Preliminary results of operations indicate the loss for the three months ended September 30, 2004 is estimated to be approximately \$225,000 compared to the loss for the corresponding period of the preceding year of approximately \$75,000, representing an increased loss of approximately \$150,000. The increased loss for the quarter is primarily attributable to a sales decline of approximately \$240,000 with resultant decrease in gross profit of approximately \$150,000. There were reductions in research and development expenses of approximately \$94,000, offset by increases in general & administrative expenses of approximately \$94,000.

Preliminary results of operations indicate the loss for the nine months ended September 30, 2004 is estimated to be approximately \$725,000 compared to the loss for the corresponding period of the preceding year of approximately \$364,000, representing an increased loss of approximately \$361,000. The increased loss for the nine month period is primarily attributable to a sales decline of approximately \$550,000 with resultant decrease in gross profit of approximately \$396,000. There were reductions in research and development expenses of approximately \$124,000, largely offset by increases in general & administrative expenses of approximately \$89,000.
