Item 4. Description of Securities

Not applicable.

Item 5.

Not applicable.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (the "DGCL") provides that a corporation may indemnify directors, officers, employees and other individuals against expenses, judgments, fines and amounts paid in settlement in connection with specified non-derivative actions, suits, proceedings or investigations if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation. In addition, with respect to any criminal action or proceeding such director must have had no reasonable cause to believe that his or her conduct was unlawful. In the case of derivative actions, a similar standard is applicable except that indemnification only extends to expenses incurred in connection with the defense or settlement of such action. In addition, the

Edgar Filing: THEGLOBE COM INC - Form S-8

statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The DGCL provides that it is not exclusive of other indemnification that may be granted by a corporation's charter, by-laws, stockholder or director vote, agreement or otherwise.

2

Our By-Laws require us to indemnify any person who was or is a party or is threatened to be made a party to or is involved in any threatened, pending or completed non-derivative action, suit, arbitration, alternative dispute mechanism, investigation, administrative hearing or any other proceeding, brought by reason of the fact that he or she is or was our director or officer, or while our director or officer is or was serving at our request as a director or officer of another entity, including service with respect to an employee benefits plan against expenses, including attorneys' fees, judgments, fines, excise taxes under ERISA, penalties and amounts paid in settlement, incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to our best interests. In addition, with respect to any criminal action or proceeding such person shall have had no reasonable cause to believe his or her conduct was unlawful.

Section 102(b)(7) of the DGCL permits a corporation to provide that a director shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for (i) any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) payment of unlawful dividends or unlawful stock purchases or redemptions or (iv) any transaction from which the director derived an improper personal benefit.

Our Charter provides that to the fullest extent that the DGCL permits, our directors will not be liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. Any amendment to or repeal of our Charter inconsistent with these provisions will not adversely affect any right of our director and officers arising in connection with the service of such directors and officers to the fullest extent permitted by Delaware law.

We have entered into indemnification agreements with our directors and officers. These agreements provide that we will indemnify such directors and officers for any amounts paid in settlement or incurred by, or assessed against, such directors and officers arising in connection with the service of such directors and officers to the fullest extent permitted by Delaware law.

We maintain directors' and officers' liability insurance. This insurance provides for payment, on behalf of our and our subsidiaries' directors and officers, of certain losses of such persons arising from claims, including claims arising under the Securities Act, for acts or omissions by such person while acting as a director or officer.

Item 9. Undertakings

The Company hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are

Edgar Filing: THEGLOBE COM INC - Form S-8

incorporated by reference in this Registrations Statement.

- (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

4

- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (d) That, for the purpose of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the provisions described in Item 6 of this Registration Statement, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
