Thomas J. Lynch

On January 29, 2009, we entered into an employment agreement with Thomas J. Lynch, which provides for Mr. Lynch to be employed as our Chief Executive Officer for a two year term which commenced on January 2, 2009 until January 2, 2011 at a base salary of \$600,000 per year. Pursuant to the terms of the employment agreement, in addition to his base salary, Mr. Lynch is eligible to receive, for the years ending July 31, 2010 and July 30, 2011, an annual performance bonus equal to 65% of his base salary based on achieving certain targeted performance goals determined by the compensation committee after consultation with him. The bonus for the year ending July 31, 2011 will be prorated for the partial year. No performance bonus was required to be paid to Mr. Lynch for the year ended July 25, 2009.

5

In addition to his base salary, on January 29, 2009, we granted Mr. Lynch a ten-year, non-qualified option to purchase 360,000 shares of common stock under our 1988 Non-Qualified Stock Option Plan at an exercise price of \$0.38 per share. 120,000 option shares are immediately exercisable and 120,000 shares will vest on each of January 2, 2010 and 2011.

Additionally, on January 29, 2009, we issued Mr. Lynch 100,000 shares of restricted stock. 50,000 shares will vest on January 2, 2010, provided that Mr. Lynch is employed by us and that he has purchased an aggregate of 250,000 shares of common stock in the open market in accordance with the terms of a 10b5-1 trading plan ("Trading Plan") to be entered into by Mr. Lynch during the first open window period that such plan can be entered into in accordance with the terms of our insider trading policy (the "stock purchase"). Mr. Lynch entered into a Trading Plan on July 10, 2009. If Mr. Lynch does not complete the stock purchase by January 2, 2010, then the 50,000 shares will not vest on such date; however, all 100,000 shares will vest on January 2, 2011 provided that Mr. Lynch is employed by us and has completed the stock purchase by such date. As of October 30, 2009, Mr. Lynch had purchased 173,800 shares of our common stock under his Trading Plan and it is anticipated that he will complete the stock purchase by December 31, 2009.

The employment agreement provides that if, during the employment term, we terminate Mr. Lynch without "cause" or he terminates his employment for "good reason" (as such terms are defined in the employment agreement), we will be required to pay to him (i) his base salary for (a) four months from the date of termination if such date is prior to July 2, 2009, (b) six months from the date of termination if such date is between July 2, 2009 and January 2, 2010 or (c) eight months from the date of termination if such date is after January 2, 2010 and prior to the end of the employment term and (ii) his annual performance bonus, pro-rated to the date of termination. In addition, the portion of the stock option that would otherwise have vested within the one-year period following termination will immediately vest and the restricted stock would continue to vest as scheduled, provided that the stock purchase requirement is met.

Mr. Lynch's employment agreement also provides for us to pay the premiums on a life insurance policy for him providing a death benefit of \$1,500,000 to Mr. Lynch's designated beneficiary and a disability insurance policy for Mr. Lynch providing a non-taxable benefit of at least \$10,000 per month payable to Mr. Lynch in the event of his disability. Under the employment agreement, Mr. Lynch is prohibited from disclosing confidential information about us and employing or soliciting any of our current employees to leave us during his employment and for a period of one year thereafter. The employment agreement does not contain any change of control provisions.

Linda LoRe

On January 28, 2008, the closing date of the merger, we and FOH Holdings entered into an employment agreement with Linda LoRe for an initial three year term from August 1, 2007 to August 1, 2010, pursuant to which she serves as the President and Chief Executive Officer of the retail division and a director of our company. In February 2009, Ms. LoRe was promoted and now also serves as our President. Her employment agreement was not amended in connection with the promotion. The employment agreement will automatically be extended for additional one-year periods unless earlier terminated or either we or Ms. LoRe give the other notice of our or her intent to terminate at least three months prior to the end of the initial term or any renewal period. It is intended that the employment term will not exceed an aggregate of seven years. The employment agreement provides for a base salary of \$650,000 per year, to be reviewed annually for possible increases at the board's discretion. The employment agreement also provides for an annual performance bonus up to 50% of her base salary based on achieving certain targeted performance goals to be determined by the compensation committee after consultation with Ms. LoRe. No performance bonus was paid to Ms. LoRe for the years ended July 26, 2008 and July 25, 2009 because no bonus plan was in effect for those fiscal years.

The employment agreement provides for us to pay the premiums on a life insurance policy for Ms. LoRe providing a death benefit of \$3,000,000 to her designated beneficiary and a disability insurance policy for Ms. LoRe providing a benefit of 60% of Ms. LoRe's monthly base salary payable to her in the event of her disability. Ms. LoRe is also entitled to participate in welfare benefit plans maintained for our executive officers. Ms. LoRe is prohibited from disclosing confidential information about us or any of our subsidiaries and employing or soliciting any of our current employees to leave the company during her employment and for a period of two years thereafter.

On January 28, 2008, the closing date of the merger, the equity incentive agreement, dated December 14, 2007, between FOH Holdings and Ms. LoRe became effective, pursuant to which Ms. LoRe (i) was granted an option under the Amended and Restated 2003 Employee Equity Incentive Plan ("2003 Plan") to purchase an aggregate of 100,000 shares of our common stock at an exercise price of \$3.10 per share (the last sale price of our common stock on the closing date of the merger). 25,000 shares vested on the closing date and the remaining shares vest in three equal annual installments of 25,000 shares and will expire ten years after the grant date, (ii) was issued an aggregate of 200,000 shares of our restricted common stock, 100,000 shares of which will vest on December 31, 2009, 50,000 shares will vest on December 31, 2010 and the remaining 50,000 shares will vest on December 31, 2011 and (iii) received a \$225,000 cash bonus.

We currently have a key person insurance policy on the life of Ms. LoRe in the amount of \$5.0 million under which we are the beneficiary.

Thomas Rende

The employment agreement provides for Mr. Rende to be employed as our Senior Vice President and Chief Financial Officer until December 31, 2009 at a base salary of \$340,000 per year. Pursuant to the terms of the employment agreement, upon the completion of the merger, Mr. Rende received a bonus equal to (a) \$75,000 in cash and (b) 24,194 shares of common stock, which represents \$75,000 divided by \$3.10, the last sale price of a share of our common stock on the closing date of the merger. Mr. Rende was eligible to receive, for the fiscal years ended July 26, 2008 and July 25, 2009, and is eligible to receive for the year ending July 31, 2010, an annual performance bonus equal to 35% of his base salary based on achieving certain targeted performance goals determined by the compensation committee after consultation with him. The bonus for the year ending July 31, 2010 will be prorated for the partial year. No performance bonus was paid to Mr. Rende for the years ended July 26, 2008 and July 25, 2009 because no bonus plan was in effect for those fiscal years.

The employment agreement provides for us to pay the premiums on a life insurance policy for Mr. Rende providing a death benefit of \$1,000,000 to his designated beneficiary and a disability insurance policy for Mr. Rende providing a non-taxable benefit of at least \$7,500 per month payable to him in the event of his disability. Mr. Rende is also entitled to participate in our group medical insurance and Retired Senior Executive Medical Plan. Under the employment agreement, Mr. Rende is prohibited from disclosing confidential information about us and employing or soliciting any of our current employees to leave us during his employment and for a period of one year thereafter. The employment agreement does not contain any change of control provisions.

We are currently in negotiations with Mr. Rende regarding an extension of his employment agreement.

Peter Cole

On April 9, 2007, we entered into a consulting agreement with Performance Enhancement Partners, LLC, pursuant to which Performance Enhancement Partners provided us with the personal services of Peter Cole to act as the lead member of our Board of Directors to facilitate the consummation of the merger and to serve as our Executive Chairman following the merger. On October 22, 2008, the consulting agreement was amended to extend the consulting agreement for an additional six-month period from January 27, 2009 to July 25, 2009 unless earlier terminated upon 30 days' prior written notice. Effective May 23, 2009, the consulting agreement was terminated.

Pursuant to the amended consulting agreement, Performance Enhancement Partners received a consulting fee at the annual rate of \$400,000, payable in four equal quarterly installments in arrears and prorated for the ten-month period during the year ended July 25, 2009 in which Mr. Cole served as Executive Chairman. The agreement also provided

for Performance Enhancement Partners to receive an additional annual consulting fee of \$100,000, which also was prorated for the ten-month period during fiscal year 2009 in which Mr. Cole served as Executive Chairman.

On January 28, 2008, the closing date of the merger, we (i) issued to Performance Enhancement Partners 50,000 shares of our common stock under the 2000 Performance Equity Plan and (ii) granted to Performance Enhancement Partners a five-year non-qualified option to purchase 137,500 shares of our common stock under the 2000 Performance Equity Plan at an exercise price of \$3.10 per share, the last sale price of our common stock on the closing date of the merger. 87,500 of the shares underlying the option vested on the grant date and 50,000 shares vested on July 26, 2008. On July 28, 2008, the commencement date of the first extension period of the consulting agreement, we granted Performance Enhancement Partners a five-year non-qualified option to purchase 25,000 shares of our common stock under the 2000 Performance Equity Plan at an exercise price of \$0.96 per share, the last sale price of our common stock on the grant date, which vested on January 26, 2009. On January 27, 2009, the commencement date of the second extension period of the consulting agreement, we granted Performance Enhancement Partners a five-year non-qualified option to purchase 25,000 shares of our common stock at an exercise price of \$0.37 per share, the last sale price of our common stock on the grant date. These shares were to vest in six equal monthly installments commencing on the one-month anniversary of the commencement date of the second extension period. Upon the termination of the consulting agreement on May 23, 2009, 16,668 shares were vested and the remaining unvested portion expired. On June 8, 2009, Performance Enhancement Partners, LLC exercised these options.

Grants of Plan-Based Awards

The following table sets forth information regarding awards to the named executive officers under our equity compensation plans during the year ended July 25, 2009. There can be no assurance that the grant date fair value of the stock and option awards will ever be realized by the individual. The amount of these awards that was expensed is included in the Summary Compensation Table:

Name	Grant Date	Number of Shares of Stock (#)	Number of Securities Underlying Options (#)	Exercise or Base Price of Option Awards (\$/sh)	Exercise Price of Option Awards on the Grant Date (\$/sh)(1)	Grant Date Fair Value of Stock and Option Awards \$(2)
Thomas J. Lynch	1/29/09	100,000(3)	-	-	-	38,000
	1/29/09	-	360,000(4)	.38	.38	91,323
Peter Cole	1/28/09	-	25,000(5)	.37	.37	5,198
	7/28/08	-	25,000(6)	.96	.96	12,880

(1) Represents the closing price of our common stock on the date of grant.

(2) The fair value of the stock and option awards was calculated using the Black-Scholes option-pricing model with the following weighted-average assumptions used for each grant: risk-free interest rate 2.33%; expected life of 6.8 years; expected volatility 68.4% and expected dividends of zero. The fair value generated by the Black-Scholes model may not be indicative of the future benefit, if any, that may be received by the holder.

We account for our stock-based employee compensation arrangements under SFAS 123(R), which requires companies to recognize the cost of employee services received in exchange for awards of equity instruments, based on the grant date fair value of those awards, in the financial statements.

(3) Represents shares of restricted common stock issued to Mr. Lynch in accordance with the terms of his employment agreement with the Company. 50,000 shares will vest on January 2, 2010, provided that Mr. Lynch is employed by us and that he has purchased an aggregate of 250,000 shares of common stock in the open market in accordance with the terms of a 10b5-1 trading plan ("Trading Plan") to be entered into by Mr. Lynch during the first open window period that such plan can be entered into in accordance with the terms of our insider trading policy (the "stock purchase"). Mr. Lynch entered into a Trading Plan on July 10, 2009. If Mr. Lynch does not complete the stock purchase by January 2, 2010, then the 50,000 shares will not vest on such date; however, all 100,000 shares will vest on January 2, 2011 provided that Mr. Lynch is employed by us and has completed the stock purchase by such date.

(4) Represents shares issuable upon exercise of an option granted to Mr. Lynch in accordance with the terms of his employment agreement with the Company. 120,000 shares are immediately exercisable and 120,000 shares will vest on each of January 2, 2010 and 2011.

(5) Represents shares issuable upon exercise of an option granted to Performance Enhancement Partners, LLC in accordance with the terms of the consulting agreement with the Company to provide the services of Peter Cole, our former Executive Chairman and the sole member of Performance Enhancement Partners, LLC. These shares were

to vest in six equal monthly installments commencing on the one-month anniversary of the grant date. Upon the termination of the consulting agreement on May 23, 2009, 16,668 shares were vested and the remaining unvested portion expired. On June 8, 2009, Performance Enhancement Partners, LLC exercised these options.

(6) Represents shares issuable upon exercise of an option granted to Performance Enhancement Partners, LLC in accordance with the terms of the consulting agreement described in footnote (5) above. These shares vested on January 26, 2009.

Potential Termination or Change of Control Payments

Each of our named executive officers has an employment agreement with us that provides for the following potential payments in the event of their termination. Unless otherwise indicated, all such payments will be paid in accordance with our normal payroll procedures. Of the named executive officers, only Linda LoRe's employment agreement contains a change of control provision.

Thomas J. Lynch

Payment Upon Death or Disability. In the event of death or termination due to "disability" (as defined in his employment agreement), Mr. Lynch, or his designated beneficiary, as the case may be, will be entitled to receive:

- base salary through the date of death or disability;
- any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of months worked during the fiscal year of termination;
- all valid business expense reimbursements; and
- all accrued but unused vacation pay.

In addition, in the case of death, his beneficiary will be entitled to receive proceeds from a company-paid life insurance policy provided to him in his name. We also maintain a long-term disability insurance policy for Mr. Lynch, which will provide a non-taxable benefit of at least \$10,000 per month, payable to him.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Mr. Lynch terminates his employment for "good reason" (as defined in his employment agreement) or is terminated by us without "cause" (as defined in his employment agreement), he will be entitled to receive the following:

- base salary for (a) six months from the date of termination if such date is between July 2, 2009 and January 2, 2010 or (c) eight months from the date of termination if such date is after January 2, 2010 and prior to the end of the employment term;
- any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of months worked during the fiscal year of termination;
- all valid business expense reimbursements; and
- all accrued but unused vacation pay.

In addition, the portion of the stock option that would otherwise have vested within the one-year period following termination will immediately vest and the restricted stock will continue to vest as scheduled, provided that the stock purchase requirement is met. To the extent necessary to comply with Internal Revenue Code Section 409A, all cash amounts due may be paid in a lump-sum cash payment on the six-month anniversary of the date of termination of employment.

Linda LoRe

- any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of days worked during the fiscal year of termination;

In addition, in the case of death, her beneficiary will be entitled to receive \$3,000,000 from a company-paid life insurance policy. We also maintain a long-term disability insurance policy for Ms. LoRe, which will provide a benefit of 60% of Ms. LoRe's monthly base salary, payable to her.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Ms. LoRe terminates her employment for "good reason" (as defined in her employment agreement) or is terminated by us without "cause" (as defined in her employment agreement), she will be entitled to receive the following:

- base salary through the date of termination;
- an amount equal to 1.25 times her base salary in effect on the termination date, payable no later than 45 days after the termination date; provided that to the extent necessary to avoid noncompliance with Internal Revenue Code Section 409A, such amount may be placed in an interest bearing escrow account and the deposited amount paid in full to Ms. LoRe six months after the termination date.
- any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of days worked during the fiscal year of termination;
- company-paid continuation of medical coverage for eighteen months after the termination date;

- all accrued but unused vacation pay.

Payment Upon a Change in Control. If there is a "change in control" (as defined in her employment agreement) during the employment term and Ms. LoRe terminates her employment for "good reason" or is terminated without "cause" within eighteen months following the change in control, she will be entitled to receive what she would have been entitled to receive upon a termination for good reason or without cause as described above, except that she would be entitled to receive an amount equal to 1.75 times her base salary instead of 1.25 times her base salary, plus a bonus equal to the targeted performance bonus in effect on the date of termination. In addition, all outstanding stock options, restricted stock and other equity awards under any of our equity incentive plans will immediately vest and become fully exercisable.

Thomas Rende

- all accrued but unused vacation pay.

In addition, in the case of death, his beneficiary will be entitled to receive proceeds from a company-paid life insurance policy provided to him in his name. We also maintain a long-term disability insurance policy for Mr. Rende, which will provide a non-taxable benefit of at least \$7,500 per month, payable to him.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Mr. Rende terminates his employment for "good reason" (as defined in his employment agreement) or is terminated by us without "cause" (as defined in his employment agreement), or if we do not continue his employment at the end of the employment term upon substantially similar terms, he will be entitled to receive the following:

- base salary through the end of the employment term (December 31, 2009);

Compensation Plans

Non-Equity Compensation Plan

1998 Senior Executive Incentive Plan

In September 1998, our compensation committee adopted an incentive compensation plan. Under the 1998 Senior Executive Incentive Plan, as amended, the compensation committee has the discretion to award bonus compensation to senior executives in an amount not to exceed 6.75% of any excess pre-tax income over the base amount of \$1,200,000. No awards were made under the plan to our named executive officers for fiscal year 2009.

Equity Compensation Plans

Employee Stock Ownership Plan

Effective December 31, 2007, we terminated our Employee Stock Ownership and Capital Accumulation Plan ("Employee Stock Plan"). As of October 30, 2009, there were 360 participants who were entitled to receive an aggregate of 61,934 shares of our common stock.

Amended and Restated 1988 Non-Qualified Stock Option Plan

On December 13, 1988, our shareholders approved the 1988 Non-Qualified Stock Option Plan covering up to 833,333 shares of common stock to provide an additional continuing form of long-term incentive to selected officers. On September 19, 2006, our board of directors approved the Amended and Restated 1988 Non-Qualified Stock Option Plan, which (i) increased the time period in which an employee terminated for any reason other than death or disability has to exercise the portion of the option which is exercisable on the date of termination from 30 days to 90 days following the date of termination; (ii) provides for continued exercisability of options after termination in the discretion of the compensation committee as set forth in the stock option agreement at the time of grant; (iii) increased the time period in which an employee terminated due to disability has to exercise the option from 180 days to one year from the date of termination; and (iv) increased the time period in which the legal representative or legatee under the will of an employee who dies within 90 days (instead of 30 days) after the date of termination of employment or while employed by us or a subsidiary has to exercise the decedent employee's option from 180 days to one year from the date of death. Unless terminated by the board, the 1988 Non-Qualified Stock Option Plan shall remain effective until no further options may be granted and all options granted under the 1988 Non-Qualified Stock Option Plan are no longer outstanding. During fiscal year 2009, 360,000 options were granted to our Chief Executive Officer under the 1988 Non-Qualified Stock Option Plan and no options were granted to our employees during fiscal year 2008. As of October 30, 2009, there were options outstanding to purchase 522,500 shares, exercisable at prices ranging from \$.38 per share to \$2.90 per share of our common stock at a weighted average exercise price of \$.99 per share.

Amended and Restated 2000 Performance Equity Plan

On February 22, 2000, the board of directors adopted the 2000 Performance Equity Plan covering 375,000 shares of common stock under which our officers, directors, key employees and consultants are eligible to receive incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, deferred stock, stock reload options and other stock based awards. Shareholders approved the 2000 Performance Equity Plan on November 28, 2000. On January 23, 2008, our shareholders approved the Amended and Restated 2000 Performance Equity Plan, which increased the number of shares of our common stock available for issuance under the plan from 375,000 shares to 2,000,000 shares, added a 500,000 share limit on grants to any individual in any one calendar year in order for the plan to comply with Section 162(m) of the Internal Revenue Code and made other changes to comply with Section

409A of the Internal Revenue Code. The Amended and Restated 2000 Performance Equity Plan will terminate when no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until February 21, 2010. To the extent permitted under the provisions of the 2000 Performance Equity Plan, the compensation committee has authority to determine the selection of participants, allotment of shares, price and other conditions of awards. During fiscal years 2009 and 2008, 127,500 and 491,250 options, respectively, were granted to our employees under the 2000 Performance Equity Plan, and no options have been granted to our employees under the 2000 Performance Equity Plan subsequent to the end of fiscal year 2009 through October 30, 2009. As of October 30, 2009, there were options outstanding to purchase an aggregate of 731,750 shares, exercisable at prices ranging from \$.17 per share to \$3.10 per share of our common stock at a weighted average exercise price of \$2.47 per share.

During the year ended July 25, 2009, we issued, pursuant to the 2000 Performance Equity Plan, 100,000 shares of restricted stock to our Chief Executive Officer. 50,000 shares vest on each of January 2, 2010 and 2011, subject to certain conditions. During the year ended July 26, 2008, we issued, pursuant to the 2000 Performance Equity Plan, 24,194 fully vested shares of common stock to our Chief Financial Officer and 50,000 shares to our then Executive Chairman at a price of \$3.10 per share. On July 1, 2008, we also issued 17,483 shares of restricted stock under the 2000 Performance Equity Plan to one officer. On February 13, 2009, the vesting of these shares was accelerated and they became fully vested. The officer subsequently resigned during the year ended July 25, 2009.

Our Non-Employee Director Compensation Plan provides that each non-employee director may elect to receive the annual stipend and meeting fees in cash and/or shares of our common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. As of July 25, 2009, an aggregate of 223,604 shares of common stock have been issued to non-employee directors under the 2000 Performance Equity Plan.

Amended and Restated 2003 Employee Equity Incentive Plan

FOH Holdings adopted the 2003 Employee Equity Incentive Plan on December 1, 2003. The plan authorized FOH Holdings to issue incentive or nonqualified stock options to its employees and officers. The plan was amended and restated as of December 1, 2006, primarily to increase the number of shares covered under the plan and to permit the issuance of nonqualified stock options to independent directors. Unless previously terminated by the board, the 2003 Plan will terminate on November 30, 2010 and no options may be granted under the 2003 plan after that date, but such termination will not affect any rights under an option already granted to a holder. On January 28, 2008, upon the consummation of the merger, the 2003 Plan and underlying options were assumed by us. As of October 30, 2009, there were options outstanding to purchase an aggregate of 975,974 shares, exercisable at prices ranging from \$1.12 per share to \$4.52 per share of our common stock at a weighted average exercise price of \$2.38 per share. No additional grants may be made under the 2003 Plan.

Compensation Arrangements for Directors

We pay our non-employee directors in accordance with the terms of our Non-Employee Director Compensation Plan, which was adopted by the board of directors of Movie Star, Inc. in December 2004 and became effective on January 1, 2005. Under the plan, each non-employee director receives (i) an annual stipend of \$20,000, payable quarterly in arrears, (ii) \$2,000 per day for board or committee meetings attended in person, regardless of the number of meetings held that day and (iii) \$1,000 per meeting for board or committee meetings attended telephonically, unless two or more teleconference call meetings are held back-to-back on the same call, in which case each non-employee director will receive \$1,000 for the entire call. Payment of the annual stipend and meeting fees are made, at the election of each non-employee director, in cash and/or shares of common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. If a non-employee director elects to be paid in stock, either in full or in part, the number of shares of common stock to be issued is determined by dividing the dollar amount of the stipend and meeting fees earned during the quarter (or a percentage thereof, if the non-employee director elects to receive stock payment in part) by the last sale price of our common stock on the last trading day of each calendar quarter in which the fees were earned.

We also pay or reimburse each non-employee director for all transportation, hotel and other expenses reasonably incurred by the non-employee director in connection with attendance at board and committee meetings against itemized reports and receipts submitted with respect to any such expenses and approved in accordance with our customary procedures.

It was anticipated that, following the closing of the merger, the Non-Employee Director Compensation Plan would be amended to, among other things, increase the annual stipend, provide additional annual stipends for committee

chairpersons, revise the per meeting compensation fees and provide for a stock option grant. However, due to the current economic conditions, the board determined to forego any increases in their compensation and maintain the current structure of the plan as described above.

The following table summarizes the compensation of our non-employee directors for the year ended July 25, 2009. Directors who are employees of or consultants to our company do not receive separate compensation for their service as a director.

ITEM 13. – CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Related Party Policy

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by the board of directors (or the audit committee). Related party transactions are defined under SEC rules as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any related party, which includes (a) an executive officer, director or nominee for election as a director, (b) a greater than 5 percent beneficial owner of our common stock, or (c) an immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest. A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. The audit committee will consider all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related party, but that director is required to provide the audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire on an annual basis that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related Party Transactions

On January 28, 2008, the closing date of the merger, we entered into an escrow agreement with designated representatives of the FOH Holdings stockholders providing for the deposit into escrow of 2,368,916 shares of common stock (representing 20% of the shares of common stock issued to the FOH Holdings stockholders in the merger) until July 28, 2009, subject to extension under certain circumstances, to cover any indemnification claims that we may bring for certain matters, including breaches of FOH Holdings' covenants, representations and warranties in the merger agreement. Similarly, 618,283 treasury shares of our common stock (representing 7.5% of the aggregate number of issued and outstanding shares of common stock immediately prior to the closing of the merger) was deposited into escrow until July 28, 2009, subject to certain conditions, to cover any indemnification claims that may be brought by the FOH Holdings stockholders against us. Following the expiration of the indemnification period on July 28, 2009, these shares were released from escrow on August 12, 2009.

Independence of Directors

As our common stock is listed on the NYSE Amex, we are subject to the rules of this exchange applicable to determining whether a director is independent. The board of directors also consults with our counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The NYSE Amex listing standards define an "independent director" generally as a person, other than an officer of a company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment. The exchange requires that a majority of the board of directors of a company be independent, as determined by the board. Consistent with these considerations, the board of

directors affirmatively has determined that Messrs. Eisel, Harley, Salberg, Simon and Walters are independent. The other remaining directors are not independent because they are currently our employees or were recently employed as our consultant.
