subject to the applicable provisions of the Award agreement and this Plan, shares of Common Stock subject to Awards made under this Article X may not be Transferred prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.
- (b) Dividends. The recipient of an Award under this Article X may be entitled to receive dividends or dividend equivalents with respect to the number of shares of Common Stock covered by the Award, as determined at the time of the Award by the Committee, in its sole discretion, provided, however, no dividends may be paid until, and are conditioned upon, the vesting of the Other Stock-Based Award and no dividend equivalents may be paid or advanced with respect to any purchase right.
- (c) Vesting. Subject to Section 5.4, any Award under this Article X and any Common Stock covered by any such Award shall vest or be forfeited to the extent so provided in the Award agreement, as determined by the Committee, in its sole discretion. Subject to Section 5.4, in the event that a written employment agreement between the Company and a Participant provides for a vesting schedule that is more favorable than the vesting schedule provided in the form of Award agreement, the vesting schedule in such employment agreement shall govern, provided that such agreement is in effect on the date of grant and applicable to the specific Award.
- (d) Price. The exercise price of any Other Stock-Based Awards constituting an Appreciation Award may not be less than the Fair Market Value of the Common Stock on the date such Other Stock-Based Award is granted. Common Stock or Other Stock-Based Awards issued on a bonus basis under this Article X may be issued for no cash consideration (except for the exercise price of an Appreciation Award); and may be priced as determined by the Committee. Subject to Section 4.3, the purchase price of shares of Common Stock or Other Stock-Based Awards may be zero to the extent permitted by applicable law, and, to the extent not so permitted, such purchase price may not be less than par value.
- (e) Payment. The form of payment for the Other Stock-Based Awards shall be specified in the Award agreement.

ARTICLE XI.

PERFORMANCE-BASED CASH AWARDS

11.1 Performance-Based Cash Awards. Performance-Based Cash Awards may be granted either alone or in addition to other Awards granted under this Plan. Subject to the provisions of this Plan, the Committee shall, in its sole discretion, have authority to determine the Eligible Employees and Consultants to whom, and the time or times at which, Performance-Based Cash Awards shall be made, the dollar amount to be awarded pursuant to such Performance-Based Cash Award, and all other conditions for the payment of the Performance-Based Cash Award. The Committee may also provide for the payment of a dollar amount under a Performance-Based Cash Award upon the completion of a specified Performance Period.

Except as otherwise provided herein, the Committee shall condition the right to payment of any Performance-Based Cash Award upon the attainment of specified objective performance criteria (including, the Performance Goals specified in Exhibit A attached hereto) established pursuant to Section 11.2(c) below and such other factors as the Committee may determine, in its sole discretion.

Subject to Section 11.2(c), for any Participant the Committee may, in its sole discretion, specify a targeted Performance-Based Cash Award for a Performance Period (each an "Individual Target")

Award”). An Individual Target Award may be expressed, at the Committee’s sole discretion, as a fixed dollar amount, a percentage of the Participant’s base pay, as a percentage of a bonus pool funded by a formula as determined by the Committee based on achievement of performance criteria, or an amount determined pursuant to an objective formula or standard. The Committee’s establishment of an Individual Target Award for a Participant for a Performance Period shall not imply or require that the same level or any Individual Target Award be established for the Participant for any subsequent Performance Period or for any other Participant for that Performance Period or any subsequent Performance Period. At the time the performance criteria are established (as provided in Section 11.2(c)), the Committee shall prescribe a formula to be used to determine the maximum and minimum percentages (which may be greater or less than one-hundred percent (100%), as applicable) of an Individual Target Award that may be earned or payable based upon the degree of attainment of the performance criteria during the Performance Period. Notwithstanding anything else herein, unless otherwise specified by the Committee with respect to an Individual Target Award, the Committee may, in its sole discretion, elect to pay a Participant an amount that is less than the Participant’s Individual Target Award (or attained percentages thereof) regardless of the degree of attainment of the performance criteria; provided that, except as otherwise specified by the Committee with respect to an Individual Target Award, no discretion to reduce a Performance-Based Cash Award earned based on achievement of the applicable performance criteria shall be permitted for any Performance Period in which a Change of Control occurs, or during such Performance Period with regard to the prior Performance Periods if the Performance-Based Cash Awards for the prior Performance Periods have not been paid by the time of the Change of Control, with regard to individuals who were Participants at the time of the Change of Control.

11.2 Terms and Conditions. Performance-Based Cash Awards made pursuant to this Article XI shall be subject to the following terms and conditions:

- (a) Committee Certification. At the expiration of the applicable Performance Period, and subject to Section 5.4, the Committee shall determine and certify in writing the extent to which the performance criteria established pursuant to Section 11.2(c) are achieved and, if applicable, the percentage of the Participant’s Individual Target Award that has been vested and earned.
- (b) Waiver of Limitation. In the event of the Participant’s retirement, Disability or death, the Committee may, in its sole discretion, waive in whole or in part any or all of the limitations imposed hereunder (if any) with respect to any or all of an Award under this Article XI.
- (c) Objective Performance Goals, Formulae or Standards. The Committee shall, in its sole discretion, establish the objective performance criteria for the earning of Performance-Based Cash Awards based on a Performance Period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date while the outcome of the Performance Goals are substantially uncertain as otherwise determined by the Committee in its sole discretion. Such performance criteria may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. The Committee may in its discretion also determine to use other objective performance measures than those set forth in Exhibit A hereto for Performance-Based Cash Awards.
- (d) Payment. Following the Committee’s determination and certification in accordance with subsection (a) above, the Performance-Based Cash Award amount shall be paid to the Eligible Employee or his legal representative, in accordance with the terms and conditions

Table of Contents

set forth in Performance-Based Cash Award agreement, but in no event, except as provided in the next sentence, shall such amount be paid by no later than the later of: (i) March 15 of the year following the year in which the applicable Performance Period ends; or (ii) two and one-half (2½) months after the expiration of the fiscal year of the Company in which the applicable Performance Period ends. Notwithstanding the foregoing, the Committee may place such conditions on the payment of all or any portion of any Performance-Based Cash Award as the Committee may determine, and prior to the beginning of a Performance Period the Committee may (x) provide that the payment of all or any portion of any Performance-Based Cash Award shall be deferred and (y) permit a Participant to elect to defer receipt of all or a portion of any Performance-Based Cash Award. To the extent applicable, any deferral under this Section 11.2(d) shall be made in a manner intended to comply with the applicable requirements of Section 409A of the Code.

(e) Termination. Unless otherwise determined by the Committee, in its sole discretion, no Performance-Based Cash Award or pro rata portion thereof shall be payable to any Participant who incurs a Termination prior to the date such Performance-Based Cash Award is paid.

ARTICLE XII.

NON TRANSFERABILITY AND TERMINATION OF EMPLOYMENT/ CONSULTANCY/DIRECTORSHIP WITH RESPECT TO APPRECIATION AWARDS

12.1 Non-Transferability.

(a) No Awards shall be Transferable by the Participant otherwise than by Will or by the laws of descent and distribution, except as specifically provided in Section 12.1(b) with respect to Stock Options. All Stock Options shall be exercisable, during the Participant's lifetime, only by the Participant.

(b) Notwithstanding the foregoing, the Committee may determine, in its sole discretion, at the time of grant or thereafter that a Non-Qualified Stock Option that is otherwise not Transferable pursuant to this Section 12.1 is Transferable to an individual Family Member by gift in whole or in part and in such circumstances, and under such conditions, as specified by the Committee, provided that no transfer may be made to third-party financial institutions without stockholder approval. A Non-Qualified Stock Option that is Transferred to an individual Family Member pursuant to the preceding sentence (i) may not be subsequently Transferred otherwise than by Will or by the laws of descent and distribution and (ii) remains subject to the terms of the Plan and the Stock Option agreement. Any shares of Common Stock acquired upon the exercise of a Stock Option by a Permissible Transferee of a Stock Option or a Permissible Transferee pursuant to a Transfer after the exercise of the Stock Option shall be subject to the terms of the Plan and the Stock Option agreement.

12.2 Termination. The following rules apply with regard to the Termination of a Participant.

(a) Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter:

(i) Termination by Reason of Death or Disability. If a Participant's Termination is by reason of death or Disability, all Stock Options and other Appreciation Awards that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant (or, in the case of death, by the legal representative of the Participant's estate) at any time within a period of one

Table of Contents

year from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options and other Appreciation Awards.

(ii) Involuntary Termination Without Cause. If a Participant's Termination is by involuntary termination without Cause, all Stock Options and other Appreciation Awards that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of 60 days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options and other Appreciation Awards.

(iii) Voluntary Termination. If a Participant's Termination is voluntary (other than a voluntary termination described in Section 12.2(a)(iv)(2)), all Stock Options and other Appreciation Awards that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of 60 days from the date of such Termination, but in no event beyond the expiration of the stated terms of such Stock Options and other Appreciation Awards.

(iv) Termination for Cause. If a Participant's Termination: (1) is for Cause or (2) is a voluntary Termination (as provided in subsection (iii) above) after the occurrence of an event that would be grounds for a Termination for Cause, all Stock Options and other Appreciation Awards, whether vested or not vested, that are held by such Participant shall thereupon terminate and expire as of the date of such Termination.

(v) Unvested Stock Options and other Appreciation Awards. Stock Options and other Appreciation Awards that are not vested as of the date of a Participant's Termination for any reason shall terminate and expire as of the date of such Termination.

ARTICLE XIII.

CHANGE IN CONTROL PROVISIONS

13.1 Notwithstanding any other provision of the Plan to the contrary, and unless the applicable Award agreement shall otherwise provide, in the event the employment of a Participant is terminated by the Company and its Affiliates without "Cause", as defined in this Section 13.1, within two years following the occurrence of a Change in Control of the Company,

(i) all of such Participant's Stock Options and other Appreciation Awards which are then outstanding hereunder shall become fully vested and exercisable, and

(ii) all restrictions with respect to shares of Restricted Stock or shares represented by Restricted Stock Units or Other Stock-Based Awards of such Participant which are then outstanding hereunder shall lapse, and such Shares shall be fully vested, issued and nonforfeitable; provided, however, that if the Awards are subject to Section 409A of the Code and the Change in Control is not a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company under Section 409A of the Code (a "409A Change in Control"), any Restricted Stock Units and Other Stock-Based Awards that constitute deferred compensation under Section 409A of the Code shall remain payable on the date(s) provided in the underlying Award agreement and provisions of the Plan.

Notwithstanding any other provision of this Plan to the contrary, and unless the applicable Award agreement shall otherwise provide, if a Change in Control occurs prior to the end of any

Table of Contents

Performance Period, with respect to all Performance Based Cash Awards, Performance Shares, Performance Share Units, and other performance-based awards of such Participant which are then outstanding hereunder, all uncompleted Performance Periods shall terminate, the target level of performance set forth with respect to each criteria upon which Performance Goals are based for such Performance Based Cash Awards, Performance Shares, Performance Share Units, and other performance based awards shall be deemed to have been attained and a pro rata portion (based on the ratio of (i) the number of full and partial months which have elapsed from the beginning of the Performance Period through the Change in Control to (ii) the number of months originally contained in the Performance Period) of each such Performance Based Cash Award, Performance Share, Performance Share Unit and other performance based award shall become vested and the remainder of each such Performance Based Cash Award, Performance Shares, Performance Share Units and other performance based awards shall be converted into and remain outstanding as Restricted Stock (in the case of Performance Shares) or Restricted Stock Units (in the case of other performance awards), subject to forfeiture unless the Participant continues to be actively employed by the Company through the end of the original Performance Period, but subject to an exception in the case of a termination of employment by the Company without Cause and such other exceptions as may be provided by the Committee. If the Awards are subject to Section 409A of the Code and the Change in Control is not a 409A Change in Control, such Awards shall remain payable on the date(s) provided in the underlying Award agreement and provisions of the Plan. Solely for purposes of this Section 13.1, following a Change in Control, “Cause” means any termination of employment where it can be shown that the Participant has (i) willfully failed to perform his or her employment duties for the Company or an Affiliate, (ii) willfully engaged in conduct that is materially injurious to the Company or an Affiliate, monetarily or otherwise, or (iii) committed acts that constitute a felony under applicable federal or state law or constitute common law fraud. For purposes of this definition, no act or failure to act on the Participant’s part shall be considered “willful” unless done, or omitted to be done, by him or her not in good faith and without reasonable belief that his or her action or omission was in the best interest of the Company or Affiliate.

Except as otherwise provided by the Committee in an Award agreement, in the event of a Change in Control of the Company after the Effective Date, the Committee may, but shall not be obligated to provide for the cancellation of any Appreciation Awards without payment if the Change in Control Price (as defined below) is less than the exercise price of such Appreciation Awards; and/or provide for a limited time period during which Appreciation Awards may be exercised and/or for the purchase of any Awards by the Company or an Affiliate for an amount of cash equal to the excess of the Change in Control Price of the shares of Common Stock covered by such Awards, over the aggregate exercise price of such Awards; and/or provide for the issuance of substitute Awards that will substantially preserve the otherwise applicable terms of any affected Awards previously granted hereunder as determined by the Committee in its sole discretion. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Stock Option shall comply with the requirements of Treasury Regulation § 1.424-1 (and any amendments thereto). For purposes of this Article XIII, “Change in Control Price” shall mean the highest price per share of Common Stock paid in any transaction related to a Change in Control of the Company; provided, however, that such price shall not exceed the fair market value of the Common Stock at the time of purchase as determined in accordance Section 409A of the Code.

ARTICLE XIV.

TERMINATION OR AMENDMENT OF PLAN

Notwithstanding any other provision of the Plan, the Board or the Committee may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan (including any amendment deemed necessary to ensure that the Company may comply with any regulatory requirement referred to in Article XIV or Section 409A of the Code as described below), or suspend or terminate it entirely, retroactively or otherwise; provided, however, that the Committee, in its sole discretion,

Table of Contents

determines that the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may be adversely impaired, the consent of such Participant shall be required; and provided further, without the approval of the stockholders of the Company entitled to vote in accordance with applicable law, no amendment may be made that would:

- (a) increase the aggregate number of shares of Common Stock that may be issued under the Plan (other than due to an adjustment under Section 4.2);
- (b) increase the maximum individual Participant limitations for a fiscal year under Section 4.1(b) (except by operation of Section 4.2);
- (c) expand the classification of individuals eligible to receive Awards under the Plan;
- (d) other than adjustments or substitutions in accordance with Section 4.2, amend the terms of outstanding Awards to reduce the exercise price of outstanding Stock Options, Stock Appreciation Rights or other Appreciation Awards or to cancel outstanding Stock Options, Stock Appreciation Rights or other Appreciation Awards (where prior to the reduction or cancellation the exercise price equals or exceeds the fair market value of the shares of Common Stock underlying such Awards) in exchange for cash, other Awards or Stock Options, Stock Appreciation Rights or other Appreciation Awards with an exercise price that is less than the exercise price of the original Stock Options, Stock Appreciation Rights or other Appreciation Awards;
- (e) extend the maximum Stock Option period under Section 6.3;
- (f) award any Stock Option, Stock Appreciation Right or other Appreciation Award in replacement of a canceled Stock Option, Stock Appreciation Right or other Appreciation Award with a higher exercise price;
- (g) require stockholder approval in order for the Plan to continue to comply with the applicable provisions of Section 422 of the Code to the extent applicable to Incentive Stock Options or the rules of any exchange or system on which the Company's securities are listed or traded at the request of the Company; or
- (h) otherwise require stockholder approval pursuant to the rules of any stock exchange on which the Company's securities are then listed or traded.

The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article IV or as otherwise specifically provided herein, no such amendment or other action by the Committee shall adversely impair the rights of any holder without the holder's consent. Notwithstanding anything herein to the contrary, the Board or the Committee may amend the Plan or any Award granted hereunder at any time without a Participant's consent to comply with Section 409A of the Code or any other applicable law. Nothing in the Plan is intended to provide a guarantee of particular tax treatment to any Participant.

ARTICLE XV.

UNFUNDED PLAN

The Plan is an "unfunded" plan for incentive and deferred compensation. With respect to any payments as to which a Participant has a fixed and vested interest but that are not yet made to a

Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general unsecured creditor of the Company.

ARTICLE XVI.

GENERAL PROVISIONS

16.1 Legend. The Committee may require each person receiving shares of Common Stock pursuant to an Award granted under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the shares without a view to distribution thereof and such other securities law related representations as the Committee shall request. In addition to any legend required by the Plan, the certificates and/or book entry accounts for such shares may include any legend that the Committee, in its sole discretion, deems appropriate to reflect any restrictions on Transfer.

All certificates and/or book entry accounts for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may, in its sole discretion, deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national automated quotation system on which the Common Stock is then quoted, any applicable Federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

16.2 Other Plans. Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

16.3 No Right to Employment/Consultancy/Directorship. Neither the Plan nor the grant of any Award hereunder shall give any Participant or other employee, Consultant or Non-Employee Director any right with respect to continuance of employment, consultancy or directorship by the Company or any Affiliate, nor shall they be a limitation in any way on the right of the Company, its stockholders or any Affiliate by which an employee is employed or a Consultant or Non-Employee Director is retained to terminate his or her employment, consultancy or directorship at any time.

16.4 Withholding of Taxes. The Company shall have the right to deduct from any payment to be made to a Participant, or to otherwise require, prior to the issuance or delivery of any shares of Common Stock or the payment of any cash hereunder, payment by the Participant of, any Federal, state or local taxes required by law to be withheld. Upon the vesting of Restricted Stock (or other Award that is taxable upon vesting), or upon making an election under Section 83(b) of the Code, a Participant shall pay all required withholding to the Company. Any statutorily required withholding obligation with regard to any Eligible Employee may be satisfied, subject to the advanced consent of the Committee, by reducing the number of shares of Common Stock otherwise deliverable in connection with an Award or by delivering shares of Common Stock already owned. Any fraction of a share of Common Stock required to satisfy such tax obligations shall be disregarded and the amount due shall be paid instead in cash by the Participant.

16.5 Listing and Other Conditions.

(a) Unless otherwise determined by the Committee, as long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issuance of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. The Company shall have no obligation to

Table of Contents

issue such shares unless and until such shares are so listed, and the right to exercise any Award with respect to such shares shall be suspended until such listing has been effected.

(b) If at any time counsel to the Company shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company under the statutes, rules or regulations of any applicable jurisdiction, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act or otherwise with respect to shares of Common Stock or Awards, and the right to exercise any Award shall be suspended until, in the opinion of said counsel, such sale or delivery shall be lawful and will not result in the imposition of excise taxes on the Company.

(c) Upon termination of any period of suspension under this Section 16.5, an Award affected by such suspension that shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares that would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award.

(d) A Participant shall be required to supply the Company with any certificates, representations and information that the Company requests and otherwise cooperate with the Company in obtaining any listing, registration, qualification, exemption, consent or approval the Company deems necessary or appropriate.

16.6 Choice of Forum.

(a) Unless otherwise specified in an Award agreement, it shall be a condition of each Award that the Company and the Participant irrevocably submit to the exclusive jurisdiction of any state or federal court located in Pittsburgh, Pennsylvania over any suit, action or proceeding arising out of or relating to or concerning the Plan or the Award. By accepting an Award, the Participant acknowledges that the forum designated by this Section 16.6(a) has a reasonable relation to the Plan, any applicable Award and the Participant's relationship with the Company. Notwithstanding the foregoing, nothing herein shall preclude the Company from bringing any suit, action or proceeding in any other court for the purpose of enforcing the provisions of this Section 16.6(a).

(b) By accepting an Award, (i) the Participant waives, to the fullest extent permitted by applicable law, any objection which the Participant may have to personal jurisdiction or to the laying of venue of any such suit, action or proceeding in any court referred to in Section 16.6(a), (ii) the Participant undertakes not to commence any action arising out of or relating to or concerning any Award in any forum other than a forum described in Section 16.6(a) and (iii) the Participant agrees that, to the fullest extent permitted by applicable law, a final and non-appealable judgment in any such suit, action or proceeding in any such court shall be conclusive and binding upon the Participant and the Company.

(c) Unless otherwise specified in an Award agreement, by accepting an Award, the Participant irrevocably appoints each General Counsel of the Company as his or her agent for service of process in connection with any suit, action or proceeding arising out of or relating to or concerning this Plan or any Award, who shall promptly advise the Participant of any such service or process.

(d) Unless otherwise specified in an Award agreement, by accepting an Award, the Participant agrees to keep confidential the existence of, and any information concerning, a

Table of Contents

dispute, controversy or claim described in this Section 16.6 other than as required by law or order of court, and except that the Participant may disclose information concerning such dispute, controversy or claim to the court that is considering such dispute, controversy or claim or to his legal counsel (provided that such counsel agrees not to disclose any such information other than as necessary to the prosecution or defense of the dispute, controversy or claim).

16.7 Governing Law. The Plan and the actions taken in connection herewith shall be governed by and construed in accordance with the internal laws of the State of Delaware, without giving effect to its principles of conflict of laws.

16.8 Construction. Wherever any words are used in the Plan in the masculine gender they shall be construed as though they were also used in the feminine gender in all cases where they would so apply, and wherever any words are used herein in the singular form they shall be construed as though they were also used in the plural form in all cases where they would so apply.

16.9 Other Benefits. No Award granted or paid out under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its Affiliates nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

16.10 Costs. The Company shall bear all expenses associated with administering the Plan, including expenses of issuing Common Stock pursuant to any Award granted hereunder.

16.11 No Right to Same Benefits. The provisions of Awards need not be the same with respect to each Participant, and Awards granted to individual Participants need not be the same.

16.12 Death/Disability.
