 - ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act
-

Section 1 - Registrant's Business and Operations

Item 1.01 - Entry Into A Material Definitive Agreement

Perma-Fix Environmental Services, Inc.'s ("PESI") subsidiary, East Tennessee Materials & Energy Corporation ("M&EC"), was awarded a subcontract by CH2M Hill Plateau Remediation Company ("CH2M Hill"), in connection with CH2M Hill's obligations under its prime contract with the Department of Energy's ("DOE") waste management and facility operations at the DOE's Hanford, Washington site ("Hanford Site"). M&EC was one of the members of the CH2M Hill team that bid on the contract with DOE. As a subcontractor of CH2M Hill, M&EC will participate in the cleanup of the central portion of the Hanford Site, which once housed certain chemical separation buildings and other facilities that separated and recovered plutonium and other materials for use in nuclear weapons. The subcontract between CH2M Hill and M&EC became effective on June 19, 2008, the date that CH2M Hill was awarded the prime contract by the DOE. The prime contract between the DOE and CH2M Hill and M&EC's subcontract provide a transition period from July 1, 2008 through September 30, 2008, a base period from October 1, 2008 through September 30, 2013, and an option period from October 1, 2013 through September 30, 2018. M&EC's subcontract is a cost plus contract.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, PESI has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
