PROXY STATEMENT

CAPITAL GOLD CORPORATION

**76 Beaver Street
14th Floor
New York, NY 10005**

INTRODUCTION

This proxy statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of stockholders of Capital Gold Corporation (“Capital Gold,” the “Company,” “We” or “Us”) to be held on Thursday, January 24, 2008, and at any adjournments. The accompanying proxy is solicited by our Board of Directors and is revocable by the stockholder by notifying our Corporate Secretary at any time before it is voted, or by voting in person at the Annual Meeting. This proxy statement and accompanying proxy are being distributed to stockholders beginning on or about December 19, 2007. Our principal executive offices are located at 76 Beaver Street, 14th Floor, New York, NY 10005, telephone (212) 344-2785.

OUTSTANDING SHARES AND VOTING RIGHTS

RECORD DATE; OUTSTANDING SHARES; VOTES REQUIRED

Only stockholders of record at the close of business on December 3, 2007, the record date, are entitled to receive notice of, and vote at the Annual Meeting. As of the record date, the number and class of stock outstanding and entitled to vote at the meeting was 174,243,646 shares of common stock, par value \$.0001 per share. Each share of common stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the meeting. There are no cumulative voting rights.

The affirmative vote of at least a majority of the outstanding shares entitled to vote at the Annual Meeting at which a quorum is present is necessary for approval of Proposals 1, 3 and 4. The two (2) Class I director nominees, two (2) Class II director nominees and two (2) Class III director nominees receiving the highest number of affirmative “FOR” votes at the meeting (a plurality of votes cast) will be elected and constitute our entire Board of directors. The affirmative vote of at least a majority of the shares represented and voting at the Annual Meeting at which a quorum is present is necessary for approval of Proposal 5.

REVOCABILITY OF PROXIES

If you attend the meeting, you may vote in person, regardless of whether you have submitted a proxy. Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is voted. It may be revoked by filing, with our corporate secretary of Capital Gold at its principal offices, 76 Beaver Street, 14th Floor, New York, NY 10005, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person.

VOTING AND SOLICITATION

Every stockholder of record is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. There are no cumulative voting rights. By submitting your proxy, you authorize Gifford A. Dieterle and Jeffrey W. Pritchard and each of them to represent you and vote your shares at the meeting in accordance with your instructions. Messrs. Dieterle and Pritchard and each of them may also vote your shares to adjourn the meeting from time to time and will be authorized to vote your shares at any adjournment or postponement of the meeting.

Capital Gold has borne the cost of preparing, assembling and mailing this proxy solicitation material. The total cost estimated to be spent and the total expenditures to date for, in furtherance of, or in connection with the solicitation of stockholders is approximately \$25,000. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding soliciting materials to beneficial owners. Proxies may be solicited by certain of our directors, officers and employees, without additional compensation, personally, by telephone or by facsimile.

We have hired the firm of MacKenzie Partners, Inc. to assist in the solicitation of proxies on behalf of the Board of Directors. MacKenzie has agreed to perform this service for a proposed fee of \$8,000 plus out-of-pocket expenses.

ADJOURNED MEETING

The chair of the meeting may adjourn the meeting from time to time to reconvene at the same or some other time, date and place. Notice need not be given of any such adjournment meeting if the time, date and place thereof are announced at the meeting at which the adjournment is taken. If the time, date and place of the adjournment meeting are not announced at the meeting which the adjournment is taken, then our Secretary shall give written notice of the time, date and place of the adjournment meeting not less than ten (10) days prior to the date of the adjournment meeting. Notice of the adjournment meeting also shall be given if the meeting is adjourned in a single adjournment to a date more than 30 days after the original date fixed for the meeting or if a new record date for the adjourned meeting is fixed.

TABULATION OF VOTES

The votes will be tabulated and certified by our transfer agent.

VOTING BY STREET NAME HOLDERS

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as "broker non-votes").

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of common stock entitled to vote at the Annual Meeting, in person or by proxy. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting the votes cast at the Annual Meeting with respect to such matter.

Proxies marked "abstain" will be counted as shares present for the purpose of determining the presence of a quorum. For purposes of determining the outcome of a proposal, abstentions will have the same effect as a vote against the proposal (other than the election of directors).

Broker “non-votes” occur when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received voting instructions from the beneficial owner. Broker “non-votes” will be counted as shares present for purposes of determining the presence of a quorum. However, broker “non-votes” will not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. Where a proposal, such as approval of amendment to our Certificate of Incorporation to permit stockholder action to be taken only at a meeting of stockholders and eliminate stockholder action by written consent, requires the vote of a majority of the shares entitled to vote rather than a majority of the votes present and voting at a meeting, the general effect of a broker “non-vote” is a vote against the proposal.

PROPOSALS TO STOCKHOLDERS

PROPOSAL 1

APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO PROVIDE FOR A CLASSIFIED BOARD OF DIRECTORS

Our Board of Directors, subject to approval of our stockholders, authorized an amendment to our Certificate of Incorporation to add an Article TENTH thereto which would provide that our Board of Directors shall be divided into three classes designated as Class I, Class II and Class III, respectively, with the term of office of one class expiring each year. The Class I directors shall be initially elected for a term expiring at the annual meeting of stockholders to be held in the calendar year 2009, Class II directors shall be initially elected for a term expiring at the annual meeting of stockholders to be held in the calendar year 2010, and Class III directors shall be initially elected for a term expiring at the annual meeting of stockholders to be held in the calendar year 2011. Members of each class shall hold office until the annual meeting for the year in which their term expires and until their successors are elected and qualified, subject, however, to prior death, resignation, retirement, or removal from office. At each succeeding annual meeting of our stockholders, the successors of the class of directors whose term expires at that meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election. In the event of any increase or decrease in the authorized number of directors, (i) each director then serving as such shall nevertheless continue as a director of the class of which he or she is a member until the expiration of such director’s current term or his or her prior death, resignation, retirement, or removal from office, and (ii) the newly created or eliminated directorships resulting from such increase or decrease shall be apportioned by the Board of Directors among the three classes of directors so that the number of directors in each class is as nearly equal as possible. To the extent possible, consistent with the foregoing rule, any newly created directorships shall be added to those classes whose terms of office are to expire at the earliest dates following such allocation, unless otherwise provided for from time to time by resolution adopted by a majority of the directors then in office, though less than a quorum. No decrease in the number of directors constituting the whole Board of Directors shall shorten the term of an incumbent Director. In the event a vacancy occurs during the term of any director (by reason of death, resignation, retirement, removal from office or otherwise), such vacancy may be filled by the Board of Directors as provided in the amended bylaws of the Company (for the remainder of the term of the director who leaves the board and creates the vacancy).

New Article TENTH would also provide that the total number of directors constituting the entire Board of Directors will be not less than three nor more than ten, with the then-authorized number of directors being fixed from time to time by resolution of the Board of Directors. This tracks the provisions in our bylaws.

If the proposal is approved by our stockholders, the classified terms of the members of the Board of Directors would be applicable to every election of the directors following the date of effectiveness of the Amendment to the Certificate of Incorporation.

Our Board has evaluated the potential vulnerability of our company and our stockholders to the threat of unfair or coercive takeover tactics and has considered the range of possible responses to such a threat. Although the Board is not currently aware of any such threat, this proposal and proposal no. 4 are intended to reduce our vulnerability to unsolicited or hostile attempts to obtain control of our company and to increase the likelihood that our stockholders would receive a fair price for their shares in transactions relating to such attempts. This proposal is not being proposed in response to any present attempt known to the Board to acquire control of our company, to obtain representation on the Board of Directors, or to take significant corporate action and we are aware of no such plans. We are aware, however, that a number of unsolicited acquisition proposals in connection with takeover activities have employed, or have sought to employ, tactics which are designed to force a response by the target company through threats or attempts to secure action without affording a reasonable opportunity for the Board of such companies to consider whether such proposals are in the best interests of its stockholders. We have no current intentions to adopt or propose anti-takeover measures other than the proposals described in this Proxy Statement.

Third parties frequently accumulate stock positions in public companies in order to force a merger or other business combination or to commence a tender or exchange offer or other hostile attempt to acquire control of a company. We believe that unsolicited takeover attempts may be unfair or disadvantageous to our company and our stockholders because, among other reasons: (i) a non-negotiated takeover bid may be timed to take advantage of temporarily depressed stock prices; (ii) a non-negotiated takeover bid may be designed to foreclose or minimize the possibility of more favorable competing bids or alternative transactions; (iii) a non-negotiated takeover bid may involve the acquisition of only a controlling interest in our common stock, without affording all stockholders the opportunity to receive the same economic benefits; and (iv) a non-negotiated takeover bid may often deprive the stockholders of an adequate opportunity to evaluate the merits of the proposed transaction.

By contrast, in a transaction in which a potential acquiror must negotiate with the Board of Directors, the Board would take into account the underlying and long-term values of our business and assets, the possibilities for alternative transactions on more favorable terms, anticipated favorable developments in our business not yet reflected in the stock price, and equality of treatment of all stockholders.

This proposal and proposal no. 4 are designed to encourage any person who might seek to acquire control of our company to first consult with our Board and to negotiate the terms of any tender offer or proposed business combination. The Board believes that, for the protection of our stockholders, any proposed acquisition of control of our company, and any proposed business combination in which we might be involved, should be thoroughly studied by the Board to ensure that such transaction would be in the best interests of our company and our stockholders and that all of our stockholders would be treated fairly. In sum, the Board believes that this proposal and proposal no. 4 are prudent and in the best interests of our Company and our stockholders and should be adopted for their protection.

This proposal and proposal no. 4, if adopted, may be disadvantageous to the extent that they have the effect of discouraging a future takeover attempt that is not approved by the Board, but which a majority of the stockholders may deem to be in their best interests or in which stockholders may receive a substantial premium for their shares over the then current market value or over their cost basis in such shares. As a result of such effects of this proposal, stockholders who might wish to participate in an unsolicited tender offer may not have an opportunity to do so. These proposals, if adopted, could also delay or frustrate the assumption of control by a holder of a large block of our shares, even if many stockholders considered such an action to be beneficial. Furthermore, the adoption of these proposals will not ensure or guarantee that stockholders will receive a price for their shares in connection with an acquisition of control of our company that reflects the value of such shares, or that the price received will be fair or equitable, although in the opinion of the Board, the likelihood that the price will reflect such value and be fair and equitable will

be increased by the adoption of these proposals.

4

A copy of the amendment to our Certificate of Incorporation reflecting the effect of this proposed amendment and the other proposed amendments discussed in this Proxy Statement is attached as Appendix A .

Required Vote and Recommendation

The affirmative vote of at least a majority of the issued and outstanding shares as of the record date eligible to vote is necessary for approval of this Proposal 1.

MEETINGS AND COMMITTEES OF THE BOARD

Our Board of Directors is responsible for the management and direction of our company and for establishing broad corporate policies. A primary responsibility of the Board is to provide effective governance over our affairs for the benefit of our stockholders. In all actions taken by the Board, the Directors are expected to exercise their business judgment in what they reasonably believe to be the best interests of our company. In discharging that obligation, Directors may rely on the honesty and integrity of our senior executives and our outside advisors and auditors.

The Board of Directors and the Audit Committee of the Board meet periodically throughout the year to receive and discuss operating and financial reports presented by our executive officers as reports by experts and other advisors. The Board held five meetings during the fiscal year ended July 31, 2007 in person and telephonically, and acted by unanimous written consent on seven occasions. All directors attended 75% or more of the aggregate meetings.

In fiscal 2007, the Audit Committee, consisting of all of the non-employee members of the Board of Directors, met on four occasions. Representatives of our auditor were in attendance at one meeting without management present.

Our Board of Directors has no standing nominating committee because this function is handled by the Board of Directors. Nominees to the Board of Directors are selected by the Board of Directors based on current business and industry knowledge as well as general business knowledge. There are no formal procedures for stockholders to nominate persons to serve as directors.

Audit Committee and Audit Committee Expert.

The Audit Committee of our Board of Directors consists of Ian A. Shaw, Committee Chairman, John Postle and Mark T. Nesbitt. The Board of Directors has determined that all three members are independent directors as (i) defined in Rule 10A-3(b)(1)(ii) under the Securities Exchange Act of 1934 (the "Exchange Act") and (ii) under Section 121B(2)(a) of the AMEX Company Guide (although our securities are not listed on the American Stock Exchange or any other national exchange). The Audit Committee met four times telephonically in fiscal 2007. All committee members were present at the meetings.

Mr. Shaw serves as the financial expert as defined in Securities and Exchange Commission rules on the committee. We believe Messrs. Shaw, Postle and Nesbitt to be independent of management and free of any relationship that would interfere with their exercise of independent judgment as members of this committee. The principal functions of the Audit Committee are to (i) assist the Board in fulfilling its oversight responsibility relating to the annual independent audit of our consolidated financial statements, the engagement of the independent registered public accounting firm and the evaluation of the independent registered public accounting firm's qualifications, independence and performance (ii) prepare the reports or statements as may be required by the securities laws, (iii) assist the Board in fulfilling its oversight responsibility relating to the integrity of our financial statements and financial reporting process and our system of internal accounting and financial controls, (iv) discuss the financial statements and reports with management, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management, and (vi) review disclosures by independent accountants concerning relationships with us and the performance of our independent accountants. Our Audit Committee's charter is available on our website at www.capitalgoldcorp.com, where it may be found under the Corporate Info; Corporate Governance tab.

Audit Committee Report.

The primary responsibility of the Audit Committee (the "Committee") is to assist the Board of Directors in discharging its oversight responsibilities with respect to financial matters and compliance with laws and regulations. The primary methods used by the Committee to fulfill its responsibility with respect to financial matters are:

- To appoint, evaluate, and, as the Committee may deem appropriate, terminate and replace Capital Gold's independent registered public accountants;
- To monitor the independence of Capital Gold's independent registered public accountants;
- To determine the compensation of Capital Gold's independent registered public accountants;
- To pre-approve any audit services, and any non-audit services permitted under applicable law, to be performed by Capital Gold's independent registered public accountants;
- To review Capital Gold's risk exposures, the adequacy of related controls and policies with respect to risk assessment and risk management;

- To monitor the integrity of Capital Gold's financial reporting processes and systems of control regarding finance, accounting, legal compliance and information systems;

Compensation Committee.

In May 2007, our Board of Directors established a Compensation Committee consisting of Messrs. Shaw, Postle and Nesbitt, our independent directors. Changes to Director nominee procedures

In August 2006, we amended our bylaws to require stockholders that seek to bring business before a meeting of stockholders, including nominations of candidates for election as directors, to provide notice of such business to us not less than 90 days nor more than 120 days prior to the date of the meeting (provided that, in the event that public disclosure of the meeting date is first made less than 120 days prior to the meeting date, such notice must be received by us not later than the close of business on the tenth day following such public disclosure). With regard to nominations of persons for election to the Board of Directors, the notice must set forth (a) as to each proposed nominee, (i) the name, age, business address and residence address of the nominee, (ii) the principal occupation or employment of the nominee, (iii) the number of our shares owned beneficially or of record by the nominee and (iv) any other information relating to the nominee that would be required to be disclosed in a proxy statement to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"); and (b) as to the Stockholder giving the notice, (i) the name and record address of such Stockholder, (ii) the number of our shares owned beneficially or of record by such Stockholder, (iii) a description of all arrangements or understandings between such Stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such Stockholder, (iv) a representation that such Stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice and (v) any other information relating to such Stockholder that would be required to be disclosed in a proxy statement to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

Code of Ethics and Business Conduct

Our Board of Directors adopted a code of ethics and business conduct for officers, directors and employees that went into effect on October 22, 2003. Director Attendance at Annual Meetings of Stockholders

Directors are encouraged, but not required, to attend the Annual Meeting of Stockholders.

PROPOSAL 3

APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION INCREASING THE AUTHORIZED COMMON STOCK FROM 250,000,000 SHARES TO 300,000,000 SHARES

Our Board of Directors, subject to approval of our stockholders, authorized an amendment to our Certificate of Incorporation to increase the number of our authorized shares of common stock from 250,000,000 to 300,000,000. If this proposal is approved by our stockholders, we will file an amendment to our Certificate of Incorporation with the Delaware Secretary of State. A copy of that amendment is attached hereto as Appendix A. The Board believes such action to be in our best interests for the reasons set forth below.

As of December 3, 2007, we had approximately 174,243,646 shares of common stock outstanding and approximately 18,750,042 shares reserved for future issuance under outstanding options, warrants and our 2006 Equity Incentive Plan, leaving approximately 57,006,312 shares of common stock available for future issuances.

Our Board of Directors believes that the proposed increase in authorized common shares will benefit the Company by providing flexibility to issue common stock for a variety of business and financial objectives in the future without the necessity of delaying such activities for further stockholder approval, except as may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or national securities association trading system on which our securities may be listed or quoted.

We anticipate using such shares, or the proceeds from the sale thereof, to retain the ability to acquire additional mining prospects, properties and/or projects, acquire equipment, expand production and/or paying off debt. However, we have no arrangements, understandings, agreements or commitments at this time with respect to the issuance of the new shares that would be authorized if this proposal is approved.

This amendment and the creation of additional shares of authorized common stock will not alter the current number of issued shares or change the relative rights and limitations of the shares of common stock. The terms of the additional shares of common stock will be identical to those of the currently outstanding shares of common stock. However, because holders of common stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, any issuance of additional shares of common stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of common stock. In addition, our Board of Directors could issue large blocks of common stock to fend off unwanted tender offers or hostile takeovers without further stockholder approval.

Required Vote and Recommendation

The affirmative vote of at least a majority of the issued and outstanding shares as of the record date eligible to vote is necessary for approval of Proposal 3.

THE BOARD OF DIRECTORS DEEMS PROPOSAL 3 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

PROPOSAL 4

APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO PERMIT STOCKHOLDER ACTION TO BE TAKEN ONLY AT A DULY CALLED ANNUAL OR SPECIAL MEETING OF STOCKHOLDERS AND ELIMINATE STOCKHOLDER ACTION BY WRITTEN CONSENT

Our Board of Directors, subject to approval of our stockholders, authorized an amendment to our Certificate of Incorporation to permit stockholder action to be taken only at a duly called annual or special meeting of stockholders and eliminate stockholder action by written consent. If this proposal is approved by our stockholders, we will file an amendment to our Certificate of Incorporation with the Delaware Secretary of State. A copy of that amendment is attached hereto as Appendix A. The Board believes such action to be in our best interests for the reasons set forth in Proposal no. 1 above. The effects of approving this charter amendment also are set forth in Proposal no. 1.

Required Vote and Recommendation

The affirmative vote of at least a majority of the issued and outstanding shares as of the record date eligible to vote is necessary for approval of Proposal 4.

THE BOARD OF DIRECTORS DEEMS PROPOSAL 4 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE “FOR” APPROVAL THEREOF.

PROPOSAL 5**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of Wolinetz, Lafazan & Company, P.C. (“WL”) as our independent registered public accountants for the fiscal year ending July 31, 2008 subject to ratification by the stockholders.

WL audited our financial statements for the years ended July 31, 2007 and 2006. All audit and professional services provided by WL, Certified Public Accountants, will be approved in advance by the Audit Committee to assure such services do not impair the auditor's independence from us. The total aggregate fees billed by WL were \$140,000 and \$135,000 for the fiscal years ended July 31, 2007 and 2006, respectively. The following table shows the detailed fees billed to us by WL for professional services rendered during these fiscal years.

Description of Fees	Amount (\$)	
	2007	2006
Audit Fees	\$ 130,000	\$ 128,000
Audit-Related Fees	-	-

Audit-Related Fees

The Audit Committee will pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwriting) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to us by the independent auditor; provided, however, the pre-approval requirement is waived with respect to the provisions of non-audit services for us if the "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision. The Audit Committee may review and approve the scope and staffing of the independent auditors' annual audit plan.

Tax Fees

This represents professional services rendered for tax compliance, tax advice and tax planning.

All Other Fees

WL was paid no other fees for professional services during the fiscal years ended July 31, 2007 and 2006.

The Board of Directors considers WL to be well qualified to serve as our independent public accountants.

Representatives of WL will be available telephonically at the annual meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Required Vote and Recommendation

The affirmative vote of at least a majority of the shares represented and voting at the Annual Meeting is necessary for approval of Proposal 5.

THE BOARD OF DIRECTORS DEEMS PROPOSAL 5 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

On August 29, 2007, we increased directors' compensation to our independent directors and to Robert Roningen by \$1,000 per month.

Employment and Change of Control Agreements

Effective July 31, 2006, we entered into employment agreements with the following executive officers: Gifford A. Dieterle, our President and Treasurer, Roger A. Newell, our then Vice President of Development, Jack V. Everett, our then Vice President of Exploration, and Jeffrey W. Pritchard, our Vice President of Investor Relations. Agreements with John Brownlie, our Chief Operating Officer, and Christopher Chipman, our Chief Financial Officer, are discussed below.

The agreements run for a period of three years and automatically renew for successive one-year periods unless we or the executive provides the other party with written notice of our or his intent not to renew at least 30 days prior to the expiration of the then current employment period.

Under the original agreements, Mr. Dieterle is entitled to a base annual salary of at least \$180,000 and each of the other executives is entitled to a base annual salary of at least \$120,000. Each executive is entitled to a bonus or salary increase in the sole discretion of our board of directors. In addition, each of the executives received two year options to purchase an aggregate of 250,000 shares of our common stock at an exercise price of \$0.32 per share (the closing price on July 31, 2006).

On August 29, 2007, based on the recommendation of the Compensation Committee of our Board of Directors after review of an Executive Compensation Market Analysis and Report by an independent human resource professional services firm, we increased the salaries of our executive officers to be commensurate with industry standards. The new salaries are as follows: Gifford A. Dieterle, President, Treasurer and Chairman of the Board, \$250,000; John Brownlie, Chief Operating Officer, \$225,000; Christopher Chipman, Chief Financial Officer, \$175,000 (consulting fee); Jeffrey W. Pritchard, Vice President - Investor Relations and Secretary, \$195,000; and J. Scott Hazlitt, Vice President - Mine Development, \$135,000. The salary increase for Mr. Brownlie and the consulting fee increase for Mr. Chipman were retroactive to May 1, 2007 and the salary increase for Mr. Pritchard was retroactive to August 1, 2007.

We have the right to terminate any executive's employment for cause or on 30 days' prior written notice without cause or in the event of the executive's disability (as defined in the agreements). The agreements automatically terminate upon an executive's death. "Cause" is defined in the agreements as (1) a failure or refusal to perform the services required under the agreement; (2) a material breach by executive of any of the terms of the agreement; or (3) executive's conviction of a crime that either results in imprisonment or involves embezzlement, dishonesty, or activities injurious to us or our reputation. In the event that we terminate an executive's employment without cause or due to the disability of the executive, the executive will be entitled to a lump sum severance payment equal to one month's salary, in the case of termination for disability, and up to 12 month's salary (depending upon years of service), in the case of termination without cause.

Each executive has the right to terminate his employment agreement on 60 days' prior written notice or, in the event of a material breach by us of any of the terms of the agreement, upon 30 days' prior written notice. In the event of a claim of material breach by us of the agreement, the executive must specify the breach and our failure to either (i) cure or diligently commence to cure the breach within the 30 day notice period, or (ii) dispute in good faith the existence of the material breach. In the event that an agreement terminates due to our breach, the executive is entitled to severance payments in equal monthly installments beginning in the month following the executive's termination equal to three

month' salary plus one additional month's salary for each year of service to us. Severance payments cannot exceed 12 month's salary.

18

In conjunction with the employment agreements, our board of directors deeming it essential to the best interests of our stockholders to foster the continuous engagement of key management personnel and recognizing that, as is the case with many publicly held corporations, a change of control might occur and that such possibility, and the uncertainty and questions which it might raise among management, might result in the departure or distraction of management personnel to the detriment of our company and our stockholders, determined to reinforce and encourage the continued attention and dedication of members of our management to their engagement without distraction in the face of potentially disturbing circumstances arising from the possibility of a change in control of our company, we entered into identical agreements regarding change in control with the executives. Each of the agreements regarding change in control continues through December 31, 2009 and extends automatically to the third anniversary thereof unless we give notice to the executive prior to the date of such extension that the agreement term will not be extended. Notwithstanding the foregoing, if a change in control occurs during the term of the agreements, the term of the agreements will continue through the second anniversary of the date on which the change in control occurred. Each of the agreements entitles the executive to change of control benefits, as defined in the agreements and summarized below, upon his termination of employment with us during a potential change in control, as defined in the agreements, or after a change in control, as defined in the agreements, when his termination is caused (1) by us for any reason other than permanent disability or cause, as defined in the agreement (2) by the executive for good reason as defined in the agreements or, (3) by the executive for any reason during the 30 day period commencing on the first date which is six months after the date of the change in control. Each executive would receive a lump sum cash payment of three times his base salary and outplacement benefits. Each agreement also provides that the executive is entitled to a payment to make him whole for any federal excise tax imposed on change of control or severance payments received by him.

In May 2006, we entered into an employment agreement with John Brownlie, pursuant to which Mr. Brownlie originally served as Vice President Operations. Mr. Brownlie became our Chief Operating Officer in February 2007. Pursuant to his employment agreement, as amended, Mr. Brownlie now receives a base annual salary of \$225,000 and is entitled to annual bonuses. Upon his employment, he received options to purchase an aggregate of 200,000 shares of our common stock at an exercise price of \$.32 per share. 50,000 options vested immediately and the balance vest upon our achieving "Economic Completion" as that term is defined in the loan agreement with Standard Bank plc (when we have been operating at anticipated capacity for 60 to 90 days after mining operations commenced). The term of the options is two years from the date of vesting. The agreement runs for an initial two year period and automatically renews thereafter for additional one year periods unless terminated by either party within 30 days of a renewal date. We can terminate the agreement for cause or upon 30 days notice without cause. Mr. Brownlie can terminate the agreement upon 60 days notice without cause or, if there is a breach of the agreement by us that is not timely cured, upon 30 days notice. In the event that we terminate him without cause or he terminates due to our breach, he will be entitled to certain severance payments. In addition, Mr. Brownlie is entitled to change of control benefits comparable to those of our other executive officers (see discussion above).

On September 14, 2007, we entered into a Second Amended Engagement Agreement (the "Engagement Agreement") with Christopher Chipman, our Chief Financial Officer, effective May 1, 2007. The Engagement Agreement supersedes and replaces Mr. Chipman's prior agreement that expired on August 31, 2007. Pursuant to the Engagement Agreement, Mr. Chipman is engaged as our Chief Financial Officer and devotes approximately 85% of his time to our business. He receives a monthly fee of \$14,583. The Engagement Agreement expires on August 31, 2009 and automatically renews for successive one-year periods, unless either party gives at least 30 days prior notice to the other party of its intent not to renew. Mr. Chipman can terminate the Engagement Agreement on 60 days prior notice. We can terminate the Engagement Agreement without cause on 30 days prior notice and for cause (as defined in the Engagement Agreement). The Engagement Agreement also terminates upon Mr. Chipman's disability (as defined in the Engagement Agreement) or death. In the event that we terminate the Engagement Agreement without cause, Mr. Chipman will be entitled to a cash termination payment equal to his Annual Fee in effect upon the date of termination, payable in equal monthly installments beginning in the month following his termination. In the event the Engagement Agreement is terminated by Mr. Chipman at his election or due to his death or disability, Mr. Chipman will be entitled to the fees otherwise due and payable to him through the last day of the month in which such termination occurs.

In conjunction with Engagement Agreement, we entered into a change of control agreement similar to the agreements entered into with our other executive officers. The change of control agreement continues through August 31, 2009 and extends automatically to the next anniversary thereof unless we give notice to Mr. Chipman prior to the date of such extension that the agreement term will not be extended. Notwithstanding the foregoing, if a change in control occurs during the term of the change of control agreement, the term of the agreement will continue through the anniversary of the date on which the change in control occurred. The change of control agreement entitles Mr. Chipman to change of control benefits, as defined in the agreement and summarized below, upon his termination of employment with us during a potential change in control (as defined in the agreement) or after a change in control (as defined in the agreement) when his termination is caused (1) by us for any reason other than permanent disability or cause, as defined in the agreement (2) by Mr. Chipman for good reason (as defined in the agreement) or, (3) by Mr. Chipman for any reason during the 30 day period commencing on the first date which is six months after the date of the change in control. Mr. Chipman would receive a lump sum cash payment equal to three times his base annual fee plus three times his bonus award for the year immediately preceding the year of the change in control, and outplacement benefits. The change of control agreement also provides that Mr. Chipman is entitled to a payment to make him whole for any federal excise tax imposed on change of control or severance payments received by him.

In connection with the original engagement agreement with Mr. Chipman, in March 2006, Mr. Chipman received a two year option to purchase an aggregate of 50,000 shares of our common stock at an exercise price of \$.34 per share. These options are now fully vested.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In January 2006, we extended the following stock options through January 3, 2007, all of which were exercisable at \$.05 per share: Messrs. Dieterle - 1,050,000 shares; Roningen - 500,000 shares; Pritchard - 327,727 shares; Newell - 500,000 shares; and Hazlitt - 25,000 shares. These options were exercised in 2007 for aggregate gross proceeds of \$122,000.

Upon their engagement with us, we issued 50,000 two year options to Christopher Chipman, our Chief Financial Officer, (March 2006) and 200,000 two year options to John Brownlie, our Chief Operating Officer, (May 2006). Mr. Chipman's options are exercisable at \$.34 per share and are now fully vested. Mr. Brownlie's options are exercisable at \$.32 per share. 50,000 of Mr. Brownlie's options vested upon issuance and the balance vest upon our achieving "Economic Completion" as that term is defined in the loan agreement with Standard Bank plc.

On November 30, 2006, our board of directors granted 100,000 common stock options to each of John Postle, Ian A. Shaw and Mark T. Nesbitt, our independent directors. The options are to purchase shares of our common stock at an exercise price of \$0.33 per share (the closing price of our common stock on that date) for a period of two years. We utilized the Black-Scholes method to fair value the 300,000 options received by the directors and recorded approximately \$40,000 as equity based compensation expense.

On December 13, 2006, we issued two year options to purchase our common stock at an exercise price of \$0.36 per share to Mr. Brownlie and Mr. Chipman. These options are for the purchase of 250,000 shares and 100,000 shares, respectively. We utilized the Black-Scholes method to fair value the 350,000 options received by these individuals and recorded approximately \$48,000 as stock based compensation expense.

On March 22, 2007, we issued 500,000 shares of common stock to Mr. Brownlie under our 2006 Equity Incentive Plan. The fair value of the services provided in March 2007 amounted to \$225,000 or \$0.45 per share.

These options are for the purchase of 500,000 shares and were issued under the 2006 Equity-Incentive Plan. We utilized the Black-Scholes Method to fair value these options and recorded approximately \$65,000 as equity based compensation expense.

These services include but are not limited to the payment of mining salaries and related costs. Caborca Industrial bills us for these services at cost. OF
CAPITAL GOLD CORPORATION**

FIRST: At a meeting of the Board of Directors of CAPITAL GOLD CORPORATION (the "Corporation") duly called and noticed, and by subsequent unanimous written consent of all directors of the Corporation, resolutions were duly adopted setting forth proposed amendments to the Corporation's Certificate of Incorporation, declaring said amendments to be advisable and calling a meeting of the stockholders of the Corporation for consideration thereof.

SECOND: The first resolution provides for amendment to the first paragraph of Article FOURTH of the Corporation's Certificate of Incorporation, which sets forth the Corporation's capitalization, which first paragraph of the Article, as amended, reads as follows:

“FOURTH.

1. Authorized Shares. The aggregate number of shares of Common Stock which the Corporation shall have authority to issue is THREE HUNDRED MILLION (300,000,000) shares, at a par value of \$.0001 per share. All Stock When issued shall be fully paid and non-assessable.”

THIRD: The second resolution provides for the addition of a new Article TENTH of the Corporation's Certificate of Incorporation, which new Article TENTH, as added, reads as follows:

“TENTH. The total number of directors constituting the entire Board of Directors of the Corporation shall be not less than three nor more than ten, with the then-authorized number of directors being fixed from time to time by resolution of the Board of Directors. Elections of directors need not be by written ballot except as and to the extent provided in the Bylaws of the Corporation. The Board shall be divided into three classes, designated Class I, Class II, and Class III, with the term of office of one class expiring each year. Each class shall be as nearly equal in number as the then-authorized number of directors constituting the Board permits. Class I directors shall be initially elected for a term expiring at the annual meeting of stockholders to be held in the calendar year 2009, Class II directors shall be initially elected for a term expiring at the annual meeting of stockholders to be held in the calendar year 2010, and Class III directors shall be initially elected for a term expiring at the annual meeting of stockholders to be held in the calendar year 2011. To the extent possible, consistent with the foregoing rule, any newly created directorships shall be added to those classes whose terms of office are to expire at the earliest dates following such allocation, unless otherwise

provided for from time to time by resolution adopted by a majority of the directors then in office, though less than a quorum. No decrease in the number of directors constituting the whole Board of Directors shall shorten the term of an incumbent Director.”

“**ELEVENTH.** No action that is required or permitted to be taken by the stockholders of the Corporation at any annual or special meeting of stockholders may be effected by written consent of stockholders in lieu of a meeting of stockholders.”
