ITEM 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

(a) Amendment to By-Laws.

On November 14, 2007, the Board of Directors of First United Corporation (the "Corporation") amended the Corporation's Bylaws to permit book-entry ownership of the shares of its common stock. The amendment was necessary to ensure compliance with The Nasdaq Stock Market's rule change that requires the securities of listed issuers to be eligible for participation in the Direct Registration System, an alternative to physical certification, by January 1, 2008. Specifically, the amendment replaced Article IV of the Bylaws with a version that includes a new Section 3 permitting the Board of Directors to adopt a system of issuance, recordation and transfer of shares of common stock by electronic or other means not involving any issuance of certificates, including provisions for notice to purchasers in substitution for any required statements on certificates, and as may be required by applicable corporate securities laws. Any system so adopted will not become effective as to issued and outstanding certificated shares until the related certificates have been surrendered to the Corporation for transfer, cancellation or exchange.

A copy of the amendment is attached hereto as Exhibit 3.2.

ITEM 9.01. Financial Statements and Exhibits.

(d) Exhibits.

Exhibit 3.2 First Amendment to Amended and Restated Bylaws (filed herewith).
