Item 1.01 Entry into a Material Definitive Agreement.

On January 27, 2010, DGSE Companies, Inc. ("DGSE") and Stanford International Bank, LTD ("SIBL"), which is the beneficial owner of a significant equity interest in DGSE, a primary lender to a wholly owned subsidiary of DGSE and subject to certain agreements with DGSE and its Chairman, entered into definitive agreements whereby SIBL will terminate all agreements, will convert all of its debt, interest and other expenses and will sell all of its equity interests including common stock and warrants to DGSE or its assignees.

Stanford and its affiliates, including SIBL are under receivership, and, accordingly, the transaction is subject to the approval of the United States District Court for the Northern District of Texas which has jurisdiction for the assets of SIBL. The agreements also contain other closing conditions including, but not limited to the receipt of all United States governmental and regulatory approvals, if any, the receipt of third party approvals, consents and/or waivers as may be required in connection with the transaction and compliance with United States regulatory and governmental requirements, including proof acceptable to the Company, that upon transfer to the purchaser or its assignees that they will receive title to the Securities free and clear of all liens. It is anticipated that additional 8-K's may be filed upon the occurrence of material events related to this matter.

As a result of the transaction, it is anticipated that the immediate shares outstanding of the Company will be reduced by all or part of approximately 3,400,000 held by SIB and over \$10,000,000 in obligations owed by a subsidiary of DGSE to SIBL will be eliminated.
