Item 8.01. Other Items.

The United States Natural Gas Fund, LP (the “Registrant”) is filing this Current Report on Form 8-K/A to amend a Current Report on Form 8-K the Registrant filed with the U.S. Securities and Exchange Commission on March 31, 2010 that included the audited Consolidated Financial Statements of United States Commodity Funds LLC (the “General Partner”). Attached as Exhibit 99.1 to this Current Report on Form 8-K/A and incorporated herein by reference is a restatement of the audited Consolidated Financial Statements of the General Partner for the fiscal years ended December 31, 2009 and 2008. The audited Consolidated Financial Statements of the General Partner have been restated to accurately reflect the accounting for startup expenses (offering costs) for the funds managed by the General Partner (the “Funds”) after the General Partner’s management concluded that there was an error relating to the accounting for startup expenses. The General Partner formerly treated the deferred offering costs as a capitalized asset and, once a Fund’s registration statement became effective, the General Partner charged the deferred offering costs to equity. However, the General Partner’s management concluded that these startup expenses should instead be charged to operations as incurred and should be reflected in the applicable period. As a result of the error in accounting for the Funds’ startup expenses, the General Partner’s audited Consolidated Financial Statements have been restated to charge the startup expenses to current operations; accordingly, the consolidated statements of financial condition, consolidated statements of operations, consolidated statements of changes in equity and consolidated statements of cash flows have been restated to reflect this change. The cumulative effect from the error on equity as of December 31, 2007 is \$(187,056). The significant effects of the restatement on the General Partner’s consolidated statements of financial condition as of December 31, 2009 and 2008 and its consolidated statements of operations and consolidated statements of cash flows for the years then ended are included in Note 10 to the General Partner’s audited Consolidated Financial Statements.

Item 9.01. Financial Statements and Exhibits.
