Each record holder of Shares on the Record Date is entitled to one vote for each Share held on all matters to come before the meeting, including the election of directors. The following table reflects the names and addresses of the only persons known to the Company to be the beneficial owners of 5% or more of the Shares outstanding as of the Record Date. ELECTION OF DIRECTORS

The Board of Directors currently consists of four directors. The Company's directors are divided into three classes and are elected for terms of three years each and until their successors are elected and qualify. The Board has nominated Harvey B. Grossblatt for election as director at the 2005 Annual Meeting to serve for terms of three years and until his successor is elected and qualifies. A quorum for the Annual Meeting consists of a majority of the issued and outstanding Shares present in person or by proxy and entitled to vote. Under Maryland law, unless a corporation's charter or bylaws provide otherwise, directors are elected by a plurality of all votes cast at a meeting at which a quorum is present. The Company's Bylaws provide that the affirmative vote of a majority of the Shares issued and outstanding and entitled to vote is necessary for the election of directors. If no nominee receives the requisite vote, Mr. Grossblatt will continue to serve as director until his successor is duly elected and qualifies. Consequently, withholding of votes, abstentions and broker non-votes with respect to Shares otherwise present at the Annual Meeting in person or by proxy will have the effect of a vote withheld.

Unless contrary instruction is given, the persons named in the proxies solicited by the Board of Directors will vote each such proxy for the election of the named nominee. If the nominee is unable to serve, the shares represented by all properly executed proxies which have not been revoked will be voted for the election of such substitute as the Board of Directors may recommend or the Board of Directors may reduce the size of the Board to eliminate the vacancy. At this time, the Board does not anticipate that the nominee will be unavailable to serve.

The following table sets forth, for the nominees and each continuing director, his name, age as of the Record Date, the year he first became a director of the Company, the expiration of his current term, and whether such individual has been determined by the Board to be "independent" as defined in Section 121A of the American Stock Exchange (Amex) Company Guide. There are no known arrangements or understandings between any director or nominee for director of the Company and any other person pursuant to which such director or nominee has been selected as a director or nominee.

CORPORATE GOVERNANCE

The Board of Directors periodically reviews its corporate governance policies and procedures to ensure that the Company meets the highest standards of ethical conduct, reports results with accuracy and transparency, and maintains full compliance with the laws, rules and regulations which govern the Company's operations.

Meetings and Committees of the Board of Directors

Board of Directors. During the fiscal year ended March 31, 2005, the Board met five times. No incumbent director attended fewer than 75% of the total number of meetings of the Board of Directors of the Company held during the year and the total number of meetings held by all committees on which the director served during such year. Board members are expected to attend the Annual Meeting of Shareholders, and three incumbent directors attended the 2004 Annual Meeting of Shareholders.

Audit Committee. The Audit Committee operates under a written charter adopted in July 2003. The Audit Committee is appointed by the Board to assist the Board in its duty to oversee the Company's accounting, financial reporting and internal control functions and the audit of the Company's financial statements. The Committee's responsibilities include, among others, direct

Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

responsibility for hiring, firing, overseeing the work of and determining the compensation for the Company's independent auditors, who report directly to the Audit Committee. The members of the Audit Committee are Mr. Luskin (Chairman), Dr. Seff and Dr. Silverman, none of whom is an employee of the Company and each of whom is independent under existing Amex and Securities and Exchange Commission (SEC) requirements. The Board has examined the SEC's definition of "audit committee financial expert" and determined that Mr. Luskin satisfies this definition. Accordingly, Mr. Luskin has been designated by the Board as the Company's audit committee financial expert. During the fiscal year ended March 31, 2005, the Audit Committee met four times.

Nominations. The Company's full Board of Directors acts as a nominating committee for the annual selection of its nominees for election as directors. The Board of Directors held one meeting during the 2005 fiscal year in order to make nominations for directors. The Board of Directors believes that the interests of the Company's shareholders are served by relegating the nominations process to the full Board, the majority of which are independent from management. While the Board of Directors will consider nominees recommended by shareholders, it has not actively solicited recommendations from the Company's shareholders for nominees, nor established any procedures for this purpose. In considering prospective nominees, the Board of Directors will consider the prospect's relevant financial and business experience, the integrity and dedication of the prospect, his independence and other factors the Board deems relevant. The Board of Directors will apply the same criteria to nominees recommended by shareholders as those recommended by the full Board. Nominations for director may be made by shareholders, provided such nominations comply with certain timing and informational requirements set forth in the Company's Bylaws. See "Other Matters" elsewhere in this Proxy Statement.

Compensation Committee. Effective April 1, 2004, the Board created a Compensation Committee, the membership of which consists of Mr. Luskin (Chairman), Dr. Seff and Dr. Silverman, none of whom is an employee of the Company and each of whom is independent under existing Amex and SEC requirements. The Compensation Committee is charged with reviewing and determining the compensation of the Chief Executive Officer and the other executive officers of the Company. The Compensation Committee did not meet during the fiscal year ended March 31, 2005.

Director Compensation

During the Company's fiscal year ended March 31, 2005, those directors who were employed by the Company received no additional compensation for serving as a director. Directors are eligible to participate in the Company's Non-Qualified Stock Option Plan. During the Company's fiscal year ended March 31, 2005, the Company paid to each of Mr. Luskin, Dr. Silverman, and Dr. Seff a \$10,000 fee for annual service as a director, payable in cash or Shares (computed at the closing price as reported by the Amex on the date of the payment). On March 23, 2005, each outside Director received a 7,000 stock option at an exercise price of \$15.02 issued in accordance with the Company's Non-Qualified Stock Option Plan.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics that is designed to promote the highest standards of ethical conduct by the Company's directors, executive officers and employees.

Additionally, Mr. Grossblatt is entitled to bonus compensation for each fiscal year of the Company in which the Company earned pre-tax net income of at least \$100,000, in an amount equal to 5% of pre-tax net income up to \$1,000,000, 4% of pre-tax net income over \$1,000,000 up to \$2,000,000, 3% of pre-tax net income over \$2,000,000 up to \$3,000,000, and 1% of pre-tax net income over \$3,000,000.

to purchase 20,000 shares of common stock at an exercise price of \$4.50 per share pursuant to the Company's Non-Qualified Stock Option Plan, and is also entitled to life, health and disability insurance benefits, medical reimbursement, automobile allowance, and Company paid retirement plan contributions.

Effective July 18, 2005, Mr. Grossblatt's Employment Agreement was amended to reflect his new duties as Chief Executive Officer following Mr. Knepper's passing on August 4, 2004. The amended agreement provides that Mr. Grossblatt's base annual salary beginning July 18, 2005 is \$300,000, increasing to \$325,000 on August 1, 2006, and to \$350,000 on August 1, 2007. The amended agreement did not change the calculation of Mr. Grossblatt's bonus compensation or materially change the terms of Mr. Grossblatt's benefits.

If the Employment Agreement is not renewed by the Company or is terminated by Mr. Grossblatt for good reason, Mr. Grossblatt is entitled to receive his compensation through any balance of the employment term plus a lump sum payment equal to his last 12 months base salary and bonus, health benefits for three years, and an additional lump sum payment payable on each of the first three anniversaries of the termination equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company.

If Mr. Grossblatt's employment is terminated following or in anticipation of a "change of control" of the Company, Mr. Grossblatt will be entitled to receive a lump sum payment equal to his base salary for the balance of the Employment Agreement's term and the amount of Mr. Grossblatt's last bonus. In addition, Mr. Grossblatt is entitled to receive health benefits for three years, and an additional lump sum payment payable on the anniversary of the termination equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company. Furthermore, Mr. Grossblatt will receive an amount equal to three times his base salary for the last 12 months and the amount of his last bonus, limited to 2.99 times Mr. Grossblatt's average annual taxable compensation from the Company which is included in his gross income for the five taxable years of the Company ending before the date on which the change of control occurs.

If the Employment Agreement is terminated by the Company due to Mr. Grossblatt's death, Mr. Grossblatt's estate is entitled to receive a lump sum payment equal to his base salary for the greater of the balance of the Employment Agreement's term or one year, reduced by any individual life insurance benefits the premiums for which are paid for by the Company, plus the amount of his last bonus and the amount of the Company's last 401(k) plan contribution made on behalf of Mr. Grossblatt. In addition, Mr. Grossblatt's estate is entitled to the health insurance and medical reimbursement benefits for the longer of the balance of the term or three years following the date of death, or the cash equivalent thereof.

If the Employment Agreement is terminated by the Company due to Mr. Grossblatt's disability, Mr. Grossblatt is entitled to the continuation of the payment of his base salary for the balance of the term, reduced by any group or individual disability income insurance benefits the premiums for which are paid for by the Company and Social Security disability benefits paid to Mr. Grossblatt. In addition, Mr. Grossblatt is entitled to the health insurance and medical reimbursement benefits and a payment equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company, for the longer of the balance of the term or three years following the date of disability, or the cash equivalent thereof.

The Employment Agreement generally prohibits Mr. Grossblatt from competing with the Company during the term and during any subsequent period during which he receives compensation from the Company.

discretionary authority to do so being included in the proxy.

The cost of soliciting proxies will be borne by the Company. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Shares held of record by such persons, and the Company will reimburse them for their reasonable out-of-pocket expenses. Officers and directors may also solicit proxies.

The nominees for directors who receive a majority of the votes entitled to be cast for the election of directors at the Annual Meeting will be elected. In respect of any other matter, the affirmative vote of the holders of a majority of the Shares entitled to vote on the issue, in person or by proxy, is necessary to approve the matter.

As a matter of policy, the Company will accord confidentiality to the votes of individual shareholders, whether submitted by proxy or ballot, except in limited circumstances, including any contested election, or as may be necessary to meet legal requirements. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Company and will determine whether or not a quorum is present. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

Any shareholder desiring to present a proposal at the 2006 Annual Meeting of Shareholders and wishing to have that proposal included in the proxy statement for that meeting must submit the same in writing to the Secretary of the Company at 7-A Gwynns Mill Court, Owings Mills, Maryland 21117, in time to be received by May 3, 2006. In addition, if a shareholder desires to bring business (including director nominations) before the 2006 Annual Meeting of Shareholders that is not the subject of a proposal timely submitted for inclusion in the Company's Proxy Statement, written notice of such business, as currently prescribed in the Company's Bylaws, must be received by the Company's Secretary between April 3, 2006 and May 3, 2006. For additional requirements, a shareholder should refer to Article I, Section 8 of the Company's Bylaws, "Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals," a copy of which may be obtained from the Company's Secretary or from the Company's SEC filings. If the Company does not receive timely notice pursuant to the Bylaws, the nomination or proposal will be excluded from consideration at the meeting.

The persons designated by the Company to vote proxies given by shareholders in connection with the Company's 2006 Annual Meeting of Shareholders will not exercise any discretionary voting authority granted in such proxies on any matter not disclosed in the Company's 2006 proxy statement

with respect to which the Company has received written notice no later than July 16, 2006 that a shareholder (i) intends to present such matter at the 2006 Annual Meeting, and (ii) intends to and does distribute a proxy statement and proxy card to holders of such percentage of the Shares required to approve the matter. If a shareholder fails to provide evidence that the necessary steps have been taken to complete a proxy solicitation on such matter, the Company may exercise its discretionary voting authority if it discloses in its 2006 proxy statement the nature of the proposal and how it intends to exercise its discretionary voting authority.
