MTS Announces Receipt Of A Notice From The NASDAQ Staff Rejecting The Company's Request For An Extension Time In Which To Regain Compliance With NASDAQ'S Continued Listing Requirements; MTS Plans To Appeal The Staff's Determination

RA'ANANA, Israel, December 26, 2007 -- MTS - Mer Telemanagement Solutions Ltd. (Nasdaq: MTSL), a global provider of business support systems (BSS) for comprehensive telecommunication management and customer care & billing (CC&B) solutions, today announced that on December 20, 2007 the Company received a NASDAQ Staff Determination letter indicating that Staff is unable to accept the Company's plan of compliance and its request for an extension of time to regain compliance with the NASDAQ Stock Market continued listing criteria. The Company was informed that trading of the Company's ordinary shares will be removed from listing and registration on the NASDAQ Capital Market on December 31, 2007 unless it chooses to appeal the determination.

The Company, which is implementing a plan to achieve profitability and is currently negotiating a capital infusion, intends to appeal the Staff's determination to a NASDAQ Listing Qualification Panel.

About MTS

Mer Telemanagement Solutions Ltd. (MTS) is a worldwide provider of innovative solutions for comprehensive telecommunications expense management (TEM) used by enterprises, and for business support systems (BSS) used by information and telecommunication service providers.

Since 1984, MTS Telecommunications' expense management solutions have been used by thousands of enterprises and organizations to ensure that their telecommunication services are acquired, provisioned, and invoiced correctly. In addition, the MTS's Application Suite has provided customers with a unified view of telecommunication usage, proactive budget control, personal call management, employee cost awareness and more.

MTS's solutions for Information and Telecommunication Service Providers are used worldwide by wireless and wireline service providers for interconnect billing, partner revenue management and for charging and invoicing their customers. MTS has pre-configured solutions to support emerging carriers of focused solutions (e.g. IPTV, VoIP, MVNO) to rapidly install a full-featured and scaleable solution. MTS's unique technology reduces integration risks and lessens revenue leakage by using the very same system to manage retail and wholesale business as well as supporting multiple business units. Total cost of ownership (TCO) is reduced by providing web-based customer self-care and provisioning.
