OUR COMPANY

Because this is a summary, it does not contain all the information about us that may be important to you. You should read the more detailed information and the financial statements and related notes which are incorporated by reference in this prospectus.

NexCen Brands engages in the acquisition and management of established consumer brands in intellectual property-centric industries. NexCen's goal is to be the world leader in brand management for the 21st century. Our business is focused on acquiring, managing and developing intellectual property, which we refer to as IP, and IP-centric businesses. IP-centric companies own, license or otherwise possess rights to trademarks, trade names, copyrights, patents, trade secrets and other intangible assets. IP that we have acquired and expect to acquire in the future includes trademarks, trade names, copyrights, franchise rights, patents, trade secrets, know-how and other similar, valuable property, primarily used in the retail and consumer branded products and franchise businesses. In building our IP business, we expect to focus on three vertical segments: retail franchising, consumer branded products and quick service restaurant franchising (which we refer to as "QSR" franchising).

We commenced our IP business in June 2006, when we acquired UCC Capital Corporation, which we refer to as UCC. Upon the closing of that acquisition, Robert W. D'Loren, who was the president and chief executive officer of UCC, became our president and chief executive officer and a member of our Board of Directors.

In November 2006, we entered the retail franchising business by acquiring Athlete's Foot Brands, LLC, along with an affiliated company and certain related assets. As a result of this acquisition, we are now the owner of The Athlete's Foot brand and related marks. The Athlete's Foot is one of the largest athletic footwear and apparel franchisors with over 600 retail locations in over 40 countries.

In February 2007, we entered the consumer branded products business by acquiring Bill Blass Holding Co., Inc. and two affiliated businesses. The Bill Blass label represents timeless style, modern American and is an American legacy brand in the fashion industry.

Also in February 2007, we acquired MaggieMoo's International, LLC ("MaggieMoo's") and the assets of Marble Slab Creamery, Inc. ("Marble Slab"), two well known and established brands within the hand-mixed, premium ice cream category. With these acquisitions, NexCen entered the QSR franchising business.

On May 2, 2007, we acquired the Waverly brand from F. Schumacher & Co. Waverly is a home décor lifestyle brand for harmonious and tasteful decorating.

We are evaluating various other potential acquisitions and are actively in discussions to acquire additional IP-centric businesses. More detailed information about The Athlete's Foot, Bill Blass, MaggieMoo's and Marble Slab acquisitions and the recently closed Waverly acquisition can be found in our Annual Report on Form 10-K/A for the fiscal year ended December 31, 2006, which is incorporated by reference into this prospectus.

NexCen is a Delaware corporation. Our principal executive offices are located at 1330 Avenue of the Americas, 34th Floor, New York, NY 10019, and our telephone number is (212) 277-1100. Our website address is www.nexcenbrands.com. Information on our website should not be construed as being incorporated by reference into, or considered a part of, this prospectus.

RISK FACTORS

Our business is subject to significant risks. You should carefully consider the risks and uncertainties described in this prospectus and the documents incorporated by reference herein, including the risks and uncertainties described in our consolidated financial statements and the notes to those financial statements and the risks and uncertainties described under the caption “Risk Factors” included in Part I, Item 1A of our Annual Report on Form 10-K/A for the year ended December 31, 2006, which are incorporated by reference in this prospectus. The risks and uncertainties described in this prospectus and the documents incorporated by reference herein are not the only ones facing us. Additional risks and uncertainties that we do not presently know about or that we currently believe are not material may also adversely affect our business. If any of the risks and uncertainties described in this

-1-

Table of Contents

prospectus or the documents incorporated by reference herein actually occur, our business, financial condition and results of operations could be adversely affected in a material way. This could cause the trading price of our common stock to decline, perhaps significantly, and you may lose part or all of your investment.

In addition to the foregoing, you should also consider the following risk factor:

Our stock price may be volatile, and the market price of our common stock may decline.

The stock market in general, and the market for stocks of companies similar to ours, has been highly volatile. As a result, the market price of our common stock is likely to be similarly volatile, and investors in our common stock may experience a decrease, which could be substantial, in the value of their stock, including decreases unrelated to our operating performance or prospects, and could lose part or all of their investment. The price of our common stock could be subject to wide fluctuations in response to a number of factors, including those described elsewhere in this prospectus or the documents incorporated by reference herein and others such as:

- variations in our operating performance and the performance of our competitors;
- actual or anticipated fluctuations in our quarterly or annual operating results;
- publication of research reports by securities analysts about us or our competitors or our industry;
- our failure or the failure of our competitors to meet analysts' projections or guidance that we or our competitors may give to the market;
- additions and departures of key personnel;
- strategic decisions by us or our competitors, such as acquisitions, strategic investments or changes in business strategy;
- speculation in the press or investment community;
- changes in accounting principles;
- terrorist acts, acts of war or periods of widespread civil unrest;
- changes in general market and economic conditions; and
- the factors discussed in the bullet points under "Forward-Looking Statements" below.

In the past, securities class action litigation has often been initiated against companies following periods of volatility in their stock price. This type of litigation could result in substantial costs and divert our management's attention and resources, and could also require us to make substantial payments to satisfy judgments or to settle litigation.

FORWARD-LOOKING STATEMENTS

This prospectus and the information incorporated by reference herein contain forward-looking statements within the meaning of the federal securities laws and the Private Securities Litigation Reform Act of 1995. These statements may be found throughout this prospectus and the documents incorporated by reference herein. Forward-looking statements typically are identified by the use of terms such as "may," "will," "should," "expect," "anticipate," "believe," "estimate," "inter

similar words, although some forward-looking statements are expressed differently. You should consider statements that contain these words carefully because they describe our expectations, plans, strategies and goals and our beliefs concerning future business conditions, our future results of operations, our future financial position, and our business outlook or state other “forward-looking” information. The information included and incorporated by reference under the heading “Risk Factors” in this prospectus provides examples of risks, uncertainties and events that could cause our actual results to differ materially from the

expectations expressed in our forward-looking statements. These risks, uncertainties and events also include, but are not limited to, the following:

- we may not be successful in implementing the our new IP strategy;
- we may not be able to acquire IP or IP centric companies or finance or exploit them on terms that are acceptable to us;
- we are likely to face substantial competition in seeking to acquire and market desirable IP and IP centric companies, and competitors may have substantially greater resources than we do;
- we may not be successful in operating or expanding our acquired businesses or integrating them into an overall IP business strategy;
- we may not be able to borrow desired amounts at desired times under our master loan agreement;
- we will be subject to risks associated with incurring indebtedness, including interest expense and the obligation to satisfy covenants contained in our master loan agreement, and these could have a negative impact on our business and results and could reduce our flexibility in some circumstances;
- risks associated with marketing and licensing our acquired trademarks and with successfully developing and marketing new products particularly in light of rapidly changing fashion and market trends;
- risks associated with the ability of licensees and franchisees to successfully market and sell branded products, competition;
- we may not be able to realize value from our accumulated tax loss carry forwards, because of a failure to generate sufficient taxable earnings, regulatory limits or both;
- general regional and national economic conditions; and
- loss or departure of one or more members of our senior management.

The forward-looking statements made in this prospectus or the documents incorporated by reference herein relate only to events as of the date on which the statements were made. We undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement was made or to reflect the occurrence of unanticipated events.

Table of Contents**SELLING STOCKHOLDERS**

The shares to be offered by the selling stockholders are "restricted" securities under applicable federal and state securities laws and are being registered under the Securities Act to give the selling stockholders the opportunity to sell these shares publicly. The registration of these shares does not require that any of the shares be offered or sold by the selling stockholders. The selling stockholders may from time to time offer and sell all or a portion of their shares indicated below in privately negotiated transactions or on the Nasdaq Global Market or any other market on which our common stock may subsequently be listed.

The registered shares may be sold directly or through brokers or dealers, or in a distribution by one or more underwriters on a firm commitment or best effort basis. To the extent required, the names of any agent or broker-dealer and applicable commissions or discounts and any other required information with respect to any particular offer will be set forth in a prospectus supplement. See "Plan of Distribution," beginning on page 11. The selling stockholders and any agents or broker-dealers that participate with the selling stockholders in the distribution of registered shares may be deemed to be "underwriters" within the meaning of the Securities Act, and any commissions received by them and any profit on the resale of the registered shares may be deemed to be underwriting commissions or discounts under the Securities Act.

No estimate can be given as to the amount or percentage of our common stock that will be held by the selling stockholders after any sales made pursuant to this prospectus because the selling stockholders are not required to sell any of the shares being registered under this prospectus. The following table assumes that the selling stockholders will sell all of the shares listed in this prospectus.

The following table sets forth information with respect to the beneficial ownership of our common stock held, as of May 4, 2007, by the selling stockholders and the number of shares being offered hereby and information with respect to shares to be beneficially owned by the selling stockholders after completion of this offering. The percentages in the following table reflect the shares beneficially owned by the selling stockholders as a percentage of the total number of shares of our common stock outstanding as of May 4, 2007.

Athlete's Foot Marketing Associates, LLC is entitled to receive a one-time contingent consideration payment of up to an additional \$8.5 million payable, if any, in the same proportion of cash and shares of our common stock as the initial consideration. The contingent consideration payment will be determined based upon Athlete's Foot Brands, LLC's December 31, 2006 audited financial statements and will be determined by taking the average of the "Revenue Calculation" and the "EBITDA Calculation" (as those terms are defined in the Athlete's Foot Purchase Agreement), for the four quarters ending December 31, 2006, less the initial consideration. The number of shares will be based on the actual contingent consideration payment amount multiplied by the ratio of 11/49 divided by \$6.68, which was the average closing price of one share of our common stock on the Nasdaq Global Market for the five trading days immediately preceding November 7, 2006. We have assumed a payment of approximately \$4.7 million for the purposes of registering contingent consideration shares to be registered by this prospectus.
- (49) Excludes the person's right as a former stockholder of Bill Blass Holding Co., Inc. to receive a pro rata amount (based on such person's relative ownership of Bill Blass Holding Co., Inc.) of an aggregate of 2,300,000 additional shares that we may become obligated to issue under the terms of the Bill Blass Purchase Agreement as earn-out consideration, although the exact number of shares issuable will not be determined until the earn-out becomes payable in March 2008. The former Bill Blass stockholders are entitled to receive up to an additional \$16.2 million of earn-out consideration payable in cash or shares of our common stock on March 31, 2008. The number of shares will be based on the average closing price of one share of our common stock on the Nasdaq Global Market for the ten consecutive trading days ending on (and including) the trading day prior to March 31, 2008. The actual earn-out amount will be based on the amount by which royalties generated from the Bill Blass trademarks in fiscal year 2007 multiplied by 5.5 exceed \$51.8 million, as adjusted for any working capital deficiency. We have assumed a maximum payment of \$16.2 million and an average closing price of \$7.05 per share, which was the price used to determine the number of shares issued at the Bill Blass closing, to calculate the number of earn-out shares registered by this prospectus.
- (50) Excludes the person's right as a former securityholder of MaggieMoo's International, LLC to receive a pro rata amount (based on such person's relative ownership of MaggieMoo's International, LLC) of an aggregate of 135,000 additional shares that we may become obligated to issue under the terms of the MaggieMoo's Merger Agreement as earn-out consideration, although the exact number of shares issuable will not be determined until the earn-out becomes payable in March 2008. The former MaggieMoo's securityholders are entitled to receive up to an additional \$2 million of earn-out consideration payable in cash or shares of our common stock on March 31,

2008. The number of shares will be based on the closing price of one share of our common stock on the Nasdaq Global Market on March 31, 2008. The actual earn-out amount will be based on the amount royalty payments earned during fiscal 2007 exceed royalty payments earned by MaggieMoo's during fiscal 2006, pursuant to a formula set forth in the MaggieMoo's Merger Agreement. We have assumed a maximum payment of \$2 million (reduced proportionately for cash payments due to non-accredited former securityholders of MaggieMoo's International, LLC) and an average closing price of \$10.21 per share, which was the price used to determine the number of shares issued at the MaggieMoo's closing, to calculate the number of earn-out shares registered by this prospectus.

Table of Contents**Summary of Resale Restrictions**

The shares to be offered hereby are owned by or issuable to the selling stockholders in connection with The Athlete's Foot, Bill Blass, MaggieMoo's and Waverly acquisitions. In The Athlete's Foot, Bill Blass and MaggieMoo's acquisitions, we also entered into a registration rights agreement with the selling stockholders under which we agreed to register shares of our common stock held by or issuable to the selling stockholders. Under the terms of the warrant issued in the Waverly acquisition, we also agreed to register shares issuable upon exercise of the warrant. Additionally, certain selling stockholders agreed to certain resale restrictions which will continue to restrict the resale of the shares registered by this prospectus.

The Athlete's Foot Acquisition

Pursuant to the Athlete's Foot Purchase Agreement, at the closing, we issued 1,413,423 shares of our common stock to Athlete's Foot Marketing Associates, LLC, or AFMA, and issued a warrant to Robert J. Corliss to purchase up to 500,000 shares of our common stock. The shares issued at the closing include 770,958 shares held in escrow until November 7, 2007 to secure indemnification obligations under the Athlete's Foot Purchase Agreement, all of which shares we have registered under this prospectus. As part of the acquisition, AFMA and Mr. Corliss agreed to the following restrictions on the timing of selling the shares we issued to them in the acquisition, even though the shares are registered and eligible for resale under this prospectus, as follows:

+ This prospectus registers an additional 157,594 shares of our common stock that we may become obligated to issue under the terms of the Athlete's Foot Purchase Agreement as contingent consideration, although the exact number of shares issuable will not be determined until the contingent payment is determined. Upon issuance, the contingent consideration shares will subject to resale restrictions. Additionally, 10% of the shares issued in satisfaction of the contingent payment will be held in escrow until November 7, 2007 to secure indemnification obligations under the Athlete's Foot Purchase Agreement. This table does not include the contingent consideration shares that may be issued.

* The warrant was issued by the Company to Mr. Corliss to purchase up to 500,000 shares of our common stock at any time prior to November 7, 2009. The warrant is currently exercisable by Mr. Corliss.

(1) Pursuant to a Voting Agreement, dated November 7, 2006, by and between Aether Holdings, Inc. (NexCen's predecessor) and AFMA, AFMA agreed not to sell a number of shares of our common stock equal to 75% of the aggregate number of total shares issued to them (including Consideration and True Up shares) until November 7, 2007, other than transfers to its affiliates and partners or to us to satisfy any indemnity claim. In addition, following November 7, 2007, AFMA agreed not to sell more than 25% of the aggregate number of shares held by them in

any one calendar quarter.

- (2) Pursuant to a Voting Agreement, dated November 7, 2006, by and between Aether Holdings, Inc. (NexCen's predecessor) and Mr. Corliss, Mr. Corliss agreed not to sell a number of shares of our common stock equal to 75% of the aggregate number of shares issuable upon exercise of his warrant in full (except to a family member or a trust thereof) for a period of one year from the date of exercise. If Mr. Corliss partially exercises his warrant such that Mr. Corliss is issued, in the aggregate, fewer than 75% of the shares issuable upon full exercise of his warrant, then all of such shares issued upon the partial exercise of his warrant will be subject to the above mentioned resale restrictions. Until the third anniversary of the exercise date, Mr. Corliss also agreed that he will not transfer more than 25% of the shares issuable upon full exercise of his warrant in any one calendar quarter.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the common stock by the selling stockholders pursuant to this prospectus. However, we will pay the expenses of registration of all of the shares that are offered pursuant to this prospectus, including legal and accounting fees. We will receive the exercise price of warrants to purchase common stock from certain of the selling stockholders upon the exercise of their warrants. If all of such warrants are exercised, we will receive net proceeds of approximately \$7.4 million. We expect to use the proceeds received from the exercise of the warrants, if any, for general corporate purposes. General corporate purposes may include capital expenditures, the repayment of debt, investments in our subsidiaries, working capital, repurchases of stock, or the financing of possible acquisitions or business opportunities.

PLAN OF DISTRIBUTION

We are registering 7,663,191 shares of our common stock for possible sale by the selling stockholders. Unless the context otherwise requires, as used in this prospectus, "selling stockholders" includes the selling stockholders named in the table above and donees, pledgees, transferees or other successors-in-interest selling shares

received from the selling stockholders as a gift, pledge, partnership distribution or other transfer after the date of this prospectus. Upon being notified by a selling stockholder that a donee, pledge, transferee or other successor-in-interest intends to sell more than 500 shares, we will, to the extent required, promptly file a supplement to this prospectus to name specifically such person as a selling stockholder.

The selling stockholders may offer and sell all or a portion of the shares covered by this prospectus from time to time, in one or more or any combination of the following transactions:

- on the Nasdaq Global Market, in the over-the-counter market or on any other national securities exchange on which our shares are listed or traded;
- in privately negotiated transactions;
- in underwritten transactions;
- in a block trade in which a broker-dealer will attempt to sell the offered shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- through purchases by a broker-dealer as principal and resale by the broker-dealer for its account pursuant to this prospectus;
 - in ordinary brokerage transactions and transactions in which the broker solicits purchasers; and
- through the writing of options (including put or call options), whether the options are listed on an options exchange or otherwise.

The selling stockholders may sell the shares at prices then prevailing or related to the then current market price or at negotiated prices. The offering price of the shares from time to time will be determined by the selling stockholders and, at the time of the determination, may be higher or lower than the market price of our common stock on the Nasdaq Global Market or any other exchange or market.

The shares may be sold directly or through broker-dealers acting as principal or agent, or pursuant to a distribution by one or more underwriters on a firm commitment or best-efforts basis. The selling stockholders may also enter into hedging transactions with broker-dealers. In connection with such transactions, broker-dealers of other financial institutions may engage in short sales of our common stock in the course of hedging the positions they assume with the selling stockholders. The selling stockholders may also enter into options or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). In connection with an underwritten offering, underwriters or agents may receive compensation in the form of discounts, concessions or commissions from the selling stockholders or from purchasers of the offered shares for whom they may act as agents. In addition, underwriters may sell the shares to or through dealers, and those dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. In connection with any particular offering pursuant to this shelf registration statement, an underwriter may engage in stabilizing transactions, short sales, syndicate covering transactions and penalty bids. The selling stockholders and any underwriters, dealers or agents participating in a distribution of the shares may be deemed to be "underwriters" within the meaning of the Securities Act, and any profit on the sale of the shares by the selling stockholders and any commissions received by broker-dealers may be deemed to be underwriting commissions under the Securities Act. Agents, underwriters, dealers or their affiliates, may be customers of, engage in transactions

with or perform services for us, in the ordinary course of business.

We and the selling stockholders may agree to indemnify an underwriter, broker-dealer or agent against certain liabilities related to the selling of the common stock, including liabilities arising under the Securities Act. Under the registration rights agreements, we have agreed to indemnify the selling stockholders against certain liabilities related to the sale of the common stock, including liabilities arising under the Securities Act. Under the registration rights agreements, we have also agreed to pay the costs, expenses and fees of registering the shares of

common stock; however, the selling stockholders will pay any underwriting discounts or commissions relating to the sale of the shares of common stock in any underwritten offering.

We are not aware that any selling stockholders have entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of its shares. Upon our notification by the selling stockholders that any material arrangement has been entered into with an underwriter or broker-dealer for the sale of shares through a block trade, special offering, exchange distribution, secondary distribution or a purchase by an underwriter or broker-dealer, we will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act, disclosing certain material information, including:

- the name of the selling stockholders;
- the number of shares being offered;
- the terms of the offering;
- the names of the participating underwriters, broker-dealers or agents;
- any discounts, commissions or other compensation paid to underwriters or broker-dealers and any discounts, commissions or concessions allowed or reallocated or paid by any underwriters to dealers;
- the public offering price; and
- other material terms of the offering.

The selling stockholders are subject to the applicable provisions of the Exchange Act and the rules and regulations under the Exchange Act, including Regulation M. This regulation may limit the timing of purchases and sales of any of the shares of common stock offered in this prospectus by the selling stockholders. The anti-manipulation rules under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of the shares to engage in market-making activities for the particular securities being distributed for a period of up to five business days before the distribution. The restrictions may affect the marketability of the shares and the ability of any person or entity to engage in market-making activities for the shares.

To the extent required, this prospectus may be amended and/or supplemented from time to time to describe a specific plan of distribution. Instead of selling the shares of common stock under this prospectus, the selling stockholders may sell the shares of common stock in compliance with the provisions of Rule 144 under the Securities Act, if available, or pursuant to other available exemptions from the registration requirements of the Securities Act.

Registration Statement. We have filed with the SEC a registration statement on Form S-3 with respect to the shares of common stock offered hereby. This prospectus does not contain all the information set forth in the registration statement, parts of which are omitted in accordance with the rules and regulations of the SEC. For further information with respect to us and the common stock offered hereby, reference is made to the registration statement.

Incorporation by Reference. The SEC allows us to "incorporate by reference" information into this prospectus, which means that we can disclose important information about us by referring you to another document filed separately with the SEC. The information incorporated by reference is considered to be a part of this prospectus. This prospectus incorporates by reference the documents and reports listed below (other than portions of these documents that are either (1) described in paragraphs (i), (k) and (l) of Item 402 of Regulation S-K promulgated by the SEC or (2) furnished under Item 2.02 or Item 7.01 of a Current Report on Form 8-K):

The description of our common stock to which we refer was filed in connection with our initial public offering when we were known as Aether Systems, Inc. In connection with that reorganization, our stockholders also approved an amendment to our certificate of incorporation that imposed restrictions on certain transfers of our common stock the purpose of which was to reduce the risk that we would experience an ownership change for tax purposes. Specifically, the transfer restrictions restrict any person from buying or selling our stock (or any interest in our stock) if the transfer would result in a stockholder (or several stockholders, in the aggregate, who hold their stock as a "group" under the federal securities laws) owning 5% or more of our stock. A description of these restrictions is set forth in our Form S-4 (No. 333-124633) filed with the SEC on May 4, 2005, as amended, which is incorporated herein by reference. Subsequently, at our annual meeting of stockholders held on October 31, 2006, we changed our name to NexCen Brands, Inc. as part of the change in our long-term strategy that focuses on acquiring or licensing, for sale, licensing or sublicensing (or other commercial exploitation) intellectual property.

Item 15. Indemnification of Directors and Officers.***Delaware General Corporation Law***

Section 145 of the Delaware General Corporation Law (the "DGCL") provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the person's conduct was unlawful. Section 145 of the DGCL further provides that a corporation similarly may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner that the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or such other court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper.

Section 145 of the DGCL also provides that a corporation has the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the

request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under this section.

Certificate of Incorporation

Article X of the Company's Certificate of Incorporation, as amended, provides that, to the fullest extent permitted by the DGCL, as the same exists or may be amended, a director of the Company is not liable to the Company or its stockholders for monetary damages for a breach of fiduciary duty as a director.

By-laws

Article VII of the By-laws of the Company (the "By-laws") provides, among other things, that each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he, or a person of whom he is the legal representative, is or was a director or officer of the Company or is or was serving at the request of the Company as a director, officer, employee, fiduciary, or agent of another corporation or of a partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless by the Company to the fullest extent which it is empowered to do so unless prohibited from doing so by the DGCL against all expense, liability and loss (including attorneys' fees actually and reasonably incurred by such person in connection with such proceeding) and such indemnification inures to the benefit of the person's heirs, executors and administrators; provided, however, that, subject to certain exceptions, the Company shall indemnify any such person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by the board of directors of the Company. Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or

decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as a part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance of Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in such document immediately prior to such date of first use.

Edgar Filing: NexCen Brands, Inc. - Form S-3

That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such

purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
- (d) The undersigned registrant hereby undertakes that:
- (1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
 - (2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
