PROXY STATEMENT
FOR THE 2010 ANNUAL MEETING OF STOCKHOLDERS

June 16, 2010

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the internet. We will send to our stockholders of record the proxy materials, including this proxy statement and an annual report to stockholders. In addition, we intend that our stockholders who hold their stock in “street name” will receive a Notice of Internet Availability of Proxy Materials (the “Notice”). All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the proxy materials on or about May 4, 2010 to all stockholders of record entitled to vote at the annual meeting.

How do I attend the annual meeting?

The meeting will be held on Wednesday, June 16, 2010 at 3:00 p.m. local time at the Calgary Petroleum Club, Devonian Room, 319 Fifth Avenue S.W., Calgary, Alberta T2P 0L5 Canada. Directions to the annual meeting may be found at www.grantierra.com. Information on how to vote in person at the annual meeting is discussed below.

Who can vote at the annual meeting?

Only stockholders of record of Gran Tierra Energy Inc., a Nevada corporation (“Gran Tierra”) at the close of business on April 19, 2010 will be entitled to vote at the annual meeting. On this record date, there were 233,061,014 shares of common stock outstanding and entitled to vote, one share of Special A Voting Stock, and one share of Special B Voting Stock. On the record date, the share of Special A Voting Stock was entitled to 8,446,032 votes, which equals the number of shares of common stock issuable upon exchange of exchangeable shares of Gran Tierra Goldstrike Inc. that were issued in connection with the transaction between the former shareholders of Gran Tierra Energy Inc., an Alberta corporation (“Gran Tierra Canada”), and Goldstrike, Inc. (the “Goldstrike Exchangeable Shares”). On the record date, the share of Special B Voting Stock was entitled to 12,012,733 votes, which equals the number of shares of common stock issuable upon exchange of exchangeable shares of Gran Tierra Exchangeco Inc. that were issued in connection with the transaction between the former shareholders of Solana Resources Limited, an Alberta corporation (“Solana”), and Gran Tierra (the “Solana Exchangeable Shares” and together with the Goldstrike Exchangeable Shares, the “Exchangeable Shares”).

Stockholders of Record: Shares Registered in Your Name

If on April 19, 2010 your shares were registered directly in your name with Gran Tierra's transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the proxy mailed to you or vote by proxy by telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 19, 2010 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice, and these proxy materials if you have received them, are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

Stockholders Holding Exchangeable Shares

Holders of Goldstrike Exchangeable Shares are receiving these proxy materials which relate solely to the annual meeting of Gran Tierra and are being delivered in accordance with the provisions of the Goldstrike Exchangeable Shares and the voting exchange and support agreement dated November 10, 2005 (the “Goldstrike Voting Exchange Agreement”) among Goldstrike, 1203647 Alberta Inc., Gran Tierra Goldstrike Inc. and Olympia Trust Company (the “Goldstrike Trustee”). The Goldstrike Exchangeable Shares are the economic equivalent to the shares of common stock of Gran Tierra. In accordance with the Goldstrike Voting Exchange Agreement, holders of Goldstrike Exchangeable Shares are entitled to instruct the Goldstrike Trustee as to how to vote their Goldstrike Exchangeable Shares. The Goldstrike Trustee holds the one outstanding share of our Special A Voting Stock, which is entitled to as many votes as there are outstanding Goldstrike Exchangeable Shares on the record date, and may only vote the share of Special A Voting Stock as directed by the holders of Goldstrike Exchangeable Shares. Holders of Goldstrike Exchangeable Shares who do not hold their Goldstrike Exchangeable Shares in their own name are not entitled to instruct the Goldstrike Trustee as to how to exercise voting rights at the annual meeting. Only holders of Goldstrike Exchangeable Shares whose names appear on the records of Gran Tierra Goldstrike Inc. as the registered holders of Goldstrike Exchangeable Shares are entitled to instruct the Goldstrike Trustee as to how to exercise voting rights in respect of their Goldstrike Exchangeable Shares at the annual meeting. Holders of Goldstrike Exchangeable Shares may also obtain a proxy from the Goldstrike Trustee to vote their Goldstrike Exchangeable Shares at the annual meeting. Holders of Goldstrike Exchangeable Shares should follow the instructions sent to them by the Goldstrike Trustee in order to exercise their voting rights.

Holders of Solana Exchangeable Shares are receiving these proxy materials which relate solely to the annual meeting of Gran Tierra and are being delivered in accordance with the provisions of the Solana Exchangeable Shares and the voting and exchange trust agreement dated November 14, 2008 (the “Solana Voting Exchange Agreement”) among Gran Tierra, Gran Tierra Exchangeco Inc. and Computershare Trust Company of Canada (the “Solana Trustee”). The Solana Exchangeable Shares are the economic equivalent to the shares of common stock of Gran Tierra. In accordance with the Solana Voting Exchange Agreement, holders of Solana Exchangeable Shares are entitled to instruct the Solana Trustee as to how to vote their Solana Exchangeable Shares. The Solana Trustee holds the one outstanding share of our Special B Voting Stock, which is entitled to as many votes as there are outstanding Solana Exchangeable Shares on the record date, and may only vote the share of Special B Voting Stock as directed by the holders of Solana Exchangeable Shares. Holders of Solana Exchangeable Shares who do not hold their Solana Exchangeable Shares in their own name are not entitled to instruct the Solana Trustee as to how to exercise voting rights at the annual meeting. Only holders of Solana Exchangeable Shares whose names appear on the records of Gran Tierra Exchangeco Inc. as the registered holders of Solana Exchangeable Shares are entitled to instruct the Solana Trustee as to how to exercise voting rights in respect of their Solana Exchangeable Shares at the annual meeting. Holders of Solana Exchangeable Shares may also obtain a proxy from the Solana Trustee to vote their Solana Exchangeable Shares at the annual meeting. Holders of Solana Exchangeable Shares should follow the instructions sent to them by the Solana Trustee in order to exercise their voting rights.

If on April 19, 2010 your Exchangeable Shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice, and these proxy materials if you have received them, are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of instructing your Trustee as to how to vote your Exchangeable Shares. As a beneficial owner, you have the right to direct your broker or other agent regarding how to instruct your Trustee as to how to vote your Exchangeable Shares.

What am I voting on?

There are three matters scheduled for a vote:

- Election of seven directors;
- Approval of an amendment to Gran Tierra's 2007 Equity Incentive Plan to increase the aggregate number of shares of common stock authorized for issuance under the plan from 18,000,000 shares to 23,306,100 shares; and
- Ratification of selection by the Audit Committee of the Board of Directors of Deloitte & Touche LLP as independent registered public accounting firm of Gran Tierra for its fiscal year ending December 31, 2010.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote "For" all the nominees to the Board of Directors or you may "Withhold" your vote for any nominee you specify. For each of the other matters to be voted on, you may vote "For" or "Against" or abstain from voting. The procedures for voting are as follows:

Stockholders of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting, vote by proxy on the internet, or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

Ø To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

Ø To vote using the proxy card, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us by 11:59 p.m. Eastern Time on June 15, 2010, we will vote your shares as you direct.

Ø To vote by telephone, dial 1-800-690-6903 from any touch tone phone. You will need to have your proxy card in hand when you call and then follow the voting instructions. Your vote must be received by 11:59 p.m. Eastern Time on June 15, 2010 to be counted.

Ø To vote on the internet, go to <http://www.proxyvote.com> to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your vote must be received by 11:59 p.m. Eastern Time on June 15, 2010 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from Gran Tierra. Simply follow the voting instructions in the Notice to ensure that your vote is counted. If you have received these proxy materials and a proxy card and voting instructions therein, simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the internet as instructed by your broker or bank. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

Beneficial Owner: Exchangeable Shares

If you are a holder of Goldstrike Exchangeable Shares, you should have received voting instructions with these proxy materials from the Goldstrike Trustee, which is the holder of the share of Special A Voting Stock. Follow the instructions from the Goldstrike Trustee, or contact the Goldstrike Trustee for further information. Instruments of

proxy must be received by Olympia Trust Company, 2300, 125 - 9th Avenue S.E., Calgary, Alberta, T2G OP6, Canada by 11:59 p.m. Eastern Time on June 11, 2010, or not less than 48 hours before the time for the holding of or any adjournment of the annual meeting.

If you are a holder of record of Solana Exchangeable Shares, you should have received voting instructions with these proxy materials from the Solana Trustee, which is the holder of the share of Special B Voting Stock. Follow the instructions from the Solana Trustee, or contact the Solana Trustee for further information. Instruments of proxy must be received by Computershare Trust Company of Canada, 600, 530 - 8th Avenue SW Calgary, Alberta T2P 3S8, Canada, by 11:59 p.m. Eastern Time on June 11, 2010, or not less than 48 hours before the time for the holding of or any adjournment of the annual meeting.

If you are a beneficial owner of Exchangeable Shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from Gran Tierra. Simply follow the voting instructions in the Notice to ensure that your vote is counted.

We provide telephone and internet proxy voting to allow you to vote your shares, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your telephone or internet access, such as usage charges from internet access providers.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 19, 2010, and one vote for each Exchangeable Share held as of April 19, 2010, all of which are represented by the one share of Special A Voting Stock and one share of Special B voting Stock of Gran Tierra. Holders of Goldstrike Exchangeable Shares should follow the instructions sent to them by the Goldstrike Trustee and holders of Solana Exchangeable Shares should follow the instructions sent to them by the Solana Trustee in order to exercise their respective voting rights.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, "For" the election of all seven nominees for director, "For" the approval of the amendment to the 2007 Equity Incentive Plan and "For" the ratification of the selection of Deloitte & Touche LLP as the independent registered public accounting firm for our fiscal year ending December 31, 2010. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

What if I am a holder of Exchangeable Shares and return a voting election but do not make specific choices?

If you return a signed and dated voting election without marking voting selections, your shares will not be voted.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies, but the Altman Group will be paid its customary fee of approximately \$5,500 plus out-of-pocket expenses if it solicits proxies for Gran Tierra. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice or more than one set of proxy materials?

If you receive more than one Notice or more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices or the instructions on the proxy cards in the proxy materials to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

Ø You may submit another properly completed proxy card with a later date, or vote again by telephone or over the internet;

Ø You may send a timely written notice that you are revoking your proxy to Gran Tierra's Secretary at 300, 625-11th Avenue, S.W., Calgary, Alberta, T2R 0E1, Canada; or

Ø You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

If you are a holder of Goldstrike Exchangeable Shares, you should follow the instructions provided by the Goldstrike Trustee with respect to the Goldstrike Exchangeable Shares you hold, and if you are a holder of Solana Exchangeable Shares, you should follow the instructions provided by the Solana Trustee with respect to the Solana Exchangeable Shares you hold.

When are stockholder proposals due for next year's annual meeting?

If you wish to submit a proposal to be considered for inclusion in Gran Tierra's proxy materials next year, your proposal must be submitted in writing by January 4, 2011 to David Hardy at 300, 625-11th Avenue, S.W., Calgary, Alberta, T2R 0E1, Canada; provided, however, that if our 2011 annual meeting of stockholders is held before May 17, 2011 or after July 16, 2011, then the deadline is a reasonable amount of time prior to the date we begin to print and mail our proxy statement for the 2011 annual meeting of stockholders. If you wish to submit a proposal that is not to be included in Gran Tierra's proxy materials next year or to nominate a director next year, you must do so between March 18, 2011 and April 17, 2011, unless our 2011 annual meeting of stockholders is not held between May 17, 2011 and August 15, 2011, in which case notice must be delivered to Gran Tierra not earlier than the 90th day prior to the meeting and not later than the later of the 60th day prior to the meeting or the 10th day following the day on which Gran Tierra makes its first public announcement of the meeting date. You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count "For" and "Withhold" and, with respect to proposals other than the election of directors, "Against" votes, abstentions and broker non-votes. Abstentions and broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are "broker non-votes"?

Broker non-votes occur when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed "non-routine." Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be "routine," but not with respect to "non-routine" matters. Under the rules and interpretations of the New York Stock Exchange ("NYSE"), "non-routine" matters are matters that may substantially affect the rights or privileges of shareholders, such as mergers, shareholder proposals and, for the first time, under a new amendment to the NYSE rules, elections of directors, even if not contested.

How many votes are needed to approve each proposal?

Ø For the election of directors, the seven nominees receiving the most "For" votes (from the holders of votes of shares present in person or represented by proxy and entitled to vote on the election of directors) will be elected. Only votes "For" will affect the outcome;

Ø To be approved, Proposal 2, the amendment to Gran Tierra's 2007 Equity Incentive Plan to increase the number of shares of common stock authorized for issuance under the plan, must receive more "For" votes than "Against" votes. Abstentions and broker non-votes will have no effect; and

Ø To be approved, Proposal 3, the ratification of the selection by the Audit Committee of the Board of Directors of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2010, must receive more "For" votes than "Against" votes. Abstentions and broker non-votes will have no effect.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding outstanding shares of Gran Tierra's capital stock representing at least a majority of the total number of votes are present at the meeting in person or represented by proxy. On the record date, there were 253,519,779 votes that could be cast. Those votes were represented by 233,061,014 shares of common stock outstanding and entitled to vote and 20,458,765 shares of common stock issuable upon exchange of the Exchangeable Shares and therefore entitled to vote through the one share of Special A Voting Stock and one share of Special B Voting Stock. Thus, holders of outstanding shares representing at least 126,759,890 votes must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the Chairman of the meeting or the holders of a majority of shares present at the meeting in person or represented by proxy must adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the annual meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

What proxy materials are available on the internet?

The proxy statement and annual report to stockholders are available at www.proxyvote.com, <https://materials.proxyvote.com> and www.grantierra.com.

PROPOSAL 1

ELECTION OF DIRECTORS

Gran Tierra's Board of Directors consists of seven directors. There are seven nominees for director this year. Each director to be elected and qualified will hold office until the next annual meeting of stockholders and until his successor is elected, or, if sooner, until the director's death, resignation or removal. Each of the nominees listed below is currently a director of Gran Tierra who was previously elected by the stockholders. It is Gran Tierra's policy to invite nominees for directors to attend the annual meeting. Five out of the seven directors attended the 2009 Annual Meeting of Stockholders.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The seven nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the seven nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by Gran Tierra. Each person nominated for election has agreed to serve if elected. Gran Tierra's management has no reason to believe that any nominee will be unable to serve.

NOMINEES

The following is a brief biography of each nominee for director, his age on February 15, 2010, and a discussion of the specific experience, qualifications, attributes or skills of each nominee that led the Nominating and Corporate Governance Committee to recommend that person for reelection as a director, as of the date of this proxy statement.

Other Information

Each of Jeffrey Scott and Walter Dawson entered into a settlement agreement with the Alberta Securities Commission (ASC) on February 6, 2009 with respect to allegations that Mr. Scott and Mr. Dawson, along with certain other directors of High Plains Energy Inc. ("High Plains") acted contrary to the public interest in connection with their inadequate rectification of incorrect production information disclosed to the public in press releases issued by High Plains between July 2005 and January 2006. Mr. Scott and Mr. Dawson each admitted that he had acted contrary to the public interest by failing to: (i) disclose High Plains' actual production for the period of July to November 2005, with comparative references to the untrue figures disclosed for those months in the press releases disseminated during that period; (ii) compare the actual production rates for December 2005 and January 2006 with the untrue figures disclosed in the press releases for those months; and (iii) ensure that High Plains disclosed in a timely manner that the accuracy of its earlier disclosures of the monthly production was questionable and under review by High Plains. Mr. Scott, Mr. Dawson and each of the other respondents to the settlement agreement were ordered to pay \$25,000 to the ASC of which \$5,000 was a payment towards investigation costs. The ASC noted in the settlement agreement that Mr. Scott, Mr. Dawson and the other directors were provided with false information by management of High Plains with respect to production levels, and thus had no knowledge of the untrue statements in certain press releases issued by management in late 2005, until January 30, 2006, at the earliest. The ASC also noted that each of the subject directors,

upon being made aware of the potential problem with High Plains' reported production, made substantial efforts and committed significant amount of time in a good faith effort to resolving the problems and determining High Plains' actual production and noted that none of the subject directors had been previously sanctioned by the Commission, and each cooperated fully with staff in its investigation.

In the fourth quarter of 2009, the TSX Venture Exchange ("TSXV") notified Mr. Scott that it had initiated its own review as to his acceptability to serve as a director or officer (or serve any similar function) of any TSXV listed issuer. The staff of the TSXV noted that the four TSXV issuers with which Mr. Scott was involved failed to make appropriate disclosures summarizing the ASC allegations and the potential outcomes of any such hearing after the ASC notice of hearing was published. The staff of the TSXV also noted that one of the TSXV issuers failed to disclose Mr. Scott's settlement with the ASC in its 2009 Information Circular and that Mr. Scott failed to update his personal disclosure record with the TSXV for seven months after the ASC settlement. In January 2010, the staff of the TSXV notified Mr. Scott that the TSXV did not object to Mr. Scott being on the board of directors of TSXV listed companies, but that Mr. Scott must obtain written approval prior to occupying any new director or officer position and further the TSXV determined that he should complete a half day workshop "Simplifying Timely Disclosures" and that any Venture Exchange listed company on whose board he sits implement a written disclosure policy. Mr. Scott completed the course on April 22, 2010.

In February 2010, the staff of the Toronto Stock Exchange (“TSX”) notified Mr. Scott about concerns raised regarding his suitability to be the Chairman of the Board of Gran Tierra and a director of one of Gran Tierra’s subsidiaries as a result of the concerns raised by, and the decision of, the TSXV. The TSX determined that it did not object to Mr. Scott’s continued involvement with Gran Tierra and one of its subsidiaries but that if he proposed to become an officer or director of any other TSX listed companies, he must obtain prior written approval from the TSE. Mr. Scott was also required to inform Gran Tierra and one of its subsidiaries of TSX’s actions, provide the TSX with a copy of Gran Tierra’s information statement to review the disclosure surrounding the ASC action and undertake to provide the TSX notice of any future notices of investigations, hearings or proceedings against him by any regulatory agency.

In the fourth quarter of 2009, the TSX Venture Exchange (“TSXV”) also notified Mr. Dawson that it had initiated its own review as to his acceptability to serve as a director or officer (or serve any similar function) of any TSXV listed issuer. The staff of the TSXV noted that the three TSXV issuers with which Mr. Dawson was involved failed to make appropriate disclosures summarizing the ASC allegations and the potential outcomes of any such hearing after the ASC notice of hearing was published. The staff of the TSXV also noted that Mr. Dawson failed to update his personal disclosure record with the TSXV for seven months after the ASC settlement. In January 2010, the staff of the TSXV notified Mr. Dawson that the TSXV did not object to Mr. Dawson being on the board of directors of TSXV listed companies, but that Mr. Dawson must obtain written approval prior to occupying any new director or officer position and further the TSXV determined that he should complete a half day workshop “Simplifying Timely Disclosures” and that any Venture Exchange listed company on whose board he sits implement a written disclosure policy. Mr. Dawson completed the course on April 15, 2010.

In April 2010, in connection with an application to list the common shares of Tuscany International Drilling Inc. (“Tuscany”) on the Toronto Stock Exchange (the “TSX”), the staff of the TSX notified Mr. Dawson about concerns raised regarding his suitability to be the CEO and Chairman of the Board of Tuscany International Drilling Inc. (“Tuscany”) as a result of the concerns raised by, and the decision of, the TSXV. The TSX determined that it did not object to Mr. Dawson’s continued involvement with Gran Tierra as a director, with Tuscany as CEO and, for a period of twelve months following listing, as Chairman of the Board of Tuscany, but that if he proposed to become an officer or director of any other TSX listed companies, he must obtain prior written approval from the TSX. Mr. Dawson was also required to obtain written confirmation from the Board of Tuscany that they have received and reviewed copies of the ASC settlement and the TSXV decision and continue to support his involvement with Tuscany, undertake to provide the TSX with notice of any future notices of investigations, hearings or proceedings against him by any regulatory agency and undertake to resign as the Chairman of the Board of Tuscany on or before the twelve month anniversary of Tuscany being listed on the facilities of the TSX.

Except as described above, our above-listed directors have neither been convicted in any criminal proceeding during the past ten years nor been parties to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining them from future violations of, or prohibiting activities subject to, federal or state securities laws or a finding of any violation of federal or state securities law or commodities law. Similarly, no bankruptcy petitions have been filed by or against any business or property of any of our directors or officers, nor has any bankruptcy petition been filed against a partnership or business association in which these persons were general partners or executive officers.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of the Board of Directors

Gran Tierra follows the listing standards of the NYSE Amex. As required under the NYSE Amex listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. Gran Tierra's Board of Directors, or "Board," consults with Gran Tierra's counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in the NASDAQ and NYSE Amex listing standards, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his family members, and Gran Tierra, its senior management and its independent auditors, the Board has affirmatively determined that the following six of seven directors are independent directors within the meaning of the applicable NYSE Amex listing standards: Messrs. Antony, Dawson¹, Johnson, Kirton, Price, and Scott. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with Gran Tierra. Dana Coffield, Gran Tierra's President and Chief Executive Officer, is not an independent director by virtue of his employment with Gran Tierra.

Board Leadership Structure

Gran Tierra's Chairman of the Board is an independent director. The Board of Directors has determined that this leadership structure is an appropriate structure for Gran Tierra because of the added experience and leadership provided to the company from having separate individuals perform the Chairman and Chief Executive Officer function. Gran Tierra believes that having an independent Chairman of the Board also adds an extra level of independence to the board as a whole, and increases the ability and credibility of the board in its management oversight functions.

Role of the Board in Risk Oversight

Management of Gran Tierra is responsible for assessing the risks facing Gran Tierra and evaluating such risks, and the Board provides an oversight role with respect to risk management. At the direction of the Board, at each quarterly meeting of the Board management makes a presentation to the Board regarding the higher level risks facing the company, as well as the actions being taken to ameliorate these risks. The Board then gives direction and guidance to management as to the risks presented and the actions proposed, and reassesses at the next quarterly meeting of the Board.

Meetings of the Board of Directors

The Board of Directors met 12 times during the last fiscal year as an entire board. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served, held during the last fiscal year for which he was a director or committee member.

As required under the NYSE Amex listing standards, in fiscal 2009, Gran Tierra's independent directors met in regularly scheduled executive sessions at which only independent directors were present.

Information Regarding Committees of the Board of Directors

The Board has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and a Reserves Committee. The following table provides membership and meeting information for fiscal year 2009 for each committee of the Board:

| Total Meetings in fiscal year 2009 | 5 | 1 | 3 | 2 |

* Committee Chairperson

Below is a description of each committee of the Board of Directors. Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities.

1Tuscany International Drilling Inc. (“Tuscany”), of which Mr. Dawson is Chairman and CEO, is one of the service providers that submitted a proposal to provide drilling services for a Gran Tierra project. In the event that Tuscany is awarded the contract for such drilling services, Mr. Dawson would cease to be an independent director.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), to oversee Gran Tierra’s corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee reviews our financial reports and other financial information disclosed to the public, the government and various regulatory bodies, our system of internal accounting, our financial controls, and the annual independent audit of our financial statements. The Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on Gran Tierra’s audit engagement team as required by law; reviews and approves or rejects transactions between Gran Tierra and any related persons; confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by Gran Tierra regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review Gran Tierra’s annual audited financial statements and quarterly financial statements with management and the independent auditors, including a review of Gran Tierra’s disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” The Audit Committee is composed of four directors: Jeffrey Scott, Verne Johnson, Ray Antony and Nicholas Kirton. The Audit Committee met five times during the fiscal year. The Audit Committee has adopted a written charter that is available to stockholders on Gran Tierra’s website at www.grantierra.com.

The Board of Directors reviews the NYSE Amex listing standards definition of independence for Audit Committee members and has determined that all members of Gran Tierra’s Audit Committee are independent (as independence is currently established in Rule 803(a)(2) of the NYSE Amex listing standards). Additionally each Audit Committee member has met the criteria for audit committee independence set forth in Rule 10A-3 promulgated pursuant to the Exchange Act. The Board has determined that Mr. Kirton, an independent director, qualifies as an “audit committee financial expert” within the meaning of Item 407(d)(5) of Regulation S-K promulgated by the SEC, based on his past experience as a former KPMG partner.

Report of the Audit Committee of the Board of Directors²

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2009 with management of Gran Tierra. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in Gran Tierra’s Annual Report on Form 10-K for the fiscal year ended December 31, 2009

Compensation Committee

The Compensation Committee is composed of four directors: Messrs. Antony, Dawson, Johnson and Price. All members of Gran Tierra's Compensation Committee are independent (as independence is currently defined in Rule 803(a)(2) of the NYSE Amex listing standards). The Compensation Committee met once during 2009. In 2009/2010 Gran Tierra changed the timing its compensation cycle. Previously Gran Tierra's practice was to consider compensation annually (at year-end), including the award of equity based compensation, and acted under this schedule in December 2008. In order to allow time for a more deliberate and objective process, Gran Tierra now makes its compensation decisions for the current year and reviews performance for the prior year, in the first quarter. Annual bonuses in respect of 2009 performance, as well as equity incentive awards and salary increases for 2010, were approved in February 2010. Bonuses in respect of 2009 performance were paid in February 2010 and equity incentives were issued on March 3, 2010.

The Compensation Committee has adopted a written charter that is available to stockholders on Gran Tierra's website at www.grantierra.com.

² The material in this report is not "soliciting material" is not deemed "filed" with the Commission and is not to be incorporated by reference in any filing of Gran Tierra under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

The Compensation Committee of the Board of Directors acts on behalf of the Board to review, recommend for adoption and oversee Gran Tierra's compensation strategy, policies, plans and programs, including:

- establishing corporate and individual performance objectives relevant to the compensation of Gran Tierra's executive officers, directors, and other senior management, as appropriate, and evaluating performance in light of these stated objectives;
 - establishing policies with respect to equity compensation arrangements;
- reviewing and approving the compensation and other terms of employment or service, including severance and change-in-control arrangements, of Gran Tierra's Chief Executive Officer and the other executive officers; and
- reviewing and recommending to the Board for approval, modification or termination of Gran Tierra's equity compensation plans, pension and profit-sharing plans, deferred compensation plans and other similar plans and programs, as well as administering such plans and programs.

The Compensation Committee also reviews with management Gran Tierra's Compensation Discussion and Analysis and considers whether to recommend that it be included in proxy statements and other public filings.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets at least once annually and with greater frequency if necessary. The agenda for each meeting is usually developed by the chair of the Compensation Committee, in consultation with the Chief Executive Officer. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of Gran Tierra, as well as authority to obtain, at the expense of Gran Tierra, advice and assistance from internal and external legal, accounting or other advisors and consultants and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms.

During the past fiscal year, the Compensation Committee engaged Lane Caputo Compensation Inc. to develop a more relevant group of peers against which the Compensation Committee can benchmark executive compensation. The compensation practices of this peer group, along with data from the 2009 Mercer Total Compensation Survey for the Petroleum Industry (for which a peer group was also developed by Lane Caputo in order to extract comparative information), provided the Compensation Committee with relevant and supportable market compensation data to both retrospectively evaluate the company's 2009 executive compensation and make recommendations to the Board on the structure of the 2010 executive compensation arrangements. Services performed by Lane Caputo Compensation are pre-approved by the Compensation Committee and any additional work to be performed, including at the request of management, must be pre-approved by the Chair of the Compensation Committee. The retention of independent compensation advisors to the company are to be assessed on an annual basis.

Under its charter, the Compensation Committee may form, and delegate authority to, subcommittees, as appropriate. In 2009, the Compensation Committee did not form any subcommittees.

In 2009/2010 Gran Tierra changed the timing its compensation cycle. Previously Gran Tierra's practice was to consider compensation annually (at year-end), including the award of equity based compensation. In order to allow

time for a more deliberate and objective process, Gran Tierra now makes its compensation decisions for the current year, and reviews performance for the prior year, in the first quarter. Annual bonuses in respect of 2009 performance, as well as equity incentive awards and salary increases for 2010, were approved in February 2010. Bonuses in respect of 2009 performance were paid in February 2010 and equity incentives were issued on March 3, 2010. New performance objectives are established at one or more meetings held during the first quarter of the year. Generally, the Compensation Committee's process comprises two related elements: the recommendation of compensation levels and the establishment of performance objectives for the current year. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. For all executives and directors, as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, company stock performance data, analyses of historical executive compensation levels, current company-wide compensation levels, and independent compensation surveys for the petroleum industry in Canada for peer groupings within the industry.

The specific determinations of the Compensation Committee with respect to executive compensation for fiscal 2009 are described in greater detail in the section of this proxy statement entitled “Compensation Discussion and Analysis.”

Compensation Committee Interlocks and Insider Participation

As noted above, Gran Tierra’s Compensation Committee consists of Messrs. Johnson, Price, Antony, and Dawson. None of the members of the Compensation Committee has at any time been an officer or employee of Gran Tierra. No member of the Board or of the Compensation Committee served as an executive officer of another entity that had one or more of Gran Tierra’s executive officers serving as a member of that entity’s board or compensation committee.

Compensation Committee Report³

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis contained in this proxy statement. Based on this review and discussion, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated into Gran Tierra’s Annual Report on Form 10-K for the fiscal year ended December 31, 2009.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying, reviewing and evaluating candidates to serve as directors of Gran Tierra (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board of Directors, making recommendations to the Board regarding corporate governance issues, assessing the performance of the Board and management, and developing a set of corporate governance principles for Gran Tierra. The Nominating and Corporate Governance Committee is composed of four directors: Messrs. Dawson, Scott, Kirton and Antony. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 803(a)(2) of the NYSE Amex listing standards). The Nominating and Corporate Governance Committee met three times during the fiscal year. The Nominating and Corporate Governance Committee has adopted a written charter that is available to stockholders on Gran Tierra’s website at www.grantierra.com.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of Gran Tierra, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of Gran Tierra’s stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of Gran Tierra and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and Gran Tierra, to maintain a balance

of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to Gran Tierra during their terms, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ and NYSE Amex purposes, which determination is based upon applicable NASDAQ and NYSE Amex listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. In fiscal 2009, neither the Nominating and Corporate Governance Committee nor the Board paid any fees to any third party to assist in the process of identifying or evaluating director candidates.

3 The material in this report is not "soliciting material," is furnished to, but not deemed "filed" with, the Commission and is not deemed to be incorporated by reference in any filing of Gran Tierra under the Securities Act or the Exchange Act, other than Gran Tierra's Annual Report on Form 10-K, where it shall be deemed to be "furnished," whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

The Nominating and Corporate Governance Committee does not have a formal policy regarding diversity in identifying nominees for director. However, in assessing a potential nominee, the Nomination and Corporate Governance Committee considers the professional experience, education, skills and viewpoints of the nominee and how those factors will contribute to expanding the collective knowledge and experience of the Board of Directors. The Nominating and Corporate Governance Committee considers that, while nominees should present a good fit with the existing Board of Directors in terms of their ability to work together to create shareholder value in a constructive way, diversity in opinion and viewpoint contribute to the overall success of the Board of Directors and the company as a whole.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Gran Tierra Energy Inc., 300, 625-11th Avenue S.W., Calgary, Alberta T2R 0E1, Canada, Attention: Director Nominations. This written recommendation must be delivered at least 120 days prior to the anniversary of the mailing of Gran Tierra's proxy statement for the last annual meeting of stockholders. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of Gran Tierra's stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

Reserves Committee

The primary purpose of the Reserves Committee is to act on behalf of the Board in fulfilling the Board's oversight responsibilities with respect to evaluating and reporting on Gran Tierra's oil and gas reserves.

The Reserves Committee oversees Gran Tierra's (1) annual review of its oil and gas reserves, (2) procedures for evaluating and reporting its oil and gas producing activities, and (3) compliance with applicable regulatory and securities laws relating to the preparation and disclosure of information with respect to its oil and gas reserves. The Reserves Committee also consults with the Audit Committee on matters relating to Gran Tierra's oil and gas reserves which impact Gran Tierra's financial statements. The Reserves Committee is composed of three directors: Messrs. Price, Johnson, and Coffield. All members of the Reserves Committee are independent (as independence is currently defined in Rule 803(a)(2) of the NYSE Amex listing standards), other than Mr. Coffield, Gran Tierra's Chief Executive Officer. The Reserves Committee met two times during fiscal 2009. The Reserves Committee has adopted a written charter that is available on Gran Tierra's website at www.grantierra.com.

Stockholder Communications with the Board of Directors

Gran Tierra's Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. This information is available on Gran Tierra's website at www.grantierra.com.

Code of Ethics

Gran Tierra has adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on Gran Tierra's website at www.grantierra.com. If Gran Tierra makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a

PROPOSAL 2

APPROVAL OF THE GRAN TIERRA 2007 EQUITY INCENTIVE PLAN, AS AMENDED AND RESTATED

Proposal

On April 26, 2010, the Gran Tierra Board authorized an amendment, subject to stockholder approval, to Gran Tierra's 2007 Equity Incentive Plan, as amended and restated, referred to as the "Incentive Plan", to increase the aggregate number of shares issuable under the Incentive Plan from 18,000,000 shares to 23,306,100 shares (approximately 10% of the Gran Tierra common stock outstanding on April 19, 2010).

Gran Tierra is requesting that stockholders approve this amendment to the Incentive Plan. If this amendment is approved, the Incentive Plan will also automatically be amended to rescind the right of the Board (A) (i) to reduce the exercise price of any outstanding options or stock appreciation rights granted under the Incentive Plan, or (ii) to cancel any outstanding options or stock appreciation rights that have an exercise price or strike price greater than the current fair market value of Gran Tierra common stock, unless approved by the stockholders, and (B) to make loans to employees to purchase stock.

Explanation

The purpose of this amendment is to ensure that Gran Tierra has a sufficient reserve of common stock available under the Incentive Plan to continue to grant stock options and other awards at market-competitive levels determined appropriate by the Gran Tierra Board. The current maximum aggregate number of shares reserved for issuance under the Incentive Plan is eighteen million (18,000,000) shares of common stock, roughly 7.6% of common stock outstanding. During the executive compensation review conducted in late 2009, the Board was advised that 95% of Gran Tierra's peers (the "Custom Peer Group" – please see the Compensation Discussion and Analysis section of this proxy statement for additional detail) currently utilize a 'rolling' or 'evergreen' provision for their equity-incentive plans under which 10% of common shares outstanding are reserved for issuance under equity incentive plans. In order for Gran Tierra continue to have the flexibility to grant stock options at market-competitive levels to current employees and future strategic hires, the Board determined that it was prudent to increase the reserve of common stock available under the Incentive Plan to 23,306,100 shares (approximately 10% of the Gran Tierra common stock outstanding on April 19, 2010), but decided not to implement a 'rolling' or 'evergreen' provision at this time.

If the amendment is approved, the Gran Tierra Board has also determined it is in the best interests of the stockholders to rescind the right of the Board to reduce the exercise price of any outstanding options or stock appreciation rights granted under the Incentive Plan or cancel any outstanding options or stock appreciation rights with exercise prices greater than the fair market value of Gran Tierra common stock. The Incentive Plan will continue to provide us with flexibility in designing equity incentives including stock options, stock appreciation rights, restricted stock awards, restricted stock unit awards, performance stock awards, and performance cash awards. Accordingly, the Incentive Plan allows us to utilize a broad array of equity incentives in order to secure and retain the services of Gran Tierra's employees, consultants and directors, and to provide incentives for such persons to exert maximum efforts for Gran Tierra's success or the success of Gran Tierra's affiliates.

At April 19, 2010, stock awards (net of cancelled or expired awards) covering an aggregate of 12,406,020 shares were outstanding under the Incentive Plan and 2,512,858 shares remained available for future grant under the Incentive Plan. If this Proposal 2 is approved by stockholders, then the number of shares available for grant under the Incentive Plan will be immediately increased to 23,306,100 shares (approximately 10% of the Gran Tierra common stock outstanding on April 19, 2010).

Voting Requirement

Each share of Gran Tierra common stock, Goldstrike Exchangeable Share and Solana Exchangeable Share has one vote. To be approved, the Incentive Plan, as amended, must receive the affirmative vote of a majority of the shares present in person or represented by proxy at the Gran Tierra 2010 Annual Meeting and entitled to vote. For purposes of this vote broker non-votes will not be counted for any purpose in determining whether this matter has been approved and abstentions will have the same effect as “Against” votes.

References to voting power of Goldstrike Exchangeable Shares refers to the voting power exercised through the Goldstrike Trustee with respect to the Goldstrike Exchangeable Shares, whether by the Goldstrike Trustee or by proxy, and references to voting power of Solana Exchangeable Shares refer to the voting power exercised through the Solana Trustee with respect to the Solana Exchangeable Shares, whether by the Solana Trustee or by proxy.

THE GRAN TIERRA BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE IN FAVOR OF PROPOSAL 2.

The material features of the Incentive Plan are outlined below.

General

The Incentive Plan, which is an amendment and restatement of Gran Tierra's 2005 Equity Incentive Plan, provides for the grant of stock options, restricted stock awards, stock appreciation rights, restricted stock units and other stock awards, collectively referred to as "Awards." Stock options granted under the Incentive Plan are not intended to qualify as incentive stock options within the meaning of Section 422 of the Code, as amended. Stock appreciation rights granted under the Incentive Plan may be tandem rights, concurrent rights or independent rights. See the section of this Proposal 2 entitled "U.S. Federal Income Tax Information", below, for a discussion of the tax treatment of Awards. To date, Gran Tierra has granted only stock options under the Incentive Plan.

Purpose

The Gran Tierra Board adopted the Incentive Plan to provide a means by which employees, directors and consultants of Gran Tierra and its affiliates may be given an opportunity to purchase stock in Gran Tierra, to assist in retaining the services of such persons, to secure and retain the services of persons capable of filling such positions and to provide incentives for such persons to exert maximum efforts for the success of Gran Tierra and its affiliates. All of the approximately 275 employees, directors and consultants of Gran Tierra and its affiliates are eligible to participate in the Incentive Plan.

Administration

The Gran Tierra Board administers the Incentive Plan. Subject to the provisions of the Incentive Plan, the Gran Tierra Board has the power to construe and interpret the Incentive Plan and to determine the persons to whom and the dates on which Awards will be granted, the number of shares of common stock to be subject to each award, the time or times during the term of each Award within which all or a portion of such award may be exercised, the exercise price, the type of consideration and other terms of the Award.

The Gran Tierra Board has the power to delegate administration of the Incentive Plan to a committee composed of one or more members of the Gran Tierra Board. A committee may consist solely of two or more outside directors in accordance with Section 162(m) of the Code or solely of two or more non-employee directors in accordance with Rule 16b-3 of the Exchange Act. The Gran Tierra Board has delegated administration of the Incentive Plan to the Compensation Committee of the Gran Tierra Board. As used in this description of Proposal 2 with respect to the Incentive Plan, the "Board" refers to any committee the Gran Tierra Board appoints as well as to the Gran Tierra Board itself.

Stock Subject to the Plan

Subject to this Proposal 2, the maximum aggregate number of shares reserved for issuance under the Incentive Plan will be 23,306,100 shares (approximately 10% of the Gran Tierra common stock outstanding on April 19, 2010). If Awards granted under the Incentive Plan expire or otherwise terminate without being exercised, the shares of common stock not acquired pursuant to such Awards again become available for issuance under the Incentive Plan and shall be considered as shares available for grant for the purpose of determining the Calculated Amount.

As of April 19, 2010, options to purchase approximately 12,406,020 shares of common stock were outstanding, which is approximately 5.3% of total shares of common stock outstanding on that date. As of that same date, approximately 2,512,858 additional shares of common stock were available for grant and not subject to Awards under the Incentive Plan, which is approximately 1.1% of total shares of common stock outstanding. The weighted average exercise price of all options outstanding as of April 19, 2010 was approximately \$3.20 and the weighted average remaining term of such options was approximately 8.4 years. A total of 233,061,014 shares of Gran Tierra's common stock were outstanding as of April 19, 2010.

Eligibility

Employees (including officers), directors, and consultants of both Gran Tierra and its affiliates are eligible to receive all types of awards under the Incentive Plan. Under the Incentive Plan, no employee may be granted awards exercisable for more than 1,000,000 shares of common stock during any calendar year. The maximum number of shares which may be reserved for issuance to Insiders, at any time, under the Incentive Plan, and any other share compensation arrangement of Gran Tierra shall be 10% of the shares of common stock issued and outstanding. Additionally, the maximum number of shares of common stock which may be issued under the Incentive Plan, at any time, and any other share compensation arrangements within any 12-month period shall be 10% of the common stock outstanding for insiders as a group and 5% of the common stock outstanding for any one insider and such insider's associates.

Stockholder approval of this Proposal 2 will also constitute re-approval of the foregoing limit for purposes of Section 162(m) of the Code. This limitation assures that any deductions to which Gran Tierra would otherwise be entitled upon the exercise of options or stock appreciation rights granted under the Incentive Plan will not be subject to the \$1 million limitation on the income tax deductibility of compensation paid per covered executive officer imposed by Section 162(m) of the Code.

Terms of Options

The following is a description of the permissible terms of options under the Incentive Plan. Individual option grants may be more restrictive as to any or all of the permissible terms described below.

Exercise Price; Payment

The exercise price of options may not be less than 100% of the fair market value of the stock on the date of grant. If options were granted to covered executives with exercise prices below fair market value, deductions for compensation attributable to the exercise of such options could be limited by Section 162(m) of the Code. See “U.S. Federal Income Tax Information.” The closing price of Gran Tierra’s common stock as reported on the NYSE Amex on April 23, 2010, was \$6.34 per share.

The “fair market value” of Gran Tierra’s common stock on a particular day is generally the closing sales price for the common stock (or the closing bid, if no sales were reported) as quoted on the primary exchange or market upon which Gran Tierra’s common stock trades. If that day is not a market trading day, then the last market trading day prior to the day of determination is used. If Gran Tierra’s common stock were not to be traded on a market, the Gran Tierra Board would make a good faith determination of the fair market value in a manner that complies with specified U.S. tax requirements.

The exercise price of options granted under the Incentive Plan must be paid either in cash at the time the option is exercised or at the discretion of the Gran Tierra Board, (i) by delivery of other common stock of Gran Tierra, (ii) by a “net exercise” arrangement, (iii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of common stock, results in either the receipt of cash (or check) by Gran Tierra or the receipt of irrevocable instructions to pay the aggregate exercise price to Gran Tierra from the sale proceeds, or (iv) in any other form of legal consideration acceptable to the Gran Tierra Board.

Option Exercise

Options granted under the Incentive Plan may become exercisable in cumulative increments, or vest, as determined by the Gran Tierra Board. Shares covered by currently outstanding options under the Incentive Plan typically vest over a three year period in three equal annual installments during the participant’s employment by, or service as a director or consultant to, Gran Tierra or an affiliate, collectively referred to as “Service.” Shares covered by options granted in the future under the Incentive Plan may be subject to different vesting terms. The Gran Tierra Board has the power to accelerate the time during which an option may vest or be exercised. In addition, options granted under the Incentive Plan may permit exercise prior to vesting, but in such event the participant may be required to enter into an early exercise stock purchase agreement that allows Gran Tierra to repurchase unvested shares, generally at their exercise price, should the participant’s Service terminate before vesting. To the extent provided by the terms of an option, a participant may satisfy any federal, state or local tax withholding obligation relating to the exercise of such option by a cash payment upon exercise, by authorizing Gran Tierra to withhold a portion of the stock otherwise issuable to the participant, by delivering already-owned common stock of Gran Tierra or by a combination of these means.

Term

The maximum term of options under the Incentive Plan is 10 years. Options under the Incentive Plan generally terminate three months after termination of the participant's Service unless (i) such termination is due to the participant's permanent and total disability (as defined in the Code), in which case the option may, but need not, provide that it may be exercised (to the extent the option was exercisable at the time of the termination of Service) at any time within 12 months of such termination; (ii) the participant dies before the participant's Service has terminated, or within three months after termination of such Service, in which case the option may, but need not, provide that it may be exercised (to the extent the option was exercisable at the time of the participant's death) within 18 months of the participant's death by the person or persons to whom the rights to such option pass by will or by the laws of descent and distribution; or (iii) the option by its terms specifically provides otherwise. A participant may designate a beneficiary who may exercise the option following the participant's death. Individual option grants by their terms may provide for exercise within a longer period of time following termination of Service.

The option term generally may be extended in the event that exercise of the option within these periods is prohibited. A participant's option agreement may provide that if the exercise of the option following the termination of the participant's Service would be prohibited because the issuance of stock would violate the registration requirements under the Securities Act, then the option will terminate on the earlier of (i) the expiration of the term of the option or (ii) three months after the termination of the participant's service during which the exercise of the option would not be in violation of such registration requirements.

Restrictions On Transfer

The Gran Tierra Board may grant stock options that are transferable to the extent provided in the stock option agreement. If an option does not provide for transferability then the option shall not be transferable except by will or by the laws of descent and distribution or pursuant to a domestic relations order and shall be exercisable during the lifetime of the option holder and only by the option holder. Shares subject to repurchase by Gran Tierra under an early exercise stock purchase agreement may be subject to restrictions on transfer that the Gran Tierra Board deems appropriate.

Terms of Restricted Stock Awards and Purchases of Restricted Stock

Payment

The Gran Tierra Board determines the purchase price under a restricted stock purchase agreement but the purchase price may not be less than the par value of Gran Tierra's common stock on the date of purchase. The Gran Tierra Board may award stock bonuses in consideration of past services without a purchase payment.

The purchase price of stock acquired pursuant to a restricted stock purchase agreement under the Incentive Plan must be paid either in cash at the time of purchase or at the discretion of the Gran Tierra Board, (i) by cash at the time of purchase, (ii) by services rendered, or to be rendered to Gran Tierra or (iii) in any other form of legal consideration acceptable to the Gran Tierra Board.

Vesting

Shares of stock sold or awarded under the Incentive Plan may, but need not be, subject to a repurchase option in favor of Gran Tierra in accordance with a vesting schedule as determined by the Gran Tierra Board. The Gran Tierra Board has the power to accelerate the vesting of stock acquired pursuant to a restricted stock purchase agreement under the Incentive Plan.

Restrictions on Transfer

Rights under a stock bonus or restricted stock bonus agreement may be transferred only upon the terms and conditions of the award agreement as the Gran Tierra Board shall determine in its discretion, except where such assignment is required by law or expressly authorized by the terms of the applicable stock bonus or restricted stock purchase agreement.

Terms of Stock Appreciation Rights

The Incentive Plan authorizes the grant of stock appreciation rights. Stock appreciation rights entitle the participant to receive upon exercise an appreciation distribution equal to the fair market value of that number of shares equal to the number of share equivalents in which the participant is vested under the independent stock appreciation rights less the fair market value of such number of shares of stock on the date of grant of the independent stock appreciation rights.

Appreciation distributions payable upon exercise of stock appreciation rights may, at the Gran Tierra Board's discretion, be made in cash, in shares of stock or a combination thereof.

Adjustment Provisions

Transactions not involving receipt of consideration by Gran Tierra, such as a merger, consolidation, reorganization, stock dividend, or stock split, may change the type(s), class(es) and number of shares of common stock subject to the Incentive Plan and outstanding awards. In that event, the Incentive Plan will be appropriately adjusted as to the type(s), class(es) and the maximum number of shares of common stock subject to the Incentive Plan, and outstanding Awards will be adjusted as to the type(s), class(es), number of shares and price per share of common stock subject to such Awards.

Effect Of Certain Corporate Transactions

In the event of the consummation of (i) the sale or other disposition of all or substantially all of the assets of Gran Tierra, (ii) the sale or other disposition of at least fifty percent of the outstanding securities of Gran Tierra, or (iii) certain specified types of merger, consolidation or similar transactions, or collectively, a corporate transaction, any surviving or acquiring corporation may continue or assume awards outstanding under the Incentive Plan or may substitute similar awards. If any surviving or acquiring corporation does not assume such awards or substitute similar Awards, then with respect to Awards held by participants whose Service with Gran Tierra or an affiliate has not terminated as of the effective time of the corporate transaction, the vesting of such awards (and, if applicable, the time during which such awards may be exercised) will be accelerated in full and the awards will terminate if not exercised (if applicable) at or prior to such effective time.

The Incentive Plan provides, that in the event of certain change of control events, any outstanding stock awards may be subject to additional acceleration of vesting and exercisability upon or after such change of control event, if such acceleration is provided for in the individual award holder's stock award agreement.

The acceleration of an Award in the event of a corporate transaction or a change in control event may be viewed as an anti-takeover provision, which may have the effect of discouraging a proposal to acquire or otherwise obtain control of Gran Tierra.

Duration, Amendment And Termination

The Gran Tierra Board may suspend or terminate the Incentive Plan without stockholder approval or ratification at any time or from time to time.

The Gran Tierra Board may at any time, or from time to time, amend or revise the Incentive Plan as follows: (a) to make amendments to the Incentive Plan or a Stock Award of a housekeeping or administrative nature; (b) if the common stock is listed on the Toronto Stock Exchange subject to any required approval of the TSX, to change the vesting or termination provisions of a Stock Award or the Incentive Plan; (c) amendments necessary to comply with provisions of applicable law or stock exchange requirements or for grants to qualify for favourable treatment under applicable laws; and (d) any other amendment, fundamental or otherwise, not requiring stockholder approval under the Code. However, no amendment will be effective unless approved by the stockholders of Gran Tierra within 12 months before or after its adoption by the Gran Tierra Board to the extent such approval is necessary to satisfy the requirements of Section 422 of the Code. The Gran Tierra Board may submit any other amendment to the Incentive Plan for stockholder approval. Pursuant to the amendment to the Incentive Plan, as proposed herein, the Board will no longer have the authority to reduce the exercise price of an option held by a non-insider by amendment to the Incentive Plan or a stock award under the Incentive Plan without the approval of Gran Tierra stockholders.

For so long as Gran Tierra's stock is listed on the TSX, under the rules and policies of the TSX any amendment to the Incentive Plan is subject to pre-clearance of such amendment by the TSX, and no amendment, suspension or discontinuance of the Incentive Plan may contravene the requirements of the TSX.

U.S. Federal Income Tax Information

Stock Options, Restricted Stock Purchase Awards and Stock Bonuses

Stock options, restricted stock purchase awards and stock bonuses granted under the Incentive Plan generally have the following federal income tax consequences.

There are no tax consequences to the participant or Gran Tierra by reason of the grant. Upon acquisition of the stock, the participant normally will recognize taxable ordinary income equal to the excess, if any, of the stock's fair market value on the acquisition date over the purchase price. However, to the extent the stock is subject to certain types of vesting restrictions, the taxable event will be delayed until the vesting restrictions lapse unless the participant elects to be taxed on receipt of the stock. With respect to employees, Gran Tierra is generally required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, Gran Tierra will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the participant.

Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon acquisition (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year. Slightly different rules may apply to participants who acquire stock subject to certain repurchase options or who are subject to Section 16(b) of the Exchange Act.

Stock Appreciation Rights

No taxable income is realized upon the receipt of a stock appreciation right, but upon exercise of the stock appreciation right the fair market value of the shares (or cash in lieu of shares) received must be treated as compensation taxable as ordinary income to the participant in the year of such exercise. Generally, with respect to employees, Gran Tierra is required to withhold from the payment made on exercise of the stock appreciation right or from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, Section 162(m) of the Code and the satisfaction of a reporting obligation, Gran Tierra will be entitled to a business expense deduction equal to the taxable ordinary income recognized by the participant.

Potential Limitation on Company Deductions

Section 162(m) of the Code denies a deduction to any publicly held corporation for compensation paid to certain “covered employees” in a taxable year to the extent that compensation to such covered employee exceeds \$1 million. It is possible that compensation attributable to awards, when combined with all other types of compensation received by a covered employee from Gran Tierra, may cause this limitation to be exceeded in any particular year.

Certain kinds of compensation, including qualified “performance-based compensation”, are disregarded for purposes of the deduction limitation. In accordance with Treasury Regulations issued under Section 162(m), compensation attributable to stock options and stock appreciation rights will qualify as performance-based compensation if (i) the award is granted by a compensation committee comprised solely of “outside directors,” (ii) the plan contains a per-employee limitation on the number of shares for which such awards may be granted during a specified period, (iii) the per-employee limitation is approved by the stockholders, and (iv) the exercise price of the award is no less than the fair market value of the stock on the date of grant. Subject to stockholder approval of this Proposal 2, it is intended that all options and stock appreciation rights granted under the Incentive Plan qualify as performance-based compensation that is exempt from the \$1 million deduction limitation.

Compensation attributable to all other Awards granted under the Incentive Plan will not qualify as performance-based compensation, and therefore will remain subject to the \$1 million deduction limitations imposed by Section 162(m) of the Code.

PROPOSAL 3

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP as Gran Tierra’s independent registered public accounting firm for the fiscal year ending December 31, 2010 and has further directed that

management submit the selection of independent registered public accounting firm for ratification by the stockholders at the annual meeting. Deloitte & Touche LLP has audited Gran Tierra's financial statements since its inception in 2005. Representatives of Deloitte & Touche LLP are expected to be present at the annual meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither Gran Tierra's Bylaws nor other governing documents or law require stockholder ratification of the selection of Deloitte & Touche LLP as Gran Tierra's independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of Gran Tierra and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and voting at the annual meeting will be required to ratify the selection of Deloitte & Touche LLP. Abstentions and broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Principal Accountant Fees and Services

Set forth below is a summary of fees paid to Deloitte & Touche LLP, our independent registered Chartered Accountants, for services in the fiscal periods ended December 31, 2009 and December 31, 2008. In determining the independence of Deloitte & Touche LLP, the Audit Committee considered whether the provision of non-audit services is compatible with maintaining Deloitte & Touche LLP's independence.

| | Fiscal Year Ended | |
|--------------------|-------------------|------------|
| | (in thousands) | |
| | 2009 | 2008 |
| Audit Fees | \$ 833,408 | \$ 726,741 |
| Audit-related Fees | 45,068 | 172,331 |
| Tax Fees | 5,661 | 90,201 |
| All Other Fees | 86,256 | — |
| Total Fees | \$ 970,393 | \$ 989,273 |

Audit Fees

The total audit fees and reimbursement of expenses paid to Deloitte & Touche LLP were for audits, reviews of the quarterly financial statements, and the preparation of comfort letters and consents.

Audit Related

Audit related fees include miscellaneous advisory services related to the acquisitions and share registration activities of Gran Tierra during the year.

Tax Fees

Tax fees, including reimbursement of expenses, paid to Deloitte & Touche LLP were for the review of our 2007 US, Canadian, Colombian and Argentinean tax returns (prepared by a third party) in 2008, and review of tax planning strategies for 2008.

All Other Fees

Other Fees included a project related to vulnerability assessment of Gran Tierra's information systems as well as public accounting board information and comments letters.

All fees described above were approved by the Audit Committee.

Pre-Approval Policies and Procedures.

Before Gran Tierra engages an independent registered public accountant to render audit services, any engagement covering audit or non-audit services by the auditors is approved by Gran Tierra's Audit Committee or the engagement to render services is entered into pursuant to pre-approval policies and procedures established by the Audit

Committee. The pre-approval policy adopted by Gran Tierra's Audit Committee on March 9, 2006 to permit pre-approval of non-audit services is attached as Schedule A to the charter of the Audit Committee, which was filed as Exhibit 99.1 to Gran Tierra's Annual Report on Form 10-KSB for 2005. This policy requires that the Audit Committee consider, prior to pre-approving any non-audit services, multiple factors taken as a whole, including whether the services are prohibited pursuant to SEC rules, whether the auditors are best positioned to provide the services, and the percentage of total services the non-audit services will comprise. Requests for non-audit services will be made in writing to Gran Tierra's independent auditor specifying the services requested and the reasons for the request, and the chairperson of the Audit Committee will be copied on the communication. Gran Tierra's independent auditor must respond to Gran Tierra's request with a description of the services, the fees that it will charge, and a request for pre-approval of the services plus pre-approval of 10% over the amount. The chairperson of the Audit Committee will then make a determination based on all of the relevant factors, and if approved report back to the Audit Committee at the next Audit Committee meeting for ratification.

The Audit Committee has determined that the rendering of the services other than audit services by Deloitte & Touche LLP is compatible with maintaining the principal accountant's independence.

The Board Of Directors Recommends
A Vote In Favor Of Proposal 3.

SECURITY OWNERSHIP OF
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of Gran Tierra common stock as of February 15, 2010 by (1) each of its directors and named executive officers and (2) all of Gran Tierra's executive officers and directors as a group. Beneficial ownership is determined in accordance with Rule 13d-3 of the Exchange Act. The number of shares beneficially owned by a person includes shares of common stock underlying options or warrants held by that person that are currently exercisable or exercisable within 60 days of February 15, 2010. The shares issuable pursuant to the exercise of those options or warrants are deemed outstanding for computing the percentage ownership of the person holding those options and warrants but are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Unless otherwise indicated, the persons and entities named in the table have sole voting and sole investment power with respect to the shares set forth opposite that person's name, subject to community property laws, where applicable.

Compensation Discussion and Analysis

Executive Summary

Gran Tierra has designed its executive compensation program to motivate and reward our executives for company performance and to attract and retain talented executives. Gran Tierra's compensation program consists of three basic elements—base salary, cash bonus and equity incentives. We focus on providing a majority of our total compensation for the executive officers listed in the Summary Compensation Table below, which we refer to as the “named executive officers”, linked to both the company's performance and to individual performance through performance-based cash awards, and equity awards which are only valuable if the company's stock price increases. This focus is not entirely reflected in the summary compensation table for 2009 because the timing of granting annual equity incentives was changed from the end of the year to the beginning of the following year. As a result, annual equity incentives were granted in December 2008, and then again on March 3, 2010, and so no annual equity incentives were granted in 2009. We believe our focus on providing a majority of our total compensation for the named executive officers linked to both the company's performance and to individual performance provides our executives an opportunity to earn above average compensation if Gran Tierra delivers superior results.

We link a portion of our executives' cash compensation to the company's performance as measured by achievement of budget targets for items such as production, reserves, capital expenditures, revenues and operating costs, as well as other factors such as liquidity, share price performance given overall market conditions, and other objectives specific to the company's situation at the time. In addition, we provide long-term incentives to our executives and employees in the form of stock options. Options generally vest over three years, linking executives' rewards directly to their ability to create value for our shareholders and providing an incentive for our executives to remain with Gran Tierra over the long term.

The price of oil directly impacts the performance of Gran Tierra. In 2009, we have seen fluctuations in the price of West Texas Intermediate Crude oil (the reference price for most of our contracts) of \$33.98 to \$81.04. However, due to past financing activities and strong positive cash flow, Gran Tierra is in a very strong position from a liquidity standpoint. We have no debt and have the resources with current cash balances and our project cash flows for 2010 to complete our budgeted capital program and remain debt free.

Compensation Objectives

The overall objectives of Gran Tierra's compensation program are to attract, retain and motivate key executives who are the best suited to make Gran Tierra successful and to reward individual performance to focus Gran Tierra's executives on accomplishing Gran Tierra's goals.

Compensation Process

The Compensation Committee of the Gran Tierra Board recommends amounts of compensation for Gran Tierra's Chief Executive Officer for approval by the Gran Tierra Board. The Chief Executive Officer recommends amounts of compensation for Gran Tierra's other executive officers to the Compensation Committee, which considers these recommendations in connection with the goals and criteria discussed below. The Compensation Committee then makes its determination, taking the Chief Executive Officer's recommendations into account, and makes its recommendations to the Gran Tierra Board for approval.

In 2009/2010 Gran Tierra changed the timing its compensation cycle. Previously Gran Tierra's practice was to consider compensation annually (at year-end), including the award of equity based compensation. In order to allow time for a more deliberate and objective process, Gran Tierra now makes its compensation decisions for the coming

year, and reviews performance for the prior year, in the first quarter. Annual bonuses in respect of 2009 performance, as well as equity incentive awards and salary increases for 2010, were approved in February 2010. Bonuses in respect of 2009 performance were paid in February 2010 and equity incentives were issued on March 3, 2010.

Compensation Consultants

The Compensation Committee relies upon external advisors and third-party compensation surveys as well as the knowledge and experience of committee members and other members of the Board to set appropriate levels of salary and other compensation.

In 2009, the Compensation Committee retained the services of Lane Caputo Compensation Inc. to develop a more relevant group of peers against which the Compensation Committee can benchmark executive compensation. The compensation practices of this peer group, along with data from the 2009 Mercer Total Compensation Survey for the Petroleum Industry (“2009 Survey”), for which a peer group was also developed by Lane Caputo in order to extract comparative information, provided the Compensation Committee with relevant and supportable market compensation data to both retrospectively evaluate the company’s 2009 executive compensation and make recommendations to the Board on the structure of the 2010 executive compensation arrangements. Services performed by Lane Caputo Compensation are pre-approved by the Compensation Committee and any additional work to be performed, including at the request of management, must be pre-approved by the Chair of the Compensation Committee. The retention of independent compensation advisors to the company are to be assessed on an annual basis.

Third Party Source Used

To assist in establishing 2009 salary and target compensation, a group of 33 companies from the “2008 Mercer Total Compensation Survey for the Petroleum Industry” was recommended by management and approved by the Compensation Committee for use for comparative purposes. This survey covers oil and gas companies located in Canada, and presents compensation components and statistical ranges by position description for peer groupings within the industry. The survey is published annually and is widely recognized as a leading survey for the energy industry in Canada to provide information for salaries and bonuses. The 33 companies selected from the 2008 survey were: ARC Resources Ltd., Anderson Energy Ltd., Baytex Energy Trust, Bonavista Energy Trust, Breaker Energy Ltd., Compton Petroleum Corporation, Connacher Oil and Gas Limited, Crescent Point Energy Trust, Crew Energy, Daylight Resources Trust, Enerplus Resources Fund, Fairborne Energy Ltd., First Calgary Petroleums Ltd., Harvest Energy Trust, Highpine Oil & Gas Limited, Iteration Energy Ltd., NuVista Energy Ltd., Paramount Energy Trust, Paramount Resources, Pengrowth Corporation, Penn West Energy Trust, PetroKazakhstan Inc., Petrobank Energy and Resources Ltd., Progress Energy Trust, ProspEx Resources Ltd., Rock Energy Inc., Sherritt International, TriStar Oil & Gas Ltd., Trilogy Energy Trust, True Energy Trust, Vermilion Energy Trust, WesternZagros Resources Ltd., and Zargon Energy Trust.

To assist in establishing 2009 bonuses and 2010 compensation structure, Lane Caputo Compensation Inc. developed a more relevant group of industry peers (the “Custom Peer Group”) against which to benchmark executive compensation. The Custom Peer Group included Canadian- (mostly) and U.S.-headquartered peers with predominantly international operations and of a similar size to the company based on market capitalization, annual revenues and average daily production volumes. The 18 companies in this Custom Peer Group were: Addax Petroleum Corp., Antrim Energy Inc., Bankers Petroleum Ltd., BPZ Resources Inc., Calvalley Petroleum Ltd., Cirrus Energy Corp., Niko Resources Ltd., Pacific Rubiales Energy Corp., Pan Orient Energy Corp., Petro Andina Resources Inc., Petrolifera Petroleum Ltd., Petrominerales Ltd., TransAtlantic Petroleum Corp., TransGlobe Energy Corp., Verenex Energy Inc., Vermilion Energy Trust, WesternZagros Resources Ltd. and Winstar Resources Ltd. Compensation data for these peers was provided from Lane Caputo’s database and/or the information circulars of the peer companies.

To ensure the Compensation Committee also considered local market factors impacting executive compensation, an additional group of 19 companies from the 2009 Survey was developed (the “Mercer Peer Group”) on the basis of similar characteristics to the company, including market capitalization, annual revenues and average daily production volumes. The Mercer Peer Group was recommended by Lane Caputo and approved by the Compensation Committee and was used in conjunction with the Custom Peer Group. The 19 companies in the Mercer Peer Group were: Advantage Oil & Gas Ltd., Baytex Energy Trust, Birchcliff Energy Ltd., Bonavista Energy Trust, Breaker Energy Ltd., Crew Energy, Daylight Resources Trust, Fairborne Energy Ltd., Harvest Energy Trust, NuVista Energy Ltd., Paramount Resources, Petro Andina Resources Inc., Progress Energy Trust, Provident Energy Trust., Storm Exploration Inc., Trilogy Energy Trust, Vermilion Energy Trust, WesternZagros Resources Ltd., and Zargon Energy Trust.

While our Compensation Committee believes that compensation survey data are useful guides for comparative purposes, we believe that a successful compensation program also requires that the Compensation Committee apply its own judgment and subjective determination of individual performance by our executives. Therefore, the Compensation Committee applies its judgment in reconciling the program’s objectives with the realities of rewarding excellent performance and retaining valued employees.

Elements of Compensation

The Compensation Committee, which consists of four non-executive directors, has determined that Gran Tierra shall have three basic elements of compensation — base salary (including benefits), cash bonus and equity incentives. Each

component has a different purpose.

The Compensation Committee believes that base salaries at this stage in Gran Tierra's growth and especially within the international exploration and production sector, must be competitive to retain executives. The Compensation Committee believes that principal performance incentives should be in the form of long-term equity incentives given the longer-term nature of Gran Tierra's business plan. Long-term incentives to date have been in the form of stock options but Gran Tierra's equity plan also provides for other equity incentive forms, such as restricted stock and stock bonuses, which the Compensation Committee is not considering at this time. Short-term cash bonuses are a common element of compensation in Gran Tierra's industry and among Gran Tierra's peers to which Gran Tierra must pay attention. The Compensation Committee ultimately considers the split between the three forms of compensation relative to Gran Tierra's peers for each position, relative to the contributions of each executive, and the operational and financial achievements of Gran Tierra. This exercise has been based on the evaluation of the achievement of goals set by the Chief Executive Officer at the beginning of the year and consensus among the members of the Compensation Committee, all of whom have significant experience in the oil and gas exploration business.

Salary

The Compensation Committee determined 2009 base salaries based upon its review of the 2008 Survey and, based on the very competitive nature of the international exploration and production sector and corresponding shortage of experienced senior talent, determined that a target of between the 50-75th percentile of the survey data as being appropriate to retain the services of Gran Tierra's executives, the exact amount determined by the Compensation Committee's subjective assessment of the appropriate salary for each executive given their performance and roles within Gran Tierra.

The Compensation Committee recommended to the Gran Tierra Board, and the Gran Tierra Board approved, the following annual salaries for 2009 as follows:

Mr. Coffield — \$286,642

Mr. O'Leary – \$267,532

Mr. Eden — \$239,824

Mr. Garcia - \$293,509

Mr. Moreira - \$260,933

Mr. Coffield's and Mr. O'Leary's salaries were slightly below the 50th percentile of the 2008 survey. Mr. Eden's salary was close to the 75th percentile of the 2008 survey. Mr. Coffield and Mr. O'Leary's salaries were below the target range due to various factors, including the level of compensation previously paid to Mr. Coffield, and Gran Tierra's position relative to its peers. Mr. Eden's salary was close to the top of the target range, reflecting the complexity of Gran Tierra's regulatory environment related to being listed in the United States and Canada, tax position based on international complexity and other factors effecting financial performance. Salaries for Mr. Garcia and Mr. Moreira were determined primarily based on arms-length negotiations, and information on the compensation received by each at their previous employer.

Bonus

For 2009 performance bonuses, the Compensation Committee had, until late in 2009, been using the same methodology of targeting bonus between the 50th – 75th percentiles of the Mercer survey for the appropriate year. In late 2009, the Compensation Committee received the recommendations of Lane Caputo Compensation Inc. with respect to the go-forward bonus structure for 2010. As, in the opinion of the Compensation Committee, the new structure and the data upon which the new structure was based was more relevant and rigorous than the existing methodology, the Committee made the decision to adopt the 2010 bonus structure for the purposes of calculating the 2009 performance bonus (see below).

For 2010, the Compensation Committee altered their compensation philosophy such that, rather than targeting salary and bonus levels independently and risk having aggregate compensation be different than what was intended using an element by element approach, total cash compensation (salary + bonus) would be targeted at the 75th percentile of the Custom Peer Group for target levels of performance. The 75th percentile was chosen to reflect the quality of talent that Gran Tierra wishes to retain in order to complete our plans for growth in the near term. Based on the previously-determined salaries, target bonus levels were established for each executive in early 2010 for 2010 performance (also retroactively applied to 2009 bonus calculations). The data from the Mercer Peer Group was used as a secondary check for reasonableness of the final numbers. Targets are expressed as a percentage of base salary, as follows:

| | |
|-------------|-----|
| Mr Coffield | 80% |
| Mr. O'Leary | 70% |

| | |
|-------------|-----|
| Mr. Eden | 70% |
| Mr. Garcia | 60% |
| Mr. Moreira | 60% |

Bonuses for 2010 will be based on corporate, business unit and personal performance as to the following weightings:

| | Corporate Performance | Business Unit Performance | Personal Performance |
|-------------|-----------------------|------------------------------|----------------------|
| Mr Coffield | 100% | 0% | 0% |
| Mr. O'Leary | 70% | 0% | 30% |
| Mr. Eden | 70% | 0% | 30% |
| Mr. Garcia | 30% | 40% | 30% |
| Mr. Moreira | 30% | 40% | 30% |

For 2009, the Compensation Committee determined bonuses for Gran Tierra's executives based on a subjective assessment of corporate, business unit and personal performance in 2009, in addition to consideration of Gran Tierra's overall operational and financial results.

The Compensation Committee, using its subjective judgment of the performance of the company in 2009 measured against the performance goals set forth for the Chief Executive Officer and the company, determined a score of 75% as the performance score of the Chief Executive Officer and the company for 2009. For corporate executives other than the Chief Executive Officer, the corporate performance score applied to 70% of their target bonus, and the remaining 30% of target bonus was determined based upon individual performance as measured against the specific executive's individual performance objectives. For business unit executives, the corporate performance score applied to 30% of their target bonus, 40% of target bonus was determined based upon business unit performance and the remaining 30% of target bonus was determined based upon individual performance.

Individual objectives defined for 2009 were as follows:

No personal objectives were defined and the personal performance score for each was assessed subjectively by the CEO and recommended to the Compensation Committee, which approved the performance scored.

Equity Incentives

As described above, Gran Tierra recently changed the timing its compensation cycle. Previously Gran Tierra's practice was to consider compensation annually (at year-end), including the award of equity based compensation grants at the end of the year. Gran Tierra is now establishing compensation early in the following year. As a result, Gran Tierra made equity incentive grants in late 2008, and then again in March 2010, and did not grant equity award grants in 2009 other than new hire grants.

On March 2, 2009, Mr. O'Leary was granted options to purchase 500,000 shares of Gran Tierra's common stock , and on December 1, 2009 Mr. Garcia was granted options to purchase 300,000 shares of Gran Tierra's common stock. Each of these grants were made in conjunction with the commencement of employment of the executive at Gran Tierra. The exercise price per share of the options was the fair market value of Gran Tierra's common stock on the date of grant. The Compensation Committee considered both Mr. O'Leary's and Mr. Garcia's experience, job responsibilities and internal equity within the relevant executive teams, in determining the level of these grants and negotiated these grants with each person as part of their initial compensation package.

In February 2010, the Compensation Committee considered elements of individual, business unit and corporate performance, as well as hire dates and the number of options granted upon hire, in determining grant levels and granted options under the terms of Gran Tierra's 2009 Equity Incentive Plan to each of Gran Tierra's executive officers as follows: Mr. Coffield, 200,000 shares; Mr. Eden, 125,000 shares; Mr. O'Leary, 125,000 shares; and Julio Cesar Moreira, 50,000 shares. Mr. Garcia was not awarded any additional options apart from his commencement options granted on December 1, 2009. The levels of these awards were based on recommendations from Lane Caputo Compensation Inc., taking into account: Gran Tierra's desired competitive positioning, as stated in the company's compensation philosophy; the fair value of awards at time of grant versus the Custom Peer Group; the absolute number of awards versus the Custom Peer Group; and each award as a percentage of total shares outstanding versus the Custom Peer Group, with each element targeting the 65th percentile of the Custom Peer Group.

Termination and Change in Control Provisions

Gran Tierra's employment agreements with Gran Tierra's executive officers contain termination and change in control provisions. These provisions provide that Gran Tierra's executive officers will receive severance payments in the event that their employment is terminated other than for "cause" or if they terminate their employment with us for "good reason", as discussed in "Agreements with Executive Officers" below. The termination and change-in control provisions are industry standard clauses at the time that they entered into the employment agreements with us.

Benefits

The employment agreements entered into with Messrs. Coffield, Eden, O’Leary, Moreira, and Garcia have virtually identical terms, which allows for full participation in all rights and benefits under any life insurance, disability, medical, dental, health and accident plans maintained by Gran Tierra for its employees and executives. In addition, these Executives will be paid their base salary in the event they become disabled, until such time as the Executive begins to receive long-term disability insurance benefits. These are standard basic benefits in the industry.

Compensation Policies and Practices as They Relate to Risk Management

Management of Gran Tierra analyzed Gran Tierra's compensation policies and practices as they relate to risk management, and made a presentation to the Compensation Committee and the Board. The Compensation Committee and the Board then reviewed Gran Tierra’s compensation policies and practices as they relate to risk management practices and risk-taking incentives. In the course of this review the Compensation Committee and the Board noted that the fixed (or salary) portion of compensation is designed to provide a steady income regardless of Gran Tierra’s stock price performance so that executives do not feel pressured to focus exclusively on stock price performance to the detriment of other important business metrics. The variable (cash bonus and equity) portions of compensation are designed to reward both short term and long term corporate performance. For short-term performance, Gran Tierra’s cash bonus is awarded based on a formula using the achievement of a combination of corporate goals, personal goals and business goals (if applicable) except in the case of the Chief Executive Officer who was evaluated in 2009 on the basis of the achievement of corporate goals only. For long-term performance, the stock option awards cliff vest annually over three years and are only valuable if Gran Tierra’s stock price increases over time. These variable elements of compensation are a sufficient percentage of overall compensation to motivate executives to produce superior short-and long-term corporate results, while the fixed element is also sufficiently high that the executives are not encouraged to take unnecessary or excessive risks in doing so. Finally:

- significant weighting towards long-term incentive compensation discourages short-term risk taking;
- goals are appropriately set to avoid targets that, if not achieved, result in a large percentage loss of compensation;
- incentive awards are decided by the Compensation Committee and recommended to the Board of Directors for approval; and
- as an oil and gas exploration company, Gran Tierra does not face the same level of risks associated with compensation for employees at financial services (traders and instruments with a high degree of risk) or technology companies (rapidly changing markets).

Based on the above, the Compensation Committee concurred with the assessment by management and concluded that the risks arising from Gran Tierra's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on Gran Tierra.

Agreements with Executive Officers

The employment agreements entered into with Messrs. Coffield, Eden, O’Leary, Moreira, and Garcia have virtually identical terms except for:

- the position held by each such person;
- limitations on business class travel (Messrs. Moreira and Garcia may only travel business class for international flights and coach class for domestic travel whereas Messrs. Coffield, O’Leary and Eden may travel business class for most flights);
- Mr. Moreira receives a Private Retirement Savings Allowance (“allowance”) of 8% of his Base Salary, paid on a monthly basis by Gran Tierra. The allowance vests one-third per year following deposit on a rolling basis.
- Mr. Moreira and Mr. Garcia also receive golf club memberships, a company car and driver and, in the case of Mr. Garcia, a second car allowance.

The employment agreements provide that the respective executive will:

- receive a base salary, as determined by the Gran Tierra Board;
- be eligible to receive an annual bonus, as determined by the Board; and
- be eligible to participate in the stock option plans of Gran Tierra.

The bonuses are to be paid within 60 days of the end of the preceding year based on the executive performance.

The employment agreements do not have terms of specified duration. The employment agreements provide for severance payments to each executive, in the event the executive is terminated without cause or the executive terminates the agreement for good reason, in the amount of two times total compensation for the prior year (in the case of Mr. Coffield) or in the amount of one times total compensation for the prior year (in the case of Messrs. Eden, Garcia and Moreira) or an amount equal to 18 months of prior period compensation for Mr. O’Leary.

With respect to the employment agreement with all of the executive officers other than Mr. Moreira, the definitions of “cause,” “good reason” and “change in control” are set forth below. Mr. Moreira’s employment agreement contains definitions of these terms that are similar but not entirely consistent with these definitions.

“Cause” is defined as any of the following: (i) conviction of, or plea of nolo contendere to, a felony; (ii) participation in a fraud against the company; (iii) participation in an act of dishonesty against the company intended to result in the executive’s personal enrichment; (iv) willful material breach of the company’s written policies; (v) intentional significant damage to the company’s property by the executive; (vi) material breach of the employment agreement; or (vii) conduct by the executive that, in the good faith and reasonable determination of the Board, demonstrates gross unfitness to serve provided that in such event, the company shall provide notice to the executive describing the nature of the gross unfitness and the executive shall thereafter have ten (10) days to cure such gross unfitness if such gross unfitness is capable of being cured.

“Good reason” includes (i) an adverse change in the executive’s position, title, duties or responsibilities, or any failure to re-elect him to such position (except for termination for “cause”), (ii) a reduction in the executive’s base salary unless all other executive officers are similarly reduced, or a change in the basis upon which the executive’s annual compensation is paid or determined except that annual performance bonuses are discretionary and shall not be

considered adverse under the agreement if a performance bonus is reduced from a prior year or not paid, (iii) a change in control, or (iv) any breach by the employer of any material provision of the employment agreement.

A “Change in Control” is defined as (i) a dissolution, liquidation or sale of all or substantially all of the assets of Gran Tierra; (ii) a merger or consolidation in which Gran Tierra is not the surviving corporation; (iii) a reverse merger in which Gran Tierra is the surviving corporation but the shares of Gran Tierra’s common stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise; or (iv) the acquisition by any person, entity or group within the meaning of Section 13(d) or 14(d) of the Securities Exchange Act (excluding any employee benefit plan, or related trust, sponsored or maintained by Gran Tierra or any affiliate of Gran Tierra) of the beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities of Gran Tierra representing at least fifty percent (50%) of the combined voting power entitled to vote in the election of directors.

All agreements include standard insurance, non-competition and confidentiality provisions.

Potential Payouts Upon Termination or Change in Control

In the event of a termination for “good reason” including a change in control of the company, Mr. Coffield is eligible to receive a payment of two times the prior year’s total compensation. Mr. O’Leary is eligible for a payment equal to the previous 18 months total compensation. Payment to Messrs. Eden, Garcia and Moreira is equal to prior year compensation. No payments would have been made to Mr. Dyes, as he ceased to be an employee of the company at fiscal year end. If a change in control had occurred on December 31, 2009, and Gran Tierra’s named executive officers terminated for good reason, or if they were terminated other than for cause, they would have received the following payments:

| Name | Payment |
|--------------|------------|
| Mr. Coffield | \$ 915,753 |
| Mr. Eden | \$ 376,213 |
| Mr. O’Leary | \$ 555,114 |

| Mr. Moreira | \$ 291,149 |

Director Compensation 2009

The following table shows for the fiscal year ended December 31, 2009, certain information with respect to the compensation of all non-employee directors of Gran Tierra:

| Name | Fees Earned or Paid | |
|---------------|---------------------|------------|
| | in Cash | Total (\$) |
| Jeffrey Scott | \$ 98,127 | \$ 98,127 |
| Walter Dawson | \$ 59,144 | \$ 59,144 |
| Verne Johnson | \$ 89,910 | \$ 89,910 |
| Nick Kirton | \$ 75,673 | \$ 75,673 |
| Scott Price | \$ 50,736 | \$ 50,736 |
| Ray Antony | \$ 56,660 | \$ 56,660 |

Through 2008, annual grants of stock options to non-employee directors was made in the last quarter of the calendar year. In 2009/2010 Gran Tierra changed the timing its compensation cycle for its executive officers, as discussed in “Compensation Discussion and Analysis” above, shifting the timing of the annual grants to non-employee directors to the first quarter of the calendar year. As a result, in 2009 no annual grants were made to non-employee directors. On March 3, 2010, each of the above non-employee directors were granted an option to purchase 60,000 shares (75,000 shares in the case of Mr. Scott, Gran Tierra’s Chairman of the Board) of Gran Tierra common stock at an exercise price of \$5.90, the fair market value on the date of grant. Gran Tierra expects that in the future annual grants to its non-employee directors will continue to occur in the first quarter of the calendar year.

In 2009, Gran Tierra paid a fee of \$23,887 per year to each director who serves on the Gran Tierra Board and an additional \$14,332 per year for the Chairman of the Gran Tierra Board. Gran Tierra also paid an additional fee of \$14,332 per year for each committee chair (except for the audit committee) and \$9,555 for each committee member (except for the audit committee). The audit committee chair was paid a fee of \$28,664 per year and each member paid \$14,332 per year. In addition, a fee of \$1,146 was paid for each meeting attended. Directors who are not Gran Tierra employees are eligible to receive awards under Gran Tierra’s 2005 and 2007 Equity Incentive Plan. Compensation arrangements with the directors who are also Gran Tierra employees are described in the preceding sections of this Proxy Statement under the heading “Gran Tierra Executive Compensation and Related Information.”

Compensation Committee Interlocks and Insider Participation

Gran Tierra's Compensation Committee currently consists of Mr. Johnson, Mr. Price, Mr. Antony, and Mr. Dawson. None of the members of the Compensation Committee has at any time been an officer or employee of Gran Tierra. No member of the Gran Tierra Board or of the Compensation Committee served as an executive officer of another entity that had one or more of Gran Tierra's executive officers serving as a member of that entity's board or Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Person Transactions Policy and Procedures

Gran Tierra discourages transactions with related persons. The charter of the Audit Committee provides that the Audit Committee is charged with reviewing and approving or disapproving any related person transactions, as defined under Regulation S-K, Item 404. In addition, potential related persons transactions are to be referred to the Chief Executive Officer, and brought to the attention of the full Board if material.

Certain Related-Person Transactions

In February 2009, Gran Tierra entered into a sublease with Tuscany International Drilling Inc. ("Tuscany") for the former corporate offices of Solana that Gran Tierra acquired as a result of the acquisition of Solana. The term of the sublease runs from February 1, 2009 to August 31, 2011 and the sublease payment is \$7,050 per month plus approximately \$4,000 for operating and other expenses. Mr. Scott, Chairman of the Board, and Mr. Dawson, a member of the Board, are members the board of directors of Tuscany. Neither Mr. Scott nor Mr. Dawson participated in the discussion that led to the approval of the sublease, and the terms of the sublease are consistent with current market conditions in the Calgary real estate market.

Gran Tierra has not engaged in any transactions with promoters or founders in which a promoter or founder has received any type of consideration from Gran Tierra.

Gran Tierra has entered into indemnity agreements with certain officers and directors which provide, among other things, that Gran Tierra will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he may be required to pay in actions or proceedings which he is or may be made a party by reason of his position as a director, officer or other agent of Gran Tierra, and otherwise to the fullest extent permitted under Nevada law and Gran Tierra's Bylaws.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other annual meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other annual meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are stockholders of Gran Tierra will be “householding” Gran Tierra’s proxy materials. A single Notice of Internet Availability of Proxy Materials or a single set of annual meeting materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials or a separate set of annual meeting materials, please notify your broker. Direct your written request to Gran Tierra Energy Inc., Jason Crumley, Investor Relations Director, 300, 625-11th Avenue, S.W., Calgary, Alberta, T2R 0E1, Canada or contact Martin Eden at (403) 265-3221. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials or multiple sets of annual meeting materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

1. General Purposes.

(a) Amendment and Restatement. The Plan is intended as a complete amendment and restatement of the Company's 2005 Equity Incentive Plan (the "Prior Plan"). All outstanding stock awards granted under the Prior Plan shall remain subject to the terms of the Prior Plan. All Stock Awards granted subsequent to the effective date of this Plan shall be subject to the terms of this Plan.

(b) Eligible Stock Award Recipients. The persons eligible to receive Stock Awards are Employees, Directors and Consultants.

(c) Available Stock Awards. The purpose of the Plan is to provide a means by which eligible recipients of Stock Awards may be given an opportunity to benefit from increases in value of the Common Stock through the granting of the following Stock Awards: (i) Options, (ii) Restricted Stock Awards, (iii) Stock Appreciation Rights, (iv) Restricted Stock Units and (v) Other Stock Awards.

(d) General Purpose. The Company, by means of the Plan, seeks to retain the services of the group of persons eligible to receive Stock Awards, to secure and retain the services of new members of this group and to provide incentives for such persons to exert maximum efforts for the success of the Company and its Affiliates.

2. Definitions.

(a) "Affiliate" means any "parent corporation" or "subsidiary corporation" of the Company, whether now or hereafter existing, as those terms are defined in Sections 424(e) and (f), respectively, of the Code. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company by an institutional investor, any affiliate thereof or any other Exchange Act Person that acquires the Company’s securities in a transaction or series of related transactions that are primarily a private financing transaction for the Company or (B) solely because the level of Ownership held by any Exchange Act Person (the “Subject Person”) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;
- (ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company if, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than fifty percent (50%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than fifty percent (50%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction;
- (iii) there is consummated a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than fifty percent (50%) of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportion as their Ownership of the Company immediately prior to such sale, lease, license or other disposition; or

2.

The term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

Notwithstanding the foregoing or any other provision of this Plan, the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Stock Awards subject to such agreement (it being understood, however, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply).

(i) General. The Board may delegate administration of the Plan to a Committee or Committees of one or more members of the Board, and the term “Committee” shall apply to any person or persons to whom such authority has been delegated. If administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. A Consultant shall not be eligible for the grant of a Stock Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act (“Form S-8”) is not available to register either the offer or the sale of the Company’s securities to such Consultant because of the nature of the services that the Consultant is providing to the Company, because the Consultant is not a natural person, or because of any other rule governing the use of Form S-8.

6. Option Provisions.

Each Option shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The provisions of each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

(a) Term. No Option shall be exercisable after the expiration of ten (10) years from the date on which it was granted.

(b) Exercise Price of a Stock Option. The exercise price of each Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Sections 409A and 424(a) of the Code; provided, however, that if the Common Stock is listed on the Toronto Stock Exchange, the granting of the Option is approved by the Toronto Stock Exchange to the extent necessary to satisfy the rules of the Toronto Stock Exchange.

(c) Consideration. The purchase price of Common Stock acquired pursuant to an Option shall be paid, to the extent permitted by applicable statutes and regulations, either (i) in cash at the time the Option is exercised or (ii) at the discretion of the Board at the time of or subsequently to the grant of the Option (1) by delivery to the Company of other Common Stock (whether by actual delivery or attestation), (2) by a “net exercise” of the Option (as further described below), (3) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of Common Stock, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instruction to pay the aggregate exercise price to the Company from the sales proceeds or (4) in any other form of legal consideration that may be acceptable to the Board.

9.

In the case of a “net exercise” of an Option, the Company will not require a payment of the exercise price of the Option from the Optionholder but will reduce the number of shares of Common Stock issued upon the exercise by the largest number of whole shares that has a Fair Market Value that does not exceed the aggregate exercise price. With respect to any remaining balance of the aggregate exercise price, the Company shall accept a cash payment from the Optionholder. The shares of Common Stock so used to pay the exercise price of an Option under a “net exercise,” the shares actually delivered to the Optionholder, and any shares withheld to satisfy tax withholding obligations will be considered to have resulted from the exercise of the Option, and accordingly, the Option will not again be exercisable with respect to such shares.

(d) **Transferability of an Option.** An Option shall be transferable to the extent provided in the Option Agreement. If the Option does not provide for transferability, then the Option shall not be transferable except by will or by the laws of descent and distribution or pursuant a domestic relations order and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

(e) **Vesting Generally.** The total number of shares of Common Stock subject to an Option may, but need not, vest and therefore become exercisable in periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this Section 6(e) are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.

(f) **Termination of Continuous Service.** In the event that an Optionholder’s Continuous Service terminates (other than upon the Optionholder’s death or Disability), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionholder’s Continuous Service (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified in the Option Agreement, the Option shall terminate.

(g) **Extension of Termination Date.** An Optionholder’s Option Agreement may also provide that if the exercise of the Option following the termination of the Optionholder’s Continuous Service (other than upon the Optionholder’s death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of the term of the Option set forth in Section 6(a) or (ii) the expiration of a period of three (3) months after the termination of the Optionholder’s Continuous Service during which the exercise of the Option would not be in violation of such registration requirements.

(h) **Disability of Optionholder.** In the event that an Optionholder’s Continuous Service terminates as a result of the Optionholder’s Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified herein, the Option shall terminate.

(i) Death of Optionholder. In the event that (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionholder's death pursuant to Section 6(d), but only within the period ending on the earlier of (1) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Option Agreement or (2) the expiration of the term of such Option as set forth in the Option Agreement. If, after death, the Option is not exercised within the time specified herein, the Option shall terminate.

(j) Early Exercise. The Option may, but need not, include a provision whereby the Optionholder may elect at any time before the Optionholder's Continuous Service terminates to exercise the Option as to any part or all of the shares of Common Stock subject to the Option prior to the full vesting of the Option. Any unvested shares of Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Board determines to be appropriate. The Company will not exercise its repurchase option until at least six (6) months (or such longer or shorter period of time required to avoid classification of the Option as a liability for financial accounting purposes) have elapsed following exercise of the Option unless the Board otherwise specifically provides in the Option.

7. Provisions of Stock Awards other than Options.

(a) Restricted Stock Awards. Each Restricted Stock Award agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse; or (y) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award agreements need not be identical; provided, however, that each Restricted Stock Award agreement shall include (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Purchase Price. At the time of the grant of a Restricted Stock Award, the Board will determine the price to be paid by the Participant for each share subject to the Restricted Stock Award. To the extent required by applicable law, the price to be paid by the Participant for each share of the Restricted Stock Award will not be less than the par value of a share of Common Stock. A Restricted Stock Award may be awarded as a stock bonus (i.e., with no cash purchase price to be paid) to the extent permissible under applicable law.

11.

(ii) Consideration. At the time of the grant of a Restricted Stock Award, the Board will determine the consideration permissible for the payment of the purchase price of the Restricted Stock Award. The purchase price of Common Stock acquired pursuant to the Restricted Stock Award shall be paid in one of the following ways: (i) in cash at the time of purchase; (ii) by services rendered or to be rendered to the Company; or (iii) in any other form of legal consideration that may be acceptable to the Board.

(iii) Vesting. Shares of Common Stock acquired under a Restricted Stock Award may, but need not, be subject to a share repurchase option in favor of the Company in accordance with a vesting schedule to be determined by the Board.

(iv) Termination of Participant's Continuous Service. In the event that a Participant's Continuous Service terminates, the Company may repurchase or otherwise reacquire any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Restricted Stock Award agreement. The Company will not exercise its repurchase option until at least six (6) months (or such longer or shorter period of time required to avoid classification of the Restricted Stock Award as a liability for financial accounting purposes) have elapsed following the purchase of the restricted stock unless otherwise determined by the Board or provided in the Restricted Stock Award agreement.

(v) Transferability. Rights to purchase or receive shares of Common Stock granted under a Restricted Stock Award shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Award agreement, as the Board shall determine in its discretion, and so long as Common Stock awarded under the Restricted Stock Award remains subject to the terms of the Restricted Stock Award agreement.

(b) Restricted Stock Units. Each Restricted Stock Unit agreement shall be in such form and shall contain such terms and conditions as the Board shall determine. The terms and conditions of Restricted Stock Unit agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit agreements need not be identical; provided, however, that each Restricted Stock Unit agreement shall include (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Restricted Stock Unit award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Common Stock subject to the Restricted Stock Unit award. To the extent required by applicable law, the consideration to be paid by the Participant for each share of Common Stock subject to a Restricted Stock Unit award will not be less than the par value of a share of Common Stock. Such consideration may be paid in any form permitted under applicable law.

(ii) Vesting. At the time of the grant of a Restricted Stock Unit award, the Board may impose such restrictions or conditions to the vesting of the shares Restricted Stock Unit as it deems appropriate.

At the time of the grant of a Restricted Stock Unit award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Common Stock (or their cash equivalent) subject to a Restricted Stock Unit award after the vesting of such Stock Award.

(v) Dividend Equivalents. Dividend equivalents may be credited in respect of Restricted Stock Units, as the Board deems appropriate. Such dividend equivalents may be converted into additional Restricted Stock Units by dividing (1) the aggregate amount or value of the dividends paid with respect to that number of shares of Common Stock equal to the number of Restricted Stock Units then credited by (2) the Fair Market Value per share of Common Stock on the payment date for such dividend. The additional Restricted Stock Units credited by reason of such dividend equivalents will be subject to all the terms and conditions of the underlying Restricted Stock Unit award to which they relate.

(vi) Termination of Participant's Continuous Service. Except as otherwise provided in the applicable Stock Award Agreement, Restricted Stock Units that have not vested will be forfeited upon the Participant's termination of Continuous Service for any reason.

(c) Stock Appreciation Rights. Each Stock Appreciation Right agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Stock Appreciation Right agreements may change from time to time, and the terms and conditions of separate Stock Appreciation Rights agreements need not be identical, but each Stock Appreciation Right agreement shall include (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Calculation of Appreciation. Each Stock Appreciation Right will be denominated in share of Common Stock equivalents. The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock equal to the number of share of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) an amount that will be determined by the Committee at the time of grant of the Stock Appreciation Right.

(ii) Vesting. At the time of the grant of a Stock Appreciation Right, the Board may impose such restrictions or conditions to the vesting of such Right as it deems appropriate.

(iii) Exercise. To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Rights agreement evidencing such Right.

(iv) Payment. The appreciation distribution in respect of a Stock Appreciation Right may be paid in Common Stock, in cash, or any combination of the two, as the Board deems appropriate.

(v) Termination of Continuous Service. If a Participant's Continuous Service terminates for any reason, any unvested Stock Appreciation Rights shall be forfeited and any vested Stock Appreciation Rights shall be automatically redeemed.

(d) Other Stock Awards. Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Common Stock may be granted either alone or in addition to Stock Awards provided for under Section 6 and the preceding provisions of this Section 7. Subject to the provisions of the Plan, the Board shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Stock Awards and all other terms and conditions of such Stock Awards.

8. Covenants of the Company.

(a) Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.

(b) Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained. A Participant shall not be eligible for the grant of a Stock Award or the subsequent issuance of Common Stock pursuant to the Stock Award if such grant or issuance would be in violation of any applicable securities law.

(c) No Obligation to Notify. The Company shall have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Stock Award. Furthermore, the Company shall have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of a Stock Award or a possible period in which the Stock Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of a Stock Award to the holder of such Stock Award.

9. Use of Proceeds from Stock.

Proceeds from the sale of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

14.

10. Miscellaneous.

(a) Acceleration of Exercisability and Vesting. The Board shall have the power to accelerate the time at which a Stock Award may first be exercised or the time during which a Stock Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Stock Award stating the time at which it may first be exercised or the time during which it will vest

(b) Corporate Action Constituting Grant of Stock Awards. Corporate action constituting a grant by the Company of a Stock Award to any Participant shall be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is communicated to, or actually received or accepted by, the Participant.

(c) Stockholder Rights. Subject to the further limitations of Section 7(b)(iv) hereof, no Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Stock Award unless and until (i) such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms, if applicable, and (ii) the issuance of the Common Stock subject to such Stock Award has been entered into the books and records of the Company.

(d) No Employment or other Service Rights. Nothing in the Plan, and Stock Award Agreement or any other instrument executed thereunder or in connection with any Stock Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(e) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (1) the issuance of the shares of Common Stock upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (2) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

15.

(f) **Withholding Obligations.** Unless prohibited by the terms of a Stock Award Agreement, the Company may, in its sole discretion, satisfy any country, federal, state, provincial or local tax withholding obligation relating to any Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Stock Award; provided, however, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law (or such lower amount as may be necessary to avoid classification of the Stock Award as a liability for financial accounting purposes); (iii) withholding payment from any amounts otherwise payable to the Participant; (iv) withholding cash from a Stock Award settled in cash; or (v) by such other method as may be set forth in the Stock Award Agreement.

(g) **Electronic Delivery.** Any reference herein to a "written" agreement or document shall include any agreement or document delivered electronically or posted on the Company's intranet.

(h) **Compliance with Section 409A.** To the extent that the Board determines that any Stock Award granted hereunder is subject to Section 409A of the Code, the Stock Award Agreement evidencing such Stock Award shall incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code. To the extent applicable, the Plan and Stock Award Agreements shall be interpreted in accordance with Section 409A of the Code, including without limitation any applicable guidance that may be issued or amended after the Effective Date.

11. Adjustments upon Changes in Stock.

(a) **Capitalization Adjustments.** If any change is made in, or other event occurs with respect to, the Common Stock subject to the Plan or subject to any Stock Award without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or similar transaction (each a "Capitalization Adjustment"), the Board shall appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 4(a), (ii) the class(es) and maximum number of securities that may be awarded to any person pursuant to Section 5(b), and (iii) the class(es) and number of securities and price per share of stock subject to outstanding Stock Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. The conversion of any convertible securities of the Company shall not be treated as a Capitalization Adjustment.

16.

(b) **Dissolution or Liquidation.** In the event of a dissolution or liquidation of the Company, then all outstanding Options shall terminate immediately prior to the completion of such dissolution or liquidation, and shares of Common Stock subject to the Company's repurchase option may be repurchased by the Company notwithstanding the fact that the holder of such stock is still in Continuous Service.

(c) **Corporate Transaction.** In the event of a Corporate Transaction, any surviving corporation or acquiring corporation may assume or continue any or all Stock Awards outstanding under the Plan or may substitute similar stock awards for Stock Awards outstanding under the Plan (it being understood that similar stock awards include, but are not limited to, awards to acquire the same consideration paid to the stockholders or the Company, as the case may be, pursuant to the Corporate Transaction), and any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to Stock Awards may be assigned by the Company to the successor of the Company (or the successor's parent company), if any, in connection with such Corporate Transaction. In the event that any surviving corporation or acquiring corporation does not assume or continue any or all such outstanding Stock Awards or substitute similar stock awards for such outstanding Stock Awards, then with respect to Stock Awards that have been not assumed, continued or substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction, the vesting of such Stock Awards (and, if applicable, the time at which such Stock Awards may be exercised) shall (contingent upon the effectiveness of the Corporate Transaction) be accelerated in full to a date prior to the effective time of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective time of the Corporate Transaction), the Stock Awards shall terminate if not exercised (if applicable) at or prior to such effective time, and any reacquisition or repurchase rights held by the Company with respect to such Stock Awards held by Participants whose Continuous Service has not terminated shall (contingent upon the effectiveness of the Corporate Transaction) lapse. With respect to any other Stock Awards outstanding under the Plan that have not been assumed, continued or substituted, the vesting of such Stock Awards (and, if applicable, the time at which such Stock Award may be exercised) shall not be accelerated, unless otherwise provided in a written agreement between the Company or any Affiliate and the holder of such Stock Award, and such Stock Awards shall terminate if not exercised (if applicable) prior to the effective time of the Corporate Transaction.

(d) **Change in Control.** A Stock Award held by any Participant whose Continuous Service has not terminated prior to the effective time of a Change in Control may be subject to additional acceleration of vesting and exercisability upon or after such event as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant, but in the absence of such provision, no such acceleration shall occur.

12. **Amendment of the Plan and Stock Awards.**

(a) **Amendment of Plan.** The Board at any time, and from time to time, may amend the Plan. However, except as provided in Section 11(a) relating to Capitalization Adjustments and Section 12(f) relating to amendments without Stockholder Approval, no amendment shall be effective unless approved by the stockholders of the Company.

(c) **No Impairment of Rights.** Rights under any Stock Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing.

(d) **Amendment of Stock Awards.** The Board at any time, and from time to time, may amend the terms of any one or more Stock Awards; provided, however, that (i) if the Common Stock is listed on the Toronto Stock Exchange any amendment is approved by the stockholders to the extent necessary to satisfy the rules of the Toronto Stock Exchange, and (ii) that the rights under any Stock Award shall not be impaired by any such amendment unless (A) the Company requests the consent of the Participant and (B) the Participant consents in writing.

(e) **Insiders.** If an amendment reducing the Option exercise price or extending the term of the Option is made to an Option held by an Insider, the amendment shall only be made effective after the approval is received of Disinterested Stockholders at a meeting of the stockholders of the Company.

(f) **Amendments without Stockholder Approval.** Without limiting the generality of the foregoing, or the other provisions hereof, the Board shall have the authority: (a) to make amendments to the Plan or a Stock Award of a housekeeping or administrative nature; (b) if the Common Stock is listed on the Toronto Stock Exchange subject to any required approval of the Toronto Stock Exchange, to change the vesting or termination provisions of a Stock Award or the Plan; (c) amendments necessary to comply with provisions of applicable law or stock exchange requirements or for grants to qualify for favourable treatment under applicable laws; and (d) any other amendment, fundamental or otherwise, not requiring stockholder approval under the Code; provided, however, that no amendment shall be made without stockholder approval to the extent stockholder approval is necessary to satisfy the requirements of Section 422 of the Code

13. **Termination or Suspension of the Plan.**

(a) **Plan Term.** The Board may suspend or terminate the Plan at any time. No Stock Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) **No Impairment of Rights.** Suspension or termination of the Plan shall not impair rights and obligations under any Stock Award granted while the Plan is in effect except with the written consent of the Participant.

14. **Effective Date of Plan.**

The Plan shall become effective as determined by the Board, but no Stock Award shall be exercised (or, in the case of a stock bonus, shall be granted) unless and until the Plan has been approved by the stockholders of the Company, which approval shall be within twelve (12) months before or after the date the Plan is adopted by the Board.

18.

15. Choice of Law.

The law of the State of Nevada shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of laws rules.
