**ITEM 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On August 8, 2007, management of Quintek Technologies, Inc. (the “Company”) determined, after consultation with its independent registered public accounting firm, that a restatement of its financial statements for the year ended June 30, 2006 filed on Form 10-KSB (the “Report”), is necessary due to inappropriate recording of warrant liability occurring due to the derivative. Therefore, the change in fair value of the Warrants (derivative) was not properly recorded as of June 30, 2006. As a result, such financial statements included within the Report should no longer be relied upon. The Company intends to file an amended Report with restated financials within 15 days.

The Company has discussed this matter with its independent accounting firm.
